

United States Court of Appeals
For the Eighth Circuit

No. 15-2148

United States of America

Plaintiff - Appellee

v.

Jesse E. Morgan

Defendant - Appellant

Appeal from United States District Court
for the Western District of Missouri - Kansas City

Submitted: January 11, 2016

Filed: January 14, 2016

[Unpublished]

Before BENTON, BOWMAN, and KELLY, Circuit Judges.

PER CURIAM.

Jesse Morgan appeals from the sentence the District Court¹ imposed after he pleaded guilty to wire fraud. His counsel has filed a brief under Anders v. California,

¹The Honorable Greg Kays, Chief Judge, United States District Court for the Western District of Missouri.

386 U.S. 738 (1967), requesting leave to withdraw and arguing that the District Court inadequately considered a relevant factor at sentencing.

Morgan's written plea agreement contained an appeal waiver. Upon careful review, we enforce the waiver. See United States v. Andis, 333 F.3d 886, 889–92 (8th Cir.) (en banc) (discussing enforcement of appeal waivers), cert. denied, 540 U.S. 997 (2003). We have independently reviewed the record, see Penson v. Ohio, 488 U.S. 75, 80 (1988), and have found no non-frivolous issue for appeal outside the scope of the appeal waiver. Accordingly, we dismiss this appeal and grant counsel leave to withdraw.
