Defendants

Appeal from United States District Court
for the Western District of Missouri - Springfield

Submitted: August 5, 2016
Filed: August 9, 2016
[Unpublished]

Before WOLLMAN, ARNOLD, and MURPHY, Circuit Judges.

PER CURIAM.

Missouri inmate Randy Teter appeals the district court's¹ denial of his motion for a new trial after the district court entered judgment for defendants following a jury trial. We conclude that the district court did not abuse its discretion in denying the motion. See Patterson v. City of Omaha, 779 F.3d 795, 800-01 (8th Cir. 2015) (standard of review). Accordingly, we affirm. See 8th Cir. R. 47B.

¹The Honorable Beth Phillips, United States District Judge for the Western District of Missouri.
