

United States Court of Appeals
For the Eighth Circuit

No. 15-3761

United States of America

Plaintiff - Appellee

v.

Rena Shannell Kirk

Defendant - Appellant

Appeal from United States District Court
for the Southern District of Iowa - Davenport

Submitted: April 14, 2016

Filed: April 19, 2016

[Unpublished]

Before GRUENDER, ARNOLD, and SHEPHERD, Circuit Judges.

PER CURIAM.

Rena Kirk challenges the reasonableness of the sentence the district court¹ imposed upon revoking her supervised release. Upon careful review, we conclude

¹The Honorable John A. Jarvey, Chief Judge, United States District Court for the Southern District of Iowa.

that the revocation sentence is not unreasonable. *See United States v. Miller*, 557 F.3d 910, 915-16 (8th Cir. 2009) (discussing appellate review of revocation sentence); *see also United States v. Lazarski*, 560 F.3d 731, 733 (8th Cir. 2009) (when court imposed below-Guidelines-range sentence, it was “nearly inconceivable” that court abused its discretion in not varying downward still further).

Accordingly, the judgment is affirmed. We also grant counsel’s motion for leave to withdraw.
