

United States Court of Appeals
For the Eighth Circuit

No. 16-1235

Christine Brown

Plaintiff - Appellant

v.

Carolyn W. Colvin, Acting Commissioner of Social Security

Defendant - Appellee

Appeal from United States District Court
for the Western District of Arkansas - Harrison

Submitted: September 20, 2016

Filed: September 23, 2016
[Unpublished]

Before WOLLMAN, ARNOLD, and GRUENDER, Circuit Judges.

PER CURIAM.

Christine Brown appeals the district court's¹ order affirming the denial of supplemental security income and disability insurance benefits. We disagree with Mrs. Brown that the administrative law judge (ALJ) did not adequately account for her mental impairments in determining her residual functional capacity (RFC), see Buford v. Colvin, 824 F.3d 793, 796 (8th Cir. 2016) (it is claimant's burden to establish RFC); and we conclude that substantial evidence on the record as a whole supports the ALJ's adverse decision, see Ash v. Colvin, 812 F.3d 686, 689-90 (8th Cir. 2016) (substantial evidence is enough that reasonable minds would find it adequate). The judgment of the district court is affirmed.

¹The Honorable Erin Setser, United States Magistrate Judge for the Western District of Arkansas, to whom the case was referred for final disposition by consent of the parties pursuant to 28 U.S.C. § 636(c).
