Before WOLLMAN, BOWMAN, and BENTON, Circuit Judges.

PER CURIAM.

Missouri inmate Lamont Williamson appeals from the judgment entered by the District Court¹ following a jury verdict for defendants in his 42 U.S.C. § 1983 action. We have thoroughly reviewed the issues Williamson has raised on appeal, and we find no basis for reversal. We affirm the judgment and deny Williamson's three pending motions. See 8th Cir. R. 47B.

¹The Honorable Charles A. Shaw, United States District Judge for the Eastern District of Missouri.
