For the Eighth Circuit

No. 17-1619

Andrew B. Aames,

Plaintiff - Appellant,

v.

United States of America; State of Missouri; MO Jackson County,

Defendants - Appellees,

Does 1 through 99,

Defendant.

Appeal from United States District Court
for the Western District of Missouri - Kansas City

Submitted: November 7, 2017

Filed: November 29, 2017

[Unpublished]

Before COLLOTON, BOWMAN, and KELLY, Circuit Judges.

PER CURIAM.

Andrew Aames challenges the district court's¹ dismissal of his complaint challenging the constitutionality of state and federal statutes requiring him to register as a sex offender. After carefully reviewing the record and the briefs, we affirm for the reasons stated by the district court, but we modify the judgment so that the dismissal of Aames's state-law request for relief is without prejudice. *See Franklin v. Zain*, 152 F.3d 783, 786 (8th Cir. 1998). The judgment is affirmed as modified. *See* 8th Cir. R. 47B.

¹The Honorable Fernando J. Gaitan, Jr., United States District Judge for the Western District of Missouri.
