PER CURIAM.

Missouri inmate Rodney D. Jones appeals from the order of the District Court<sup>1</sup> granting summary judgment to the defendants in his 42 U.S.C. § 1983 action. After de novo review, we agree with the court's thorough and well-reasoned analysis of Jones's Eighth Amendment claims arising from medical care he received after he suffered fractures during an altercation. See Cullor v. Baldwin, 830 F.3d 830, 836 (8th Cir. 2016) (standard of review). We affirm the judgment and deny Jones's motion to supplement the record.
