ORDER

In light of the intervening authority of *Sarei v. Rio Tinto*, 550 F.3d 822 (9th Cir. 2008) (en banc), this case is remanded to the district court to consider whether a prudential exhaustion requirement applies in this case, and if so, whether that requirement bars any claims in this case. On remand, the district court should also consider the effect, if any, of the decision of the Council of State of the Republic of Colombia in *Mario Galvis Gelves, et al. v. The Nation*, slip op. (Council of State, Rep. of Colombia, Ad. Law Div., Sec. 3, Dec. 13, 2007) and the decision of the Court No. 12 for Criminal Matters of the Circuit of Bogot of the Republic of Colombia in *In re Cesare Romero Pradilla, et al.*, slip op. (Sept. 21, 2007).

REMANDED.
