RE: State of Washington & State of Minnesota v. Trump, Case No. 17-35105
Pivotal Software, Inc.'s Joinder Letter in Lieu of Amicus Brief

To the Court and Counsel:

I write on behalf of Pivotal Software, Inc. pursuant to the Circuit Advisory Committee Note to Rule 29-1 to express Pivotal's support for and joinder in the factual statements and arguments submitted to the Court in the February 5, 2017 Motion for Leave to File Brief of Technology Companies and Other Businesses as Amicus Curiae in Support of Appellees, and the Brief attached thereto (ECF No. 19).

Pivotal Software, Inc. is a leading technology company and its operations are affected by the Executive Order issued on January 27, 2017, entitled "Protecting the Nation from Foreign Terrorist Entry into the United States." As set forth in the amicus brief, the Order represents a significant departure from the principles of fairness and predictability that have governed the immigration system of the United States for more than fifty years—and the Order inflicts significant harm on American business, innovation, and growth as a result. The Order makes it more difficult and expensive for U.S. companies to recruit, hire, and retain some of the world's best employees. It disrupts ongoing business operations. And it threatens companies' ability to attract talent, business, and investment to the United States.

Respectfully submitted,

s/ Andrew M. Cohen
