ON MOTION

O R D E R

Casio America, Inc. et al. move to consolidate these appeals. Raylon, LLC does not oppose consolidating the appeals but does oppose the appellants each filing separate initial and reply briefs. Casio and Symbol Technologies, Inc. move for a 25-day extension of time, until March 9, 2012, to file their initial briefs.

Upon consideration thereof,

IT IS ORDERED THAT:

(1) The motions to consolidate are granted. Pursuant to the court's rules, the appellants may each file a consolidated initial brief and a consolidated reply brief and may if appropriate cross-reference the other's brief to reduce the amount of briefing.

(2) The motions for an extension of time are granted.

(3) The revised official caption is reflected above.
