

NOTE: This order is nonprecedential.

**United States Court of Appeals
for the Federal Circuit**

IN RE MARK C. JACKSON,
Petitioner.

2014-142

On Petition for Writ of Mandamus to the United States Court of Federal Claims in No. 1:14-cv-00277-NBF, Judge Nancy B. Firestone.

ON MOTION

Before REYNA, BRYSON, and TARANTO, *Circuit Judges.*

PER CURIAM.

O R D E R

Mark C. Jackson petitions for a writ of mandamus relating to his complaint brought before the United States Court of Federal Claims.

On July 23, 2014, Jackson filed a notice of appeal, docketed as 2014-5121, from the judgment of the Court of Federal Claims dismissing his complaint for lack of jurisdiction. A party who seeks a writ bears the burden of proving that he has no other means of obtaining the relief desired. *Mallard v. U.S. Dist. Court*, 490 U.S. 296, 309

(1989). Because Jackson may raise arguments concerning his case in his appeal, mandamus relief is not appropriate.

Accordingly,

IT IS ORDERED THAT:

- (1) The petition for a writ of mandamus is denied.
- (2) All pending motions are denied as moot.

FOR THE COURT
