**United States Court of Appeals
for the Federal Circuit**

In re: MICHAEL OTTO HARTMANN,
Petitioner

2021-166

On Petition for Writ of Mandamus to the United
States Court of Appeals for the Federal Circuit.

ON PETITION

PER CURIAM.

O R D E R

Michael Otto Hartmann submits a petition for a writ of mandamus, attempting to invoke this court’s “original jurisdiction” to assert various claims, including contract and federal securities claims.

The All Writs Act provides that the federal courts “may issue all writs necessary or appropriate in aid of their respective jurisdictions and agreeable to the usages and principles of law.” 28 U.S.C. § 1651(a). The Act is not itself a grant of jurisdiction. *Clinton v. Goldsmith*, 526 U.S. 529, 534–35 (1999). This court does not have original jurisdiction over Mr. Hartmann’s claims. Nor does his submission reference any agency or trial court
