Court No. 99-01-00007

UNITED STATES.

ORDER

Upon consideration of the consent motion for a voluntary remand, it is hereby

ORDERED that the case is remanded to the Department of Commerce for reconsideration of the <u>Final Results of Expedited</u>

<u>Sunset Review on Synthetic Methionine from Japan</u>, 63 Fed. Reg. 67665 (Dec. 8, 1998); and it is further

ORDERED that, upon remand, Commerce consider the 48 percent rate from the Treasury Department's less-than-fair value investigation of synthetic methionine from Japan as a possible appropriate indicator of the magnitude of dumping that would prevail were the dumping finding on synthetic methionine from Japan to be revoked.
