Upon consideration of the United States Court of Appeals for the Federal Circuit’s decision and mandate in Duferco Steel, Inc. v. ORDERED that judgment is entered in accordance with the United States Court of Appeals for the Federal Circuit’s opinion in Duferco Steel Inc. v. United States et al., 296 F.3d 1087 (2002); and it is further

ORDERED that the Commerce Department shall instruct Customs to implement the exclusion of Plaintiffs floor plate “with patterns in relief derived directly from the rolling process” from the scope of the 1993 antidumping and countervailing duty orders on cut-to-length plate from Belgium.
