1 A. Yes.

2 Q. -- you're talking again -- at this point in time had
3 you decided whether to accept the Emergency Manager
4 job? This is later in the afternoon on January 31.

5 A. No, I didn't. I -- no, there was no time in the
6 initial two days that this came up that I decided to
7 accept the Emergency Manager job.

8 Q. Okay. And in this email you're giving some thoughts
9 on some of the issues that pertain to that; aren't
10 you?

11 A. Yes.

12 Q. And in particular you start talking about the
13 legislation that pertains to the EM position. You
14 said you went back and reviewed various laws; do you
15 see that?

16 A. Yes.

17 Q. And you talked about some laws in DC control board and
18 then you go on in the last sentence -- or I'm sorry,
19 the second to the last sentence to write, and I quote,
20 "By contrast Michigan's new EM law is a clear
21 end-around the prior initiative that was rejected by
22 the voters in November."

23 You wrote that?

24 A. Yes.

25 Q. And by the new EM law, you were referring to PA 436?

800.211.DEPO (3376)
EsquireSolutions.com

1 Q. And you go on then in the -- and you were -- I guess
2 -- were you aware that for either the case of the
3 Chapter 9 being filed with the governor's approval
4 without the Emergency Manager being involved or the
5 Chapter 9 filing with the Emergency Manager, that in
6 either case PA 436 did not require the governor to
7 impose any contingencies on the bankruptcy filing?

8 MR. SHUMAKER: Objection, calls for legal
9 conclusion.

10 A. I don't recall if I had done a deep dive in that
11 question at this time. Please understand, counselor,
12 at this time I was doing a preliminary review of the
13 statute based upon I believe some published reports
14 and a look at it online. I may have gotten to that
15 point, I just don't recall if at this time during that
16 day I had.

17 Q. Okay.

18 A. But I did at some point.

19 Q. But you certainly knew that ultimately?

20 A. At some point I did, sure.

21 Q. Obviously. And then you go on in the next sentence in
22 this email to say, "So although the new law provides
23 the thin veneer of a revision, it is essentially a
24 redo of the prior rejected law and appears to merely
25 adopt the conditions necessary for Chapter 9 filing."

1 A. Yes, I said that.

2 Q. And were you writing truthfully when you said that?

3 A. Yeah, and I think the balance of the paragraph, the
4 news reports state that opponents of the prior law are
5 already lining up to challenge this law. So as I just
6 testified, this was my preliminary analysis based upon
7 a number of sources, some of them were the news
8 reports.

9 Q. And you were aware in fact that as you just indicated
10 that there were either challenges already made or that
11 were going to be made to the law?

12 A. I was not aware that there were challenges already
13 made. I was aware the news report states that
14 opponents of the prior law were already lining up to
15 challenge the law.

16 Q. And did you have any understanding at this time as to
17 what those grounds of challenge were or may be?

18 A. No. As I said, this was, you know, within the span of
19 a day when this was going back and forth about what it
20 may require, I was beginning to familiarize myself to
21 some degree with the statute.

22 Q. Your email goes on to say you're going to speak with
23 Baird in a few minutes and see what his thinking is.

24 A. Yes.

25 Q. Did you speak with Mr. Baird that day?

1 potential ground for challenge, was that it allowed
2 the governor to authorize a bankruptcy filing without
3 imposing a condition that would prevent pension
4 obligations from being impaired?

5 A. I don't know if I was aware of that issue at this
6 time, no.

7 Q. Well, were you aware -- you became aware of it if not
8 then at some point shortly thereafter; correct?

9 A. Yeah, let me say this. There was no broad based
10 concern at this point about with what the authority
11 was with regards to pensions so any sort of
12 insinuation that that was the focus at this point is
13 just inaccurate. That wasn't true. This as I said
14 before was a very cursory and initial sort of review
15 of what I was being asked to do so when I had a
16 discussion with Mr. Baird later I would have some
17 information and that's what I gleaned based upon a few
18 hours since apparently I got the call -- I was
19 informed that day, that morning or the day before to
20 the time I was going to have a call that afternoon.

21 Q. But I take it at some point in time you became aware
22 that Article 9, Section 24 of the Michigan
23 Constitution protects pension benefits from being
24 diminished or impaired?

25 A. I believe at some point in time I became aware that

1 Article 9, Section 24 purports to protect pensions and
2 benefits in certain circumstances, yes.

3 MR. ULLMAN: Let's mark Exhibit 5.

4 (Marked Exhibit No. 5.)

5 Q. Exhibit 5 is just a printout of Article 9, Section 24
6 of the Michigan Constitution. Do you recognize it as
7 such?

8 A. I mean, the document speaks for itself, but that
9 appears to be what it is, yes.

10 Q. Okay, and I think your last answer you said that in
11 your view Section 24, Article 9 purports to protect
12 pensions and benefits in certain circumstances.

13 A. Yes.

14 Q. And are you contending that the words of Article 9,
15 Section 24 means something other than what they say?

16 MR. SHUMAKER: Objection, calls for legal
17 conclusion.

18 A. Yeah, I -- here again, I think the document speaks for
19 itself. I think that my response to that issue is
20 throughout the arc of my career, whether in federal
21 government or in private practice at the Chrysler
22 case, there have been many state laws, some of them
23 quite sacrosanct, that have been abrogated by federal
24 law, not just bankruptcy law. At the RTC we preempted
25 state, New York state, rent control litigation, law;

1 we preempted California state escheat law; we
2 preempted -- and that was the model for 50s. In
3 Chrysler, we preempted 50 states have dealer franchise
4 laws that were preempted. So when I said I recognize
5 this, there are federal laws that preempt state laws.

6 MR. ULLMAN: I'm going to move to strike as
7 nonresponsive.

8 Q. Mr. Orr, I appreciate your perhaps trying to be
9 helpful, but my question was really very limited and I
10 would appreciate it if you could just answer it.

11 MR. ULLMAN: Could I have my question read
12 back, please?

13 (Record read back as requested.)

14 A. I think that calls for a legal conclusion and I
15 contend that they speak for themselves.

16 Q. Now, you made mention in your -- I think when you were
17 giving your prior response, you made some allusion to
18 federal law.

19 A. Uh-huh.

20 Q. Is there any question in your mind that apart from
21 anything that may come into play under federal law,
22 that the constitution of Michigan, Article 9, Section
23 24, prohibits pension rights from being diminished or
24 impaired?

25 MR. SHUMAKER: Objection, calls for legal

800.211.DEPO (3376)

1 conclusion.

2 A. The document, as I said, speaks for itself. Certainly
3 I think I've said before that parties can negotiate a
4 resolution of contracts.

5 Q. That's -- that's not my question.

6 MR. ULLMAN: Could you -- can you read my
7 question back? If there's anything about it you don't
8 understand, I would be glad to rephrase.

9 THE WITNESS: Uh-huh.

10 (Record read back as requested.)

11 MR. SHUMAKER: Objection to form, calls for
12 legal conclusion. You can answer.

13 A. Yeah, I think it does call for legal conclusion, but
14 as I said, contractual obligations can be negotiated
15 at any time.

16 Q. Let me rephrase it.

17 You understand what the constitution is
18 talking about is diminishing or impairing is
19 nonconsensual; correct?

20 MR. SHUMAKER: Objection, calls for legal
21 conclusion.

22 Q. Let me rephrase it so there can't be any ambiguity.
23 Clearly parties can if they so choose change their
24 contract; rights?

25 A. Yes.

800.211.DEPO (3376)
EsquireSolutions.com

1 Q. Is there any question in your mind that Article 9,
2 Section 24 of the Michigan Constitution protects
3 pension rights from being diminished or impaired if
4 the beneficiaries of those rights do not agree
5 consensually to such diminishment or impairment?

6 MR. SHUMAKER: Objection, calls for legal
7 conclusion.

8 A. I think I've answered that before. I think there's
9 certain federal laws that allow for preemption --

10 Q. I'm asking about independent of any federal law. The
11 Michigan Constitution on its own, apart from any
12 overlay that you say may apply from federal law, is
13 there any question that the Michigan Constitution,
14 assuming that the beneficiaries of the retirement
15 obligations don't consent, any question that in that
16 circumstance the Michigan Constitution prohibits
17 pension rights from being diminished or impaired?

18 MR. SHUMAKER: Objection, calls for legal
19 conclusion.

20 A. Here again, Mr. Ullman, you're asking me -- I'm a fact
21 30(b)(6) witness, you're asking me for a legal
22 conclusion about what the statute says. I'll say that
23 the statute speaks for itself and I certainly have
24 heard that people take that position.

25 Q. Okay, and I'm asking you -- I'm not asking you to give

1 wasn't. It was the Emergency Manager's duties writ
2 large.

3 Q. And when you say you were pouring over the law, you
4 yourself were doing legal analysis, reading various
5 laws; is that right?

6 A. Yes, I was trying to get background information, yes.

7 Q. And as part of that background information did you
8 read Article 9, Section 24 of the Michigan
9 Constitution?

10 A. I may have.

11 Q. Is there any question in your mind that you didn't?

12 A. I -- if you have a document to refresh my
13 recollection, I'm happy to look at it. Sitting here
14 on this day on February 20th, I don't recall whether
15 or not I read that article of the constitution.

16 Q. There's no question that at some point after February
17 20th you read Article 9, Section 24 of the Michigan
18 Constitution; correct?

19 A. My testimony is it may have been before or after the
20 20th. I don't recall whether I did that sitting here
21 today.

22 Q. Okay, but it was either one or the other, but you
23 certainly have read it?

24 A. Yes, I've read it. I read it today.

25 Q. And you read it before you became Emergency Manager;

800.211.DEPO (3376)
EsquireSolutions.com

1 didn't you?

2 A. Yes.

3 Q. One other question on this document actually. As you
4 look at page 460, at the bottom there's a February 21
5 email.

6 A. Yes.

7 Q. And it refers to point 8 of the attachment. This
8 again has to do with the mayor's existing executive
9 team; right?

10 A. Yes.

11 Q. And in this time -- this is from Mr. Baird again;
12 right?

13 A. Yes.

14 Q. And he's really explicit. He says, other than a few
15 grammatical nits, and some more language around point
16 8, so we can manage expectations if Kevyn needs to
17 make some personnel changes. So he's clearly
18 referring here to you making personnel changes that
19 could affect the mayor's existing executive team;
20 isn't he?

21 A. Yes, this wasn't written to me, but I'll read it. I
22 mean to myself. Yes, document speaks for itself, but
23 that seems to say that.

24 Q. Isn't it clear at this point that it was envisioned
25 and understood that Kevyn Orr, you Mr. Orr, were in

800.211.DEPO (3376)
EsquireSolutions.com

1 that right?

2 A. I believe so.

3 Q. And did the governor share that view with you?

4 A. No.

5 Q. He thought that the pension and OPEB obligations were
6 not impediments to Detroit's fiscal health?

7 A. No, the governor -- the only discussion I had with the
8 governor was at a very high level about the dire
9 straits of the City and the need for some -- it was
10 actually the dire straits of the City and the need for
11 some reform. There was no specific discussion about
12 pension or OPEB.

13 Q. Now, at some point after you became the Emergency
14 Manager, did you have discussions with the governor
15 about a Chapter 9 filing to among other things get out
16 of the pension obligations that the City owed?

17 MR. SHUMAKER: Object to form.

18 A. Yes, I believe so.

19 Q. And when did those take place?

20 A. Since becoming Emergency Manager on the 25th I've had
21 regular conversations with the governor. Typically
22 weekly. I don't recall the specific conversation when
23 they came up. I will say that it wasn't within our
24 initial conversations.

25 Q. Okay. And we're talking -- these conversations, are

1 A. I'm taking my time because I'm trying to remember.
2 There were a number of different analyses and briefing
3 papers and -- that would come across the desk and I'm
4 not sure any of them focused solely on state law.

5 Q. Okay. And what else -- what other law did they focus
6 on if not solely state law?

7 A. They may have focused on state law and federal law.

8 Q. So you don't recall if there was any analysis that
9 just looked at state law?

10 A. No, sitting here today, I don't recall. There may
11 have been, but I don't recall.

12 Q. And were you aware prior to the bankruptcy filing that
13 under state law alone the pension obligations could
14 not be diminished or impaired?

15 A. This is the discussion we had about five to ten
16 minutes ago about whether or not state law permitted
17 it and I will go back to my answer with that. It
18 seems to suggest a legal conclusion based upon what
19 the statute 436 provides and the intent of the
20 legislature.

21 Q. Let me ask you a different question.

22 Is there anything in PA 436 that allows in
23 your view the Emergency Manager to impact or adversely
24 affect pension rights in the absence of a Chapter 9
25 bankruptcy filing?

800.211.DEPO (3376)
EsquireSolutions.com

1 A. Defined contribution.

2 Q. Defined contribution?

3 A. Uh-huh.

4 Q. Now, the existing -- the pension plan that exists
5 under the steady state projections, is that defined
6 contribution plan?

7 A. That would be switched over. No, no, defined -- the
8 steady state scenario?

9 Q. That's a defined benefit?

10 A. That's a defined benefit plan.

11 Q. So what you're projecting here is a switch over to a
12 defined contribution program and for 2014 we see the
13 number for the city's contributions is now
14 25.4 million; is that right?

15 A. Yes, that's -- yes.

16 Q. And that compares with the -- what was the figure?
17 199.5 million that we saw under the as is?

18 A. Yes, projections.

19 Q. Yes. So the diminution it looks just on the rough
20 math that the City's pension contributions under the
21 restructuring are being cut by about 80 percent; is
22 that right?

23 A. Under 75 million, 80 percent, sure, roughly.

24 Q. And for health, the health benefits, which we saw that
25 were, what, under the current scenario something like

800.211.DEPO (3376)
EsquireSolutions.com

1 147 million?

2 A. Retiree health, yes.

3 Q. For retiree health?

4 A. Uh-huh.

5 Q. Under this proposal, the restructuring proposal, I
6 don't see any line entry for the retiree health
7 benefits.

8 A. Yes.

9 Q. So they're essentially being cut; correct?

10 A. Well, the obligation is being provided with a
11 different program, but yes, the City would not have an
12 obligation going forward of that magnitude.

13 Q. And going back to the pension contributions, you know,
14 we had talked about a diminution on the order of 80
15 percent from the 199.5 figure, and I think it's the
16 City's contention that the 199.5 figure is really
17 understated, right, because the obligations are really
18 a lot higher?

19 A. I think we think the liabilities -- this is the steady
20 state projection on 91. I think we think the
21 liabilities are higher because what we represented on
22 the second page of 98 is the estimated undersecured
23 claims for out years as opposed to a ten-year
24 projection.

25 Q. Right. And if the liabilities were really greater

800.211.DEPO (3376)
EsquireSolutions.com

1 than the diminution from the steady state to the
2 restructuring scenario would be greater than 80
3 percent; wouldn't it?

4 A. It might be. I mean, we've said 80 percent. I mean,
5 199.5 less 25, you know, you just roughly cut those in
6 half, that's a 12 and 1/2 percent, but you know, 88
7 percent, somewhere in that neighborhood.

8 Q. Now, the people who are -- the retirees who are
9 getting impacted from these -- by these cuts in the
10 proposed restructuring, these are who? These are men
11 and women who previously served the City and are now
12 retired?

13 A. Yeah, they're two pension plans: one for General
14 services and the other for Police and Fire.

15 Q. And these individuals that serve the City in both
16 public safety and nonpublic safety capacities?

17 A. Uniform and nonuniform, yes.

18 Q. And were these -- I guess the issue comes because the
19 pension liabilities and the healthcare benefits that
20 may be due are not -- there's not sufficient funding
21 that was put into them; correct?

22 A. Well, the healthcare benefit has no funding, the
23 \$5.7 billion. And the pension underfunding has our
24 estimate of the level of underfunding, the unfunded
25 portion of the pensions, in them. There are assets

800.211.DEPO (3376)
EsquireSolutions.com

1 propose to reduce would get a share of the note, yes.

2 Q. And is there any way to tell from this document how
3 much any individual retiree would ultimately get if
4 the notes go ahead and are issued?

5 A. Not from this document.

6 Q. There's no way to tell how much cash value any retiree
7 would receive under this plan that's laid out here
8 where they get notes?

9 A. It is my understanding that there are a number of
10 different plans and benefits and factors that go into
11 that determination for any specific retiree.

12 Q. Okay. Now, Chapter 9 is not referred to in this
13 restructuring plan; is it?

14 A. I don't think we did.

15 Q. And I think you indicated before that if this was not
16 agreed to by the various constituencies, then the only
17 way to implement this restructuring plan would be, if
18 at all, would be to try to go ahead and do that
19 through Chapter 9; is that right?

20 A. I think what I said before, I think you're referring
21 to the May 12th 45-day operating plan, but I think
22 what I said before on June 10th and June 14th is we
23 needed to engage in a dialogue, because we didn't want
24 to go to Chapter 9.

25 MR. ULLMAN: That wasn't my question. Can

800.211.DEPO (3376)
EsquireSolutions.com

1 you read my question back?

2 (Record read back as requested.)

3 A. Yeah, I indicated that here today.

4 Q. I'll just ask the question again. As you understood
5 it, if the proposal here were not agreed to or some
6 other consensual resolution was not reached, was there
7 any way for you as Emergency Manager to implement this
8 plan other than to try to get it put in place through
9 a Chapter 9 filing?

10 A. Subject to the discussion that we've had a couple of
11 times earlier today, what I have said is that Chapter
12 9 is an option to achieve these goals.

13 Q. And were you at this point aware of any option to
14 achieve these goals other than Chapter 9 if a
15 consensual resolution was not reached?

16 A. There were various briefing memos and discussions, but
17 given the time frames that we were under, and I said
18 this at the June 10th meeting and I said it at the
19 June 14th meeting and I want to be responsive, that if
20 we didn't, Chapter 9 was an alternative.

21 Q. And I don't think that's fully responsive at this
22 point. Had you identified anything else as of June 14
23 to get this plan implemented, any other course,
24 putting aside consensual resolution, other than a
25 chapter 9 file?

800.211.DEPO (3376)
EsquireSolutions.com

1 A. Nothing that would give us an orderly and
2 comprehensive resolution of these problems.

3 Q. Now, you gave an interview, that I'm sure you're
4 familiar with, with the Detroit Free Press on or
5 around June 14th. Do you remember it? I'll just tell
6 you what -- I believe you said -- and I'm sure you
7 remember this one and you can tell me. If not, I have
8 the quote.

9 A. Yeah, you can give me the quote. There's so many
10 interviews, but I'll trust your quote.

11 Q. Okay.

12 A. Okay.

13 Q. This is the quotation. Question, you said in this
14 report, referring to the June 14th proposal, that you
15 don't believe there is an obligation under our state
16 constitution to pay pensions if the City can't afford
17 it? Answer, the reason we said it that way is to
18 quantify the bankruptcy question. We think federal
19 supremacy trumps state law.

20 A. Yes.

21 Q. You don't deny making that statement?

22 A. No, I think I've said that several times.

23 Q. And the state law you were referring to that you
24 referred to as being trumped was Article 9, Section 24
25 of the state constitution; is that right?

- 1 A. I believe so.
- 2 Q. There's no other state law that you view as relevant
3 to the pension issue; is there?
- 4 A. Subject to the discussions that we had earlier today.
- 5 Q. As being trumped? There's no other state law that you
6 regarded as being trumped; is there?
- 7 A. No, there's no other as being trumped.
- 8 Q. Trumped.
- 9 A. Right.
- 10 Q. So the answer to my question -- just so the record is
11 clear, the answer to my question is no other?
- 12 A. We're not referring to another state law.
- 13 Q. Okay, thank you.
- 14 A. Okay.
- 15 Q. Now, ultimately -- so when the subsequent bankruptcy
16 filing was made -- which it was; right?
- 17 A. Yes.
- 18 Q. The intention -- specific intention was indeed to
19 trump Article 9, Section 24 of the state constitution;
20 correct?
- 21 A. That wasn't the only intention.
- 22 Q. But that was an intention; was it not?
- 23 A. That was one of the objectives.
- 24 Q. Now, ultimately you did request authorization for the
25 governor to file; right?

800.211.DEPO (3376)

1 was the singular focus. I think most of our
2 discussions were about the need for the City to deal
3 overall with its balance sheet and its obligations,
4 which would include pensions.

5 MR. ULLMAN: Uh-huh. Okay, can you read my
6 question back? Listen a little more closely because I
7 was really -- it was a little more specific of a
8 question.

9 THE WITNESS: Okay.

10 (Record read back as requested.)

11 A. We probably had that discussion. I don't recall
12 anything specific, but we probably did.

13 Q. And do you recall any discussion during those same
14 conversations with the governor or anyone from his
15 staff as to the impact, if any, of Article 9, chapter
16 -- Section 24 of the Michigan Constitution as regards
17 pension benefits?

18 A. I don't recall having discussions in that regard. No.

19 Q. Now, if you look at the governor's response letter,
20 okay, and the last page, you see at the top there's a
21 heading called contingencies?

22 A. Yes.

23 Q. And it says 2012 PA 436 provides that my approval of
24 the recommendation to commence a Chapter 9 proceeding
25 may place contingencies on such a filing and it gives

1 the citation. It continues, I am choosing not to
2 impose any such contingencies today. Federal law
3 already contains the most important contingency, a
4 requirement that the plan be legally executable,
5 11 U.S.C. Section 943(b)(4). Do you see that?

6 A. Yes.

7 Q. And did you have any discussions with the governor or
8 anyone from his staff about that language before you
9 received this letter back?

10 A. No.

11 Q. Were you -- did you have any understanding before
12 receiving this that as to whether or not the governor
13 was going to place any contingencies on the bankruptcy
14 filing?

15 A. No, but I was concerned about it.

16 Q. And what were you concerned about?

17 A. I was concerned that the governor might place some
18 contingency in any regards, not just related to the
19 pensions and others, but that the inner array on
20 limiting what authority I might have would impact what
21 discretion I would have under either 436 or Chapter 9.
22 I was just concerned about contingencies.

23 Q. And was one of the contingencies that you were
24 concerned about the contingency that could impair your
25 ability or restrict your ability to cut back the

800.211.DEPO (3376)
EsquireSolutions.com

1 Q. And did you have any plan in place as to what you
2 would do if the letter came back that imposed a
3 contingency that in any Chapter 9 filing nothing could
4 be done that would affect pension rights that were
5 protected under the Michigan Constitution?

6 A. No.

7 Q. Now, in his letter the governor -- the portion we've
8 just looked at on the back of page 5, the governor
9 says, having a legally executable plan under Section
10 943(b)(4). That's a reference, 943(b)(4), the
11 bankruptcy code; isn't it?

12 A. I believe so.

13 Q. So he says, he the governor says, having a legally
14 executable plan under Section 943(b)(4) of the
15 bankruptcy code is a contingency for Detroit's filing
16 a bankruptcy petition. Correct?

17 MR. SHUMAKER: Objection, document speaks
18 for itself.

19 A. That's -- I was going to say the document speaks for
20 itself. You're sort of reading it, you know, just
21 inversing it, but it says federal law already contains
22 the most important contingency requirement that the
23 plan is legally executable.

24 Q. Right. And this is in the context of him asking or
25 noting that under PA 436 he could, he the governor,

800.211.DEPO (3376)
EsquireSolutions.com

1 could place contingencies on a Chapter 9 filing;
2 right?

3 A. Yes.

4 Q. And he goes on to say that federal law also contains
5 what he calls the most important contingency on the
6 Chapter 9 filing, that it be legally executable;
7 correct?

8 A. Yes, the letter speaks -- that's the language of the
9 letter.

10 Q. Did you agree with the governor's analysis here?

11 A. I -- do I agree? Yes, I mean, I agree that that's the
12 most important contingency that we get to, yes.

13 Q. Now, petition was filed -- the bankruptcy petition was
14 filed on July 18th, like at 4 in the afternoon, 4:05,
15 something like that?

16 A. That's what I was told. I don't know the specific
17 time.

18 Q. Now, in doing -- in making your bankruptcy filing,
19 were you intending to do something that was in
20 violation of state law?

21 MR. SHUMAKER: Objection, calls for legal
22 conclusion.

23 A. Here again, subject to all the discussions that we had
24 earlier today, I was intending to alleviate the City of a
25 very dire situation and provide it with the maximum

1 telephone conversations with him and I recall meeting
2 with him. I don't recall whether it was prior or
3 after the filing. I know from time to time -- I just
4 don't recall when it was.

5 Q. Would there have been any reason for you not to
6 consult the Attorney General prior to the bankruptcy
7 filing on that issue?

8 A. No, I think the State Attorney General made his
9 position known prior to the filing.

10 Q. Now, as of this time the petition was filed there were
11 various state court litigations that had been begun?

12 A. Yes.

13 Q. And those challenged, among other things, PA 436;
14 correct?

15 A. Yes.

16 Q. And its constitutionality?

17 A. Yes.

18 Q. And in fact, the petition was filed just prior to the
19 start of a TRO hearing in one of those state
20 litigations; wasn't it?

21 A. I was told that either that night or the following
22 day.

23 Q. And are you aware that certain objectors in this
24 proceeding have stated that the bankruptcy petition
25 was filed just before the judge in the case was about

1 to issue a TRO prohibiting the bankruptcy filing from
2 taking place?

3 A. I heard that after the fact, yes.

4 Q. And are you aware that these objectors have stated
5 that in fact the state lawyers asked for a short delay
6 before the ruling was issued so they could get the
7 bankruptcy filing in before the judge came down with a
8 TRO?

9 A. I don't know if I heard it -- I may have read that
10 later. I don't know if I heard it.

11 Q. Did you have any involvement in those actions?

12 A. No, no.

13 Q. Do you deny that that's what occurred?

14 A. I only know what I've heard and I have no personal
15 knowledge, I just know what I've heard and what I've
16 read.

17 Q. And isn't it correct that you wanted to get the
18 bankruptcy petition filed as soon as possible because
19 you knew there was a risk that the state might rule it
20 was illegal -- the state court might rule it was
21 illegal under state law for the bankruptcy proceeding
22 to be filed?

23 A. No, that wasn't the reason.

24 Q. Is there a particular reason that the bankruptcy
25 filing was made at 4:06 in the afternoon of the same

1 day a TRO was being heard in the state court other
2 than to get the jump on the state court ruling?

3 MR. SHUMAKER: Object to the form.

4 A. Not to the best of my knowledge.

5 Q. Now, you're aware that the state court in that
6 litigation in fact later issued a ruling that PA 436
7 is unconstitutional to the extent that it authorizes a
8 proceeding under Chapter 9 in the way that could
9 threaten to impair or diminish accrued pension
10 benefits?

11 A. Yes, I was informed that there are I believe three
12 TROs after the bankruptcy filing.

13 Q. And you have proceeded with the bankruptcy petition
14 notwithstanding; correct?

15 A. Well, the bankruptcy petition had been filed. There
16 were open questions about the application of the stay.
17 There was also a question about an appeal, which was
18 taken up I believe by the Attorney General's office.
19 So when you say you proceeded with the petition, we
20 filed the petition, there was a ruling, and there were
21 appeals.

22 Q. Okay. And in light of the state court ruling that
23 PA 436 was unconstitutional, you did not take any
24 steps to withdraw the bankruptcy petition from filing;
25 did you?

1 A. No.

2 Q. And you have not taken any steps to stop the
3 bankruptcy proceeding from going forward; have you?

4 A. No.

5 MR. ULLMAN: Would this be a good time to
6 stop for lunch, a quick lunch?

7 MR. SHUMAKER: Sure.

8 MR. ULLMAN: I'm ready to continue but I
9 know --

10 THE WITNESS: You got another -- how much
11 -- do you have another line of inquiry? Whatever
12 everybody --

13 MR. ULLMAN: I'm about to switch subject
14 matters.

15 THE VIDEOGRAPHER: Going off the record at
16 12:52 p.m.

17 (Luncheon recess between
18 12:52 p.m. and 1:30 p.m.)

19 THE VIDEOGRAPHER: We're back on the record
20 at 1:35 p.m.

21 BY MR. ULLMAN:

22 Q. Welcome back, Mr. Orr.

23 A. Good afternoon.

24 Q. One other question about the June 14th proposal.
25 Referring to page 98, we talked about the defined

800.211.DEPO (3376)
EsquireSolutions.com

1 contribution benefit plan?

2 A. Yes.

3 Q. Okay. Is it correct that under that plan
4 contributions are being made only for people who would
5 be current City employees?

6 A. Will the plan be closed?

7 Q. Yes.

8 A. Yes, I believe so.

9 Q. So under the restructuring plan there would be no
10 pension contributions made for retirees; correct?

11 A. I believe that's correct.

12 Q. Now, you I believe said that the June 14th proposal
13 was presented at a meeting to representatives of
14 various creditors, I think you said that in your
15 declaration?

16 A. On June 14th, yes.

17 Q. Okay. Did you speak at that meeting?

18 A. Yes.

19 Q. And who else spoke?

20 A. I believe all -- several members of our team, I
21 believe it was Mr. Heiman, David Heiman, I believe it
22 was Ken Buckfire, I believe Heather Lennox was on, I
23 believe Bruce Bennett was there, I believe Ken
24 Buckfire may have spoken. I'm trying to recall if
25 there was anyone else.

1 association that the City would in fact be willing to
2 agree to a restructuring that did not involve the
3 elimination of ongoing pension contributions for
4 retirees.

5 A. No, I didn't say that.

6 Q. And do you know in fact whether anyone working on your
7 team ever said that to any union or retiree
8 association?

9 A. No.

10 Q. Okay. During the time from June 14th to July 17, did
11 you or anyone else from your team tell any union or
12 retiree association that the City acknowledged that
13 under Michigan law pension rights were explicitly
14 protected from being impaired or diminished?

15 A. I don't --

16 MR. SHUMAKER: Objection, form, calls for
17 speculation.

18 A. I don't recall anyone saying that, but it may have
19 happened.

20 Q. But you personally didn't make that statement; did
21 you?

22 A. I don't recall saying that. I may -- you know,
23 anything is possible, I just don't recall saying it.

24 Q. And as of July 17, had the City, you or anyone working
25 for you, told any union or retiree association that it

1 would in fact be willing to agree to a restructuring
2 plan that did not effectively eliminate the prior
3 existing health benefits for retirees?

4 MR. SHUMAKER: Objection, foundation, calls
5 for legal speculation.

6 A. Healthcare benefit for retirees?

7 Q. Yeah.

8 A. That did not eliminate it?

9 Q. Yeah, that you --

10 A. Did not adjust it in some fashion?

11 Q. Did not essentially cut it out the way it was being
12 cut out in the June 14th proposal.

13 A. Yeah, I want to be careful with the frame cut out,
14 because I think there were subsequent discussions
15 about what would be provided instead --

16 Q. Uh-huh.

17 A. -- as a proposal, so I don't want my testimony to seem
18 as if we were not proposing an alternative to the
19 existing healthcare plan and that had not been
20 discussed prior to July 17th, but subject to those
21 qualifications the answer to your question is yes.

22 Q. Now, I've been asking you as of July 17 and then the
23 bankruptcy filing was the very next day; correct?

24 A. Yes.

25 Q. Now, in your declaration do you recall making

1 Q. And on the pension side of things has there been any
2 change from what was set out in the June 14th
3 proposal? As I understand this, it's still a defined
4 contribution plan for current employees and no
5 contributions being made by the City for retired --
6 for retirees; is that right?

7 MR. SHUMAKER: Object to the form.

8 A. Yeah, the general consensus is that you would close
9 the plan and there would be contributions for
10 currents, yes.

11 Q. And so again, just to be clear, that means for
12 retirees no ongoing contributions provided by the
13 City?

14 A. None other than their participation in the note that's
15 proposed in the June 14th proposal.

16 Q. And with no new funding for their pensions the
17 payments will stop -- to the retirees would stop being
18 made when the retirement funds run out; is that right?

19 A. That's a loaded question. I mean, the -- and the
20 reason I say it's a loaded question, some of the
21 retirement funds have said their payments won't run
22 out so that's why we want to have a dialogue. We
23 think they're at risk. They've told us they're not.

24 Q. And by the City's estimation the pension funding will
25 run out when? If no new funds are put in?

1 unreasonable assumptions either way. But your general
2 question as to whether or not if the information going
3 in was inaccurate, revealed an inaccurate result, I
4 think it's true as a matter of just common sense and
5 logic.

6 Q. And the same thing as to assumptions. If the
7 assumption made was wrong, then the output would be
8 wrong also?

9 A. I think that's why we asked several times to have a
10 discussion about the assumptions that are necessary
11 for pension benefits.

12 Q. Now, the cash flows that are being reported in your
13 declaration, those do not include any assumptions as
14 to the monetization of various assets that the City
15 continues to hold; is that right?

16 MR. SHUMAKER: This is paragraph 56 that
17 you're referring to, counsel?

18 MR. ULLMAN: Yeah, I'm looking in general.

19 MR. SHUMAKER: In cash flow?

20 MR. ULLMAN: Yeah, cash flow.

21 A. You're talking about generally do the cash flows
22 include any monetization of any City assets?

23 Q. Yeah.

24 A. No, they do not.

25 Q. And obviously if assets currently held by the City

1 for some period of time; true?

2 MR. SHUMAKER: Objection to form.

3 A. Here again, depending upon the size of the asset, but
4 anything is possible.

5 Q. Okay. Now, the City of Detroit owns certain pieces of
6 art that are stored at the Detroit Institute of Art;
7 is that right?

8 A. Yes.

9 Q. And how many is that?

10 A. I think the City owns approximately 66,000 pieces of
11 art.

12 Q. Now, those --

13 A. No, strike that. Let me be clear so we can move on.

14 Q. Yeah.

15 A. I think there are 66,000 pieces of art over at Detroit
16 Institute of Art. I'm not sure the City owns all
17 66,000 pieces. I've been informed that it owns 35,000
18 of those pieces in an undisputed capacity.

19 Q. Okay, that's what I was getting at. And that's
20 distinct from art that is subject to a public -- or is
21 or may be subject to a public trust or something like
22 that. This is 35,000 pieces that the City owns, as
23 you said, in an undisputed capacity?

24 A. Outright, yes.

25 Q. Outright. Now, is it correct that the City has

1 reports.

2 Q. Do you have any reason to believe that the value of
3 the City-owned art is less than something on that
4 order of magnitude?

5 A. I'm relatively agnostic on the value of the art at
6 this point. I'm waiting to see the appraisal.

7 Q. Do you have any understanding as you sit here today as
8 to what the value of the City-owned art is?

9 A. No.

10 Q. Are you considering selling the City-owned art to
11 generate cash?

12 A. What I've said consistently is all options on the
13 table, but we first have to decide what we're talking
14 about.

15 Q. Do you have any understanding as to how long it would
16 take to sell the art if a decision were made to sell
17 it?

18 A. No.

19 Q. Have you considered other ways to monetize the art
20 besides an outright sale?

21 A. All options are on the table.

22 Q. Well, have you considered any others in particular?

23 A. We have not made -- meaning my team and I have not
24 made any decisions with regard to the art contained at
25 DIA.

800.211.DEPO (3376)
EsquireSolutions.com

1 Q. I'm not asking about decisions, I'm just asking what
2 you considered.

3 A. We considered a lot of things, yes.

4 Q. And have you -- well, then can you answer my question
5 more specifically? What if any ways to monetize the
6 art have you considered other than an outright sale?

7 A. I think there's been discussions about some form of --
8 and I'm not clear because to be direct, I know that
9 some of my -- I've never been to DIA, I don't think
10 I've ever spoken with their board, I know that some of
11 my consultants have been over there and have had
12 various discussions about the art. I think the
13 discussions were very high level and very general.
14 That's what I know.

15 Q. Okay, that's really very nonspecific. Are you aware
16 of any specific consideration given to any form of
17 monetizing the art other than an outright sale?

18 A. No, nothing specific.

19 Q. Could be a lease -- sorry, but nothing has been
20 identified as a possible route to monetize?

21 A. Nothing specific. There have been discussions, but
22 nothing specific.

23 Q. Have there been discussions of leasing as a possible
24 way to monetize?

25 A. Possibly, yes.

1 Q. Okay. And do you have any understanding of the amount
2 of cash flow that could be generated on an annual
3 basis if the art were leased?

4 A. Sitting here today, no.

5 Q. Has that number been talked about? Is there a
6 document that might discuss that?

7 A. No, no, there's no document. I -- I -- in an effort
8 to be accurate, I think I had a discussion with one of
9 the representatives at Christie's that was generally
10 speaking leasing is a very difficult thing to do.
11 That's the nature of the discussion, that you would
12 have to have the right pieces at the right time at the
13 right market to generate cash.

14 Q. So there was no discussion about the amount of money
15 it could generate?

16 A. No, no, it -- there was some discussion about
17 \$1 million, for instance, or something like that, but
18 it's nothing substantive.

19 Q. Okay. Now, the City also has a department of water
20 and sewers; is that right?

21 A. Yes.

22 Q. And as I understand it, the department of water and
23 sewers operates as a separate entity for accounting
24 and operating purposes?

25 A. As a result of Judge Cox's opinion, it has separate

1 A. When you talk about asset values, you're talking about
2 switches, pipes, valves, things along that nature. I
3 don't think I've ever seen an appraisal of the value
4 of the assets of the water and sewer department.

5 Q. Do you have a general understanding of what the value
6 of the assets --

7 A. No.

8 Q. -- is worth?

9 A. No.

10 Q. Have you taken any steps to monetize the value of the
11 assets owned by the water and sewer department?

12 A. When you say monetize, I'm going to respond to the
13 question on the basis that monetize is in the broad
14 sense --

15 Q. Uh-huh.

16 A. -- not whether it's a lease, whether it's a sale,
17 getting authority.

18 Q. Just get money for it.

19 A. Get money for it, get some dough, okay, just want to
20 be clear. Discussions are ongoing in that regard.

21 Q. What are those discussions in a nutshell?

22 A. Those are commercially sensitive so I don't want to
23 interfere. Suffice it to say, the -- Judge Cox's
24 opinion spoke to the possibility of creating an
25 authority that would remove the water and sewer

800.211.DEPO (3376)
EsquireSolutions.com

1 when you talk about values, there's a range of values
2 from asset disposition and outright sale and
3 privatization to creating an operation or an authority
4 where someone has brought in, as has been done in
5 Washington, D.C., to actually operate the garages and
6 meters. So we're looking at a range of alternatives
7 to determine what those values could be.

8 Q. What's the range of values you're looking at so far?

9 A. We don't have that yet.

10 Q. How concrete have you -- let me withdraw that.

11 What specific steps have been taken so far?

12 A. Our investment advisors and consultants are beginning
13 discussions with various parties that undertake these
14 types of operations within a range of alternatives to
15 try to assess values.

16 Q. And the investment advisors, would that be Buckfire?

17 A. Yeah, it would be our investment banker, Ken Buckfire,
18 Miller Buckfire.

19 Q. Okay. In the June 14th proposal you also make
20 reference to about 22 square miles of land that the
21 City owns?

22 A. City-owned land, yes.

23 Q. Do you have an understanding as to the value of that
24 land?

25 A. I've been informed that some of the value is at best

800.211.DEPO (3376)
EsquireSolutions.com

1 nominal, but no, sitting here today, I do not have a
2 number as to the value of the land.

3 Q. Have any steps been taken to try to monetize that
4 value, to get dough as you put it?

5 A. Yeah. Well, here again, you're -- to get income
6 realization perhaps I should say more articulately,
7 but here again, we're at the preliminary steps of
8 examining potential alternatives regarding land.

9 Q. So you don't know yet?

10 A. No.

11 Q. The Belle Isle Park, that's also referenced in the
12 June 14th proposal?

13 A. Yes.

14 Q. It's indicated that there's a prospective lease to the
15 state?

16 A. Yes.

17 Q. Okay. And do you expect that to go through?

18 A. I'm going to ask for it. It was proposed and was not
19 accepted in time so the state withdrew it, but I do
20 believe we're going to intend to ask that that lease
21 be renewed.

22 Q. And what's the annual rent the City would get under
23 that lease?

24 A. The City has a \$6 million maintenance obligation and
25 that would be taken up by the state so that wouldn't

800.211.DEPO (3376)
EsquireSolutions.com

1 A. I can't -- it was an attorney-client communication.

2 Q. And are you aware of any cases where, to use your
3 phraseology, as a result of a Chapter 9 filing by a
4 municipality the state constitution was trumped?

5 A. Chapter 9 filing?

6 Q. Yes.

7 A. I'm not sure, because the case I'm aware of, I don't
8 know if it was a state constitution. I don't recall.

9 MR. ULLMAN: Okay, I have no more questions
10 at this time. But I may reserve the right, we have
11 some other people that are going to ask questions, at
12 the end of that to ask some follow-ups, if that's
13 possible.

14 THE WITNESS: Okay.

15 MR. SHUMAKER: You want to take a quick
16 break?

17 MR. ULLMAN: Yeah, why don't we take a
18 break. Someone else has to sit here.

24 EXAMINATION

25 BY MS. LEVINE:

800.211.DEPO (3376)
EsquireSolutions.com

1 Q. At the time the City filed for bankruptcy, was it your
2 view that there had to be significant cuts in accrued
3 vested pension amounts for both active and currently
4 retired persons?

5 A. Yes.

6 Q. And is it still -- still your view today?

7 A. Yes, based upon our analysis, yes.

8 Q. This conclusion that there must be significant cuts in
9 accrued vested pension amounts for both active and
10 currently retired persons, was that assertion or that
11 idea or that notion discussed by you with the governor
12 at any time before June 14th, 2013?

13 A. Outside of meetings with attorneys?

14 MR. SHUMAKER: Outside of meetings or calls
15 with attorneys present.

16 Q. Yeah, I'm not looking to infringe your attorney-client
17 privilege.

18 A. I know. I just don't recall all of the meetings. It
19 may have been discussed outside those meetings.

20 Q. Well, do you have a recollection?

21 A. I do not have a recollection of specific discussions.

22 Q. Just so I understand your testimony, are you saying it
23 was -- it may have been discussed but you're not sure
24 whether or not it was discussed in meetings that were
25 outside the attorney-client privilege? Is that your

1 June 14th meeting.

2 A. Okay.

3 Q. Do you have a recollection of any words you used to
4 communicate to those in attendance that you were open
5 to consider anything, if that's a fair
6 characterization of your prior testimony? Did you use
7 words to that effect and if so what were those words?

8 A. I don't remember the exact words, but I think we
9 expressed the sentiment that this is a proposal and
10 we're open to discussions.

11 Q. Well, that's a little different. I mean, to be open
12 to discussion. I'm not asking you -- I think you
13 testified a few minutes ago that you were open to
14 anything and if I'm mischaracterizing that, correct
15 me.

16 A. Well, no, anything -- and I meant anything meaning
17 anything in terms of discussions, that's why we styled
18 this, we never called this a plan, we never called
19 this a deal, we always called it a proposal because we
20 were open for discussions, any response, meaning
21 anything, so I think they're the same thing. I'm not
22 trying to be cute in any fashion, I'm just saying we
23 were open to responses, yes.

24 Q. Did you ever say to the attendees at the meetings or
25 communicate to the attendees in writing that the City

1 movement on it.

2 Q. So as things now stand, there's no plan to put forward
3 anything else if the creditors and in particular the
4 retirees do not agree to what's set out in the June
5 14th proposal?

6 A. As it stands right now, we don't have a plan.

7 MR. ULLMAN: I have nothing further. Thank
8 you, Mr. Orr.

9 MR. SHUMAKER: Thank you, counsel.

10 THE WITNESS: Thank you.

11 THE VIDEOGRAPHER: Going off the record at
12 5:41 p.m.

13 (Discussion held off the record.)

14 THE VIDEOGRAPHER: We're back on the record
15 at 5:43 p.m.

1 demonstrated any concern about political
2 ramifications as they're being used today.

3 Q. Did you understand that reductions in
4 vested pension benefits would be a necessary part
5 of any restructuring for Detroit?

6 A. I think that was certainly
7 anticipated, yes.

8 Q. Is it your understanding that the
9 Governor understood that the reduction in vested
10 pension benefits would be part of any
11 restructuring for Detroit?

12 MR. SHUMAKER: Objection: foundation.

13 MS. LEVINE: I'm asking him his
14 understanding.

15 THE WITNESS: I'm not sure what the
16 Governor understood. You'd have to ask him.

17 BY MS. LEVINE:

18 Q. Did the Governor ever communicate to
19 you that he expected that vested pension benefits
20 would be part of any restructuring for Detroit?

21 A. The Governor communicated to me that
22 he expected -- no.

800.211.DEPO (3376)

1 Q. Yeah.

2 A. -- for the City who had been
3 retained, the City representatives were there and
4 the State representatives were there.

5 Q. Okay. I'll talk -- call that the --
6 the review team --

7 A. Review team --

8 Q. -- is that the term you like?

9 Okay --

10 A. -- yeah.

11 Q. -- so as I understand what you're
12 saying, the -- the -- the slides themselves were
13 present -- given over to the review team as a --
14 a -- a bound --

15 A. Yes.

16 Q. -- volume or attached in some way?

17 A. Yes, the -- the -- the slide deck as
18 the pitch book was given to the review team.

19 Q. Okay. And then, at the presentation,
20 were -- how did that work? Did you -- did people
21 sort of go through the slides orally and then --
22 and -- and make comments as they were going

800.211.DEPO (3376)
EsquireSolutions.com

1 through the different pages in the pitch book?

2 A. No. As I recall, we handed out the
3 pitch book and began sort of going through the
4 slide, but within the first page or two, the
5 discussion exceeded the slides. And we really
6 ended up not going through the pitch book in any
7 meaningful manner --

8 Q. Okay.

9 A. -- at the presentation.

10 Q. Okay. And this -- at the time of the
11 presentation, you were indeed still part of
12 Jones Day --

13 A. Yes.

14 Q. -- and part of the pitch team?

15 A. Yes, absolutely.

16 Q. Okay.

17 Okay. I'm going to mark another
18 document, Mr. Orr, and ask if you've ever seen
19 this, which is Number 22.

20 A. Two.

21 MR. ULLMAN: Here's a copy for you,
22 two copies for you, and an extra, and an extra. I

1 don't want to bring these back with me is all.

2 - - -

3 (Whereupon, City of Detroit -
4 Restructuring Plan, Mayor's
5 Implementation Progress Report was
6 marked, for identification purposes,
7 as Orr Deposition Exhibit
8 Number 22.)

9 - - -

10 THE WITNESS: Thank you.

11 BY MR. ULLMAN:

12 Q. Okay. What we've marked as
13 Exhibit 22, Mr. Orr, is entitled, City of Detroit
14 - Restructuring Plan, Mayor's Implementation
15 Progress Report, with the date of March 2013.

16 Have you ever seen this document
17 before?

18 A. I think I've seen it before, but I
19 think that was after I became emergency manager.

20 Q. Okay. That's fine.

21 And what I'd like to do is try to
22 just ask you about one page of this.

800.211.DEPO (3376)
EsquireSolutions.com

1 A. Um-hum.

2 Q. If you could look at Page 6.

3 A. Um-hum.

4 Q. Okay. What we --

5 MR. SHUMAKER: Of the -- of the
6 actual document?

7 MR. ULLMAN: Of the -- yes. I'm
8 sorry, yeah.

9 And just for clarity, this document
10 bears Bates Number DTMI00129416, and Page 6 of the
11 document bears the Bates number ending in 422.

12 THE WITNESS: Um-hum.

13 BY MR. ULLMAN:

14 Q. Okay. And this page, in general, is
15 entitled, The Mayor's plan includes strategies to
16 implement changes that will significantly reduce
17 general fund long-term liabilities.

18 I'd like you to focus on Number -- or
19 Letter (b) --

20 A. Yes.

21 Q. -- you see 3(b)?

22 A. Um-hum.

800.211.DEPO (3376)
EsquireSolutions.com

1 Q. It says, Pension unfunded
2 liabilities, and the first bullet point says,
3 Approximately 650 million of unfunded liability as
4 of fiscal year 2012, of which only 250 million
5 relates to general fund.

6 A. Yes, I see that.

7 Q. And do you have an understanding as
8 to what's being said there and what that reference
9 is?

10 MR. SHUMAKER: Objection: foundation.

11 THE WITNESS: Yeah. I was obviously
12 not responsible for drafting, developing or the
13 due diligence behind the document. The document
14 speaks for itself.

15 But what I think is being said there
16 is that the unfunded liability for the -- and I
17 assume it's speaking to both pension funds; it may
18 be one or the other --

19 BY MR. ULLMAN:

20 Q. Um-hum.

21 A. -- but the unfunded liability for
22 fiscal year 2012 is 250, and 250 million of that

800.211.DEPO (3376)
EsquireSolutions.com

1 is somehow an obligation of the general fund.

2 Q. Okay. Did you say 250? It's -- you
3 meant to say 650, right?

4 A. No, no. It's 650 total --

5 Q. Right.

6 A. -- but 250 million of that is an
7 obligation of the general fund.

8 Q. You had misspoken and said 250 both
9 times --

10 A. Oh, I'm sorry --

11 Q. -- so --

12 A. -- oh, no -- okay. 650 and 250, I'm
13 sorry. I was --

14 Q. Okay.

15 A. -- thinking ahead, thinking quicker
16 than my mouth moved.

17 Q. Okay. And as I -- I understand that
18 the 650 million that's referred here -- to here by
19 the Mayor corresponds pretty closely, if I recall,
20 to the \$644 million figure that was referred to in
21 the June 14th proposal; is that right?

22 A. I would -- I -- yes, I -- I would

800.211.DEPO (3376)
EsquireSolutions.com

1 think it does --

2 Q. Okay.

3 A. -- I'm -- I'm -- here again, I'm
4 not -- I'm assuming it -- it speaks for itself and
5 it's facially correct; but, yes, I would think
6 that's the reference.

7 Q. Okay. And so can you tell me what --
8 what is your understanding when the Mayor says
9 here that 250 million relates to the general fund,
10 what the other 300 --

11 A. 400.

12 Q. -- 400 million relates to? And
13 what's -- what is the distinction being drawn
14 between what relates to the general fund versus
15 what relates to something other than the general
16 fund?

17 A. I'm not sure.

18 Q. Well, is it correct that -- that some
19 portion -- let's just stick with the -- we can use
20 the \$644 million number --

21 A. Um-hum.

22 Q. -- because I think that's what you

800.211.DEPO (3376)
EsquireSolutions.com

1 would probably say is more accurate.

2 That's the number that's cited in the
3 June 14th proposal, right?

4 A. Yeah, they may have -- they may have
5 rounded up here --

6 Q. Okay.

7 A. -- but we'll -- it's -- it's
8 approximately that amount.

9 Q. Okay. Is it correct that for the
10 approximately 644 million unfunded pension
11 liability that you refer to in the June 14th
12 proposal, that some portion of that is allocable
13 to a payment source other than the general fund?

14 A. I think that's correct.

15 Q. Okay. And what are those --
16 what is -- what are the other payment sources to
17 which the total 650 -- or I'm sorry -- 644 million
18 is allocable other than the general fund?

19 A. Well, there are other sources, but it
20 could be principally related to the Water
21 department.

22 Q. Okay. And what is your understanding

800.211.DEPO (3376)
EsquireSolutions.com

1 as to how much of the approximately 644 million
2 unfunded pension liability relates to liability
3 for personnel from the Department of Water and
4 Sewer?

5 A. Approximately that difference.

6 Q. Okay. So it's about 450 million?

7 A. Approximately, yeah.

8 Q. Okay. And I'm trying to recall from
9 your last testimony.

10 For the -- the pension monies that
11 are due relative to personnel from the Department
12 of Water and Sewer, are the pension payments made
13 directly by the Department of Water Sewer to the
14 retirement systems, or is the money paid first by
15 the retirement -- I'm sorry -- by the Water and
16 Sewer Department to the City, which then transmits
17 it to the retirement system, or is there another
18 mechanism for the payment?

19 MR. SHUMAKER: Objection to form.

20 THE WITNESS: I believe it's the -- I
21 believe it's the latter.

22

800.211.DEPO (3376)
EsquireSolutions.com

1 A. I could go back and check it to be
2 sure, but I think that's the approximate mechanism
3 as I understand it.

4 Q. Okay. Now, by my math -- I make no
5 representations as to my math, but just looking at
6 the numbers, it looked -- actually, do I have a
7 calculator here? I don't think I do.

8 What percentage is 250 over 650? I
9 actually didn't do the math.

10 A. Four -- it's 40-some odd.

11 Q. It's 40-some -- yeah, we can get it
12 precisely.

13 Zero? Oh.

14 250 divided by 6 -- let's say 650 --
15 shoot, I didn't do that right. I apologize. Let
16 me try to clear this and do it again.

17 250 divided -- 6. This isn't right.

18 Okay. It looks like about
19 38 percent.

20 A. Right.

21 Q. Okay. You recall that -- that during
22 the last deposition, you indicated that you

800.211.DEPO (3376)
EsquireSolutions.com

1 thought that the actual unfunded liability was --
2 was higher than the 644 number and could be as
3 much as 3.5 billion or something like that?

4 A. Yes.

5 Q. Okay. My question is, does the --
6 does the -- is the proportion of unfunded
7 liability allocable to the general fund versus the
8 Department of Water Sewer personnel constant if
9 you -- if you use a higher liability figure?

10 In other words --

11 A. If we went up to 3.5 --

12 Q. Yeah, yeah --

13 A. -- million, would it be --

14 Q. -- would the Department of Water and
15 Sewer still be approximately 38 percent of the
16 total unfunded liability?

17 A. I'm -- I'm not sure. I would think
18 that a rough estimate might be. But as I said, I
19 think, in September 16th, part of those
20 calculations had to do with a number of factors,
21 so I don't want to say that my testimony is as
22 exactly proportioned.

THE VIDEOGRAPHER: Going back on the
record at 1306. This marks the beginning of
Tape Number 2.

MR. DECHAIRA: Okay.

BY MR. DECHAIRA:

Q. Mr. Orr, before we broke, I was
asking you about a meeting you had with the
Michigan Attorney General.

And my question was, what was said at
that meeting?

A. Yes.

With Attorney General Schuette, I
don't recall the exact date; but, generally
speaking, the Attorney General -- at the meeting,
as I said, was Mr. Heiman on the phone, the
Attorney General and an attorney from his office,
Matt, whose last name escapes me right now. And
generally what was said, the Attorney General
wanted to express why he felt duty-bound to take a
position that the Michigan State Constitution
protected vested pension obligations.

800.211.DEPO (3376)
EsquireSolutions.com

1 approximately 61.5 percent?

2 A. But, remember, I said that you have
3 to be careful with trying to draw a straight-line
4 comparison between the two numbers you may
5 calculate in. But generally speaking, if we're
6 just talking about the math, that -- that --

7 Q. Right --

8 A. -- would be the estimate.

9 Q. -- I'm right here just talking about
10 the ratio on the -- the number that's referred to
11 as the 650 -- the approximately 650 by the Mayor.

12 A. Yes.

13 Q. And then I think the next question I
14 asked you, which I think is what you were alluding
15 to, that if you assumed a larger liability figure,
16 would that ratio continue to hold; and my
17 recollection is, your answer was roughly it would,
18 but you may have to, you know, fine-tune the math.

19 A. It -- it -- it might roughly hold,
20 but you need to be careful to not draw the
21 conclusion that is -- it's exactly comparable.

22 Q. Okay. I understand.

800.211.DEPO (3376)
EsquireSolutions.com

1 A. Okay.

2 Q. Okay.

3 And then the other question I have
4 for you -- this is referring to the unfunded
5 pension liability --

6 A. Um-hum.

7 Q. -- you're also familiar with the
8 medical benefits for retirees --

9 A. Yes.

10 Q. -- the health -- and I think that's
11 sometimes referred to as OPEB?

12 A. Yes, other [sic] employee benefits.

13 Q. Okay. And for the OPEB is -- are --
14 is the -- is the situation similar that some
15 amount of the total OPEB liability that the City
16 faces is allocable to sources other than the
17 general fund?

18 A. You -- you know, I think it is; but
19 I'm not recalling that mechanism as well as I
20 recall the pension mechanism, but I think it is.

21 Q. Okay. And would then some portion of
22 the total OPEB unfunded liability be allocable

800.211.DEPO (3376)
EsquireSolutions.com

1 also to the Department of Water and Sewer to their
2 retirees?

3 A. It might well be, but I'd need to
4 confirm that.

5 Q. Okay. And have you done any analysis
6 of that question?

7 A. Yes --

8 Q. Okay.

9 A. -- well, our contractors have done an
10 analysis of the question.

11 Q. Okay. And who specifically has done
12 an analysis of that?

13 A. Oh, I think our team at -- the entire
14 team: Conway MacKenzie, Ernst & Young,
15 Miller Buckfire.

16 Q. And do you recall their general
17 conclusions to what percentage of the total
18 unfunded OPEB liability is allocable to the -- A,
19 to the Department of Water of Sewer; or, B, some
20 other fund or entity apart from the general fund?

21 A. I'm -- I'm not -- I don't recall if
22 it is, and I don't recall the percentage.

CB,

Thank you for thinking about alternative ways to skin this cat. But I don't think we should look at this right now for at least two reasons. First, the state already has EMs appointed or five cities and four school districts. I wouldn't want it to seem like I have a special deal. Second, in thinking about the EM position I went back and looked at the SIGTARP legislation and the federal law authorizing the creation of the D.C. Control Board in 95. Both gave those managers tremendous powers, but neither was subject to questions about the authority of the Congress to enact them and the President's authority to sign them into law. By contrast Michigan's new EM law is a clear end-around the prior initiative that was rejected by the voters in November. The new EM law gives local governments four choices to fix their financial emergency:

Consent Agreement, in which local leaders remain in charge but must meet certain conditions in an agreement negotiated with the state (Detroit is already under a CA and it sounds like it's not working);
A state appointed EM that has broad authority over local finances;
Chapter 9 bankruptcy with the Governor's approval; and
Mediation, in which the local government and interested parties meet with a neutral party to resolve financial issues, such as employee contracts (this is essentially required to file a Chapter 9 petition).

So although the new law provides the thin veneer of a revision it is essentially a redo of the prior rejected law and appears to merely adopts the conditions necessary for a chapter 9 filing. The news reports state that opponents of the prior law are already lining up to challenge this law.

Nonetheless, I'm going to speak with Baird in a few minutes to see what his thinking is. I'll let you know how it turns out. Thanks.

1 So they were looking at those forecasts in isolation.
2 But that work sort of stopped I think right around in
3 the first four or five months of the engagement.

4 Q. And why did that work stop?

5 A. It was because the focus continued to be
6 on the general fund and these were self-sustaining
7 funds with respect to at least the Water and Sewer
8 Department. And so they were monitoring their -- and
9 dealing with their cash activity, although connected
10 to the City, but we weren't helping forecast receipts
11 and disbursements because they were not impacting the
12 general fund.

13 Q. You previously testified in your prior
14 deposition that Ernst & Young was not asked to look at
15 possible disposition of City assets, is that correct?

16 A. That's correct.

17 Q. Why -- did you have a discussion with the
18 City regarding whether that would be valuable work for
19 Ernst & Young to provide?

20 MR. STEWART: Objection.

21 BY THE WITNESS:

22 A. I -- I'm not sure I follow the question.

23 BY MS. BRUNO:

24 Q. How did it come about that Ernst & Young

1 didn't evaluate the value of disposition of some of
2 the City assets?

3 A. It was not a part of our scope of work.

4 Q. You would agree that there could be cash
5 value to the disposition of some of those assets,
6 would you not?

7 MR. STEWART: Objection.

8 BY THE WITNESS:

9 A. I think that's a better question to ask
10 for the City's investment banker.

11 BY MS. BRUNO:

12 Q. Well, I'm not talking about the specific
13 numbers here, but you know what some of the assets
14 available to the City are, correct?

15 A. In general, yes.

16 Q. And you understand that some of those
17 assets could be valuable or quite valuable, correct?

18 MR. STEWART: Objection.

19 BY THE WITNESS:

20 A. It depends on what assets you are talking
21 about.

22 BY MS. BRUNO:

23 Q. Why don't we look at Exhibit No. 4 -- oh,
24 I'm sorry. I'll hand it to you. Exhibit No. 4 from

800.211.DEPO (3376)
EsquireSolutions.com

1 your prior deposition, I'll hand it to you. It was
2 the Proposal For Creditors --

3 A. Okay.

4 Q. -- dated June 14.

5 And I believe the assets are identified on
6 90. And it is 90 of the computer generated numbers on
7 the bottom.

8 And on pages 90 through 96, the
9 presentation discussed various assets that the City
10 could derive some cash benefit from, correct?

11 MR. STEWART: Objection.

12 BY THE WITNESS:

13 A. Yes.

14 BY MS. BRUNO:

15 Q. And, well, I don't want to quarrel or even
16 discuss with you what the actual specific value of any
17 one of those assets are, but you would agree that the
18 implementation of any of these proposals would improve
19 the City's cash position, would it not?

20 MR. STEWART: Objection.

21 BY THE WITNESS:

22 A. Here is what I would say. The current
23 ten-year projections right now do not include any
24 incremental proceeds that could be available to the

800.211.DEPO (3376)

1 City from asset sales. And that's where I -- because
2 that's what's very clearly laid out in the proposal.

3 If there are proceeds available that are
4 available to the City, those numbers would change.
5 But I can at least highlight and articulate what the
6 assumptions are with respect to the ten-year forecast
7 that the City has put out.

8 BY MS. BRUNO:

9 Q. And so your assumptions include that none
10 of these assets will be disposed of in any way, is
11 that correct?

12 A. That's generally correct.

13 Q. Sticking with Exhibit No. 4 before you, if
14 you'd turn to page 80 of the document. I'm sorry. I
15 should say 87 of the computer generated numbers.

16 And this is a portion of the presentation
17 that discusses increasing the tax collection. You
18 look like you are on a different page than I am here.

19 A. 87.

20 Q. You've got it?

21 A. Yes.

22 Q. You would agree that increasing the tax
23 collection rates and improving the collection of past
24 due taxes could materially improve the City's

09:55:47 1 Q. Okay. Let me direct your attention -- strike that.
09:55:54 2 Let me back up.

09:55:55 3 Did you put your comments in writing to
09:55:58 4 anyone -- your comments about the June 14th, 2013
09:56:02 5 proposal, did you put your comments in writing to
09:56:04 6 anyone whether by letter or email or phone text or
09:56:08 7 in any other written format?

09:56:09 8 A. I don't believe so. I don't believe so.

09:56:13 9 Q. Let me now turn your attention to page 109 of
09:56:21 10 Exhibit 3, and I'm going to in particular read the
09:56:30 11 second line of the third bullet point from the
09:56:34 12 bottom. It says "There must be significant cuts in
09:56:39 13 accrued vested pension amounts for both active and
09:56:42 14 currently retired persons."

09:56:45 15 Were you aware that the proposal said this?

09:56:49 16 A. I'm aware the proposal said that in the context that
09:56:53 17 this was to be a negotiation and a mutual agreement
09:56:56 18 between parties.

09:56:56 19 Q. My only question was --

09:56:57 20 A. Yeah.

09:56:57 21 Q. -- were you aware that this proposal said this?

09:57:00 22 A. Yes.

09:57:00 23 Q. And you were aware that at the time that you signed
09:57:05 24 what's been marked as Exhibit 2, the July 18th
09:57:07 25 letter, you were aware that the proposal contained

09:57:10 1 the language I just read, correct?

09:57:12 2 A. Yes.

09:57:14 3 Q. So you were aware when you signed the July 18th,
09:57:24 4 2013 letter that it was Kevyn Orr's view that there
09:57:30 5 had to be significant cuts in accrued pension
09:57:32 6 liabilities, correct?

09:57:34 7 A. I would say it was Kevyn Orr putting a proposal out
09:57:38 8 to parties to say he believed this was necessary to
09:57:41 9 achieve an outcome, that they would need to agree to
09:57:44 10 that.

09:57:45 11 Q. I'm not sure that was responsive. Let me try that
09:57:49 12 question again.

09:57:49 13 A. Okay.

09:57:50 14 Q. Isn't it correct that at the time that you signed
09:57:54 15 your July 18th letter that you were aware that it
09:58:00 16 was Kevyn Orr's position that there had to be
09:58:01 17 significant cuts in accrued pension benefits?

09:58:04 18 A. Yes.

09:58:05 19 Q. Did you speak to Kevyn Orr about -- strike that.

09:58:12 20 Did you agree with that position as of
09:58:15 21 July 18th? And by the position I mean that there
09:58:19 22 had to be significant cuts in accrued pension
09:58:21 23 liabilities?

09:58:23 24 A. The approval of my letter was not addressing that as
09:58:27 25 an issue. It was about authorizing a bankruptcy.

1 A. Yes.

2 Q. I didn't mean to.

3 A. I was not aware of that.

4 Q. And as regards pension benefits, which is what we've
5 been looking at, do you know whether the plan, the
6 proposal that was presented by the City on September
7 11 changed in any way from what it presented first on
8 June 14th and then again on June 20th?

9 A. I haven't -- I'm not aware of nor have I seen a
10 proposal that the City made on September 11.

11 Q. So you don't know one way or the another?

12 A. I don't.

13 Q. Okay, fair enough.

14 Now, is it -- to your knowledge can someone
15 or a retiree, for example, look at the information
16 that's contained in S18 and be able to figure out
17 monetarily what the total impact of this proposal is
18 on that particular individual?

19 A. I don't know.

20 Q. Okay. And you think that's something that someone
21 would want to be able to understand in order to
22 analyze a proposal that's being made and respond
23 intelligently to it?

24 MR. MILLER: Object to form. Calls for

1 A. Could you rephrase that?

2 MR. ULLMAN: Can you repeat it?

3 (Record read back as requested.)

4 A. What's the that?

5 Q. Being able to understand the monetary impact to the
6 affected individual of what is being proposed. If I
7 were presenting you with a proposal, you would want to
8 understand how -- a proposal that purports to affect
9 how much money you're going to get, how many benefits
10 you're going to receive, you would want to know what
11 the monetary impact on you is overall in order to
12 think about it, understand it and respond to; true?

13 A. If it had a monetary impact and --

14 MR. MILLER: Let me interpose an objection.
15 Object to form.

16 Q. You can answer the question.

17 A. If it had a monetary impact and I had an interest in
18 that regard, I would. If I didn't, I wouldn't.

19 Q. Okay. Now, we talked about the June 20 meeting. What
20 I'm going to do is show you two documents. I'm going
21 to have them marked serially, but I'm going to show
22 them to you at the same time and then ask you about

Page 45 1 Q. Well, did you -- as part of this initial -- this 2 restructuring program, were you aware in any way that 3 anything that was being proposed was contrary to the 4 laws or Constitution of the State of Michigan? 5 A. No. 6 Q. And do you recall specifically how if at all the 7 pension liabilities were to be dealt with under your 8 proposed approach? 9 A. No. 10 Q. Would that be set out in whatever documents there are 11 that describe your initiatives? 12 A. I didn't understand your question. 13 Q. Would the approach to pensions be set out in whatever 14 documents exist that describe the initiatives that 15 you've referred to? 16 A. Those probably were internal meetings between the CFO 17 and the COO and probably people from the labor 18 department. Those aren't meetings that I sat in. 19 Q. So you don't recall the specifics of how the pension 20 issues were -- 21 A. No. 22 Q. -- being dealt with? 23 A. No. 24 Q. But as you understood it, the City's -- if the 25 proposed restructuring, the initiatives that you put	Page 47 1 A. He was agreeable in working together, but we didn't go 2 step by step and say that I agree or I don't agree. 3 Q. Okay. So did you have an understanding as when you 4 left that meeting in DC whether Mr. Orr had in fact 5 agreed to the points that were set out in this summary 6 of partnership document? 7 MR. CULLEN: Objection, foundation, form. 8 A. One of the areas that I do recall and me saying is 9 that it made reference to keeping the executive team 10 intact. He wanted the opportunity to make an 11 assessment himself. 12 Q. Okay, and did he make an assessment? 13 MR. CULLEN: Objection, foundation, form. 14 A. I think over the time that he's been here, I don't 15 think he personally made an assessment. I think there 16 were others who may have made an assessment and made 17 recommendations to him. 18 Q. And was your team -- your executive team left intact? 19 A. No. 20 Q. And who was gotten rid of besides Mr. Andrews, if 21 anyone? 22 A. Jack Martin is no longer here as the CFO. Karla 23 Henderson, who was the group executive for planning 24 and development and BC, is no longer here. I think 25 before Kevyn came on Kirk Lewis was already gone. I
Page 46 1 in place went through, you believe that the City would 2 be able to survive without bankruptcy and would 3 continue to be able to meet its legal obligations? 4 MR. CULLEN: Objection, foundation, form. 5 A. The answer would be we wanted that opportunity. 6 Q. Okay. And you thought that if you had that 7 opportunity, you could make it happen; is that right? 8 A. That would be correct. 9 Q. But you weren't given that opportunity; were you? 10 A. That is correct. 11 Q. Let me go back to what we've marked as Orr Exhibit -- 12 that we haven't marked but we've identified as Orr 13 Deposition Exhibit 7, which has the proposed summary 14 of partnership. 15 A. Uh-huh. 16 Q. Was this partnership agreement, the document that 17 appears here where it has a draft label on it, was 18 that ever made final? 19 A. Not to my knowledge. 20 Q. When you met with Mr. Orr on -- at the end of February 21 in DC, you indicated that you discussed this with him, 22 though; correct? 23 A. Correct. 24 Q. And did he tell you that he was -- that he was 25 agreeable to it?	Page 48 1 do think that Chris Brown was already gone. As of 2 today our purchasing director is no longer here, 3 Andre DuPerry. Richard Kay, who was the director of 4 the lighting department, is no longer here. The 5 director of DDOT is no longer here. I think there -- 6 that's right off the top of my head. I think there 7 were nine or ten department heads that are no longer 8 here. 9 Q. And were they asked to leave by Mr. Orr or -- 10 A. For the most -- for the most part, yes. There was one 11 guy who headed up -- he was the director of homeland 12 security, he left on his own accord because of the 13 environment that he felt he could no longer work in, 14 but for the most part all of those other people were 15 asked to leave. 16 Q. Now -- and are the positions that those people held 17 vacant or have they been replaced with other people? 18 A. There's a mixed bag, quite frankly. I mean, some of 19 them -- I think you got some consultants in some of 20 those positions. I mean, I had no input at all. I 21 mean, I found out after the fact that either people 22 were removed or if somebody was coming in. I had -- I 23 never had the opportunity to interview even the new 24 CFO who came in, the new COO who came in. Those were 25 selected by Kevyn in a vacuum, as far as I'm

Page 49 1 concerned. 2 Q. Moving on past February of 2013, as I recall, the 3 official appointment of Mr. Orr as the emergency -- I 4 forget whether it was the Emergency Financial Manager 5 or Emergency Manager, but it took place sometime 6 around the end of March. Is that generally consistent 7 with your recollection? 8 A. Yeah, I think March 25th was his first day. 9 Q. And from the meeting in DC up to March -- say March 10 25th, did you have any conversations with Mr. Orr? 11 A. I may have had one phone -- one other phone 12 conversation with him. 13 Q. And do you recall what the substance of that call was 14 about? 15 A. I think more than anything else it was making sure 16 that when he came on board, we were having a press 17 conference, introducing him as the Emergency Financial 18 Manager and wanted me to stand with he and the 19 Governor at that, because we didn't want, quote 20 unquote, a divided house, if you will, and I thought 21 it was better since an Emergency Manager was coming on 22 board, it was no sense in us continuing to fight that. 23 If he could be helpful to turn this City around, it 24 would be better we do it together. 25 Q. So in that phone conversation was there any discussion	Page 51 1 We knew that this plan was going to negatively impact 2 a lot of folks in order for us to move forward with 3 implementation, but it was all about trying to manage 4 our way through without going to the route of 5 bankruptcy. 6 Q. And this was a document that was put together by you 7 and people on your team; is that right? 8 A. That would be correct. 9 Q. And I see we've been going for a little over an hour, 10 an hour and 20 minutes. It's probably a good time for 11 a break, but let me ask you first up to this time this 12 is now March 13, towards the -- by the end of March 13 had you had any conversations with anyone else from 14 the Governor's staff or with the Governor himself 15 about Mr. Orr as the Emergency Financial Manager or 16 the Emergency Manager? 17 MR. CULLEN: Objection, foundation, form. 18 You can address the question. 19 A. It was obvious to me in this time frame that Lansing 20 had made their selection, so, I mean, that's something 21 that I couldn't control so it was more important to 22 me, once again, to be part of the team to help fix the 23 City as opposed to constantly fighting and pushing -- 24 and pushing back. I didn't think that would get us 25 anywhere.
Page 50 1 of Chapter 9 filing? 2 A. No. 3 Q. Was there any discussion of anything related to 4 pensions? 5 A. No. 6 Q. I'm going to show you another document, Mr. Mayor, 7 which we'll mark as Bing Number 3. 8 (Marked Exhibit No. 3.) 9 Q. For the record what we've marked as Bing Exhibit -- 10 what is this, 4? Three. Actually I think we had 11 previously marked this as Exhibit 22 to the Orr 12 deposition, but since I've forgotten about that, now 13 we'll just leave it as Bing Number 3, but I believe it 14 is the same document. 15 Do you recognize this document, Mr. Mayor? 16 A. Yes. 17 Q. For the record it's entitled City of Detroit 18 Restructuring Plan, dated March 23, begins with Bates 19 number DTMI00129416. 20 A. Yes. 21 Q. And just briefly tell me what this is and I'll ask you 22 a few questions about it. 23 A. Well, it speaks to the things that we were working on, 24 the recommendations that we had put together to get us 25 through a very tumultuous time in the City of Detroit.	Page 52 1 Q. Okay. So after you had your initial conversations 2 with Baird in February, you then met with Orr in the 3 end -- towards the end of February also in DC, and 4 then Orr -- there was an official announcement at the 5 end of March saying Orr's the new EM or the new EFM. 6 Prior to the meeting in DC and the official 7 announcement of Orr, did you have any contact with 8 anyone from the State about Mr. Orr's being made the 9 Emergency Manager or Emergency Financial Manager? 10 A. The answer would be very little, if any, because they 11 had the right to make the decision, they made the 12 decision, so once again, I would prefer to work with 13 the individual seeing what we could do together to fix 14 the City, a broken City. 15 Q. Okay, so let me just ask more directly. Did you have 16 advanced notice before the public announcement that 17 the City -- the State was going to come out and make 18 an announcement saying Kevyn Orr is our man? 19 A. Yes. 20 Q. And when were you told? 21 A. That had to be in early -- early to mid March. 22 Q. And do you remember the specifics of that discussion, 23 who told you what was said? 24 A. Whether that was Rich Baird or Andy Dillon, it wasn't 25 the Governor.

Page 57 1 A. Yes, it did. 2 Q. And was that taken out of your hands also? 3 A. Yes, it was. 4 Q. And that like the other real estate you mentioned was 5 taken out of your hands by the Emergency Manager and 6 his team I take it? 7 A. The whole process -- 8 MR. CULLEN: Objection, foundation, form. 9 A. -- yeah. 10 Q. And did there come a time when someone -- how did this 11 process come about that it was taken out of your 12 hands? Did the Emergency Manager or someone from his 13 staff actually tell you or your staff, don't worry 14 about these things anymore, it's not your business or 15 words to that effect? 16 MR. CULLEN: Objection. 17 A. No. 18 MR. CULLEN: Foundation, form. 19 Q. How did it come about that it was taken out of your 20 hands? 21 A. I actually went to the Emergency Manager and told him 22 about these potential deals and in order for them to 23 go forward, he had to sign-off on it. He said to me 24 that it looked like they were decent deals and that he 25 would, but obviously that hasn't happened yet.	Page 59 1 Did you as of the March 2013 time frame 2 have any understanding, just a general understanding, 3 as to what the value was of the art that's owned by 4 the City of Detroit? 5 MR. CULLEN: Objection, foundation, form. 6 A. The answer would be no. 7 Q. And as you sit here today, do you have any 8 understanding as to the value of the art that's owned 9 by the City of Detroit? 10 MR. CULLEN: Same objection. 11 A. The answer would still be no. 12 Q. Are you aware of reports in the press stating that the 13 city-owned art could easily be worth billions of 14 dollars? 15 A. I have read that, yes. 16 Q. And do you have any reason to believe those reports 17 are inaccurate? 18 MR. CULLEN: Objection, foundation, form. 19 Of what they report or the value or what, counsel? 20 MR. ULLMAN: I think my question was clear. 21 Q. You can answer my question. 22 A. I know that he's engaged Christie's to do an 23 evaluation and I'm not sure that that's complete yet, 24 so I have no idea of what the value may or may not be. 25 Q. Okay. Let me ask you to turn now to the next page of
Page 58 1 Q. And has there been any follow-up with the Emergency 2 Manager between him and you as to why he hasn't signed 3 off? 4 MR. CULLEN: Objection, foundation, form. 5 A. I think more than anything else he wants to look at 6 some of the bigger issues that he's got to deal with 7 as opposed to these things which he may consider, you 8 know, not big issues. 9 Q. Even though if these things went through, they would 10 at least bring in some immediate cash; is that right? 11 A. They would. 12 Q. As part of the asset monetization, did you give any 13 consideration to try to monetize art that is owned by 14 the City of Detroit and maintained at the Detroit 15 Institute of Arts? 16 A. The answer would be no. 17 Q. And was there a particular reason you didn't give any 18 consideration to that? 19 A. Back at that time when we were thinking about it, that 20 never came up, that was never a conversation that we 21 had internally. I think since he's been on board, the 22 subject obviously has gotten a lot of heat and a lot 23 of visibility. I'm not sure what's going to happen 24 there. 25 Q. Okay. And do you -- let me ask it this way.	Page 60 1 this document, which is ending in Bates page 422. And 2 this heading says, and I quote, "The Mayor's plan 3 includes strategies to implement changes that will 4 significantly reduce general fund long-term 5 liabilities." 6 Do you see that? 7 A. Yes. 8 Q. And so we're clear, what in brief is the general fund? 9 A. That's the -- the general fund is what we use to run 10 the City on a day-to-day basis. 11 Q. Now, in subpoint A, 3A, you give some -- you give two 12 subpoints, two bullets. The second one says, 13 approximately 6 billion of City debt is owed by the 14 water and sewer department and does not have an impact 15 on the general fund. Do you see that? 16 A. Yes. 17 Q. Can you explain what you were referring to by those 18 words? 19 A. That -- that debt is paid by the users of the water 20 and sewerage department, so there's a revenue stream 21 that pays that debt down, so it's not part of the 22 general fund. 23 Q. Okay, and as you put it here, that that debt, while 24 it's on the books as City debt because the department 25 of water and sewer is part of the City, that doesn't,

Page 61

1 as you put it, have an impact on the general fund
2 because it's -- the water and sewer debt is paid for
3 by the department of water and sewer?
4 A. That would be correct.
5 Q. And that, as I understand it, is run as a separate
6 authority and has its own books and records and is
7 solvent; is that right?
8 A. That would be correct.
9 Q. You then go on in the next point, sub B, to refer to
10 pension unfunded liabilities, and you say
11 approximately 650 million of unfunded liability as of
12 FY 2012 of which only 250 million relates to general
13 fund.
14 A. Uh-huh.
15 Q. Do you see that? And could you tell me what you meant
16 when you wrote that?
17 MR. CULLEN: Objection, foundation, form.
18 A. I believe that makes reference to both the payment to
19 the pension fund and maybe even to the healthcare
20 benefits.
21 Q. Okay, I'm going to be a little more specific. The
22 language of this restructuring plan states that
23 there's 650 million of unfunded pension liability. Do
24 you see that?
25 A. Uh-huh.

Page 62

1 Q. And then it says of that only 250 million relates to
2 the general fund.
3 Can you tell me what that's referring to?
4 A. No, not right off the top of my head I can't, no.
5 Q. So you don't recall what that level of detail is as to
6 the --
7 A. Correct, correct, correct.
8 Q. Then the next bullet it -- well, I guess -- do you
9 recall where the 650 million liability -- unfunded
10 liability number comes from?
11 A. We have not -- we're not current with our pension
12 contributions.
13 Q. I guess let me ask it a little -- let me mark then
14 another document. We'll mark this as Bing 4.
15 (Marked Exhibit No. 4.)
16 Q. And Bing 4 for the record is an excerpt from a
17 document entitled Comprehensive Annual Financial
18 Report for the City of Detroit for its fiscal
19 year-ended June 30, 2012 and I've attached just two
20 pages of it because it's a very long document.
21 Okay, Mr. Mayor? You've seen -- you know
22 what the Comprehensive Annual Financial Report is;
23 right?
24 A. Yes.
25 Q. And I've attached the pages that pertain to the

Page 63

1 pensions and if you look on page 124, it talks about
2 the unfunded AAL on line 3 of that table.
3 A. Uh-huh.
4 Q. And which stands for unfunded actuarial -- as I
5 understand it, actuarial accrued liability?
6 A. Correct.
7 Q. And then if you look at the table, it says for the
8 General Retirement System there's a number of
9 approximately 640 million and on the Police and Fire
10 Retirement System it's about 4 million. Do you see
11 that?
12 A. Yes.
13 Q. And is it correct that that -- so that adds up to
14 about 644 million. Does that correspond to the
15 650 million that's in the restructuring plan that we
16 have as Exhibit 3?
17 A. Yes, yes.
18 MR. CULLEN: Objection, foundation, form.
19 Q. And when you -- the restructuring document refers to
20 the unfunded liability at fiscal year 2012, is that
21 referring to the valuation that's referred to at the
22 top of page 124 of Bing 4 where it says, and I quote,
23 "The funded status of each plan as of June 30, 2011,
24 the most recent actuarial valuation date, is as
25 follows" and then gives a table?

Page 64

1 MR. CULLEN: Objection, foundation, form.
2 A. And your question was?
3 MR. ULLMAN: Do you want to read it back?
4 If you don't understand, I'll rephrase it, but --
5 THE WITNESS: Yes. I just need --
6 Q. Would it be easier if I just rephrased the question?
7 A. Go ahead.
8 Q. Okay. When you referred to the approximately
9 650 million of unfunded liability as of fiscal year
10 2012, okay, the unfunded liability as of 2012, is that
11 referring to the underfunding as reported as of the
12 June 30, 2011 actuarial valuation which is referred to
13 on the top of page 124?
14 A. The answer would be --
15 MR. CULLEN: Objection, foundation, form.
16 When you say when you refer, you mean -- are you
17 implying that he wrote this document personally?
18 MR. ULLMAN: No, he and his team.
19 Q. I'm obviously referring to that in the general sense.
20 I didn't intend to imply that you physically drafted
21 this, Mr. Mayor. I understand this was put together
22 by you and people working for you.
23 A. And the answer to that would be yes.
24 Q. And also under this -- going back to page 422 of
25 Exhibit 3 under the subheading B under pension

800.211.DEPO (3376)

Page 65

1 unfunded liabilities it says, the City is developing a
2 plan to reduce the unfunded liability.
3 Do you have any recollection as to the
4 specifics of that plan?
5 A. No, I don't.
6 Q. Now, you recall -- or let me ask you.
7 Are you aware that on June 14th, 2013 the
8 Emergency Manager had a meeting with creditors?
9 A. I'm aware.
10 Q. Prior to the time that he was appointed or I should
11 say -- let me withdraw that.
12 Prior to the time that the Emergency
13 Manager's appointment was formally announced and June
14 14, 2013, did you have any conversations with the
15 Emergency Manager himself?
16 A. Yes.
17 Q. And do you recall how many?
18 A. We don't -- we don't meet that often. You know, if we
19 meet once or twice a week, that's about it and the
20 meetings are usually very short meetings. Usually
21 called by me.
22 Q. And can you say how long a typical meeting would last?
23 A. Thirty minutes tops.
24 Q. During that time between March 25th and June 14th do
25 you recall any discussions with the Emergency Manager

Page 66

1 concerning pensions, anything to do with pensions?
2 A. I -- yes.
3 Q. And tell me what you recall.
4 A. You know, the general conversation was that pensions
5 are a major problem that we have and we've got to
6 address it.
7 Q. And do you recall when those conversations took place?
8 A. Probably more in the May time frame.
9 Q. And was there any conversation with the Emergency
10 Manager as to how the Emergency Manager intended to
11 address the issues of pensions?
12 A. No.
13 Q. Was there any discussion with the Emergency Manager
14 during the period I've been asking about, the end of
15 March and June 14, about the City's filing for Chapter
16 9 bankruptcy?
17 A. I think the only conversations we may have had about
18 that is that's the last resort and that's from him
19 saying, you know, that's not the direction we want to
20 go in and it would be last resort.
21 Q. Did the emergency -- did you have any discussions with
22 the Emergency Manager in which he indicated that he
23 had any approaches or thoughts as to how to address
24 issues relating to pensions other than filing for
25 Chapter 9 bankruptcy?

Page 67

1 A. No.
2 Q. And did you have any conversations with him in which
3 he specifically referred to a Chapter 9 bankruptcy as
4 a way to deal with the pension issues?
5 A. I believe the answer to that would be yes. I can't be
6 very specific, I don't recall, but I think -- I
7 believe that conversation -- or a conversation like
8 that did occur.
9 Q. Okay, and can you give me, as best you can recall, a
10 time frame as to when?
11 A. I think it would be in that same May time frame in one
12 of our discussions.
13 Q. And can you tell me with as much specificity as you
14 can remember what the Emergency Manager said during
15 that conversation?
16 A. Once again, with not a lot of specifics, but in order
17 to fix the problems of the City where -- I know this
18 number has been thrown out a lot, the \$3.5 billion of
19 unfunded liabilities, etc., etc., I mean, he talked
20 about that, but that was a generality and so it was no
21 more -- it was not more specific than that.
22 Q. But he referred to Chapter 9 as a way to get rid of or
23 address what he referred to as a 3.5 billion unfunded
24 liability?
25 A. As a possibility.

Page 68

1 MR. CULLEN: Objection, foundation, form.
2 You can answer.
3 A. As a possibility.
4 Q. And did Mr. Orr tell you at that time that the
5 unfunded liability was indeed 3.5 billion?
6 A. The answer to that would be yes.
7 Q. And did he tell you that that had been shown through
8 an actuarial valuation?
9 A. The answer to that would be yes.
10 Q. During that conversation or any other conversation
11 with Mr. Orr during the March 25 through June 14 time
12 frame, was there any discussion with Mr. Orr of what
13 we've referred to previously and I've shown you the
14 pension clause in the Michigan Constitution or any
15 other legal impediments to -- affecting pension
16 rights?
17 A. No.
18 Q. Let me ask you the same questions now -- well, let me
19 preface it by saying you're aware, of course, that
20 there was a bankruptcy filing on July 18.
21 A. That would be correct.
22 Q. Okay. Now, during the period between June 14, that
23 was when the creditor proposal was issued, and the
24 filing, did you have any conversations with Mr. Orr?
25 A. About?

Page 117 1 Q. Did you hire them? 2 A. No. 3 Q. Who retained them? 4 A. I think -- once again, most of these companies were 5 being -- they were being pressed by the -- we were 6 pressed by the State to my understanding, the State 7 had a lot of input into the selection process and in 8 some cases where the City has a responsibility for 9 paying part of the fees, you know, I've always had a 10 problem that I was not at the table to participate in 11 the selection process. 12 Q. Do you pay part of the fees for Miller Buckfire? 13 A. Yes. 14 Q. Does the State pay part of the fees for Miller 15 Buckfire? 16 A. Yes. 17 Q. Does the NERD Fund pay part of the fees for Miller 18 Buckfire? 19 A. I wouldn't know that. 20 Q. Do you have a copy of Miller Buckfire's retention or 21 engagement letter? 22 A. I would think we have that. I don't -- I don't have 23 it personally, but I would think we do in the purchase 24 department and maybe in the law department. 25 MS. LEVINE: We would request a copy of	Page 119 1 administrations in my -- in my perspective a lot of 2 that should have been written off a long time ago but 3 they've been carrying it on books and I just think 4 that's the wrong approach. 5 Q. Under your administration were -- how many -- how much 6 did you write-off in what you believe to be 7 uncollected taxes? 8 A. I'm not sure of that. I would have to get with the 9 CFO. 10 Q. Do you have an approximate number? 11 A. No, I don't. 12 MS. LEVINE: I don't have anything further. 13 Thank you. 14 THE WITNESS: Thank you. 15 MR. GREEN: No, I don't have any questions. 16 MR. CULLEN: We don't need the Pistons 17 question on the record? 18 MR. ESSAD: No. 19 MR. CULLEN: Thank you very much. 20 THE VIDEOGRAPHER: This completes the 21 deposition. Page 118 1 that letter. I know that there's been a lot of 2 documents that have been produced but we didn't happen 3 to see what in there so we would make that specific 4 request. 5 MR. GREEN: And if I may add the 2012 6 engagement letter from Miller Buckfire as well. I 7 understand they were initially engaged the prior year. 8 There may be two engagement letters. 9 MR. MOSS: Please put that in a letter so 10 we make sure we get it part of the record. We'll take 11 a look. 12 MS. LEVINE: So the request will be for any 13 engagement letters or contracts with Miller Buckfire 14 and we'll clarify that. 15 Q. During the deposition last week with Treasurer Dillon 16 he made a reference to a report with regard to certain 17 tax write-offs or uncollected taxes. Are you familiar 18 with that? 19 A. No, I'm not. Not specifically. 20 Q. Are you familiar with any issue with regard to 21 potential tax write-offs where the taxes could have 22 been collected? 23 MR. CULLEN: Objection, foundation, form. 24 A. No, I'm not. Subject: Emergency Management

You have asked for some views of how the emergency management process is going and how it contrasts with what we were doing without regard to the Emergency Manager.

In answering this one needs to consider we did not have certain opportunities that the EM did, such as filing for bankruptcy, or credibly threatening to do so. Thus, unless we were allowed to operate under PA 436 (which we were not given the opportunity to do) we had to defer attacking certain of the long term obligations as we would not have been able to threaten bankruptcy.

We did attack both health care and pension, which the EM continued, and I would say continued well. They put in place the pension task force that I recommended after some irregularities surfaced which Jack's folks brought to our attention. They continued and I would say improved on the health care work we started. But Jack brought in the actuary they used, and that actuary was really key. So overall, in long term liabilities they continued and improved on what we started, and had tools we simply did not have. Overall I give them good marks in long term liabilities, but that does not mean they will be successful or we did poorly. We simply did not have the tools we needed and they are not done.

Operations are a different matter altogether. Kevyn did well attacking long term liabilities because we gave him a good headstart, it is an area he knows well, and he has the tools to be successful.

In operations he threw away the headstart we gave him, he frankly is not competent at all (in fact, he is embarrassingly incompetent and only listened to his equally incompetent staff) and did not well exercise the added powers he has. I would give him an A in long term liabilities and an F in operations. Given his limited background (legal representation really is all he has, since his other roles are so narrow and unrelated to running a complex operation) and the weak experience the folks from the state have (experienced folks around town will tell you Andy is resume light and highlights disastrous deals as his credentials), this is not surprising.

Since March 28 we have been forced sideways on operations, or simply been told to stand down. A few areas where progress has been slowed are as follows.

1. We should now be installing a new management team in DDOT. We diagnosed this problem correctly, ran a compliant RFP process, and were ready to choose MV as the manager when the EM slowed the process. Though he gave me a poor excuse for doing so, it does not hold water. In addition, he told me a disaster at DDOT would not be a problem for him since it would highlight how screwed up the city is. So I guess the good citizens of Detroit can wait for busses that do not come because it is not inconvenient to Kevyn for them to do so.
2. We should also be progressing on providing a new management team in PLD. As I have said, it is not operationally reasonable to conclude PLD can work through a several year wind-down. We need to outsource the management there and make the operations safe and reasonably compliant. The EM slowed the process here also, and said the same thing: a disaster at PLD would not be a bad thing because it would highlight how messed up the city is. Again, we can expose our employees to safety issues and violate federal regulations because it is not inconvenient to Kevyn to do so.
3. Similar issues surfaced around the lighting authority. After the authority could only get a workable agreement with us (which gave them what they needed but no more, since Detroit has no more) they went to Kevyn and got a deal which forces the City to put in more money than they need, sooner than they need it, while the city struggles. And they cut this deal without coordinating with us so we were just wasting our time since the Authority had softer hands to negotiate with than us.

4. The rest of the control of operations was equally incompetent. Ordering us not to coordinate with the consultants we hired to help us, putting in place very inexperienced staff that controlled things. Not listening to Conway MacKenzie. Every department and thinking person is left wondering.

They also pursued the wrong things, as follows.

1. Focussing on outsourcing solid waste first. While this may be something we should look at, no informed person puts it first. However, it was something they could do, so they focussed on what they could do, not on what needed to be done. Moreover, the announced savings of \$15 million are ridiculous. They have no idea what the savings are, presuming there are savings.

2. Moving PDD to DEGC. When I told Kevyn we had issued a plan to the state on this and said we had studied it carefully, Kevyn gave me a legalistic view of Annex B. It was clear Kevyn had his marching orders and logic and operations had nothing to do with his orders. This whole sordid matter you all know well and needs no more documentation. The state's plan is poorly thought out and will just create a mess.

3. Public Safety. While there is emotional appeal to putting in place a new Chief, not giving insiders a real shot and not going through a thorough search were poor choices. Hopefully this will turn out okay, but we should be able to rely on more than hope. Also, I am lost as to where we are on the choice of a consultant, which I also do not believe was followed wisely from a process standpoint.

There are many other areas that could be discussed, I am sure Jack and the Mayor can add to the above lists. The question is how do we stay honest and complete without sounding complaining and negative? There are signs they are realizing how poorly they have done in operations. But the inherent problem is they do not know what they do not know. And that is not changing. I doubt they have learned to look and listen, which is what is needed.

We can talk at your convenience (evenings are best, though today we are at sea and I could talk anytime) or when I get back. But we need to plan this communication well. How do we get out a message that helps matters?

This is especially so since the press has so poorly reported on matters and seems to just write what the state gives them. Apparently keeping peace with their sources of information (the state) is more important than critically thinking about what is happening and doing a little investigation. And the gag orders from Kevyn only support the very poor reporting.

But remember, though they have completed nothing to date, they get an A in my book in teeing up a reduction in long term liabilities. That is worth a lot; they could just do a lot more by looking and listening.

1 A. The rate of payouts is another area where the
2 actuaries make assumptions as to what benefits will be
3 paid in what periods and to the extent that those are
4 underestimated, that can impact the funded position as
5 well. Tying into previous assumptions that I had
6 indicated.

7 Q. So is it -- is it your position that the City views
8 the actuarial payout assumptions as understating
9 unfunded liabilities?

10 MR. MILLER: Object to form. Go ahead.

11 A. As an example, Mr. Ruegger, the actuarial valuation
12 assumes certain payouts. The actual payouts in the
13 most recent completed year of plan assets were
14 substantially higher than what was anticipated prior
15 to that valuation being done and so at a minimum that
16 would indicate that there were more assets that were
17 paid out than what was assumed by the actuary.

18 Q. Other than the assumptions and methods you've
19 identified, are there any other assumptions and
20 methods that to your understanding the City views as
21 understating the systems' unfunded liabilities?

22 A. The City and most importantly its actuary has not
23 completed its analysis on the unfunded position. The
24 City is trying to undertake a process to actually
25 develop a more concrete valuation model on its own so

800.211.DEPO (3376)
EsquireSolutions.com

1 it's been relying on the valuation model of the
2 pension systems' actuary. As such we have focused on
3 a few items here, but until the City completes its
4 analysis and completes its own actuarial valuation,
5 neither the City nor its actuary nor I would be able
6 to say what all the assumptions are that could be used
7 to either overstate or understate the funded position.

8 Q. Very well.

9 Let's turn to one of the assumptions that
10 you address in your declaration and specifically in
11 paragraph 11 you talk about the projected net rate of
12 return. The 7.0 percent or 7.25 percent figure, do
13 you see that in paragraph 11?

14 A. Yes, sir.

15 Q. Those were not figures that were recommended by a
16 particular actuary; were they?

17 A. The 7 percent is actually higher than the rate that
18 Milliman, the City's actuary, had originally put
19 forward, which in its view would result -- the rate at
20 which there was a fifty-fifty chance of achieving that
21 rate.

22 MR. RUEGGER: All right. I'm going to move
23 to strike, because with all respect that was not
24 responsive to my question, Mr. Moore.

25 Q. I understand Milliman has prepared a variety of

1 from an actuarial standpoint and no new benefits
2 accrued and you experience a 7.9 percent assumed rate
3 of return -- or actual rate of return, what would
4 happen to the plan assets.

5 Q. Let me ask you if you have Moore Exhibit 3 there, I
6 want to ask you a few questions with regard to that.

7 Let me direct you to page 95 of that
8 presentation. Hang on for a second. I'm sorry, I was
9 in the wrong place. Page 109. Looking at the heading
10 there, claims for unfunded pension liabilities.

11 A. Yes, sir.

12 Q. Were you involved at all in the drafting of that part
13 of this presentation?

14 A. I don't think I wrote that, but I was aware of this
15 language.

16 Q. Okay. How about the specifically the language of the
17 third bullet point? Because the amounts realized on
18 the underfunding claims would be substantially less
19 than the underfunding amount, there must be
20 significant cuts in accrued vested pension amounts for
21 both active and currently retired persons. Were you
22 involved in formulating that?

23 A. Yes, sir.

24 Q. And has the City -- I noticed in this presentation
25 there's no quantification of what -- of the cuts that

800.211.DEPO (3376)
EsquireSolutions.com

1 would be -- that in the City's view must occur;
2 correct?

3 A. Correct.

4 Q. Has there been a specification of those level of cuts
5 that the City contends must occur?

6 MR. MILLER: Object to form.

7 Q. I mean, have you put a dollar amount on it?

8 A. No, and our analysis of this continues. Right now we
9 still don't know what assets could be available to put
10 towards the pensions. We still have not had the type
11 of dialogue that we would like to have related to the
12 calculation of the unfunded amount, so because of
13 those two uncertainties among others we don't know
14 what cuts, if any, there may need to be.

15 Q. Well, doesn't it say there must be significant cuts?
16 Am I -- are you saying that there's some -- that the
17 City's position may be that there are no cuts that are
18 necessary in accrued vested pension amounts?

19 MR. MILLER: Object to form.

20 A. We don't know. That's where we want to continue to
21 engage in discussions and negotiations with the
22 parties, but depending on what the unfunded amount is
23 and what assets may be available for those claims, it
24 certainly is possible.

25 Q. So maybe that should have been worded there may be

1 it was based upon a lower expectation of future

3 then the cancellation of future COLAs generates
4 lower future benefit payments as well.

5 So in using information we were able to
6 draw from the valuation reports, we prepared
7 estimates of those two topics.

8 Q. Are these the estimates that you, in an
9 earlier document, called "guesses"?

10 A. I'm not sure which -- I mean, you can
11 put that particular document back in front of me.
12 I've used the phrase "rough guess"; I've used the
13 phrase "estimate" --

14 Q. Rough guess.

15 A. Rules of thumb, I would say, by
16 definition, are rough guesses. They're defined to
17 give us a proxy of what we -- the result we would
18 arrive at had we done more detailed modeling.

19 Q. And you have a workpaper showing this

21 A. Yes. We would have developed two
22 calculations, one for the impact of the plan freeze

Page 65 1 A. I don't agree with that. 2 MS. NELSON: Objection; argumentative. 3 BY MR. SHERWOOD: 4 Q. And without giving your -- as a Treasurer, as a 5 former Legislator, is it your view or do you agree 6 that the proposed treatment on June 14th, 2013, 7 providing for cuts in accrued vested pension amounts 8 for both active and currently retired persons would 9 be violative of Section 24 of the Michigan 10 Constitution? 11 A. No, because that doesn't provide for it. To my 12 mind, and this is how this Governor does business, 13 is he hires good people and lets them do their job. 14 To me that document was laying out the 15 facts for creditors so they could understand the 16 financial condition of City. 17 Q. So this wasn't a proposal even though it's -- even 18 though the title of the document is proposal for 19 creditors? 20 A. I think he's just laying out the facts. This is the 21 economic reality of the City of Detroit. From 22 there, as you know, there was various meetings with 23 various creditors to discuss can we get this thing 24 settled out of court. 25 Q. Did you participate in any of those meetings?	Page 67 1 A. I was mostly just listening because I was getting an 2 update about how things were going. 3 Q. What was the -- what did he say? 4 A. The only specific memory I have would be the one 5 dealing with the SWOPS, discussions with the SWOP 6 providers and whether or not there could be a 7 settlement reached with them. 8 Q. What did Mr. Orr say about the SWOPS? 9 A. He reached an agreement with two of the SWOP 10 providers that he could get a discount on the monies 11 owed on the SWOPS, and that's my only memory of a 12 specific -- I knew every week that he was meeting 13 with various creditors, but that's the only one that 14 I remember kind of a specific deliverable for. 15 Q. And do you recall anything else about those 16 nonprivileged conversations? 17 Did he report that the negotiations were 18 going well, that they were going poorly, that they 19 were not going at all, anything along those lines or 20 do you just recall the specific discussion about the 21 SWOPS? 22 A. Yeah. I -- there was, I think, just general 23 comments that they weren't real productive, right, 24 that we weren't making progress. 25 Q. Did he say why?
Page 66 1 A. I don't believe so. 2 Q. Were you given reports by the emergency manager as 3 to how those meetings were going? 4 A. We typically had a weekly either meeting or call 5 where we were given an update on the status of 6 events. 7 Q. Who was on the weekly meeting call? 8 A. It would be Kevyn and some of the members from his 9 team, various members of the Governor's office as 10 well as my office. 11 Q. And what was reported in terms of the progress that 12 the emergency manager was or wasn't making with the 13 out-of-court negotiations? 14 MS. NELSON: I'm going to object to the 15 extent that it calls for attorney-client 16 communications and instruct him not to answer. 17 That, in fact, is what it calls for. 18 BY MR. SHERWOOD: 19 Q. Did you have any communications with Mr. Orr outside 20 the presence of counsel -- 21 A. Yes. 22 Q. -- concerning -- concerning negotiations with 23 creditors before the Chapter 9? 24 A. Yes. 25 Q. And what did you say during those communications?	Page 68 1 A. I'm sure he did, but it would require going through 2 each of the various creditors that he met with at 3 the time so I don't have specific memories of each. 4 The only one I have a specific memory right 5 now about would be very difficult discussions with 6 the sureties, the insurance companies, a lot of 7 unwillingness to embrace what the economic realities 8 were, and then a lot of concern about the number of 9 retirees and the unions not wanting to represent the 10 retirees, making it difficult to negotiate for 11 20,000 people. 12 Q. Did he say it was impossible to negotiate with all 13 of the creditors of the City of Detroit? Did he 14 reach that conclusion in your presence? 15 A. I don't recall the specific words he used but 16 clearly he was expressing that it was very difficult 17 to work and negotiate with a pool of creditors that 18 include 20,000 individuals, yes. 19 20 (Deposition Exhibit 5 was marked.) 21 22 BY MR. SHERWOOD: 23 Q. Treasurer Dillon, we've marked as Dillon 5 an email 24 from you dated July 9th to the Governor and others. 25 Are you familiar with this email?

Page 69

1 A. Yes.

2 Q. And it says that "Kevyn will meet with the Detroit
3 pensions tomorrow after all."

4 I want to ask you about the word after all.

5 Was there a suggestion before you wrote this email
6 that Kevyn was not going to meet with the Detroit
7 pensions?

8 A. Yeah. I think before that there was some thought
9 that that meeting was going to get cancelled.

10 Q. And who was going to cancel it?

11 A. My memory is Kevyn might have. There was a lawsuit
12 that was filed that I think caused some
13 consternation about whether or not he should meet
14 with them.

15 Q. So initially Mr. Orr was considering not meeting
16 with the pensions on July 10th, 2013, and then he
17 changed his mind and decided to meet with them?

18 A. My memory is there was a plan to meet with them,
19 then some lawsuits got filed which I think he
20 contemplated not going forward with the meeting.
21 And from reading this, apparently he went forward
22 with the meeting.

23 Q. Going down to the last paragraph it says "Tomorrow's
24 meeting could lead to questions directed to you
25 about your view on this topic."

Page 70

1 Obviously, you is the Governor, and the
2 Governor's view on this topic, I assume this topic
3 is the Detroit pensions. Would that -- is that
4 right? Am I right saying those things?

5 A. Right.

6 Q. So and then you -- then you say "...it's too
7 early in the process to respond to hypothetical
8 questions. We remain in many ways in the
9 informational stage."

10 Does that mean that at this point in time,
11 July 9th, 2013, you were still in the informational
12 stage vis-a-vis the Detroit pensions?

13 A. We were learning things. We were learning about an
14 annuity program that the City had offered employees.
15 We were learning that there was alternative
16 investments that were made that were not written
17 down. We were learning what assumptions the
18 City's actuarial firm was making versus the ones
19 that Milliman was hired to really appreciate and
20 understand what was the level of underfunding.

21 So on that date in question I couldn't tell
22 you that these funds were funded at X percent
23 because there was too many moving pieces to the
24 puzzle.

25 Q. So your advice to the Governor was in response to

Page 71

1 questions about his view on the Detroit pensions was
2 to just say it was too early in the process and you
3 were still in the informational stage; is that
4 right?

5 A. That's right.

6 Q. And this was before the Governor authorized
7 Chapter 9 filing, correct?

8 A. Correct.

9 Q. Did that -- did your view of the Governor's -- what
10 the Governor's position should be change before
11 July 18th, in the next week?

12 A. No.

13 MR. SHERWOOD: All right. I'm going to
14 stop here, Treasurer. Thank you.

15 I reserve the right if we have time to ask
16 a question or two later, but I think as a courtesy
17 to my -- the other lawyers here I'm going to turn

1 EXAMINATION

2 BY MR. WERTHEIMER:

3 Q. Mr. Dillon, my name is Bill Wertheimer. We've met
4 off the record. I'm going to be asking you some
5 questions.

6 I represented and represent what we've
7 called the Flowers Plaintiffs. That is one of the
8 group of retirees that filed lawsuits in state court
9 before the bankruptcy was filed.

10 You indicated early in your testimony that
11 you were involved in some discussions shortly after
12 you took office as Treasurer about replacing Public
13 Act 72. Do you recall that?

14 A. Uh-huh. Yes.

15 Q. You need to say your answer.

16 A. Yes.

17 Q. And you talked about competing constitutional
18 provisions, one of them being the constitutional
19 provision relating to public health, safety,
20 welfare, correct?

21 A. Correct.

22 Q. And as I understand it, your focus at the time had
23 to do with your ability to modify CBAs; is that
24 right?

25 A. That's right.

Page 93 1 pension funds. 2 Q. Okay. All right. 3 Did you have any conversations with the 4 Governor about the issue of whether Orr should file 5 for bankruptcy say in the couple weeks preceding the 6 filing? 7 MS. NELSON: Again, are you speaking just 8 one-on-one other than attorney-client? 9 BY MR. WERTHEIMER: 10 Q. One-on-one or in group conversations -- I don't 11 want -- I'm not asking you to violate the 12 attorney-client privilege. I think you understand 13 what we're getting at here. 14 A. Yeah. 15 Q. So my questions you should assume are modified in 16 that respect. 17 A. Yeah, so can you restate the question? 18 (Reporter read record as follows: 19 "Q. Did you have any conversations with the 20 Governor about the issue of whether Orr 21 should file for bankruptcy say in the 22 couple weeks preceding the filing?") 23 THE WITNESS: I have a question for my 24 lawyer. 25 MR. WERTHEIMER: That's fine. If you want	Page 95 1 you telling the Governor? 2 That's -- your attorney's going to object. 3 That was three questions. 4 A. Okay. 5 MS. NELSON: Yes, which one would you like 6 him to answer first? 7 MR. WERTHEIMER: He can do it in order or 8 however he'd like. 9 MS. NELSON: Well, I don't know that he's 10 going to remember them all by the time he gets to 11 the last one. 12 THE WITNESS: I mean, to me the building 13 block is what's the funded status. And that issue 14 was fluid, and I think that's the first issue that 15 if you're going to reach a settlement with your 16 creditors it's important to understand, all right, 17 what's the funding level. From there you can start 18 to figure out how do you solve this equation going 19 forward. So I was comfortable with that. 20 BY MR. WERTHEIMER: 21 Q. Well, isn't there a political reason to not 22 translate it into the impact on retirees because the 23 impact is going to be negative? All we need to do 24 is look at the June 14th creditors' proposal to know 25 that, don't we?
Page 94 1 to take a break or just go outside. 2 VIDEO TECHNICIAN: Off the record 11:35 3 a.m. 4 (A brief recess was taken.) 5 VIDEO TECHNICIAN: We're back on the record 6 at 11:37 a.m. 7 THE WITNESS: Yeah, I don't recall any 8 conversations with the Governor outside the presence 9 of counsel on that topic. 10 BY MR. WERTHEIMER: 11 Q. Okay. If you take a look at the July 9 -- do you 12 have that one in front -- that's five. This one 13 here. 14 A. Okay. 15 Q. And let me direct your attention to the first 16 paragraph. You're telling the Governor that the 17 emergency manager's going to meet relative to the 18 pensions the next day, and then a couple of 19 sentences down you say he, meaning Orr, will not 20 translate that into an impact on retirees or 21 employees' vested rights or what share of monies 22 available to unsecured creditors would go to the 23 pension plans. 24 What was your understanding of why Orr was 25 not going to do that? What's the point, and why are	Page 96 1 MS. NELSON: Objection; form, foundation, 2 calls for speculation. 3 BY MR. WERTHEIMER: 4 Q. Go ahead. 5 A. That wasn't my thinking. My thinking was until you 6 really know the funding status, it's hard to really 7 understand what the impact may be. 8 So it was more important to understand that 9 first. 10 Q. Okay. I have nothing further. Thank you. 11 MS. NELSON: Is everybody done? 12 MR. SHERWOOD: I have one or two followup, 13 but I'll let you go first. 14 MS. GREEN: You can go. Do your followup 15 first. We'll wait. 16 MR. SHERWOOD: Can I use this microphone? 17 MS. NELSON: Well, you're the Retiree 18 Committee and I don't believe you -- 19 MR. GALLAGHER: We're not the Committee, 20 we're the Retirement Systems. 21 MS. NELSON: I'm sorry, the Retirement 22 Systems. You did not subpoena -- did not issue a 23 subpoena to the Treasurer, and it's my understanding 24 the parties that didn't subpoena aren't entitled to 25 question.

Page 117 1 was provided to the media, and it states it's being 2 done solely off the record and it's critical this 3 information is not traced back to the Department 4 because it has not been finalized. 5 Is it the practice of the Treasury 6 Department to allow admittedly incomplete 7 information regarding the pensions to be leaked to 8 the media? 9 A. I would say it's unusual. 10 Q. Why would it be critical, as stated in the email, 11 for the Milliman summary that Mr. Stanton had asked 12 for to be deleted and not in connection to the 13 Treasury Department? 14 A. Does it say deleted in here? Oh, yeah. I see. 15 Okay. 16 I assume he didn't want to -- yeah, he 17 thought it was out there with other news media. 18 Rick Pluta must have been asking about it, so he 19 shared with him that which he thought other media 20 outlets probably already had. 21 Q. You mentioned that there was a cap for the fees that 22 the State would pay in connection with the 23 Chapter 9. Have we reached -- 24 A. Actually, you mischaracterized it. 25 Q. I'm sorry, what was your --	Page 119 1 Q. The last question is relating to Exhibit 5 which has 2 already been marked. It's the July 9th email. 3 The email states "Tomorrow's meeting could 4 lead to questions directed to you about your view on 5 this topic." It's relating to the pension issue. 6 Is that a fair characterization of the 7 email? 8 A. Right. 9 Q. "In my view, it's too early in the process to 10 respond to hypothetical questions. We remain in 11 many ways in the informational stage. I have some 12 thoughts as to how you could address some pointed 13 questions if you're interesting in hearing them." 14 What pointed questions were you expecting? 15 A. Anything from -- well, going back in time here, but 16 just obviously the whole gamut of questions 17 regarding what the underfunding status could mean to 18 retirees, and I thought that the situation was not 19 understood enough for the Governor to go on record 20 yet because I couldn't even tell him with any degree 21 of confidence what level of funding these pension 22 funds had, so why should he get in the middle of a 23 debate about this. It's obviously a very charged 24 and sensitive issue, and it was my free political 25 comments to him.
Page 118 1 A. We offered to pay 50 percent of consulting fees 2 prior to the filing. 3 Q. Up to five million? 4 A. Up to five million. 5 Q. And so in June of 2013 that would have been prior to 6 the filing and the State was still contributing to a 7 portion of those fees, correct? 8 A. I believe so. 9 Q. We can mark this as Exhibit 9. 10 11 (Deposition Exhibit 9 was marked.) 12 13 BY MS. GREEN: 14 Q. Do you recall sending this email? 15 A. I do. 16 Q. Is it safe to say the five million dollar cap has 17 been maxed out? 18 A. What I was reviewing was both the forecast as well 19 as the historical, so I was looking at more than 20 just the history. 21 Q. So what is the summary of fees that you were 22 referring to? 23 A. We were given an estimate of what the fees were 24 looking like and I reviewed it and wasn't very 25 happy.	Page 120 1 Q. And this was really just over a week before the 2 filing. That was your stance? 3 A. Yeah. I don't -- yeah, obviously. But I don't -- I 4 think it was in the context of this meeting that 5 Kevyn was going to have with the committee that 6 drove this email. 7 Q. Did anything change between the ninth and the filing 8 on the 18th that changed your opinion regarding what 9 you, I believe, just stated was too early to tell 10 him with any degree of confidence what level of 11 funding the pension funds had I believe is what you 12 just stated. 13 A. Yeah, I have not -- my opinion is pretty much the 14 same. 15 Q. The last sentence of the email says "I have some 16 thoughts as to how you could address some pointed 17 questions if you're interesting in hearing them." 18 What were your ideas for how to answer the 19 questions? 20 A. I don't recall specifically at this point. 21 Q. Did you ever have a conversation with him regarding 22 your thoughts on how to answer the questions? 23 A. No. 24 Q. You mentioned in the email "Because pensions have 25 such a long life there are a lot of creative options

Page 121

1 we can explore to address how they will be treated
2 in restructuring."
3 What were your creative options that you
4 had on the table?
5 A. There's dozens. I mean, I don't have one that I
6 would pick out. But pension funds do have a long
7 life and there's a lot of creative things that can
8 be done, so I -- I don't have one or two that I
9 would just throw out, but I do know that there's a
10 lot of ways to address that issue.
11 Q. Have there been any formal reports or proposals
12 identifying and explaining what you consider to be
13 these creative options?
14 A. No.
15 Q. Were these creative options ever explored with the
16 pension systems directly --
17 A. Not to my knowledge.
18 Q. -- to your knowledge?
19 I don't have any further questions.
20 MR. SHERWOOD: Anybody else have questions?
21 MR. WERTHEIMER: I do not.
22 RE-EXAMINATION
23 BY MR. SHERWOOD:
24 Q. I have one question about D-7, which I hadn't seen
25 before the deposition. It's an email to you from

Page 122

1 Heather Lennox.
2 I just want to know what your understanding
3 of the sentence "Many provisions in here are
4 designed to take advantage of PA 4 while it is still
5 in existence, but this also references other state
6 laws that would buttress the FCB and PCA powers..."
7 What is FCB -- what is your understanding
8 of what FCB and PCA powers, what that means?
9 A. FCB I don't know. She might be referring to
10 Financial Control Board, but as opposed to the FAB
11 I'm surmising.
12 PCA is not ringing a bell either.
13 Q. At this time there was a Financial Control Board in
14 existence, right?
15 A. No, I think that -- well, I think it was part of the
16 financial stability agreement, the creation of the
17 FAB, I think.
18 Q. And PCA, you don't know what that means?
19 A. I'm not recalling offhand, no.
20 Q. Was it -- did you express a desire to buttress the
21 powers of the Financial Control Board and insulate
22 those powers from attack in the event of a repeal?
23 A. Can you restate the question? I'm sorry.
24 Q. Was it -- were you interested at this point in time,
25 in March of 2012, to take steps to buttress the

Page 123

1 power of the Financial Control Board and insulate
2 those powers from being attacked in the event PA 4
3 was repealed?
4 A. I don't know if buttress is the right word. If
5 you're going to put in place all the structuring and
6 negotiate a consent agreement with the City, there's
7 other ways -- other legal basis to do that through
8 interlocal agreements. There's other laws that we
9 could look to that would give us the authority to
10 have this agreement have meaning to it.
11 So the thought was, you know, identify all
12 those legal arguments that would give legal standing
13 to the Financial Advisory Board and the consent
14 agreement is my memory.
15 MR. SHERWOOD: That's all.
16 MS. NELSON: All right, we're done. Thank
17 you.
18 THE WITNESS: Thank you.
