# OFFICIAL COMMITTEE OF RETIREES' CORRECTED STATEMENT OF ISSUES ON APPEAL

Pursuant to Rule 8006 of the Federal Rules of Bankruptcy Procedure (the "<u>Bankruptcy Rules</u>") and the Bankruptcy Court's Notice, dated December 12, 2013 [Doc. No. 2065], appellant The Official Committee of Retirees (the "<u>Committee</u>") submit this corrected statement of issues to be presented on appeal in connection with the Committee's Notice of Appeal, dated December 11, 2013 [Doc. No. 2057], filed pursuant to Bankruptcy Rule 8001 and 28 U.S.C. § 158(a) & (d), of the *Opinion Regarding Eligibility*, dated December 5, 2013 [Docket No. 1945] and the *Order for Relief*, dated December 5, 2013 [Doc. No. 1946], entered by the United States Bankruptcy Court for the Eastern District of Michigan regarding the City of Detroit's eligibility for relief under Chapter 9 of the United States Bankruptcy Code.

#### STATEMENT OF ISSUES TO BE PRESENTED ON APPEAL

1. Should each of (i) the Emergency Manager's July 16, 2013 request for authorization, (ii) the Governor's July 18, 2013 grant of unconditional authorization and/or (iii) the Emergency Manager's July 18, 2013 bankruptcy petition filing be considered void as an ultra vires act in violation of the Pension Clause of the Michigan Constitution, such that the City therefore lacked authorization under 11 U.S.C. § 109(c)(2) to file this Chapter 9 petition, where the Governor was aware of the Emergency Manager's expressed intention to impair or diminish vested pension benefits.

2. Is PA 436, MCL 141.1541 et seq., unconstitutional under the Michigan Constitution to the extent that it purported to authorize state officials to take actions that could, or were intended to, result in the impairment or diminishment of vested pension benefits that are expressly protected from impairment or diminishment by the Pension Clause of the Michigan Constitution?

3. Did the City file its petition without good faith, within the meaning of 11 U.S.C. § 921(c), where (i) the Emergency Manager was sworn to uphold the laws and constitution of Michigan, and (ii) admitted that vested pension benefits were "sacrosanct" under the Pension Clause of the Michigan Constitution, yet filed the petition with the specific and express intent of achieving ends that are prohibited by the Pension Clause?

4. Did the City's Chapter 9 case violate the Tenth Amendment of the United States Constitution by impermissibly intruding upon the sovereign rights of Michigan citizens to the extent the filing permits elected and appointed officials to impair or diminish vested pension benefits that are expressly protected from impairment or diminishment under the Pension Clause of the Michigan Constitution?

5. Was the City excused from its obligation of good faith negotiations under 11 U.S.C. § 109(c)(5)(B), on the ground that the number of individual creditors per se made negotiations "impracticable", within the meaning of section 109(c)(5), where the uncontested evidence showed that (i) prior to the bankruptcy filing, the City did not have a plan of adjustment, and (ii) the court found that the City did not make good faith effort to negotiate with all classes of creditors with which negotiations were practicable?
