U.S. BANKRUPTCY COURT
E.D. MICHIGAN - DETROIT

Has anyone figured out and reported to the court and press, how much the city has borrowed and how much they have repaid in principle interest, and in penalties; ^{for each transaction on bonds} how much of this has been paid to financial institutions who have had to pay the Justice Dept. large fines, with limited probation, for illegal financial activities? I am against borrowing money from Barclay (Peter) to pay VBS and Bank of America (and Jones Day) (Paul), specially when since Bank of America and VBS have admitted to fraud; we should sue them for their illegal activities which I notice in the Dec 30th settlement, Jones Day representing the city (and VBS & Bank of Am.) has not done ^(not sued) looked incompetence brought the wolf to our door. I would like to read these so-called Swap Junk Bond Agreements as well as what we've pd. owe in principle, interest & penalties. If your clerks could point me where to find, would appreciate. How did Justice Dept. determine their fines, penalties & punishments? cindydarrah@gmail.com
