E.D. MICHIGAN-DETROIT

Can you achieve a Simultaneous Settlement

Is that better?

I involved myself in the Detroit Newspaper strike where my union business agent, Jeff Rudzinski (now an international business agent to get local & international and NEBF and professional international lucrative pension) along with other

press maintenance unions settled early with \$50 a month tool allowances, to leave the pressmen, drivers, reporters, advertisers, artists, out

The workers together could win! We are both workers & public. How to do well for the people of the past present, or future with a change(s) in the system(s) that will enrich quality of life, in health, happiness, and creativity. New Annuities for public works that benefit the public here in Detroit and international.

Respectfully, Sandra Panah
