Dear Judge Rhodes,

I want Cecily Ebony McClellan
et al, to be a city of Det. retiree and activist to
represent me, ^{"cindy"} Lucinda J. Sanchez in
the City of Detroit Bankruptcy proceedings.

The reasons for my request are
as follows:

FILED
2014 JAN 22 A 11:28
U.S. BANKRUPTCY COURT
E.D. MICHIGAN-DETROIT

I trust her and her political common
sense, she is concerned and involved. After
I talked on public mic at retirees association,
I got the cold ~~shot~~ shoulder from the
retiree ^{us} leadership; while ~~McKee~~ listening to
the spit fire channel 2 interview the retiree
attorney for both General & Police & Fire,
Gordon I think, he reacted negatively when
spit fire asked him to be on at 10 pm with Jerry Goldberg
I see it, I love it, I don't see the institutions defending the
retirees. Thank you, Lucinda Sanchez
