

Case #13-53846

Judge Steven W. Rhodes
To Clerk of the Court
United States Bankruptcy Court
Eastern District of Michigan
Southern Division
211 W. Fort Street, Suite 1800
Detroit, MI 48226

In the course of two (2) years I had been broken into five (5) times. I had lived in my home 41 years and found it to be too much a personal risk on my life to remain in my house. I had worked for the City of Detroit for 34 years and been retired 22 yrs. but found it mandatory to move for my protection especially since I am divorced and lived alone. Where I now reside offers much more security but is also more costly which amounts to \$1,000 monthly.

Combined with the pending increase in health care needs and the cost of living if my pension is decreased I don't know, in fact, I am certain I would not be able to continue living in the setting I had found to provide the security I have a right to have at age 79 years old. A pension cut would also interfere with paying for my health care including medication.
