Judge Steven Rhodes  
C/o Clerk of the Court  
United State Bankruptcy Ct.

I Yvonne Reynolds is a retiree from City of Detroit Police Dept. When I took the job I just knew I was in the best hand. My sisters and I started to working at what was good jobs. I was at the City they were at state and Chrysler. We tried to talk our kids to follow in our foot steps. I didn't have the slightest clue the city would toss it's retiree to the wolves. I'm just getting by on my Pension and SS (SUST). What's going to happen if they cut our pension? Why so much? Police ~~is~~ are know better than civilian. We all wore a uniform not all with a badge. But, we all have expense we have to meet some small other larger. We all have a dead line to meet for our living expense and family. I hope I don't have to move in with kids (CORD NO). So what I'm leading up to please don't reduce our small check. I'm praying on it and hope the CORD make it happen. My letter might not get read (Toss) but at least I tried to be heard, and to make a difference. Please hear our city we made our life the way we wanted it to be so that we could get by on what we are getting nothing more, nothing less. Please Don't Agree to CUT OUR CHECKS.
