

Case # 1353846
JUDGE STEVEN RHODES
C/O Clerk of the Court
United States Bankruptcy Court
Eastern District of Michigan
Southern Division
211 W. Fort Street Suite 1800
Detroit, Michigan 48226

Judge Rhodes;

If allowed 34.5% of reduction in my pension would reduce my pension drastically.

I would no longer afford to meet my notes / cover ^{all of} the medicines and cover my Gas, electric, water. As you know the cost of living expenses keeps ~~is~~ setting higher. I will not have money to cover my taxes and Insurance.

I had just reached a point where I could make everything ^{work} now at 70+ who will hire me - I would not have retired had I known this would happen - I will not have a place - I have no where to go. I hope you will

consider this. I remember I
Went to a meeting at Wayne State
in July or June of 2013 @ which
time Mr. Kerang Orr stated "
I will cut your throats and
watch you bleed. I have never
heard any leader speak like that."

~~so~~ I have worked total 35 yrs
here in Michigan and six years
in Missouri. I did not make
a lot of money. I have no one
to rely on but God.
