

Case # 13-53846

February 27, 2014

Dear Steven Rhodes:

I am a widow woman  
age 81 - I already lost most of my  
income. I don't get much pension  
money and my living is set  
for a small amount. - I  
will be devastated to lose any of  
my pension that I get. - It may  
not mean nothing to some people  
but it means a lot for me.

I worked in the Poverty Program  
Finance Dept. SSA from 1965 to 1991
