Dear Judge Rucker

my name is Alvin Buech, my wife's name is Margaret Buech. Both of us are retirees from the City of Detroit.

As far as I can tell there is no provision in the plan of adjustment that speaks to two persons from the same family. In essence if both of us lose to lose the 38% under the plan, we will lose ~~over~~ nearly 70% of our income. We are already in poverty, this will only push us further into poverty.

Sincerely Alvin Buech
