HONORABLE JUDGE STEVEN RHODES
RE CASE # 13.53846

MY NAME IS FRANCES D. TEASE. I RETIRED
FROM THE CITY OF DETROIT IN 1999 AT THE
AGE OF 62. MY PENSION WAS NOT THAT
MUCH BECAUSE I ONLY WORKED THERE
FOR 1 1/2 YEARS.

I AM NOW 75 YRS OLD. I AM DIABETIC
ALSO HAVE CHOLESTEROL PROBLEMS. FOR
MY PENSION TO BE CUT OR MY HEALTHCARE
BENEFITS LOST WOULD BE VERY DEVASTATING
FOR ME. ALONG WITH BEING ELDERLY I
HAVE A HUSBAND WHO IS MENTALLY

to keep him from being put into a facility by taking on the devastating task myself. He also has many health challenges. Diabetic, Blood Pressure, PAD, Kidney along with the ALZHEIMER'S DEMENTIA.

We takes jobs in life hoping for benefits when we get this age. PLEASE CONSIDER the EXPENSES it takes to get to the doctors, pay for the medicines AND ALSO LIVE HEALTHY LIVES. I APPRECIATE your CONSIDERATION when you MAKE your DECISION ON OUR LIVES

SINCERELY

Debra W. Jones
