To Judge Steven<sup>W</sup> Rhodes

my name is Aaron Jones and  
I've been a diabetica ~~from~~ for years.

If my pension is cut, I don't  
know how I can continue to  
buy and eat the right food for  
my health condition.

Then I got to cut other bills  
in order to pay for my  
medicine. I have to miss doctor  
appointments because I don't  
always have enough money  
to pay for gas for my ~~car~~ <sup>car.</sup>

I also have problems paying  
my household bills. I need  
my money to pay someone  
to clean snow away or to

take care of the grass. You  
see I am 86 yrs old, so please  
let me keep my pension without  
cutting it. If sickness become  
a big problem with me, I won't  
be able to take care of business, so  
please be kind to us old peopas.

Aaron Jones
