Judge Stephen Rhodes

Dear Judge Rhodes,

I am an 88 year old senior having worked for the City of Detroit for over 30 yrs. My Pension is less than 800.00 monthly. I paid All those years - how can I possible live with a cut in my pension? This will certainly be another case for food stamp and other Resouces available to the needy. Please consider our plight and save us from this proposed cut -

Yours in Christ
