7. "Related to" or "relating to" shall mean directly or indirectly supporting, evidencing, describing, mentioning, referring to, contradicting, comprising or concerning.

8. To “state the basis” means to provide the complete factual summary of each element of the claim, allegation, or denial. The summary should chronologically describe each and every fact, action, and occurrence that relates to the particular claim, allegation, or denial.

9. “Identify” or “describe” means the following:

- a. When used in connection with natural persons, “identify” or “describe” means to state the person’s full name, present business address (or home address) and telephone number, and city of residence as well as the substance of the person’s knowledge, where such knowledge was obtained, whether such knowledge was discussed with you, when such discussions occurred, who participated in such discussions, and the substance of all discussions.
- b. When used in connection with an entity, “identify” or “describe” means to state the entity’s full name, last known address(es), telephone number(s), and organization form (*e.g.*, corporation, sole proprietorship, partnership, joint venture, etc.).

If the document has already been produced, it can be identified by the number given to it at the time of production. If the document has not been previously produced, then Debtor requests that it be produced, pursuant to Fed. R. Civ. P. 34, along with the Retirement Systems’ response to these interrogatories.

When used in connection with an oral communication, “identify” or “describe” means to state the time, date, place, and means of the oral communication (*e.g.*, telephone, personal meeting, etc.), the identity of all persons participating in the oral communication, the identity of persons hearing the oral communication, and a detailed description of the oral communication.

10. In answering these interrogatories, the Retirement Systems shall furnish all information known or available. If any of these

interrogatories cannot be answered in full, the interrogatory shall be answered to the extent possible.

11. In the event Retirement Systems assert any form of objection or privilege as a ground for not answering an interrogatory or any part of an interrogatory, set forth the legal grounds and facts upon which the objection or privilege is based.
