CITY OF DETROIT, MICHIGAN,

Debtor.

Chapter 9

Case No. 13-53846

Hon. Steven W. Rhodes

**OBJECTION OF THE OFFICIAL COMMITTEE OF RETIREES
TO THE MOTION OF DEBTOR FOR ENTRY OF AN ORDER
(I) AUTHORIZING ASSUMPTION OF THAT CERTAIN FORBEARANCE
AND OPTIONAL TERMINATION AGREEMENT PURSUANT TO
SECTION 365(a) OF THE BANKRUPTCY CODE, (II) APPROVING SUCH
AGREEMENT PURSUANT TO RULE 9019, AND GRANTING RELATED RELIEF**

The Official Committee of Retirees of the City of Detroit, Michigan (the “**Retiree Committee**”), through its undersigned counsel, objects to the Motion Of Debtor For Entry Of An Order (I) Authorizing Assumption Of That Certain Forbearance And Optional Termination Agreement Pursuant To Section 365(a) Of The Bankruptcy Code, (II) Approving Such Agreement Pursuant To Rule 9019, And (III) Granting Related Relief (the “**Assumption Motion**”).¹ In support of this Objection, the Retiree Committee respectfully states as follows:

PRELIMINARY STATEMENT

1. As one of its first acts in the bankruptcy case, on July 18, 2013, the City of Detroit (the “**City**”) filed its Assumption Motion. [Dkt No. 17, as amended Dkt No. 157] seeking approval of the Forbearance Agreement and Optional Termination Agreement (the “**Forbearance Agreement**”), executed only three days before the bankruptcy filing, by and

¹ The Retiree Committee is filing this Objection to protect its rights and interests with respect to the Assumption Motion. This Objection is not an acknowledgement of or acquiescence to (i) the Court's jurisdiction to hear this case; (ii) the constitutionality of the Debtor's Chapter 9 filing; or (iii) the eligibility of the Debtor to relief under Chapter 9.

among the City, the Service Corporations (defined below) and UBS AG, SBS Financial Products Company LLC and Merrill Lynch Capital Services, (defined collectively as the “Swap Counterparties” in the Forbearance Agreement and hereinafter the “Counterparties”). The Assumption Motion drew numerous objections from both financial creditors, including parties to the 2006 and 2009 transactions that are referred to in the Forbearance Agreement and other creditors of the City, and representatives of the City’s pension fund and retirees. The Retiree Committee, appointed after the objection deadline had passed, was authorized by the Court to participate in the mediation and the discovery conducted by the objecting parties.² After review of the underlying transaction documents as well as the arguments and information offered by the City in discovery and discussions in support of the Assumption Motion, the Retiree Committee is now compelled to join in the opposition to the Assumption Motion for the following reasons.

2. First, the Forbearance Agreement elevates the Counterparties to secured creditor status in this bankruptcy case although they are not creditors of the City and were not granted and did not possess any direct security interest in pre-petition City property. *See* Forbearance Agreement §2.1(e) Indeed, the structure adopted by the City for the 2006 and 2009 transactions, with the knowledge and participation of the Counterparties, is a fairly common mechanism used by municipalities to raise funds outside the limitations of charter or statutory mandated debt ceilings. The funds raised in this manner typically are not treated as obligations of the municipality. In this case, the City undertook contract obligations and granted security interests solely to the newly incorporated Service Corporations (defined below), which, in turn, undertook obligations to and granted security interests to the Counterparties. Thus, under the operative documents and City Ordinances, the Counterparties are creditors of creditors of the City and

² Discovery was limited primarily to the circumstances leading to the execution to the Forbearance Agreement. It was not an investigation of the historical transactions.

have, at best, a security interest in the Service Corporation's security interest--a pledge of a pledge.³

3. Second, the Forbearance Agreement grants the Counterparties full status as swap counterparties to the City with powers to terminate and consent to the treatment of other claims and transactions in addition to their own.⁴ However, it is not clear the Counterparties actually had the right to terminate the swap contracts under the relevant agreements. For one thing, the City is not a counterparty to any of the swap contracts. In addition, the insurers insist that the Counterparties' actions required their consent. Furthermore, given the circumstances surrounding the 2009 restructuring transactions, there is no certainty that the Counterparties would be covered by the safe-harbor provision of the Bankruptcy Code for swap participants or ancillary parties.

4. Third, the Forbearance Agreement insulates all of the transactions surrounding the issuance of the 2009 swap contracts and Collateral Agreement in addition to the City or the Service Corporation's performance thereunder from third party challenges. Under the Forbearance Agreement, the City, the Emergency Manager, and the Services Corporations waive all objections to the Counterparties purported secured claims. *See* Forbearance Agreement § 2.1(b). In addition, under Section 1.3(h) of the Forbearance Agreement, a successful challenge to the swap contracts, the Collateral Agreement, the Forbearance Agreement or any "Transaction Documents" (broadly defined in Section 2.1(a) of the Forbearance Agreement) by the City, Emergency Manager, the Service Corporations or *by any party* constitutes an event of default.

³ The Committee joins in the objection of the General Retirement System and the Police and Fire Retirement System (the "**Retirement System**") [Dkt #370] to the secured creditor status of the Counterparties' claim pursuant to section 552 of the Bankruptcy Code in the event that the Counterparties can establish a direct claim against the Debtor.

⁴ Section 1.3(h) taken literally would seem to preclude any recovery in a plan to the COPs (defined as "2006 Pension Funding Securities" in the Forbearance Agreement) prior to their maturity date.

Thus, approval of the Forbearance Agreement effectively cuts off the right of any party to challenge the validity of the 2009 transactions.

5. In addition, the Committee is concerned that the steps the City must take to actually consummate the Forbearance Agreement will tie up the City's assets in a manner that leaves the City without any resources to provide the promised retirement compensation (both pension and healthcare benefits) to its retirees.⁵ As a practical matter, implementation of the Forbearance Agreement is entirely dependant on the City's finding debtor-in-possession financing ("**DIP Financing**"). The City is intending to use DIP Financing (a) to pay the Counterparties a significant percentage of their newly recognized secured claim against the City and, (b) for City redevelopment programs as part of the City's transition plan. The City will most likely pledge all its free assets, including the casino revenue, to the DIP financiers. The bifurcation of the Assumption Motion from approval of the financing necessary to implement the Forbearance Agreement deprives the Court and the objecting parties of adequate information to assess the benefits and burdens of the Forbearance Agreement and settlement.

6. The Forbearance Agreement should not be approved, as explained below, because it is economically irrational in that it will free up assets that must be repledged to pay the price of the release of the assets. The Forbearance Agreement and related "settlement" are inequitable or unfair in that they force the City to finance operations with draconian cuts to the retirees' benefits and pensions while the City borrows to prefer entities that have no legitimate claim as creditors over the retirees who hold a constitutionally protected, higher priority claim. Finally, the Assumption Motion fails to provide adequate information for approval without disclosure of both the legal issues being settled and the terms of the DIP Financing.

⁵ Such a "tie up" may come in the form of restrictive covenants as to the use of cash or assets not currently subject to security interests.

7. Based on the above and the extensive objections that have been filed, the City cannot meet the legal test for its approval under section 365 of the Bankruptcy Code as legitimate exercise of its business judgment or under the Federal Rules of Bankruptcy Procedure 9019 as a fair and equitable settlement. For these reasons, as more fully discussed below, the Committee respectfully requests that the Court withhold approval of the Assumption Motion.

FACTUAL BACKGROUND

8. The transactions referenced in and underlying the Forbearance Agreement and settlement arise from the City's constitutional and statutory obligations to establish, maintain and fund pension compensation promises to the City's employees.⁶ In 2005, pursuant to a series of Ordinances,⁷ the City authorized an alternative funding mechanism in an attempt to address the

⁶ The City's obligations under Article 9 §24 of the 1963 Michigan Constitution are two fold: (a) to maintain the pensions for its employees as a contractual obligation without diminution or impairment, and (b) to actually fund the financial benefits on an annual basis. Section 24 states in its entirety:

The accrued financial benefits of each pension plan and retirement system of the state and its political subdivisions shall be a contractual obligation thereof which shall not be diminished or impaired thereby.

Financial benefits arising on account of service rendered in each fiscal year shall be funded during that year and such funding shall not be used for financing unfunded accrued liabilities.

The specifics for meeting these constitutional imperatives are left to state and municipal law. Michigan's Public Employees Retirement System Investment Act (MCL §38.1140m) provides that a Michigan municipality's required annual contribution to its employee retirement system must be an actuarially determined contribution amount, consisting of (1) a current service cost payment, (2) a payment of at least the annual accrued amortized interest on any unfunded accrued actuarial liability and (3) a payment of the annual accrued amortized portion of the unfunded principal liability.

⁷ See Chapter 54, Article I through X, Ordinance No. 03-05, To Provide For an Alternative Funding Mechanism With Respect to the City's Obligations To Make Annual Contributions to Fund the Benefits Available Under General Retirement System, etc. dated February 4, 2005; Chapter 54, Article I through X, Ordinance No. 04-05, To Provide For an Alternative Funding Mechanism With Respect to the City's Obligations To Make Annual Contributions to Fund the Benefits Available Under Police and Fireman Retirement System, etc. dated February 4, 2005; Ordinance No. 05-05 Chapter 18, To Approve the Form of a standard Service Contract To Provide Pension Funding Services to the City By Reducing Unfunded Accrued Actuarial Liabilities (UAAL) and To Authorize The City To enter Into Service Contracts for 2005 and to Authorizes the Hedges in connection with the Funding of the UAAL of the Retirement Systems.

outstanding unfunded accrued actuarial liabilities (“**UAAL**”) of the Retirement Systems and the City’s constitutionally protected pension benefit promises. Specifically, the Ordinances authorized the incorporation of the Detroit General Retirement System Service Corporation (“**DRGS Service Corp**”), and the Detroit Police and Fire Retirement system Service Corporation (“**PFRS Service Corp**”) (collectively the “**Service Corporations**”), the execution of service contracts (the “**Service Contracts**”) between the City and each of the Service Corporations, and the formation of a trust agreement (the “**Funding Trust**”) to issue taxable certificates of participation (“**COPs**”) and accept the complete assignment of Service Contract payments necessary to service the COPs.⁸ The COPs were sold to investors and the proceeds from the sale of the COPs were used to satisfy, among other things, the City’s obligation to reduce the UAAL and cover financing costs.

9. The 2005 COPs paid interest at different interest rates depending on the series issued. Certain of the 2005 COPs originally bore interest at a floating rate tied to LIBOR. The Service Corporations entered into interest rate exchange agreements “(**Swap Contracts**)”, as authorized by City Ordinance, to hedge the variable rate exposure created by the issuance of the floating rate COPs. The Swap Contracts were designed to effectively convert the City’s floating interest rate exposure into a fixed rate. In the event interest rates rose passed a certain negotiated point, the Counterparties would owe the Service Corporations. The inverse was also true - if interest rates dropped, then the Service Corporations would owe the Counterparties. As all parties involved in this proceeding are painfully aware, interest rates have been at historic lows

⁸ The Service Contracts, Funding Trust documents and the Ordinances are exhibits to multiple objections to the Assumption Motion. To conserve resources and limit repetition, the Committee has only attached three exhibits in support of its objection. The Ordinance 18-16-1, attached as Exhibit A summarizes the history of the 2005, 2006 and 2009 transactions discussed herein. The Collateral Agreement, attached as Exhibit B, is the key document of the 2009 restructuring. The deposition transcript of Kenneth Buckfire (“**Buckfire Deposition**”), attached as Exhibit C in relevant part, gives the high level view of the amount and purpose of the DIP Financing.

for nearly five years. Thus, the Service Corporations paid substantial periodic payments (“**Hedge Periodic Payables**”) to the Counterparties funded by City through payments on the Service Contracts to the Service Corporations.⁹

10. The revenue stream from the Service Contracts was divided into two streams: the service payments to pay principal and interest on the COPs (“**Funding Trust Receivables**”) that was transferred, assigned and otherwise conveyed to the Funding Trust and Hedge Payable consisting of Hedge Periodic Payable and a hedge termination payable (the “**Hedge Termination Payable**”) pledged as a security interest to the Service Corporations, which in turn, pledged their interests to the Counterparties.

The 2006 Transaction

11. The same process took place in 2006 to create a structure substantially identical to the 2005 transaction, described above, except the 2006 COPs had a longer term payout for the purpose of increasing the effective amortization period of the UAAL and to reduce the annual costs of the funding through the City’s Service Contracts. The 2005 hedges were terminated with termination values in favor of the Service Corporations and the proceeds of the 2006 COPs were used to refund the variable rate 2005 COPs.

The 2009 Transaction

12. In January 2009, the Counterparties notified the Service Corporations that an “additional termination event” within the meaning of the Swap Contract had occurred.¹⁰ Ultimately, negotiations between the parties yielded the 2009 Collateral Agreement among the City, the Service Corporations, the Counterparties, and U.S. Bank as custodian (the “**Collateral**

⁹ Now interest rates are rising. Accordingly, the Hedge Periodic Payables to the Counterparties should be decreasing.

¹⁰ The objecting parties questioned whether an event of default triggering the Counterparty’s the right to terminate the Swap Contracts actually occurred and whether the Counterparties had the authority to terminate the Swap Contracts on their own.

Agreement”). *See* the Collateral Agreement attached as Exhibit B. In exchange for the Counterparties’ agreement to rescind the declaration of a termination event, pursuant to an Ordinance of the City, the City directed wagering tax revenue and other payments (the “**Casino Revenue**”) to certain accounts held by U.S. Bank and pledged to the Service Corporations its interests in the Casino Revenue and those accounts (the “**City Pledge**”). *See* Collateral Agreement § 4.1. The Service Corporations, in turn, granted to the Counterparties a security interest in the City Pledge. *See* Collateral Agreement § 4.2. The Collateral Agreement preserves the treatment of the obligations to the Counterparties as obligations of the Service Corporations, not the City. Moreover, the Collateral Agreement expressly states:

The obligations of the City under this Agreement shall not constitute or create any indebtedness of the City within the meaning of The Home Rule City Act, being Act 279 of the Public Acts of Michigan of 1909, as amended, or any Michigan constitutional or other non-tax statute or City Charter limitation. Collateral Agreement § 3.2.

The City Hedge Payable Related Obligations and all obligations of the City under this Agreement [to the Service Corporations] are contractual obligations, enforceable in the same manner as any other contract of the City and are not general obligations of the City to which the City has pledged its full faith and credit or ad valorem taxing power. Collateral Agreement § 3.3(a).

Collateral Agreement, Exh. B at 14

13. As part of the 2009 transaction, the Swap Contract interest rate was raised to approximately 6.75% at a time that the actual interest rate was near zero and the terms of the Swap Contracts were revised, according to Kenneth Buckfire, to permit the Counterparties to terminate at the point when they might have been required to pay the City. *See* Buckfire Deposition, Exh. C. at 59. As the City now concedes, the Swap Contract was a one-sided deal. The transactions that would be subject to an investigation in any other bankruptcy case are protected from the investigation and challenge by the Committee and any other party by terms of

the Forbearance Agreement. The Forbearance Agreement, in that regard, prevents the Retiree Committee from fulfilling its statutory investigative duties under 11 U.S.C. §1103(c)(2).

DIP Financing

14. The City does not have financing to make the optional, but fully expected termination payment promised to the Counterparties under the Forbearance Agreement. The City has disclosed that it is seeking to borrow \$350,000,000, the better part of which would be used to pay the Counterparties' termination payment under the Forbearance Agreement. *See* Buckfire Deposition, Exh C. at 70 and 73. The remainder of the borrowed funds are to be used to execute a reinvestment program. As part of the collateral package, the City is offering a lien on the Casino Revenue in part. *See* Buckfire Deposition, Exh C. at 74.

15. The Assumption Motion is the predicate to the DIP Financing. Yet the Court and the objecting parties are being asked to approve the Assumption Motion without an ability to assess the terms of the financing. Because of the essential link between Forbearance Agreement and the missing financing, it is impossible for the parties to assess the benefits and burdens of the Forbearance Agreement and settlement.

ARGUMENT

16. The Forbearance Agreement is championed by the City because it purports to create unrestricted liquidity by freeing Casino Revenue and allows the City to avoid time-consuming litigation. The value of the Forbearance Agreement in furthering either of the goals is minimal. Pursuant to the terms of the Forbearance Agreement the Counterparties agree to forbear from (1) issuing any notice designating an Early Termination Date with respect to any Swap Contracts; and (2) instructing U.S. Bank to hold the City's Casino Revenue. Forbearance Agreement §1.1. In exchange, the Counterparties receive a release of claims and a very rich

termination package that is financed largely by reduced payments to the City's retiree health coverage and thus exceeds any notions of fairness and equity to the City's retirees.

17. The financing for that package remains largely a mystery. All the City is willing to reveal is that it is intending to borrow \$350,000,000 (a) to pay the Counterparties a significant percentage of their alleged secured claim and, (b) for redevelopment programs as part of the City's transition plan. The City has offered the Casino Revenue as part of the collateral package for the DIP Financing. The Forbearance Agreement is a stage setting step for the DIP Financing. As a result, the City cannot make the case for the value of the Forbearance Agreement without disclosing the burdens imposed by the DIP Financing.

18. Similarly, the City cannot prove the value of the proposed settlement with the counterparties without the analysis of the claims that are being settled and a response to legal impediments to the counterparties' claims and rights raised by the objecting parties.

19. The Assumption Motion is opposed by both the capital market creditors and the retirees. The view of the major constituents of the case is that the agreement between Counterparties and the City is unreasonable and not in the best interests of the estate. Accordingly, the Assumption Motion should not be approved under the applicable standard.

I. The City Has The Burden To Demonstrate that The Forbearance Agreement And Settlement Meet the Fair and Equitable Standard

20. The Sixth Circuit holds that in evaluating a proposed settlement "[t]he bankruptcy court ... is obligated to weigh all conflicting interests in deciding whether [a] compromise is 'fair and equitable,' considering such factors as (i) the probability of success on the merits, (ii) the complexity and expense of litigation, and (iii) the reasonable views of creditors." *Bauer v. Commerce Union Bank*, 859 F.2d 438, 441 (6th Cir. 1988); *accord, e.g., Lyndon Prop. Ins. Co. v. Katz*, 196 Fed. Appx. 383, 387 (6th Cir. 2006); *Bard v. Sicherman (In re Bard)*, 49 Fed. Appx.

528, 530 (6th Cir. 2002); *see also*, *Cook v. Terlecky (In re Cook)*, 336 B.R. 600, 2006 WL 13114, at *3 (B.A.P. 6th Cir. Jan. 4, 2006) (unpublished table decision).

21. When performing its evaluation, the court must “apprise itself of the underlying facts and [] make an independent judgment as to whether the compromise is fair and equitable. The court is not permitted to act as a mere rubber stamp or to rely on the . . . [debtor’s] word that the compromise is reasonable.” *Reynolds v. Comm’r*, 861 F.2d 469, 473 (6th Cir. 1988) (citations omitted); *see also*, *Protective Comm. for Indep. Stockholders of TMT Trailer Ferry, Inc. v. Anderson*, 390 U.S. 414, 437 (1968) (holding that bankruptcy court must have the facts in order to make an informed and independent decision). Ultimately, the Debtor has the burden of persuading the court that the compromise is in the best interest of the estate. *McGraw v. Yelverton (In re Bell & Beckwith)*, 87 B.R. 476,478 (N.D. Ohio 1988). Based on the Assumption Motion and the evidence it has produced, the City cannot meet the burden.

II. The City Has Failed To Adduce Evidence Regarding The Risk of Litigation

22. Courts have approved settlements where there were complex legal issues after a full presentation by the debtor of the issues to be resolved. *See Buchwald Capital Advisors LLC v. Papas (In re Greektown Holdings, LLC)*, No. 12-12340, 2012 U.S. Dist. LEXIS 139814 (E.D. Mich. Sept. 27, 2012), (*rev’d on other grounds*) *Papas v. Buchwald Capital Advisors*, Case No. 12-2434 2013 U.S. App. Lexis 17718 (6th Cir. Aug. 26, 2013). But here, the Debtor has not given the Court any evidence on the three factors it is required to evaluate to approve the settlement. Nor has such evidence been produced to the objectors during discovery. Further, the Debtor has not proffered any evidence concerning the probability of success on the merits with respect to any of the potential legal challenges to the underlying obligations or security interests of the Counterparties. The Assumption Motion merely asserts that “while the City has examined whether there are viable actions to challenge the Swap Contracts or the City’s pledge

of the Casino Revenue to secure its obligations to the Swap Counterparties, litigation would be protracted, expensive and, in terms of success, uncertain.” Assumption Motion at p. 27, ¶ 47. This is insufficient to support a finding with respect to the probability of success on the merits. Indeed, in other cases where movants have failed to provide proof of an investigation into actual claims that the estate can assert or that are being asserted against the estate, the proposed settlements have been deemed improper.

23. For example, in *In re Engman*, 331 B.R. 277 (Bankr. W.D. Mich. 2005), the trustee sought approval of a settlement pursuant to which a creditor, a condominium association, would receive 100% payment on its claim. The debtor objected, raising several concerns about the validity of the creditor’s claim, and asserted that the trustee failed to investigate and offer proof that he had investigated the claims and the likelihood of success if he challenged the claims. The court held that the “Trustee’s oversight of critical issues relating to the validity and amount of the condominium association’s lien claim, coupled with his decision to forego any serious efforts to negotiate a reduction of that claim, places the settlement [] outside the bounds of what an informed business person would have accepted.” *Id.* at 305. Likewise, a district court reversed a bankruptcy court’s order approving a compromise where the trustee “had not placed on the record any of the facts of his...investigation and never provided any explanation of why he completely reversed field.” *In re Trailer Course, Inc.*, 2007 U.S. Dist. LEXIS 23816, at *17 (D. M.D. Tenn. March 30, 2007).

24. The substance of the Debtor’s investigation into the Swap Contracts, and the 2009 transactions specifically, is important. Prior to the 2009 Collateral Agreement, the Debtor’s Casino Revenues had not been pledged to support the service payments and the Counterparties did not have any contractual right to the funds. However, something transpired, that every major creditor in this case has asserted is improper on various grounds, and the Debtor is completely

silent on that issue. Although the Debtor knows the terms of the 2009 transactions, including its one-sided payment obligation, it has chosen to treat the Counterparties as its creditors, elevate their claims, and pay them an inordinate amount of money without challenging the Counterparties' position. Moreover, the Debtor has agreed to terms that not only eliminate its rights to challenge the Counterparties' claims, but also the ability of an official, section 1102 committee to challenge them as well. Such expansive treatment for the Counterparties in the face of the serious issues raised by creditors regarding the validity of the pledge supporting the 2009 transaction, questioning the existence of a default giving rise to the 2009 renegotiation, and the propriety of the 2009 transactions absent the consent of the insurers cannot be justified based solely on an unsupported statement that "litigation would be protracted, expensive and, in terms of success, uncertain." Assumption Motion at p. 27, ¶ 47.

III. The Court Should Defer To The Reasonable View of the City's Creditors

25. The Courts in this Circuit defer to the reasonable view of creditors in assessing the fairness of a proposed settlement under Rule 9019. *Bard v. Sicherman (In re Bard)*, 49 Fed. Appx. , at 530; *Bauer v. Commerce Union Bank*, 859 F.2d at 441. Here, every major creditor constituency in this case, has objected to the proposed settlement, which weighs against approval of the Forbearance Agreement. Courts have cautioned that "looking only to the fairness of the settlement as between the debtor and the settling claimant [and ignoring third-party rights] contravenes a basic notion of fairness. *In re AWECO, Inc.*, 725 F.2d 293, 298 (5th Cir. 1994); *see also, Cullen v. Riley (In re Masters Mates & Pilots Pension Plan)*, 957 F.2d 1020, 1031 (2d Cir. 1992) (holding that "where the rights of one who is not a party to a settlement are at stake, the fairness of the settlement to the settling parties is not enough to earn the judicial stamp of approval," and requiring determination that "no one has been set apart for unfair treatment.")). Indeed, the Sixth Circuit Bankruptcy Appeal Panel reversed an order approving a compromise

that “totally disregarded” the interests of a creditor that “had the most to lose”. *See In re Haven, Inc.*, 326 B.R. 901, 2005 WL 927666, at *3 (B.A.P. 6th Cir. April 7, 2005) (unpublished table decision).

26. In *Haven* the debtor sought to settle the claims of a secured creditor whose recorded mortgage was defective by stipulating that mortgage was properly executed and recorded and distributing sale proceeds to the secured creditor ahead of other secured parties with properly recorded mortgages and liens. In approving the settlement, the bankruptcy court did not make any findings of fact in support of its ruling that the settlement was fair and equitable. Upon reviewing the record, the B.A.P. court found that the record did not support the bankruptcy court’s decision. Specifically, the B.A.P. court found that a distribution scheme that provided for sale proceeds to be remitted first to the debtor and then the challenged secured creditor to the balance of its defective mortgage is not “fair and equitable”, particularly where “not all parties to the proceeding have joined in the agreement and the interests of the creditor with the most to lose [] have been totally disregarded.” *Haven*, 2005 WL 927666, at *7-8. The Retiree Committee submits that the City is attempting to do the same here -- elevate payment of the Counterparties’ claim over the rights of other creditors with priority, constitutional claims in the face of issues regarding the propriety of the Counterparties’ claims, without allowing creditors to investigate, and without advising this Court of the City’s investigation, if any.

27. Admittedly, when an asset of the estate involves protracted investigation or potentially costly litigation, with no guarantee as to the outcome, the trustee must act cautiously and courts accord wide latitude to a trustee’s business judgment. *See, In re C.R. Stone Concrete Contractors, Inc.*, 2006 WL 2079139 at *10 (Bankr. D. Mass. July 27, 2006)(quoting *LeBlanc v. Salem (In re Mailman Steam Carpet Cleaning Corp.)*, 212 F.3d 632, 635 (1st Cir. 2000)). A trustee is not entitled to the full breadth of such latitude, however, where he has failed to reach an

informed judgment after diligent investigation. *Id.* at *11 (providing “little weight to the Trustee’s determination that the Stipulations are in the best interest of the estate” due to lack of diligent investigation).

28. In *C.R. Stone*, the court found that the trustee had “pursued only a cursory investigation of the Debtor’s claims” where he had (i) reviewed the pleadings and their accompanying exhibits, (ii) conducted an interview with the Debtor’s accountant, (iii) interviewed only four individuals, and (iv) made no apparent attempt to interview the many third parties or many employees of the Debtor and defendants who must have been witnesses. The court found this inquiry to be insufficient and was a basis for the court’s refusal to accept the proposed settlement. *See also, Engman*, 331 B.R. at 299 (stating that “There must be at least a rational business purpose to support the [] decision. In addition, the decision process itself must evidence at least rudimentary due diligence.”) (citations omitted).

29. The Debtor argues stridently that its business judgment is entitled to deference, however, it has failed to offer sufficient information regarding the financing that it will need to consummate the Forbearance Agreement. Absent such information, the City has failed to provide evidence that it has indeed exercised reasonable business judgment or that the compromise is fair and equitable under Rule 9019. *Bard*, 49 F. Appx. at 530; *Fishell v. Soltow (In re Fishell)*, 47 F.3d 1168 at *3 (6th Cir. 1995) (unpublished opinion).

WHEREFORE, the Committee respectfully requests that the Court withhold approval of the Assumption Motion and grant such other and further relief as the Court deems just and proper.

Respectfully submitted;

Sec. 18-16-3. - Legislative findings—2006 transaction.

Sec. 18-16-4. - Legislative findings—pledged property.

Sec. 18-16-6. - Definitions related to developer payments.

Sec. 18-16-7. - Interpretation.

Sec. 18-16-1. - Legislative findings—pension system funding program.

The Detroit City Council expressly finds and determines that:

- (a) Article 9, Section 24 of the 1963 Michigan Constitution of the States of Michigan obligates the city to maintain the actuarial integrity of its general retirement system (the GRS) and its police and fire retirement system (the PFRS and together with the GRS, the pension system).
- (b) Maintaining the actuarial integrity of the pension system is both a constitutional obligation and an important public purpose of the city, and, to that end, the city undertook the 2005 Transaction and the 2006 Transaction, as hereinafter described in sections 18-16-2 and 18-16-3, respectively (the pension system funding program).
- (c) The pension system funding program contributes to the quality of life in the City of Detroit (the city, whether referring to the Michigan municipal corporation by that name or the territory within the boundaries thereof) by providing a source of income to the city's public service employees through funding of certain of the city's pension obligations.
- (d) The pension system funding program further contributes to the quality of life in the city by reducing the financial requirements of the pension system and permitting tax receipts to be used for other purposes.
- (e) Due to certain events affecting the hereinafter defined insurers and the city, it is necessary that the city pledge revenues, as described in section 18-16-4, as an incident of the pension funding program.

(Ord. No. 05-09, § 1, 5-26-09)

Sec. 18-16-2. - Legislative findings—2005 transaction.

The Detroit city council expressly finds and determines that the following actions constitute the 2005 transaction, undertaken by the city as part of its pension system funding program.

- (a) By Ordinance No. 03-05 the city provided an alternative funding mechanism for, respectively, the GRS and the PFRS (each, an alternative funding mechanism) to provide for unfunded accrued actuarial liability (UAAL) of the GRS (GRS UAAL) and

UAAL of the PFRS (PFRS UAAL and together with the GRS UAAL, pension system UAAL).

- (b) By Ordinance No. 05-05 (the funding ordinance) the city provided for incorporation of two (2) service corporations, the Detroit General Retirement System Service Corporation and the Detroit Police and Fire Retirement System Service Corporation (each, a service corporation and collectively, the service corporations) to serve as the means to fund pension system UAAL.
- (c) The funding ordinance also provided for the execution by the city of a service contract with each of the service corporations (collectively, the 2005 Service Contracts), and it approved the form of the contract administration agreement and the trust agreement (the 2005 Funding Trust) which provided for the issuance of the taxable certificates of participation, series 2005 (the 2005 COPs).
- (d) The service Corporations sold their rights to receive certain payments (2005 service payments) under the 2005 service contracts to the 2005 Funding trust, and the 2005 COPs represented undivided interests in the 2005 service payments.
- (e) Because certain of the 2005 COPs had components of the service payments based on variable rates (the variable rate 2005 COPs), the service corporations entered into interest rate swap agreements (collectively, the 2005 hedges) with UBS AG (UBS), SBS Financial Products Company LLC (SBS) and an additional counterparty in order to hedge payments due under the 2005 service contracts in respect of the variable rate 2005 COPs.
- (f) Under certain circumstances Merrill Lynch Capital Services Inc. agreed to assume the obligations under the 2005 hedges to which SBS was a party. Each of UBS, the additional counterparty, SBS and Merrill Lynch Capital Services Inc. are herein called a 2005 counterparty and collectively, the 2005 counterparties.
- (g) The city approved the 2005 hedges in the funding ordinance and acknowledged the risks associated with them, including the risk that "unforeseen events may occur which may have material adverse effects on present expectations."
- (h) The city agreed in the 2005 service contracts to make payments (2005 hedge payables) to the service Corporations sufficient to pay amounts owing by the service corporations under the 2005 hedges.
- (i) The obligations of the service corporations under certain of the 2005 service contracts, including the obligations to pay 2005 hedge payables under certain of the 2005 hedges, were insured by Financial Guaranty Insurance Company (FGIC), and the obligations of the Service Corporations under the remaining 2005 service contracts were insured by XL Capital Assurance Inc. (now known as Syncora Guarantee Inc., Syncora, and together with FGIC, the Insurers).
- (j) The 2005 hedges provided that an additional termination event (the 2005 additional termination event) would occur if two events occurred:
 - (i) The ratings of Insurers were reduced below a certain level by certain of the rating agencies rating the 2005 COP's; and
 - (ii) Such rating agencies also reduced, although not necessarily contemporaneously, the rating of the 2005 COPs below investment grade (the 2005 trigger event).
- (k) The 2005 additional termination event permitted the 2005 Counter-parties to terminate the 2005 hedges and pay or receive the net termination value determined by the respective value of the service corporations' and the 2005 counterparties' obligations under the 2005 hedges.

- (l) Proceeds of the 2005 COPs were provided to GRS and PFRS for application in accordance with the respective alternative funding mechanism.

(Ord. No. 05-09, § 1, 5-26-09)

Sec. 18-16-3. - Legislative findings—2006 transaction.

The Detroit City Council expressly finds and determines that the following actions constitute the 2006 transaction, undertaken by the city as part of its pension system funding program.

- (a) The 2006 Transaction was undertaken in connection with the increase in the amortization period of UAAL by both GRS and PFRS to 30 years and was entered into to reduce the annual funding costs of the pension system UAAL funded by the 2005 transaction and thereby advance the purposes of the pension system funding program.
- (b) The 2006 transaction was structured substantially similar to the 2005 transaction.
 - (1) By resolution adopted on April 26, 2006 (the 2006 Resolution), the city provided for the execution by the city of a service contract with each of the service corporations (collectively, the 2006 service contracts), and it approved the form of the contract administration agreement and the trust agreement (the 2006 funding trust) which provided for the issuance of the taxable certificates of participation, series 2006 (the 2006 COPs) to refund the variable rate 2005 COPs.
 - (2) The service corporations sold their rights to receive certain payments (2006 service payments) under the 2006 service contracts to the 2006 funding trust, and the 2006 COPs represented undivided interests in the 2006 Service payments.
 - (3) Because certain of the 2006 COPs had components of the 2006 service payments based on variable rates (the Variable Rate 2006 COPs), the service corporations entered into interest rate swap agreements (collectively, the 2006 Hedges) with UBS and SBS in order to hedge payments due under the 2006 service contracts in respect of the variable Rate 2006 COPs.
 - (4) Under certain circumstances Merrill Lynch Capital Services Inc. agreed to assume the obligations under the 2006 hedges to which SBS was a party. Each of UBS, SBS and Merrill Lynch Capital Services Inc. are herein called a 2006 counterparty and collectively, the 2006 counterparties.
 - (5) The City approved the 2006 hedges in the 2006 resolution and acknowledged the risks associated with them, including the risk that "unforeseen events may occur which may have material adverse effects on present expectations."
 - (6) The City agreed in the 2006 service contracts to make payments of the 2006 hedge payables (defined below) to the service corporations sufficient to pay all amounts owing by the service corporations under the 2006 hedges.
 - (7) The obligations of the service corporations under the 2006 service contracts, including the obligations to pay 2006 hedge payables were insured by the insurers.
 - (8) As in the 2005 transaction, the 2006 hedges provided that an additional termination event (the 2006 additional termination event) would occur if two events occurred:
 - (i)

- The ratings of Insurers were reduced below a certain level by certain of the rating agencies rating the 2006 COPs; and
- (ii) Such rating agencies also reduced, although not necessarily contemporaneously, the rating of the 2006 COPs below investment grade (the 2006 trigger event).
 - (9) The 2006 additional termination event permits the 2006 counterparties to terminate the 2006 hedges and pay or receive the net termination value determined by the respective value of the service corporations' and the 2006 counterparties' obligations under the 2006 hedges.
 - (10) The 2005 hedges were terminated with termination values in favor of the city, and proceeds of the 2006 COPs were used to refund the variable rate 2005 COPs.

(Ord. No. 05-09, § 1, 5-26-09)

Sec. 18-16-4. - Legislative findings—pledged property,

The city council expressly finds and determines as follows:

- (a) In January 2009, the 2006 counterparties notified the service corporation and the city that they believed that the 2006 trigger event had occurred and that they were permitted by the terms of the 2006 hedges to declare a 2006 additional termination event thereunder.
- (b) The declaration of the 2006 additional termination event in January 2009 could have resulted in the imposition of an immediate obligation on the city to make a combined payment to the service corporations (the hedge termination payment) under the 2006 service contracts in the range of \$300 million to \$400 million.
- (c) The 2006 counterparties may seek judicial recourse if the city fails to make immediate payment of the hedge termination payment.
- (d) Such judicial recourse may result in judgment liability forcing the city to raise taxes without limit as to rate or amount.
- (e) Such taxes will be destructive of the quality of life in the city and will place its residents under a severe financial burden.
- (f) In lieu of declaring the 2006 additional termination event and in the interest of avoiding fees and expenses of litigation, the city, the service corporations and the 2006 counterparties have agreed in principle to the terms for settlement (the term sheet), which are confidential and non-binding.
- (g) The non-binding terms set forth in the term sheet are acceptable to the city and the service corporations and provide the only feasible alternative available to the city to avoid the declaration of the 2006 termination event.
- (h) The term sheet provides for the pledge of certain revenues and certain other assets, now or hereafter receivable by the city, referred to below as pledged property, to secure payment of the 2006 hedge payables as and when the same become due under the 2006 service contracts.
- (i) The Michigan Gaming Control and Revenue Act, being MCL 432.201 et seq., MSA 18.969(201), et seq., as amended (the Wagering Tax Revenue Statute), authorizes the city to levy certain taxes pursuant to Section 12 thereof.
- (j) The pledged property shall include:
 - (i)

Taxes levied or imposed or to be levied or imposed by Detroit City Code section 18-14-3 pursuant to Section 12(4)(b) the Wagering Tax Revenue Statute (Wagering Taxes);

- (ii) Taxes collected or to be collected by the City pursuant to Section 12(5) of the Wagering Tax Revenue Statute (Additional Wagering Taxes);
 - (iii) All proceeds of taxes to which the city is at any time or from time to time entitled under Section 12(l) of the Wagering Tax Revenue Statute on account of the city rescinding or otherwise being unable to exercise its option to collect Wagering Taxes and all other amounts payable to the City pursuant to Section 12 of the Wagering Tax Revenue Statute (Alternative Taxes); and
 - (iv) Developer payments (defined below) payable to the city under the development agreements (defined below).
- (k) The use and application of the Wagering Tax property as herein provided is for purposes authorized by Section 12(3)(a) of the Wagering Tax Revenue Statute (and any regulation or ordinance relating thereto), in particular, but not exclusively, as follows:
- (1) Pledging the Wagering Tax property will improve the quality of life in the city beyond what it would be in the absence of such action; and
 - (2) Pledging the wagering tax property will reduce taxes levied or imposed by the city or to be levied or imposed by the city from what they would be in the absence of such action.
- (l) The use and application of the Wagering Tax property as herein provided will not supplant existing state appropriations or local expenditures and therefore will not be used in violation of Section 12(14) of the Wagering Tax Revenue Statute.
- (m) No pledge of or lien upon the Pledged property has been previously created.
- (n) This Ordinance is adopted for the purpose of implementing the transactions contemplated by the term sheet, and when this Ordinance becomes effective and implemented by one or more resolutions as herein provided and the definitive documents (defined below) are executed and delivered, the complete agreement of the city and the 2006 counterparties shall be expressed thereby.

THIS COLLATERAL AGREEMENT IS ENTERED INTO FOR SETTLEMENT PURPOSES

Collateral Agreement, dated as of June 15, 2009 (the *Agreement*), among the **City of Detroit**, a municipal corporation organized and existing under the laws of the State of Michigan (the *City*), the **Detroit General Retirement System Service Corporation** (the *GRS Service Corporation*) and the **Detroit Police and Fire Retirement System Service Corporation** (the *PFRS Service Corporation*), each a nonprofit corporation organized and existing under the laws of the State of Michigan, acting severally and not jointly, **U.S. Bank National Association**, a national banking association with its principal place of business in Minneapolis, Minnesota (the *Custodian*), **UBS AG (UBS)**, **SBS Financial Products Company, LLC (SBS)** and collectively with UBS, the **2006 Counterparties**) and **Merrill Lynch Capital Services, Inc.**, as credit support provider to SBS and, upon the occurrence of certain events, successor to SBS.,

WITNESSETH:

Whereas, in January 2009, the 2006 Counterparties notified the City, the GRS Service Corporation and the PFRS Service Corporation (each, a *Service Corporation* and collectively, the *Service Corporations*) that they believed that an event had occurred which entitled them to declare a certain "additional termination event" (the **2006 Additional Termination Event**) under the respective interest rate swap agreements (each, a **2006 Hedge** and collectively, the **2006 Hedges**) entered into by the Service Corporations and the 2006 Counterparties as part of the 2006 Transaction (the **2006 Transaction**) described in Ordinance No. 05-09 (the **Authorizing Ordinance**) undertaken by the City as part of its Pension System Funding Program described in therein;

Whereas, also as part of the 2006 Transaction the City entered into a Service Contract (a **2006 Service Contract**) with each Service Corporation (collectively, the **2006 Service Contracts**), which, among other things, provided for the City to make payments to the Service Corporations sufficient to pay amounts owing by the Service Corporations under their respective 2006 Hedges;

Whereas, the declaration of the 2006 Additional Termination Event could have resulted in the imposition of an immediate obligation on the City to make a combined payment to the Service Corporations in the range, estimated in January 2009, of \$300 million to \$400 million;

In the event that the City fails to make an appropriation in the City's final annual budget adopted by the City Council pursuant to and in compliance with the City Charter for any Fiscal Year, and to maintain such provision without limitation, transfer or reduction throughout such Fiscal Year, on a line item basis and as a "first budget" obligation, an amount that is sufficient to pay in full, and which may be used exclusively for payment of, the City Payments for a particular Fiscal Year, mandamus may be an appropriate remedy for the Counterparties.

Section 11.5. Indemnity

(a) To the extent permitted by law, the City shall defend and hold harmless the Counterparties from and against any and all losses, damages, liabilities, and expenses incurred and paid (each, a liability) by either Counterparty arising out of or resulting from the commencement or continuation of any litigation, judicial action, or legislative action of the kind described in **paragraph 4 of Section 11.6**.

(b) *If*, for so long as this Agreement is in effect, a Counterparty has actual notice or knowledge of any claim or loss for which indemnification by the City is asserted, the Counterparty shall give to the City written notice within such time as is reasonable under the circumstances, describing such claim or loss in reasonable detail. *However*, any delay or failure of the Counterparty to give the notice shall not affect the City's indemnification obligations except to the extent that the City was prejudiced by the delay or failure.

(c) *If* a demand or claim for indemnification is made hereunder with respect to losses the amount or extent of which is not yet known or certain, *then* the notice of demand for indemnification shall so state, and, where practicable, shall include an estimate of the amount of the losses.

(d) In the case of actual notice of indemnification hereunder involving any litigation, arbitration or legal proceeding, the City shall have responsibility to, and shall employ counsel, and shall assume all expense with respect to, the defense or settlement of such claim.

(e) *Notwithstanding* the City's assumption of the defense, the Counterparty shall have the right to employ separate counsel and to participate in the defense of such action, and the City shall bear the reasonable out of pocket fees, costs and expenses of such separate counsel *if*:

(i) other than under **Paragraph (4) of Section 11.6**, a Termination Event or Event of Default under a Hedge has occurred other than or resulting from a Specified Event,

(3) Commencing with the Fiscal Year beginning on July 1, 2009, the City fails to make an appropriation in the City's final annual budget adopted pursuant to and in compliance with the City Charter prior to the commencement of any Fiscal Year subsequent to the Fiscal Year in which the termination of the Hedges occurs and to maintain such appropriation without limitation, transfer or reduction throughout such Fiscal Year, on a line item basis authorizing exclusively payment of the City Payments and as a "first budget" obligation, of an amount at least equal to:

2006 Transaction, the City Pledge, the Service Corporation Security Interest, or the Service Corporation Pledge or any other part of the Definitive Documents or the Settlement Transaction. This **paragraph (4)** does not apply to the City challenging the release of funds from the General Receipts Subaccount for payment of the obligations owing to the Counterparties under the Hedges if such challenge (i) is based solely on the grounds that such amounts have not yet been appropriated by the City for such purpose and (ii) does not challenge the "first budget" obligation of the City to make such appropriation.

(5) The Authorizing Ordinance or any part thereof is amended (without the consent of the Counterparties), revoked, rescinded, nullified or suspended for any reason.

(6) The City rescinds, reduces or ceases to impose the tax imposed as of the Closing Date pursuant to Section 18-14-3 of the Detroit City Code or if the City, within two Business Days following the earlier to occur of (i) notice from the Custodian that a taxpayer has inadvertently or erroneously paid Wagering Tax Property directly to the City or (ii) the Finance Director learning of such payment, the City fails to transfer by wire transfer in same day funds to the Custodian for deposit to the credit of the General Receipts Subaccount such payment. *However*, the rescinding of such tax shall not cause the expiration of the Term Payment Period if the such tax is then collected by the State of Michigan pursuant to Section 12(1) of the Wagering Tax Revenue Statute and an amount of such collections equal to or greater than the tax currently imposed is paid to the Custodian under arrangements satisfactory to the Counterparties.

(7) The City fails to pay any Service Charges, Accrued Service Charges, Regular Scheduled Payments and Sinking Fund Installments as and when due and payable under either Service Contract.

(8) The City fails to pay when due any principal of, or interest on, any indebtedness for borrowed money, other than Excluded Indebtedness, aggregating \$5,000,000 or more or any other event shall occur the effect of which is to cause, or to permit the holder or holders of such indebtedness (or a trustee or agent on behalf of such holder or holders) to cause such indebtedness to become due, or to be prepaid in full (whether by redemption, purchase, offer to purchase or otherwise), prior to its stated maturity, in each case after giving effect to any applicable grace period requiring notice or the lapse of time or both.

(9) The City fails to pay any judgment or judgments aggregating \$5,000,000 or more, *excluding* judgments:

(i) on appeal and being contested in good faith or

(ii) for which the City has reached an agreement with the judgment creditor as to the timing and manner of payment that does not involve the imposition of any additional ad valorem property taxes above the Threshold and with which agreement the City is in compliance or

(iii) for which the City is diligently making arrangements for payment *and* the delay in payment will not result in the City being held in contempt of court for non-payment or in the imposition of a lien on the City's general funds or the imposition of any additional ad valorem property taxes above the Threshold or

(iv) in favor of the Counterparties on any unpaid amounts owing to the Counterparties under the Hedges and this Agreement.

- (10) The occurrence of an Unqualified Hedge Event.

RE: Irrevocable Instructions directing the three licensed Detroit casinos to electronically transfer City taxes to a custodial account

Dear Mr. Schaller:

We are in receipt of a letter from Shefsky & Froelich Ltd., the City's outside gaming counsel, (i) transmitting to and advising the Board of certain irrevocable instructions (the "Irrevocable Instructions") directing the three licensed Detroit casinos to electronically transfer (the "Transfer") the portion of the City's money due under the Gaming Act and the Revised Development Agreement to a custodial account (the "Account") held by U.S. Bank National Association (the "Custodian") in connection with a certain Collateral Agreement dated as of June 15, 2009, by and among the City of Detroit, the Detroit General Retirement System Service Corporation, the Detroit Police and Fire Retirement System Service Corporation, the Custodian and certain counterparties; and (ii) advising the Board that the City Council of the City of Detroit has enacted an ordinance and taken all related action necessary to direct the three licensed Detroit casinos to make the Transfer to the Account.

Upon review of this matter, I do not find any compliance issues at this time and since no goods or services are being provided to the casinos, no licensing is required.

Sincerely,

5 **MARKED FOR IDENTIFICATION:**
6 DEPOSITION EXHIBIT 1
7 9:21 a.m.
8 **VIDEO TECHNICIAN:** We are now on the
9 record. This is the videotaped deposition of Kenneth
10 Buckfire being taken on Thursday, August 29th, 2013.
11 The time is now 9:31 a.m. We are located at 1114
12 Washington Boulevard, Detroit, Michigan.
13 We are here in the matter of In Re: City of
14 Detroit, Michigan case number 13-53846 in the United
15 States Bankruptcy Court, Eastern District of Michigan.
16 My name is Bailey Wellman, video
17 technician. Will the court reporter please swear in
18 the witness.
19 KENNETH BUCKFIRE,
20 was thereupon called as a witness herein, and after
21 having first been duly sworn to testify to the truth,
22 the whole truth and nothing but the truth, was
23 examined and testified as follows:
24 **MR. SUMMERS:** Good morning.
25 **EXAMINATION**

Page 9

1 **BY MR. SUMMERS:**

2 Q. Mr. Buckfire, would you please state your name and
3 business address for the record?

4 **A. Kenneth Buckfire. 601 Lexington Avenue, New York, New
5 York.**

6 Q. For the record my name is Matthew Summers. I'm an
7 attorney at Ballard Spahr in Wilmington, Delaware and
8 we represent the entity that's caused people a little
9 trouble with the name but we've been referring to it
10 as EEPK.

11 Mr. Buckfire, you understand the way a
12 deposition process works, correct?

13 **A. I believe so.**

14 Q. And you've been deposed on numerous occasions
15 previously, correct?

16 **A. Yes.**

17 Q. Because of that experience I just provide a few basic
18 ground rules that I will ask you to abide by today.
19 First if the question that I ask is not clear, please
20 let me know and I will attempt to rephrase it and if I
21 ask a question and you don't understand it but answer
22 it anyway, I would ask you not to do that but to ask
23 me to clarify and if you give me an answer, I will
24 assume you understood the question.

25 Second, because we are on the record and

Page 11

1 **City. Prepared to testify to the general condition of
2 the City's financials leading up to the execution of
3 the forbearance agreement.**

4 Q. Are there any other topics that you intend to testify
5 at the hearing concerning the forbearance agreement?

6 **A. I'll testify at that point to the status of the DIP
7 form process that will provide the financing to
8 execute the City's option under the forbearance
9 agreement to retire the Swaps.**

10 Q. Are there any other topics that you have not mentioned
11 in your answers that you intend to testify about?

12 **A. I'm sure there will be other things but I can't recall
13 at this time what they might be.**

14 Q. Mr. Buckfire, what is your position with Miller
15 Buckfire?

16 **A. Co-founder and co-president of Miller
17 Buckfire & Company.**

18 Q. Miller Buckfire currently is employed as the financial
19 advisor to the City of Detroit, correct?

20 **A. As the investment banker to the City, that's correct.**

21 Q. And when was Miller Buckfire first engaged by the City
22 as investment banker?

23 **A. We were first engaged in July of 2012 for a 60-day
24 review of the City's financial condition. We were
25 re-engaged on January 8th of this year to continue to**

Page 10

1 sometimes you will anticipate probably where I'm going
2 with the question or think that you anticipate, I
3 would ask that you to make the transcript clearer, I
4 will ask that you wait until I complete the question
5 before you begin your answer.

6 **A. Thank you.**

7 Q. Before you is what's been premarked as Deposition
8 Exhibit 1, and I assume you have seen this document
9 before, is that correct?

10 **A. No.**

11 Q. No. Okay. And it is the notice of deposition that
12 was issued that we are proceeding under today. I'd
13 like to discuss initially with you the topics about
14 which you plan to testify at the hearing on the motion
15 to assume the forbearance and optional termination
16 agreement and prove the settlement therein.

17 Do you have in mind the topics that you
18 intend to testify at the hearing?

19 **A. Yes.**

20 Q. And can you provide those to me?

21 **A. The reason and purpose of the negotiation with the
22 Swap counterparties and the results thereof as
23 determined in the forbearance agreement itself, the
24 financial condition of the City that led us to believe
25 that this agreement was necessary to rehabilitate the**

Page 12

1 **advise the City on its financial condition and
2 financial alternatives. Both were -- were hired
3 pursuant to an RFP process to which we submitted a
4 proposal.**

5 Q. When you were hired in July 2012, can you describe the
6 scope of services that Miller Buckfire was engaged to
7 provide?

8 **A. As I mentioned earlier, we were engaged to do a
9 general financial review of the City's financial
10 condition particularly with respect to its ability to
11 service its debt obligations.**

12 Q. Were there specific tasks that you were asked to
13 perform in connection with doing a general financial
14 review of the debt obligations?

15 **A. No, we were engaged to do a general financial review
16 and advise the mayor and the chief financial officer
17 as to what those financial conditions implied for the
18 City's ability to operate in the ordinary course.**

19 Q. That engagement began in July 2012 is what you
20 testified to, is that correct?

21 **A. Correct, and ended on August 31st.**

22 Q. Very good. I would point out that I would ask you to
23 wait until I ask the question, though.

24 Miller Buckfire was then re-engaged on
25 January 8th of 2013, is that correct?

1 Q. So, for example, the City does not actually project
2 paying pension -- making pension contributions for
3 fiscal year 2014, isn't that true?
4 **MR. CULLEN:** Objection. Foundation. Form.
5 **BY MR. SUMMERS:**
6 Q. You may answer.
7 **A. That's correct.**
8 Q. And the City does not currently plan to pay the health
9 benefits for retirees in fiscal year 2014, correct?
10 **MR. CULLEN:** Objection. Foundation. Form.
11 **BY MR. SUMMERS:**
12 Q. You may answer.
13 **A. Can you repeat the question, please?**
14 Q. The City does not currently intend to pay the line
15 item for health benefits for retirees in fiscal year
16 2014?
17 **A. That's correct.**
18 Q. And the City does I guess intend to continue paying
19 the monthly payment to the Swaps, is that correct,
20 which is represented by the 50.6 million?
21 **A. Yes, but again you have to look at the caption of this**
22 **page. This is not the City's plan.**
23 Q. This is the City's projection, however?
24 **A. This is the City's projection in the absence of the**
25 **reinvestment plan that the City manager has already**

1 no longer going to be paying the Swaps' monthly
2 payment, correct?
3 **A. Yes, but this is not the City's plan.**
4 Q. If the City did not have access to casino revenues
5 from now until December 2013, does the City believe
6 there will be any point where it would run out of
7 cash?
8 **A. You have to look at Page 8. It answers that question.**
9 **On Page 8 which is clearly presented to the creditors**
10 **on June the 8th -- June 14th rather, and also on Page**
11 **9 which forecasts out to June of '14 we clearly show**
12 **on a monthly basis what we believe the City's cash**
13 **position to be in the absence of any transaction and**
14 **you can see that business as usual results in the City**
15 **having 14 million of cash by the end of June of '13 in**
16 **the absence of any intermediary action and that that**
17 **number would not incorporate any cash being spent on**
18 **the reinvestment program because it hasn't started**
19 **yet. This indicates quite clearly the dire position**
20 **the City would be in if we lost access to the 170**
21 **million of gaming revenue because that would**
22 **immediately translate into a net cash loss of 160**
23 **million on this page alone.**
24 Q. This cash flow page on Page 8 indicates or assumes the
25 City will be making certain legacy payments that it is

1 **said he is going to put in place and is putting in**
2 **place.**
3 **So, this is interesting but not relevant to**
4 **this discussion because it does not include as the**
5 **caption indicates clearly at the top the increased in**
6 **expenditures necessary to restore services to adequate**
7 **levels for the residents.**
8 Q. But if you look at this -- and the revenues for fiscal
9 year 2014 include 170 million in wage earning
10 revenues, is that correct?
11 **A. Yes.**
12 Q. So, if the City is operating, understanding your
13 qualification, but if the City is under this
14 projection showing a 397.2 million dollar surplus, if
15 it did not have access to the casino revenues during
16 fiscal year 2014, there still would be a surplus, is
17 that correct?
18 **A. But it's not the City's plan. This is academic.**
19 Q. Whether it's academic or not, that's what this
20 indicates, is that correct?
21 **MR. CULLEN:** Objection. Foundation. Form.
22 **A. Yes.**
23 **MR. CULLEN:** And asked and answered.
24 **BY MR. SUMMERS:**
25 Q. And in fact if the City pays the termination fee, it's

1 in fact not currently making, is that correct?
2 **A. Yes, it does.**
3 Q. For example, it assumes that the City will make
4 pension contributions, correct?
5 **A. No, I think we are assuming here we continue to defer**
6 **those pension contributions and that's why if you look**
7 **at the bottom and you see accumulated deferrals, you**
8 **see the number grows every month, that's the pension**
9 **contribution we weren't making.**
10 Q. If you look at -- this assumes that the City will
11 continue to payments on general obligation bonds?
12 **A. That's right. This is the status quo. In the absence**
13 **of any restructuring or preservation of cash plan or**
14 **reinvestment of the City, this will be the financial**
15 **condition of the City in the absence of any action.**
16 Q. Right. But as a result in part of filing the Chapter
17 9 bankruptcy proceeding, there are significant legacy
18 obligations that are not being paid?
19 **A. This clearly shows if you look at the far right column**
20 **June of '13 that trying to operate a City of this**
21 **scale with 14 million of cash bearing in mind that**
22 **that could be zero or negative on any given day**
23 **depending on collections made it almost impossible to**
24 **prudently operate the City and that was the proximate**
25 **reason why it became necessary to defer the payment on**

1 A. I would recommend it.
2 BY MR. SUMMERS:
3 Q. Okay.
4 MR. SUMMERS: Let's mark that for follow-up
5 after the deposition.
6 BY MR. SUMMERS:
7 Q. You testified that as of the last analysis your
8 understanding is the estimated amount of the
9 termination payment that would be due is roughly three
10 hundred million dollars, is that correct?
11 A. Well, it clearly moves around as the interest rate
12 curve moves around. I think the most recent number is
13 somewhere reaching 275 and 300 million dollars.
14 That's before the application of the applicable
15 discount that we had provided for in the termination
16 agreement.
17 Q. And that last analysis, when was that performed?
18 A. A few days ago.
19 Q. How does the City plan to get the cash necessary to
20 make the termination payment?
21 MR. CULLEN: Objection. Foundation. Form.
22 BY MR. SUMMERS:
23 Q. Does the City have a plan at this point for how it
24 will obtain the cash necessary to pay the termination
25 payment?

1 nondisclosure agreements?
2 A. That's the universe I'm discussing, approximately 30
3 or more.
4 Q. So, everybody you've talked to signed?
5 A. No, some people didn't want to participate. I can't
6 tell you how many we called. I can tell you how many
7 we sent NDAs to which have been returned to us, it's
8 in excess of 30.
9 Q. Are some of the people or some of the potential
10 sources of financing that Miller Buckfire have spoken
11 to said no, we're not interested?
12 A. Yes.
13 Q. And approximately how many have said no?
14 A. Hasn't been that many, maybe ten. Would your client
15 like one?
16 Q. And do you know who those ten entities are that have
17 said they are not interested?
18 A. I do, yes.
19 Q. And who are they?
20 A. I'm not going to tell you that.
21 Q. On what basis?
22 A. It's commercially sensitive information.
23 MR. CULLEN: Counsel, maybe it will help,
24 and I don't know whether you want this on the record
25 or not, but the position we are going to take with

1 MR. CULLEN: Objection, foundation, form,
2 but you can address the question.
3 A. Yes, the City has a plan.
4 BY MR. SUMMERS:
5 Q. And what is that plan?
6 A. The City intends to secure a debtor in possession
7 financing of sufficient proceeds to fund the
8 termination payment as well as provide sufficient cash
9 for the City to execute on its reinvestment program
10 during the bankruptcy.
11 Q. And what is -- what actions, if any, has the City
12 taken toward obtaining debtor in possession financing?
13 A. We have contacted a large universe of potentially
14 interested investors, many of whom have signed
15 nondisclosure agreements, NDAs, pursuant to which they
16 have received the request for proposal, the RFP which
17 went out yesterday.
18 Q. And is Miller Buckfire leading the effort to obtain
19 debtor in possession financing?
20 A. Yes.
21 Q. And when you say a large universe of potential
22 investors, do you know approximately how many have
23 been talked to?
24 A. At the moment it's in excess of 30.
25 Q. And how many have -- how many have signed

1 respect to this is that this is a competitive process
2 and the best result in that process is achieved by us
3 being able to negotiate with the individual parties
4 who are out there, and not to litigate the negotiating
5 strategy before we have something to bring back to the
6 court to approve.
7 So, we're not going to answer questions
8 about individual parties, we're not going to answer
9 questions about the strategy of negotiating with those
10 parties and we're not at liberty to give out the
11 information with respect to the people who responded
12 to the NDAs because they understandably don't want to
13 be shopped, don't want to take up a lot of your time.
14 We can fight this through a lot of objections and so
15 forth, and if we want to fight about that at some
16 later time, perfectly fine.
17 You can ask about his general strategy on
18 this, you can ask about the basis for his confidence
19 or nonconfidence in it. You can go through those
20 general items, but the actual strategy, the terms of
21 arrangements with individual parties I'm not going to
22 have him go into now. Hopefully by the time we get to
23 the hearing, we'll have an agreement that you will be
24 on a --
25 MR. SUMMERS: Let's go -- I think let's

1 go -- move through the questions and see how we do.
2 **MR. CULLEN:** Okay.
3 **MR. SUMMERS:** I understand the City's
4 position on it.
5 **MR. CULLEN:** Okay.
6 **BY MR. SUMMERS:**
7 Q. You said an RFP went out yesterday?
8 **A. Correct.**
9 Q. Approximately how many people was the RFP sent to
10 yesterday?
11 **A. The 30 plus people who signed the NDA.**
12 Q. How much debtor-in-possession financing does the City
13 hope to obtain?
14 **A. Three hundred fifty million dollars, up to three**
15 **hundred fifty million dollars.**
16 Q. And does the City have a goal on the interest rate?
17 **A. The lowest possible interest rate.**
18 Q. Does the RFP attempt to define what that lowest
19 possible interest rate is?
20 **A. No.**
21 Q. Does it define whether the interest rate needs to be
22 fixed or variable?
23 **A. No.**
24 Q. What covenants, if any, are included in the RFP as
25 being acceptable or not acceptable?

1 **A. I'm not going to discuss that. It's commercially**
2 **sensitive.**
3 Q. How long of maturity on the DIP financing is the City
4 looking to obtain?
5 **A. Through the pendency of the end of the case.**
6 Q. And is the City offering a lien on casino revenues in
7 connection with the DIP financing?
8 **A. In part.**
9 Q. I assume the City does not expect to obtain unsecured
10 financing?
11 **A. I would take it if it was offered.**
12 Q. No doubt. What other collateral is the City offering
13 to secure the DIP financing loan?
14 **A. I'm not going to answer that question.**
15 Q. Does the RFP define what collateral would be
16 available?
17 **A. Yes, it does.**
18 Q. And that's been sent out to potential investors?
19 **A. Who have signed nondisclosure agreements.**
20 Q. If somebody new came and said I would be interested in
21 providing DIP financing, you would have them sign an
22 NDA and then provide them the RFP?
23 **A. If they wanted to make an unsolicited proposal without**
24 **the benefit of the RFP, we would be happy to accept**
25 **it. Are you suggesting your client is interested in**

1 **is submitting a proposal?**
2 Q. Is the City offering art work as collateral?
3 **A. I'm not going to discuss the terms of the term sheet,**
4 **sorry.**
5 Q. Well, we kind of picked and choose what terms in the
6 RFP we are discussing and not discussing.
7 **MR. CULLEN:** We have in the attempt to
8 accommodate your desire for information and to
9 maintain control of the integrity of this process
10 which we believe is best negotiated as a negotiation
11 and not a litigation.
12 **MR. SUMMERS:** I guess I struggle with
13 understanding why the collateral that's offered in the
14 RFP that's been sent out when we know the interest
15 rate, the amount of the financing the debtor seeks,
16 why that puts the City at a competitive disadvantage.
17 **MR. CULLEN:** We didn't say the interest
18 rate.
19 **MR. SUMMERS:** The lowest possible.
20 **MR. CULLEN:** This is the beginning of a
21 negotiation. It's the beginning of a negotiation that
22 isn't at an end yet, that hasn't had any response to
23 the RFPs yet, it's an initial offer, and that's what
24 it is, and he's discussing it as such and willing to
25 testify about it as such, but I'm not going to read

1 the terms of the RFP in the newspaper and our bidders
2 are not going to read the terms of the RFP in the
3 newspaper because that would hamper the process and
4 hamper our ability to get best value.
5 **MR. SUMMERS:** But we already have in the
6 record that the casino revenues are part of the
7 collateral that's being offered, so, what's wrong with
8 finding out what the rest of the collateral that's
9 being offered?
10 **MR. CULLEN:** Not going to argue with you,
11 Counsel. I'm telling you what the position is. I've
12 tried to be accommodating. It's as far as I am going
13 to go.
14 **BY MR. SUMMERS**
15 Q. Has the City had discussions with the State of
16 Michigan about providing financing?
17 **A. I'm not going to discuss that.**
18 Q. What is the City's view about what has to happen in
19 order to be able to obtain debtor-in-possession
20 financing -- let me put a finer point.
21 Are there certain events that the City
22 believes has to happen in the case for it to be able
23 to realistically obtain debtor-in-possession
24 financing?
25 **A. Yes, there are events in the case.**
