EASTERN DISTRICT OF MICHIGAN**

In re)
) Chapter 9
)
CITY OF DETROIT, MICHIGAN,) Case No. 13-53846
)
Debtor.) Hon. Steven W. Rhodes
)
) Expedited Consideration
) Requested

**THE OBJECTORS' MOTION TO ADMIT CERTAIN DEPOSITION
TESTIMONY OF KEVYN ORR AND KENNETH BUCKFIRE**

The Objectors¹ hereby move this court pursuant to Federal Rules of Civil Procedure 26 and 32(a), made applicable to this proceeding by Federal Rules of Bankruptcy Procedure 7026 and 7032, for entry of the proposed order attached hereto as Exhibit 1 admitting the deposition testimony identified in Exhibit 6-A and Exhibit 6-B² for purposes of the upcoming evidentiary hearing relating to the *Motion of Debtor for Entry of an Order (I) Authorizing the Assumption of that*

¹ This motion is joined by Syncora Capital Assurance Inc. and Syncora Guarantee Inc. (“Syncora”), Erste Europäische Pfandbrieffund Kommunalkreditbank Aktiengesellschaft in Luxemburg S.A., DEPFA Bank PLC, Ambac Assurance Corporation, National Public Finance Guarantee Corporation, Assured Guaranty Municipal Corp., Financial Guaranty Insurance Company, the Police and Fire Retirement System of the City of Detroit and the General Retirement System of the City of Detroit, and the Official Committee of Retirees.

² In an effort to minimize the number of motions submitted to the Court, all of the deposition designations submitted by the undersigned objectors are contained in Exhibits 6-A and 6-B.

Certain Forbearance and Optional Termination Agreement Pursuant to Section 365(a) of the Bankruptcy Code, (II) Approving Such Agreement Pursuant to Rule 9019, and (III) Granting Related Relief, dated July 18, 2013 [Docket No. 17] (the “Assumption Motion”). In support thereof, the Objectors state as follows:

JURISDICTION

1. The Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2). Venue for this matter is proper in this district pursuant to 28 U.S.C. §§ 1408 and 1409.

LEGAL STANDARD

2. Federal Rule of Civil Procedure 32(a)(1) provides that, “[a]t a hearing or trial, all or part of a deposition may be used against a party on these conditions: (A) the party was present or represented at the taking of the deposition or had reasonable notice of it; (B) it is used to the extent it would be admissible under the Federal Rules of Evidence if the deponent were present and testifying; and (C) the use is allowed by Rule 32(a)(2) through (8).” FED. R. CIV. P. 32(a)(1).

3. Under Federal Rule of Civil Procedure 32(a)(3), “[a]n adverse party may use for any purpose the deposition of a party or anyone who, when deposed, was the party’s officer, director, managing agent, or designee under Rule 30(b)(6) or 31(a)(4).” FED. R. CIV. P. 32(a)(3).

4. In the Sixth Circuit, a “managing agent” for purposes of Rule 32(a)(3)

is any person who possesses the following authority and attributes:

- a. Acts with superior authority and is invested with general powers to exercise his judgment and discretion in dealing with his principal’s affairs (as distinguished from a common employee, who does only what he is told to do; has no discretion about what he can or cannot do; and is responsible to an immediate superior who has control over his acts);
- b. Can be depended upon to carry out his principal’s directions to give testimony at the demand of a party engaged in litigation with his principals; and
- c. Can be expected to identify himself with the interests of his principal rather than those of the other party.

In re Air Crash at Lexington, Kentucky, August 27, 2006, 71 Fed. R. Serv. 3d 313, 2008 WL 2954971, at *4 (E.D. Ky. Jul. 30, 2008) (citing *Brandon v. Art Centre Hospital (Osteopathic)*, 366 F.2d 369, 372 (6th Cir. 1966)).

RELIEF REQUESTED AND BASIS FOR RELIEF

5. In this case, the Objectors are submitting the deposition testimony of Kevyn Orr and Kenneth Buckfire, both of whom qualify as managing agents for purposes of Rule 32(a)(3). The deposition testimony that the Objectors intend to submit is attached hereto as Exhibits 6-A and 6-B.

6. The deposition testimony of Kevyn Orr satisfies the standards of Federal Rule 32. First, Mr. Orr was represented at his deposition by Jones Day. Second, the Objectors intend to use Mr. Orr’s deposition testimony to the extent it

would be admissible under the Federal Rules of Evidence if Mr. Orr were present and testifying (*i.e.*, as party admissions under Federal Rule of Evidence 801(2)(d)). Third, Mr. Orr was one of the City’s “managing agents” at the time of his deposition on August 30, 2013.

7. At that time, Mr. Orr was emergency manager of the City of Detroit. (Exhibit 6-C, Orr Dep. Excerpts 83:13-20; *Declaration of Kevyn D. Orr in Support of Detroit, Michigan’s Statement of Qualifications Pursuant to Section 109(c) of the Bankruptcy Code* [Docket No. 11] (“Orr Declaration”) ¶ 1.) As emergency manager, Mr. Orr acted for, and in the place and stead of, the City’s elected mayor and city council, and exercised authority over nearly all aspects of the City’s government and management, including, but not limited to, budgeting, operations, financial affairs, contracts, appropriations, collective bargaining, and the use, sale and lease of assets. (Orr Declaration ¶ 2.)

8. Given the broad scope of Mr. Orr’s authority, Mr. Orr acts, as set out in *In re Air Crash*, “with superior authority and is invested with general powers to exercise his judgment and discretion in dealing with [the City’s] affairs.” Accordingly, he qualifies as a managing agent for purposes of Federal Rule 32(a)(3).

9. The deposition testimony of Kenneth Buckfire also satisfies the standards of Federal Rule 32. First, Mr. Buckfire was represented at his deposition

by Jones Day. Second, the Objectors intend to use Mr. Buckfire's deposition testimony to the extent it would be admissible under the Federal Rules of Evidence if Mr. Buckfire were present and testifying (*i.e.*, as party admissions under Federal Rule of Evidence 801(2)(d)). Third, Mr. Buckfire was one of the City's "managing agents" at the time of his deposition on August 30, 2013.

10. At that time, Mr. Buckfire was the co-founder and co-president of Miller Buckfire & Company, which was the company engaged by the City as its investment banker. (Exhibit 6-D, Buckfire Dep. Excerpts 11:14-20.) As part of this engagement, "Mr. Buckfire was the lead negotiator for the City on the business terms of what became the forbearance agreement." (Exhibit 6-C, Orr Dep. Excerpts 15:25-16:4.) As lead negotiator, Mr. Orr "directed Mr. Buckfire to do whatever needed to be done to get the agreement in principle resolved and signed." (*Id.* at 76:13-15.) To accomplish this task, Mr. Orr "authorized Mr. Buckfire to negotiate the best possible deal he could with the Swap counterparties." (*Id.* at 36:25-37:4.)

11. Accordingly, Mr. Buckfire qualifies as a managing agent under Federal Rule 32. To begin, Mr. Buckfire had the authority to exercise his judgment and discretion to negotiate the best possible terms with the Swap Counterparties. *See In re Air Crash*, 2008 WL 2954971, at *4 (stating that a managing agent is a person who "is invested with general powers to exercise his

judgment and discretion in dealing with his principal's affairs"). And, after Mr. Buckfire had negotiated each of the terms of the Forbearance Agreement, he was the one who instructed Mr. Orr that the City should take the deal Mr. Buckfire had negotiated. (Exhibit 6-C, Orr Dep. Excerpts 37:5-9.) In addition, Mr. Buckfire's appearance at his deposition and the upcoming evidentiary hearing demonstrate that he satisfies the other two factors set out in *In re Air Crash* — namely, that he can (a) be depended upon to carry out the City's direction to provide testimony and (b) be expected to identify himself with the interests of the City as opposed to the Objectors.

12. Finally, it should be noted that, in addition to the fact that the depositions of Messrs. Orr and Buckfire are independently admissible, granting this Motion will permit counsel to focus their cross-examinations on the most salient points, which will help to streamline the hearing on the Assumption Motion.

13. In filing this motion, the Objectors reserve their right to designate additional deposition testimony based on the evidence introduced at the hearing, consistent with any Orders of the Court regarding post-hearing submissions.

[Remainder of this page intentionally left blank.]

WHEREFORE, the Objectors request that this Court grant the relief requested in this motion and enter an order consistent with the proposed order attached as Exhibit 1.³

Debtor.) Hon. Steven W. Rhodes
)

**ORDER GRANTING THE OBJECTORS' MOTION TO ADMIT CERTAIN
DEPOSITION TESTIMONY OF KEVYN ORR AND KENNETH
BUCKFIRE**

This matter coming before the Court on the motion of the Objectors for the entry of an order admitting the deposition testimony identified in Exhibit 6-A and Exhibit 6-B to *The Objectors' Motion to Admit Certain Deposition Testimony of Kevyn Orr and Kenneth Buckfire*; the Court having reviewed the Objectors' motion; and the Court having determined that the legal and factual bases set forth in the motion establish just cause for the relief granted herein;

IT IS HEREBY ORDERED THAT:

1. The Objectors' motion is GRANTED.
2. The deposition testimony identified in Exhibit 6-A and Exhibit 6-B to the Objectors' motion is admitted.
3. The joining Objectors are authorized to take all actions necessary to effectuate the relief granted pursuant to this Order in accordance with the motion.

4. The terms and conditions of this Order shall be immediately effective and enforceable upon its entry.

5. The Court retains jurisdiction with respect to all matters arising from or related to the implementation of this Order.

**NOTICE OF THE OBJECTORS' MOTION TO ADMIT CERTAIN DEPOSITION
TESTIMONY OF KEVYN ORR AND KENNETH BUCKFIRE**

PLEASE TAKE NOTICE that on September 19, 2013, the Objectors, filed *The Objectors' Motion to Admit Certain Deposition Testimony of Kevyn Orr and Kenneth Buckfire* (the "Motion") in the United States Bankruptcy Court for the Eastern District of Michigan (the "Bankruptcy Court") seeking entry of an order to admit certain deposition testimony of Kevyn Orr and Kenneth Buckfire.

PLEASE TAKE FURTHER NOTICE that **your rights may be affected by the relief sought in the Motion. You should read these papers carefully and discuss them with your attorney, if you have one. If you do not have an attorney, you may wish to consult one.**

PLEASE TAKE FURTHER NOTICE that if you do not want the Bankruptcy Court to grant the Objectors' Motion or you want the Bankruptcy Court to consider your views on the Motion, by **October 4, 2013 at 4:00 p.m. (EDT)** you or your attorney must:¹

1. File with the court a written response to the Motion. explaining your position explaining your position with the Bankruptcy Court electronically through the Bankruptcy Court's electronic case filing system in accordance with the Local Rules of the Bankruptcy Court or by mailing any objection or response to:²

United States Bankruptcy Court
Theodore Levin Courthouse
231 West Lafayette Street
Detroit, MI 48226

You must also serve a copy of any objection or response upon:

James H.M. Sprayregen, P.C.

¹ Concurrently herewith, the Objectors are seeking expedited consideration and shortened notice of the Motion. If the Court grants such expedited consideration and shortened notice, the Objectors will file and serve notice of the new response deadline.

² A response must comply with F. R. Civ. P. 8(b), (c) and (e).

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

Designation:

10:24 Q. Mr. Orr, good morning.
25 A. Good morning.

Designation:

11:13 Q. If I ask a question that isn't clear, will you ask me
14 to rephrase it?
15 A. Yes.
16 Q. And if I ask a question and you answer it, I'm going
17 to assume that you understood it; is that fair?
18 A. Yes.
19 Q. Mr. Orr, in the course of negotiating and executing
20 the forbearance agreement, did you receive legal
21 advice?
22 A. Yes. The forbearance and the optional payment
23 agreement?
24 Q. That's right.
25 A. And we'll refer to that as forbearance agreement going
12: 1 forward?
2 Q. I was going to call it that because it's shorter, if
3 that's okay.
4 A. Sure. That's fine.
5 Q. But you're right. That's what I mean.
6 A. Yes. Yes, I did receive legal advice.
7 Q. And did you receive legal advice from the City's law
8 department on the subject?
9 A. I don't recall. I don't think so.
10 Q. Did you receive legal advice from Jones Day on the
11 subject?
12 A. Yes, among others.
13 Q. And I take it that you relied on the legal advice you
14 received in making the decision to execute the
15 forbearance agreement?
16 A. Legal advice and business advice from our consultants,
17 yes.
18 Q. Who were the others that you obtained legal advice
19 from?
20 A. May have obtained legal advice from our local counsel.
21 Q. Ah, yes.
22 A. And in fact I said I don't recall if I obtained any
23 legal advice from the corporation counsel's office. I
24 just don't recall, so I'm not going to speculate.
25 Q. Three possible. You know you got legal advice from
13: 1 Jones Day.
2 A. Absolutely.
3 Q. You may have or did from local counsel.
4 A. Yes.
5 Q. And you can't recall whether you did from the City's
6 law department.
7 A. Yes.
8 Q. Are you waiving the attorney-client privilege in
9 connection with the motion to assume the forbearance

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

10 agreement?
11 MR. SHUMAKER: Objection, could call for
12 the revelation of attorney-client communication.
13 You can answer the question, but yes or no.
14 A. No.
15 BY MR. HACKNEY:
16 Q. If I ask you questions regarding the legal advice
17 rendered to you in connection with the forbearance
18 agreement's negotiation or execution, you will refuse
19 to answer those questions on the grounds of the
20 attorney-client privilege; is that correct?
21 MR. SHUMAKER: If you're asking what the
22 advice is, certainly. The communications between
23 counsel and what he was -- what he was advised on,
24 certainly.
25 THE WITNESS: Right.
14: 1 BY MR. HACKNEY:
2 Q. Okay. That's correct?
3 A. Yes. That is correct.
4 Q. So if I ask you what your view is on the likelihood
5 that the City's Swap and validity arguments will
6 prevail, you will assert the attorney-client
7 privilege; is that correct?
8 A. Yes, more than likely.
9 Q. If I ask you your view on the likelihood that the
10 pledge of the gaming revenues under the Michigan
11 Gaming Act is an invalid pledge, you'll assert the
12 attorney-client privilege, correct?
13 A. Yes, more than likely.
14 Q. If I ask you questions regarding the likelihood that
15 the City would prevail on a claim or defense against
16 the Swap counterparties, you'll assert the
17 attorney-client privilege, correct?
18 A. Yes, more than likely.
19 Q. And I guess I gotta clarify. When you say more than
20 likely, I mean are you asserting the privilege with
21 respect to those types of questions? I'm trying to
22 save having to --
23 A. Sure.
24 MR. SHUMAKER: Let me state for the record
25 you can ask questions as to whether those -- those
15: 1 factors were considered by Mr. Orr, but obviously if
2 you're going to ask what he was -- what he was advised
3 by counsel, then I'm going to instruct him not to
4 answer.
5 A. When I say more than likely, that's -- that's exactly
6 the distinction that I'm trying to make. Did I have
7 discussions with my counsel? Yes. Did those
8 discussions take into consideration some of those
9 factors? Yes. Am I going to tell you what those
10 discussions were and what, if any, conclusions were
11 made? No.
12 BY MR. HACKNEY:
13 Q. Okay. Fair enough.
14 On July 15, 2013, the City entered into
15 what we're going to call the forbearance agreement

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

16 with the Swap counterparties and the service
17 corporations; is that correct?
18 A. Yes.

Designation:

15:25 Q. Well, let me -- let me ask it a different way, which
16: 1 is isn't it true that Mr. Buckfire was the lead
2 negotiator for the City on the business terms of what
3 became the forbearance agreement?
4 A. Yes.
5 Q. And Mr. Buckfire has testified that the negotiations
6 in earnest regarding what became the forbearance
7 agreement were conducted between June 4th and
8 June 11th of 2013?
9 A. I don't recall those specific dates, but I think
10 that's the right time frame. Let me -- let me try to
11 be as clear as I can so we can move on. We began
12 talking, discussing ways with my advisors, without
13 discussing what we discussed, to provide the City with
14 liquidity almost immediately upon my appointment. The
15 negotiations that you're referring to I believe did
16 occur within that time frame.

Designation:

16:23 Q. And as he was the lead negotiator, he's probably the
24 guy who would know, right?
25 A. Sure, absolutely.

Designation:

18:14 Q. If Mr. Buckfire testified there was an agreement in
15 principle by June 11th of 2013, does that sound
16 correct to you?
17 A. Yes, the second -- yes. Yes, it does.

Designation:

20:11 Q. Would you agree that, notwithstanding your involvement
12 in these calls with the Swap counterparties, it's
13 still fair to characterize Mr. Buckfire --
14 A. Yes.
15 Q. -- as the lead negotiator for the City?
16 A. Yes.

Designation:

20:17 Q. Using Mr. Buckfire's recollection of June 4th as kind
18 of the kickoff of these negotiations which you don't
19 have a basis to --
20 A. No.
21 Q. -- contradict --
22 A. Not at all.
23 Q. -- I'd like to kind of level set where you were at
24 going in to June 4th. Okay?

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

- 25 Your assumption prior to June 4th was that
21: 1 the Swap counterparties could unilaterally --
2 unilaterally terminate the Swap, correct?
4 A. Well, my understanding was the City -- there were a
5 series of events which put the City in default. The
6 consent agreement prior to my appointment, the consent
7 agreement, the declaration of a financial emergency,
8 my appointment was an event of default. My
9 understanding was that due to those multiple events of
10 default, the counterparties had the ability to
11 exercise their rights and deprive the City of much
12 needed casino revenue.
14 Q. We'll get to the casino revenue in a moment which is
15 something that's trapped under -- potentially trapped
16 under the collateral agreement, right?
17 A. Right.
18 Q. I want to talk about the Swap agreement which can lead
19 to a large termination payment --
20 A. Yes.
21 Q. -- that the service corporations might owe.
22 A. Yes.
23 Q. And you understand the distinction between those two
24 documents --
25 A. Yes.
22: 1 Q. -- right?
2 A. Um-hm.
3 Q. And your assumptions prior to the June 4th meeting
4 were that as a result of these events of default under
5 the Swap that occurred, some of them, prior to your
6 appointment --
7 A. Yes.
8 Q. -- that the Swap counterparties could unilaterally
9 terminate the Swap and demand a sizable payment from
10 the service corporations, correct?
12 A. Yeah, my assumption was, my understanding was that,
13 yes, they could terminate and demand a sizable
14 payment, whether from the service corporations or
15 eventually from the City. It would hit our bottom
16 line, yes.
18 Q. That's right because it ripples --
19 A. Yes.
20 Q. -- through the service corporations to the City by the
21 service agreements, right?
22 A. Yeah.
24 A. If that is in fact the process, yes.
23: 1 Q. Now, another one of your assumptions prior to June 4
2 was that the Swap counterparties could also
3 unilaterally trap cash under the collateral agreement,
4 right?
7 A. My understanding was that the Swap counterparties
8 could instruct the custodian to exercise their rights
9 to trap cash.
11 Q. And that was one of the rights that they had as you
12 were going into the negotiations with them, correct?
15 A. My understanding -- yes. My understanding was that
16 they had that right.

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

- 18 Q. That's why you were negotiating with them, right?
19 A. My -- we were negotiating with them to make sure that
20 the City had access to the revenue that it needed
21 quite badly and that the City would not suffer the
22 imposition of a fairly significant termination
23 payment.
24 Q. Now, another one of your assumptions prior to June 4
25 was that no other party could stop the Swap
24: 1 counterparties from either terminating the Swaps or
2 trapping cash, correct?
4 A. Yeah, my assumption was -- or, rather, my
5 understanding was that the Swap counterparties had
6 certain rights and that they had the ability to
7 exercise those rights and remedies. Whether another
8 party could, quote-unquote, stop them could depend on
9 a number of different factors.

Designation:

- 25:10 Q. Okay. Now, I want to also get a level set on your
11 objectives going into the negotiations, and I
12 understand that when I say you, I mean the City,
13 Mr. Buckfire, there are multiple parts --
14 A. My -- my team --
15 Q. That's right.
16 A. -- consultants.

Designation:

- 26: 8 Q. Now, I'd like to ask about your objectives as you go
9 into the negotiation. Okay?
10 A. Um-hm.
11 Q. You understand that when you go into a negotiation
12 it's important to have an understanding of both the
13 financial realities that your party is -- is facing as
14 well as the legal realities that your party's facing,
15 correct?
16 A. Yes.
17 Q. That informs the negotiation, right?
18 A. In making an informed decision, I would say you want
19 to have an understanding of those factors.
20 Q. And you also want to understand what your counterparty
21 in the negotiation needs and wants are as well as
22 their potential legal rights, right?
23 A. What your counterparty negotiations perceived needs
24 and rights are.
25 Q. That's right. That's right.
27: 1 Now, I'm going to ask about the City's
2 objectives in entering into the negotiations. Okay?
3 Objective one of the City was to get the
4 counterparties to waive their cash trap at least on an
5 interim basis to allow the City access to casino
6 revenues, correct?
7 A. I don't know if I would characterize it as objective
8 one. It wasn't as if we were trying to prioritize one
9 objective over the other. It was an objective to make

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

10 sure that the cash did not get trapped.
11 Q. Okay. So that was one of the objectives.
12 A. Yes.
13 Q. A second objective was that you wanted to modify the
14 Swap to get a discount on the termination amount,
15 correct?
16 A. Yes. That was certainly an objective, yes.
17 Q. Okay.
18 Q. And the third was that you wanted to obtain an option
19 about when you could direct the termination of the
20 Swap, correct?
21: 1 A. Here again, I understand your characterization. I'm
22 going to say that that -- that is a fair
23 characterization without trying to quantify as one
24 objective is more important than the others, and let
25 me explain my answer.

Designation:

28:25 Q. And I don't mean to order them, but -- so I won't
29: 1 focus on it. I just gave you them in an --
2 A. Sure.
3 Q. -- order.
4 A. Right.
5 Q. But those were three objectives of your negotiations,
6 correct?
7 A. I think it's fair to say that.
8 Q. And you achieved those three objectives in the
9 forbearance agreement, correct?
10 A. We believe so.

Designation:

32: 7 Q. So did Mr. Buckfire have authorization to make a
8 formal proposal in the first meeting?
9 A. Yes.
10 Q. And to your knowledge did he make one?
11 A. I believe so.
12 Q. What was the proposal?
13 A. I don't remember what the exact number was, but I
14 believe the concepts were consistent throughout.

Designation:

33: 5 Q. And do you remember whether they countered?
6 A. I don't remember specifically. I believe they may
7 have.
8 Q. Okay. Do you know the terms of their counter?
9 A. Generally in the same concept I said. If you're
10 looking for a number, for instance, we said 50 percent
11 and they came back with 98. I don't recall those
12 specifics.
13 Q. So you can't give me the bid and the ask --
14 A. Yeah.
15 Q. -- on what the Swap would be modified as far as the
16 termination?

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

17 A. Yes, that's correct.

Designation:

33:21 Q. Did the City enter into a nondisclosure agreement in
22 connection with these negotiations?
23 A. Yes, I believe so.
24 Q. With the Swap counterparties?
25 A. Yes.

Designation:

35:18 Q. Is it fair to say that if I ask you for the specific
19 ebb and flow of the negotiations between the Swap
20 counterparties in terms of the precise business
21 deal --
22 A. Right.
23 Q. -- you would have to defer to Mr. Buckfire's
24 recollection because he was more intimately involved?
25 A. That's fair. Because Ken was -- Ken would have the
36: 1 direct meetings and then call me back. We'd go back
2 and forth, and I didn't keep notes and I didn't keep a
3 calendar, so --

Designation:

36:20 Q. Mr. Orr, I want to clear something up. Maybe I've
21 been saying it the wrong way. I've been using the
22 term "marching orders" with the respect to the way
23 that you and Mr. Buckfire operated.
24 A. Right.
25 Q. And is a better way to say it that you authorized
37: 1 Mr. Buckfire to negotiate the best possible deal he
2 could with the Swap counterparties and that's what he
3 did?
4 A. That's a fair characterization, sure.
5 Q. And at some point did he come out of a meeting and
6 say, Mr. Orr, this is the best deal that I'm able to
7 get out of these Swap counterparties and it's my
8 advice that we take it?
9 A. Yes.
10 Q. And was that on or about June 11th, 2013, which is the
11 date he recalls the agreement in principle being
12 reached?
13 A. Yes.

Designation:

37:16 Q. And what was the agreement in principle that was
17 reached as you understood it?
18 A. The agreement was essentially that in exchange for a
19 reduced optional termination payment -- we'll just
20 call it the payment under the forbearance agreement --
21 the Swap counterparties would agree not to trap the
22 cash, they would agree to release their liens, and
23 also release their claims, I believe, against your
24 client, Syncora, and we would have access to that cash

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

25 going forward provided we made the discounted payment
38: 1 at some point in the future. I believe at that point
2 it was in the next 60, 90 days.
3 Q. Isn't the -- wasn't the agreement in principle that
4 you'd have an option to direct the termination of the
5 Swap?

Designation:

38: 8 A. Yeah. I believe the way it works is we would have an
9 option to request the counterparties exercise their
10 rights at a discounted level.

Designation:

38:12 Q. And I'm not asking about the forbearance agreement.
13 I'm asking about the agreement in principle.
14 A. Yeah, I think those were the general confines of the
15 agreement in principle.
16 Q. Okay. Now, you did not invite anyone else to the
17 negotiations with the Swap counterparties; isn't that
18 correct?
19 A. I did not invite anyone else. I don't know if Ken
20 invited anyone else or anyone else on my behalf
21 invited anyone else.
22 Q. And you did not direct anyone such as Mr. Buckfire or
23 others to invite any other parties into the
24 negotiation, correct?
25 A. Correct.
39: 1 Q. And you did not invite Syncora to participate in these
2 negotiations, correct?
3 A. Correct.
4 Q. And you did not inform Syncora of the existence of
5 these negotiations, correct?
6 A. The reason I'm hesitating is at some point clearly
7 Syncora became aware, so I don't know how they were
8 informed, but I did not do it, correct.
9 Q. You didn't do it.
10 A. Correct.
11 Q. And you did not invite FGIC to attend these
12 negotiations, correct?
13 A. I believe that's correct.
14 Q. And you didn't direct anyone acting on your behalf to
15 invite FGIC, correct?
16 A. Correct.
17 Q. Nor did you inform FGIC of the existence of these
18 negotiations, correct?
19 A. Me personally, no.
20 Q. You didn't invite U.S. Bank as trustee to the funding
21 trust or as custodian or contract administrator to
22 attend any negotiations, correct?
23 A. Me personally, no.
24 Q. And you didn't direct anyone else acting on your
25 behalf to do so, correct?

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

Designation:

40: 1 A. Correct.

Designation:

40:24 Q. At any time prior to June 11th, did the Swap
25 counterparties send a notice of a default under the
41: 1 Swap?
2 A. I don't recall, but I don't think so.
3 Q. At any time prior to June 11th, did the Swap
4 counterparties designate an early termination date?
5 A. I don't recall, but I don't think so.
6 Q. Did they ever threaten to?
7 A. They didn't threaten me.
8 Q. They never threatened you personally.
9 A. Right.
10 Q. Did they threaten other people who reported the
11 threats to you?
12 A. Not that I know of.
13 Q. At any time during these negotiations, did the Swap
14 counterparties designate an optional early
15 termination?
16 A. Not that I know of.
17 Q. Did they ever threaten to do that?
18 A. Not me.
19 Q. And did they ever threaten anyone else who reported
20 the threat to you?
21 A. Not to my knowledge, no.
22 Q. At any time during these negotiations, did the Swap
23 counterparties contend that the City was in breach of
24 the collateral agreement?
25 A. Which collateral agreement are you talking about?
42: 1 Q. The collateral agreement with respect to the casino
2 revenues.
3 A. The 2009 agreement?
4 Q. Yes.
5 A. Okay. Not that I recall.
6 Q. In fact, the City was endeavoring to make the monthly
7 Swap payments into the holdback account throughout
8 this period, correct?
9 A. Yes. They were being paid in the ordinary course.
10 Q. And to the best of your knowledge, the City has
11 complied with all of its obligations under the
12 collateral agreement vis-à-vis the Swap
13 counterparties.
14 A. No.
15 Q. That's not correct?
16 A. No, I mean I think we were -- as I said previously
17 today, we were in default.
18 Q. Of the collateral agreement?
19 A. Right. You mean in terms of making the payments due
20 under the agreement?
21 Q. Well, the collateral agreement I know so -- the
22 collateral agreement and the Swap are -- they are two
23 different agreements --
24 A. Yes.

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

- 25 Q. -- that certainly relate to one another.
43: 1 A. Right.
2 Q. I'll say that.
3 A. Okay.
4 Q. I've talked about events of default under the Swap
5 that could lead to the big termination payment.
6 A. Right.
7 Q. We talked about that earlier, right?
8 A. Right.
9 Q. I'm talking specifically now about whether there were
10 events of default under the collateral agreement. Had
11 you breached any of the provisions of the collateral
12 agreement?
15 A. Yeah. That's why I'm being a little -- a little
16 careful here. There may be conduct under the Swaps
17 that could be conceivably a breach under collateral
18 agreement. I don't know what they are, so I'm being
19 hesitant. But to get to your question, were we making
20 the payments due under the Swaps? Yes.
22 Q. What was -- what was the conduct under the Swap that
23 might be --
24 A. I'm not sure.
25 Q. As you sit here today, are you aware of any breaches
44: 1 of the collateral agreement by the City?
4 A. None from my perspective, but there might be. What I
5 don't want to do is sit here today and try to draw a
6 conclusion as to what might be a breach of the
7 collateral agreement vis-a-vis the Swap agreement.
8 I'm trying to answer your question that we were making
9 the payments that were due.
11 Q. Yeah, I appreciate that. I mean, I guess your answer
12 is there may be breaches of the collateral agreement,
13 there may not be, you don't know.
14 A. I don't know, that's right.
15 Q. Now, this June 11th agreement in principle that we
16 were talking about earlier --
17 A. Right.
18 Q. -- was there a term sheet?
19 A. No. To the best of my recollection, I did not see a
20 term sheet at that time.
21 Q. And just to be clear, do you know whether there was a
22 term sheet that you just didn't see?
23 A. Yeah. There might have been a term sheet that I
24 didn't see. I think Ken and I and some of the other
25 attorneys at Jones Day, Corinne, David Heiman and
45: 1 others would have a -- I'm trying to relay to you a
2 sense that we'd have calls, but sometimes I don't
3 recall seeing a specific term sheet at that time.

Designation:

- 45:18 Q. Do you remember whether there was a term sheet?
19 A. There eventually was a term sheet. I just don't
20 remember whether or not it was on June 11th.
21 Q. That's fine. So do you think it went agreement in
22 principle, non-binding term sheet, and then

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

23 negotiation of definitive documents?
24 A. Yes.

Designation:

46: 6 Q. And so at some point you did see a non-binding term
7 sheet that embodied the agreement in principle
8 Mr. Buckfire had negotiated, correct?
9 A. Yes. Oh, yes.

Designation:

46:18 Q. And the term sheet was consistent with the agreement
19 in principle that we discussed earlier that
20 Mr. Buckfire negotiated?
21 A. Yes. It had obviously, as terms do, have more
22 information, but it was consistent.
23 Q. So between July 11 -- I'm sorry.
24 Between June 11th --
25 A. Okay.
47: 1 Q. -- and July 15th, which is the execution date of the
2 forbearance agreement --
3 A. Yes.
4 Q. -- you pivot from negotiating this agreement in
5 principle that Mr. Buckfire has struck to now
6 documenting it, correct?
7 A. Yes.
8 Q. Now, Mr. Buckfire has testified that those -- that
9 those negotiations proceeded without interruption from
10 June 11th to Ju -- July 15th. Is that consistent with
11 your recollection?
12 A. The negotiations continued. I think there were other
13 events related to the agreement, some of them by your
14 client in that time frame, but yes, we continued
15 negotiating.
16 Q. Okay. And there were no serious interruptions in
17 those negotiations, correct?
19 A. There was an agreement reached. I'm going to take
20 your time frame, June 11th. Ken and I had a
21 discussion about the amount. It was somewhere south
22 of 25 percent. I believe in the same second week I
23 said we can't do this deal for less than a 25 percent
24 discount. I believe the negotiations broke down, then
25 the next day they came back without changing the
48: 1 framework of the agreement, just the number changed,
2 the discount went up, and then I believe that -- yes,
3 I believe negotiations continued continually
4 throughout that time.

Designation:

48:17 Q. Were there any serious interruptions in the
18 negotiations between June 11 and July 15?
19 MR. SHUMAKER: Same objection.
20 A. You keep saying serious, and to the best of my
21 knowledge there were no material or significant
22 interruptions. I don't want to try to characterize

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

23 what serious means. I think negotiations continued
24 unabated.

Designation:

65:11 Q. During the course of your negotiations back to the
12 agreement in principle of what became the forbearance
13 agreement, did you ever solicit the views of any of
14 the other monoline insurers, such as Ambac or Assured
15 or National about what they thought the City should
16 do?
17 A. Not that I recall.
18 Q. Did you ever solicit the views of any COP holders
19 about what they thought the City should do with
20 respect to the --
21 A. I didn't solicit their views, no.
22 Q. Did you direct anyone acting on your behalf to solicit
23 the views of any of those parties?
24 A. Not that I recall.
25 Q. Isn't it true that getting the forbearance agreement
66: 1 was a life or death issue for the City of Detroit?
2 A. Yes, getting the forbearance agreement was very
3 important to the City of Detroit.
4 Q. Is it a life or death issue?
6 A. When you say life or death, you know, here again I'm
7 trying to be responsive, but I want (sic) to
8 characterize it. The City needs the casino revenue
9 badly. It was cash poor at that time. It would have
10 facilitated without access, and it continues to be
11 relatively cash poor without access. It could have
12 facilitated a cash crisis. Life or death suggests to
13 me it was critical and it might have been life or
14 death, but what it does mean is that we could not have
15 made the investment and cannot make the investment
16 that is so crucial for the City.
18 Q. In fact, isn't it your position that without access to
19 the casino revenues that people in the City of Detroit
20 may die?
21 A. Yes.

Designation:

71: 3 Q. Given the importance of this issue, I assume that you
4 had made requests from the State of Michigan to
5 provide the City with liquidity prior to June 4th;
6 isn't that correct?
7 A. Sir, you can assume whatever you want. The reality is
8 under my contract I have an obligation to report and
9 coordinate with the State. We had had discussions, I
10 believe, with the State about potential liquidity, and
11 we were told that that would be unavailable.
12 Q. And you conveyed to the State the seriousness of the
13 City's situation, correct?
14 A. I don't think I had to convey to the State the
15 seriousness of the City's situation. I think the
16 State's well aware.

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

- 17 Q. So the State understood that getting liquidity was a
18 life or death issue for the City of Detroit, correct?
21 A. Whatever the State understood, what I'm trying to tell
22 you is I conveyed to them what our needs are.
24 Q. You conveyed the extreme seriousness of the situation
25 to the State, correct?
72: 1 A. As I said, I don't think I had to convey it to the
2 State. The State had just been through almost two
3 years of determining a financial emergency existed.
4 Q. And the State did not provide the City with any
5 liquidity prior to June 4th, correct?
6 A. No.
7 Q. I am correct that they didn't?
10 A. You are correct, they did not.

Designation:

- 72:25 Q. And the City owns a fine art collection; isn't that
73: 1 correct?
2 A. The City owns the Detroit Institute of Arts in its
3 collection.
4 Q. And did you attempt to value the art collection with
5 an eye towards selling pieces of the art collection to
6 relieve the City's life or death liquidity crisis?
8 A. Prior to June 14th?
10 Q. Prior to June 11th, which is the date of the agreement
11 in principle.
12 A. No. We've entered into an agreement with Sotheby's to
13 begin that process now, not related to relieving the
14 liquidity crisis, just as a matter of prudence to
15 determine the value of assets.
16 Q. Your expectation is that the -- that the City's art
17 collection is very valuable; isn't that correct?
18 A. I've been told that, yes.
19 Q. Isn't it possible it may be worth billions of dollars?
20 A. That would be speculation. I've been told it is
21 valuable.
22 Q. Could it be worth hundreds of millions of dollars?
23 A. That would be speculation. I've been told that it's
24 valuable.
25 Q. Okay. So as of June 4th, you didn't know whether or
74: 1 not the City might have billions of dollars of art
2 sitting in its art institute; is that your testimony?
3 A. No. My testimony is that I understand it as valuable.
4 The exact value of it is to be determined.
5 Q. And you made no effort to sell any of that art prior
6 to engaging in the negotiations with the Swap
7 counterparties, correct?
8 A. No. That's true.
9 Q. What about federal aid? Did you attempt -- did you
10 attempt to obtain federal aid prior to the June 4
11 commencement of negotiations with the Swap
12 counterparties?
13 A. I don't know if it was prior to or around that time.
14 It may have been. We may have sought federal aid
15 prior to that.

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

- 16 Q. And you conveyed the seriousness of the situation to
17 whomever you spoke to at the federal government?
- 18 A. Yes, I believe the federal government was aware of the
19 seriousness of the situation.
- 20 Q. And the federal government was also unwilling to
21 provide aid to the City of Detroit; is that your
22 testimony?
- 23 A. Yes, direct aid.
- 24 Q. Let me ask you some questions about the service
25 corporations. The service corporations are two
75: 1 entities that have long names that I'll only say to
2 you if you want -- really want me to.
- 3 A. We'll stipulate I know what you mean by the service
4 corporations.
- 5 Q. And there are two of them?
- 6 A. There are two.
- 7 Q. Okay.
- 8 A. Police and Fire General Services.
- 9 Q. There you go. So you already know them and you said
10 the names. So the two service corporations are
11 parties to the forbearance agreement, correct?
- 12 A. Yes.
- 13 Q. And Mr. Buckfire testified yesterday, I'll represent
14 to you, that his understanding is that you directed
15 the service corporations to execute the forbearance
16 agreement and they did so; is that correct?
- 17 A. No.
- 18 Q. Okay. Were there arms' length negotiations with the
19 service corporations?
- 20 A. To the best of my knowledge, there was.
- 21 Q. And who led those?
- 22 A. I'm not quite sure. I know that -- in response to
23 your question, I did not direct a service corporation.
24 They were organized by the City. And they are managed
25 by City employees, but I had no direct -- I gave no
76: 1 direct instruction to either of the service
2 corporations.
- 3 Q. Okay. So my question was about negotiations with the
4 service corporations.
- 5 A. Right.
- 6 Q. Who conducted the arms' length negotiations with the
7 service corporations on behalf of the City?
- 8 A. I'm not sure.
- 9 Q. Well, you know it wasn't you?
- 10 A. Yes, it wasn't me.
- 11 Q. And did you ever direct Mr. Buckfire to engage in
12 direct negotiations with the service corporations?
- 13 A. No. I directed Mr. Buckfire to do whatever needed to
14 get done to get the agreement in principle resolved
15 and signed. That's what I did, but I did -- said
16 nothing specific. Just to be responsive to your
17 question, said oh, go talk to the service
18 corporations, there was nothing that specific.
- 19 Q. So to the extent there was a negotiation that needed
20 to be had, it was his job to go have it?
- 21 A. It was his or someone else on my -- on my

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

- 22 reorganization team's job, yeah, sure.
- 23 Q. Well, did you direct anyone else on your team to go
- 24 negotiate with the service corporations?
- 25 A. No. Once we reached an agreement in principle, I
- 77: 1 directed my team to more or less go forth and get it
- 2 documented and get it done.
- 3 Q. And the service corporations are legally separate from
- 4 the City, correct?
- 5 A. Yes, they are.
- 6 Q. Your powers as emergency financial manager do not
- 7 extend to the service corporations, correct?
- 8 A. I haven't examined that question, so I can't answer
- 9 you yes or no.
- 10 Q. Can you direct their actions under PA 436?
- 11 A. I'm not sure.
- 12 Q. Do you have any firsthand knowledge that the service
- 13 corporations engaged in arms' length negotiations with
- 14 the Swap counterparties?
- 15 A. No.
- 16 Q. If they had, do you think that's something you would
- 17 have likely heard about?
- 20 A. I may have. As emergency manager, there are a number
- 21 of things that occur, as you might imagine, on a daily
- 22 basis that I may or may not hear of. I might have.
- 24 Q. As you sit here today, though, can you recall hearing
- 25 that there were ongoing negotiations between the
- 78: 1 service corporations and the Swap counterparties?
- 2 A. No.

Designation:

- 78:13 Q. I was just asking whether -- you understand that the
- 14 service corporations have service contracts with the
- 15 City?
- 16 A. Yes.
- 17 Q. And you understand that the City has hedge-related
- 18 payments that it has to make to the service
- 19 corporations --
- 20 A. Yes.
- 21 Q. -- that they then can use to make to the Swap
- 22 counterparties under the Swap?
- 23 A. Yes.

Designation:

- 79: 2 Q. Do you understand that the collateral agreement
- 3 secures the City's obligation to the service
- 4 corporations and the service corporations' obligation
- 5 to the Swap counterparties?
- 6 A. That's the legal conclusion. It might. That's -- I'm
- 7 going to stay away from relaying my understanding
- 8 because, frankly, I haven't -- I'm going to be
- 9 careful, frankly. It might.
- 10 Q. Okay. You don't know as you sit here today?
- 11 A. I have an impression of something along those lines,
- 12 yes.

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

13 Q. And what is it?
14 A. That it does -- it may well secure it. It's just that
15 it's a legal conclusion that I don't want to make.

Designation:

80: 1 Q. Now, if the City's able to perform under the
2 forbearance agreement and exercises the option, the
3 effect of this is that the hedge will be terminated,
4 correct?

Designation:

80: 7 A. I believe there will no longer be a need for the
8 hedge, yes.

Designation:

80:10 Q. And the collateral agreement will also be terminated
11 in that event, correct?
12 A. If we -- if the City performs?
13 Q. Right.
14 A. Yes.
15 Q. And that will free up the casino revenues to be used
16 by the City, correct?
17 A. Yes.
18 Q. Okay. How does that benefit the service corporations?
19 A. I don't know if it does or doesn't. I know it
20 benefits the City.
21 Q. Can you think of a way that it benefits the service
22 corporations as you sit here today?
23 A. No. That would be speculation.
24 Q. And you understand that the service corporations
25 depend on the City to make the payments of their

Designation:

81: 1 various obligations both under the COPs and the Swap?
2 A. I believe that's true.
3 Q. They don't have any independent sources of income?
4 A. To the best of my knowledge, they do not.
5 Q. And your view today is that the City of Detroit is
6 insolvent, correct?
7 A. Yes, yes.
8 Q. And fair to assume that by extension the service
9 corporations are also insolvent, too?

Designation:

81:12 A. I don't know if that's true or not.

Designation:

81:14 Q. Now, isn't it true that the composition of the service
15 corporations' boards of directors includes three City
16 officers and at least one City Council member?

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

- 17 A. Yes. I think I said before there are City employees
18 and City representatives on the boards.
19 Q. And in fact the person who signed the forbearance
20 agreement on behalf of the service corporations was
21 the president of both service corporations, correct?
22 A. Yes, I believe so.
23 Q. And her name is Cheryl Johnson, right?
24 A. Yes.
25 Q. And she is also the City's finance director, correct?
82: 1 A. Yes.
2 Q. Okay. Portia Roberson --
3 A. Um-hm.
4 Q. -- is the City's corporation counsel, right?
5 A. Yes.
6 Q. And she's also on the board of both service
7 corporations, correct?
8 A. To the best of my knowledge, that's true.
9 Q. Do you know who made the decision at the service
10 corporations to enter into the forbearance agreement?
11 A. I do not.
12 Q. Did you have any conversations with either Ms. Johnson
13 or Ms. Roberson about the service corporations
14 entering into the forbearance agreement?
15 A. No.
16 Q. Isn't it true that the policy of the City is to
17 indemnify the service corporation directors for
18 actions they take in their capacity as City employees?
19 A. I don't know that.
20 Q. You don't know if that's the policy of the City?
21 A. I do not. I know the City has an indemnification
22 policy. I don't know if it applies to the service
23 corporations.
24 Q. Okay, but does it apply to the City employees?
25 A. It applies to City employees acting within their
83: 1 course and scope of their employment as employees of
2 the City.
3 Q. Okay. So as you sit here today, you can't say that
4 that indemnification policy would extend to City
5 employee actions taken in their capacity as service
6 corporations --
7 A. Correct.

Designation:

- 83:13 Q. As emergency financial manager, you control the salary
14 of all City employees; isn't that correct?
15 A. As emergency manager.
16 Q. As emergency manager, right.
17 A. Right.

Designation:

- 84: 3 Q. Okay. And you have the power to reduce those City
4 employee salaries to zero if you choose, correct?
5 A. I think I do, yes.
6 Q. And you have done that on at least one prior occasion,
7 I believe, correct?

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

8 A. Yes, I did do that.

Designation:

85: 8 Q. Okay. But if I ask you to express the City's view on
9 the legal merits of the insurers' contention that they
10 have the right to consent, you'll decline to answer
11 those questions because it tends to reveal the
12 attorney-client privilege.

13 MR. SHUMAKER: That's right and also calls
14 for a legal conclusion, yes.

15 MR. HACKNEY: But you'll -- I want to save
16 a big string of questions, so if I want to ask him
17 what are the pros and cons of the argument, who's
18 likely to win, how will it all come out --

19 BY MR. HACKNEY:

20 Q. You won't answer those questions on the grounds of
21 the -- because it would tend to reveal attorney-client
22 advice, correct?

23 MR. SHUMAKER: Well, I don't want to
24 prevent you from asking any questions and I don't --
25 but if he has an understanding independent of advice
86: 1 he's given -- but clearly to the extent it's going to
2 reveal attorney-client communication, I will tell him
3 not to answer.

4 MR. HACKNEY: Okay. I'll ask him that.

5 BY MR. HACKNEY:

6 Q. Does the City concur in the insurers' view?

7 MR. SHUMAKER: Objection, calls for a legal
8 conclusion and could ask for attorney-client
9 communications.

10 MR. HACKNEY: Are you instructing him not
11 to answer?

12 MR. SHUMAKER: To the extent that the
13 question goes to that, yes.

14 A. Maybe I can help out in this line of questioning.
15 Any -- I have not acted as an attorney on this job for
16 the aforementioned reasons, so any opinion that I
17 would express on behalf of the City in this regard
18 would be solely as a result of communications with
19 counsel and discussions.

20 BY MR. HACKNEY:

21 Q. That was my expectation. So if I ask you if the City
22 concurred, that's going to get into what your lawyer
23 thinks.

24 A. That's exactly right.

25 Q. So you -- you will assert the privilege.

87: 1 A. I will assert the privilege.

2 Q. And if I ask you what are the arguments for and
3 against this point, you'll assert the privilege.

4 A. I will assert the privilege, but I am aware there are
5 a number of objections that have been filed in the
6 case that have addressed those issues and none of them
7 have caused me any surprise.

8 Q. If I said that the City -- if I asked you what the
9 City's view is on -- well, let me take a step back.

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

10 Do you agree that the insurers can block an
11 early termination of the Swap, that this would be
12 important to assessing whether the City was in danger
13 of owing a termination payment?
14 MR. SHUMAKER: Objection, calls for a legal
15 conclusion.
16 A. Yes, same thing. I'd only have a response to that
17 based upon discussions I've had with counsel.
18 BY MR. HACKNEY:
19 Q. Do you agree that the insurers can block a
20 termination, that it would make sense to negotiate
21 with the insurers to determine whether you can secure
22 their agreement not to consent to any termination?
24 MR. SHUMAKER: Same objection.
25 A. Same response. It would only be based upon
88: 1 discussions I've had with counsel.
2 BY MR. HACKNEY:
3 Q. Are you aware that the insurers contend that they have
4 the right to control all actions that may be taken by
5 the Swap counterparties in connection with the -- with
6 the Swaps?
7 A. I am aware of that, yes.
8 Q. When did you first develop that awareness?
9 A. During some course of the correspondence that occurred
10 during this time frame that we previously discussed
11 today.
12 Q. And have you taken steps to evaluate whether the City
13 concurs with the insurers' construction of the
14 operative documents on this point?
15 A. Have we taken steps? Yes.
16 Q. Yeah. And what is the City's position?
17 MR. SHUMAKER: Objection, calls for the
18 provision of attorney-client communications, and I
19 will instruct him not to answer.
20 BY MR. HACKNEY:
21 Q. Yeah, I'm just going -- I'm making a record here.
22 Okay? I don't want to have -- I tried to --
23 A. I'm with you. I'm with you.
24 Q. And if I ask you what the arguments are on both sides
25 of this point, you'll also refuse to answer on the
89: 1 grounds of the privilege.
2 A. Here again, there are objections in the case that make
3 some of those arguments, but I will not specifically
4 answer.
5 Q. Because of the privilege.
6 A. Because of the attorney-client privilege and it calls
7 for a legal conclusion.
8 Q. And if I ask you who had the better side of the
9 argument, you would say the same thing?
10 A. Same thing.
11 MR. SHUMAKER: Same objection, same
12 instruction.
13 A. I would say the same thing. I would say the same
14 thing.
15 BY MR. HACKNEY:
16 Q. Do you agree that the insurers can control all actions

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

- 17 of the Swap counterparties in connection with the
18 Swaps, that this would be important in terms of
19 assessing whether the City should negotiate with the
20 insurers?
- 23 You can answer to the extent you have an
24 understanding.
- 25 A. It's also a little speculative because it's a
90: 1 hypothetical. If then is usually a hypothetical, so I
2 would -- for the same reasons as we discussed before,
3 I would say that to the extent it calls for a legal
4 conclusion, I'll refuse to answer.
- 5 I would say as a rational person, if you
6 were put in a corner, then you might want to consider
7 your alternatives, including negotiations.
- 9 Q. With the insurers?
- 10 A. With whoever, yes, whoever's --
- 11 Q. I mean it's just a simple point. We have five minutes
12 left. I'm going to milk them.
- 13 A. Okay.
- 14 Q. But it's a simple point, which is if the insurers can
15 potentially direct, like a marionette, the actions of
16 the Swap counterparties, and I understand --
- 17 A. Right.
- 18 Q. -- that you're not agreeing with that --
- 19 A. Right.
- 20 Q. -- okay, but if they can --
- 21 A. Um-hm.
- 22 Q. -- they're a potential party that you can go negotiate
23 with to play off against the Swap counterparties,
24 correct?
- 91: 2 A. Yeah, here again, I mean if that happened, possibly,
3 but that's a speculative question, so I'm going stay
4 away from it.
- 6 Q. It is speculation, but it's logical --
- 7 A. As I said in my answer, a rational person would make
8 that --
- 9 Q. Yeah.
- 10 A. If you were put in a corner, you'd have to find some
11 way out, and negotiation might be one of those
12 sources, but to the extent your question is also
13 speculation, I'm going to defer from answering.
- 14 Q. Do you agree that the insurers are entitled to control
15 all of the actions of the Swap counterparties; it
16 raises the risk that the deal negotiated in the
17 forbearance agreement may be for naught?
- 20 A. Yeah, here again, maybe not.
- 22 Q. Those are things you haven't -- you haven't considered
23 prior to today, fair statement?
- 24 A. That's a fair statement.
- 25 Q. Okay. Have you ever heard the phrase "play both ends
92: 1 against the middle"?
- 2 A. Oh, have I ever heard the phrase?
- 3 Q. Yes.
- 4 A. Yes.
- 5 Q. You're a bankruptcy lawyer, right?
- 6 A. Yes.

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

- 7 Q. You were, I should say.
8 A. I was.
9 Q. And that's one of the time-honored tricks of
10 bankruptcy negotiation, right, is to play parties off
11 against one another to try and get the best deal?
12 A. I'm not going to call it a trick.
13 Q. Tools.
14 A. Tools, tactics. You know, there -- lawyer, as a
15 negotiator, getting a yes, discussing a number of
16 different alternatives.
17 Q. And one of them is playing off both ends against the
18 middle?
19 A. Could be. People do that all -- outside of legal
20 issues, they do that in negotiation.
21 Q. Isn't it true that prior to July 17 the City never
22 engaged in substantive negotiations with Syncora?
23 A. I don't know if that's true. You said July 17th?
24 Q. Yeah. That's the date of the execution of the
25 forbearance agreement.
93: 1 A. Right. I don't know if that's true. I believe there
2 were discussions that may have been, but you
3 characterize it as substantive negotiations, so I
4 don't know if that's true.
5 Q. You certainly didn't participate in any substantive
6 negotiations with Syncora, correct?
7 A. Well, I -- you know, you say negotiations. I know
8 there were a series of letters going back and forth
9 and I know that there was a letter -- I just don't
10 recall when I sent it -- to Mr. LeBlanc that said if
11 you want to have serious negotiations, then let's have
12 a discussion, but let's stop sending these letters
13 back and forth.
14 Q. But isn't it your position that there were no serious
15 negotiations with Syncora because Syncora would not
16 make a proposal?
17 A. I believe in one of those letters I expressed that
18 concern, yes.
19 Q. And to your knowledge Syncora never made a proposal to
20 the City of Detroit prior to July 17th, correct?
21 A. Yeah, I believe there was a discussion -- well, there
22 was discussion about an exchange of NDAs, and Syncora
23 said they wanted to make a proposal, but they first
24 wanted to see the proposal from the Swap
25 counterparties, and I believe in one of my letters to
94: 1 Mr. LeBlanc, I said well, the parties need to sign a
2 NDA, and my understanding was Syncora declined to do
3 that.

Designation:

- 94:17 Q. Mr. Orr, I kind of want to cut through this with
18 Syncora. I understand that there were letters back
19 and forth between you and Syncora.
20 A. Yes.
21 Q. But I just want to make clear for the record that
22 there were not substantive negotiations of the type

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

- 23 that you engaged in with the Swap counterparties with
24 Syncora about an alternative proposal to the
25 forbearance agreement prior to its execution on
95: 1 July 17th, correct?
2 A. I believe -- July 17th?
3 Q. (Nods head).
4 A. I believe that's true. As I said, I think there was
5 some discussion about a potential offer from Syncora,
6 but I believe that got caught up in the NDA issue and
7 that went away, so yes, I believe that's true.
8 Q. And your recollection in the NDA issue is that the
9 City wanted an NDA, but Syncora wouldn't sign it?
10 A. My recollection -- no. My recollection was the City
11 needed an NDA because we were asking all parties --
12 nondisclosure agreement, we were asking all parties to
13 sign them. There was some discussion -- I put in a
14 letter, I seem to recall, that Syncora sign one, but I
15 don't want to speculate or mischaracterize. There
16 were some discussion about a NDA before Syncora would
17 show us their proposal and something about they wanted
18 to see the Swap counterparties' proposal before
19 signing an NDA first or something along those lines.
20 Q. You're not aware of any situation where the City
21 refused to sign an NDA with Syncora, correct?
22 A. No, not that I'm aware of.
23 Q. In fact, it was the City that wanted an NDA with
24 Syncora?
25 A. Yes. I believe that's true.
96: 1 Q. And it's also true that you did not engage in
2 substantive negotiations with FGIC about an
3 alternative to the forbearance agreement prior to
4 July 17th, correct?
5 A. Yeah, with regard to the issue of substantive, I'll --
6 I'll, you know, caution that I'm not -- I'm not
7 necessarily characterizing, but to the best of my
8 knowledge, that's a fair characterization.
9 Q. You didn't make a proposal about an alternative to
10 FIGC and FIGC didn't make one to you.
11 A. Yes, to the best of my knowledge, that's true.
12 Q. And that's also true with respect to Syncora, correct?
13 A. Yes, that's true.

Designation:

- 97:23 Q. Okay. It's true, isn't it, that as of the date of the
24 execution of the forbearance agreement, your office
25 had received multiple calls from Claude LeBlanc at
98: 1 Syncora, correct?
2 A. I'm not aware of that. There may have been multiple
3 calls, but I'm not aware -- I received no calls.
4 Q. Okay. So you don't -- I take it your secretary --
5 A. My office may have. Yeah, my secretary may have, but
6 I didn't.
7 Q. So you don't know whether he called you or not?
8 A. If you're representing to me that he did, I have no
9 reason to believe that that's untrue.
10 Q. Okay. And I take it you have never called personally

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

11 Mr. LeBlanc --
12 A. No.
13 Q. -- isn't that correct?
14 A. No, I don't think so.
15 Q. So you didn't return those calls if they were made?
16 A. No.
17 Q. I just want -- I guess I -- the City has entered into
18 numerous nondisclosure agreements --
19 A. Right.
20 Q. -- in these cases, correct?
21 A. Yes.
22 Q. I mean has it entered into hundreds?
23 A. I don't know. I don't -- I don't operate the data
24 room or any others, but I suspect there's certainly
25 many.
99: 1 Q. We can say that there are lots.
2 A. There are lots.
3 Q. Okay.
4 A. Okay.
5 Q. And there's no reason you can think of today that the
6 City wouldn't enter into one with Syncora.
7 A. No.
8 Q. Were you aware that Syncora wanted a nondisclosure
9 agreement so that it could make a proposal that would
10 be an alternative to the Swap counterparties?
11 A. As I said, I believe I have a letter that discusses
12 the NDA issue, but it was caught up in something
13 related to Syncora -- as I understood it, Syncora
14 wanting to see the Swap counterparty proposal first
15 prior to entering an NDA.
16 Q. Did you ever hear that Syncora had gotten over that
17 issue and was now willing to just make a proposal to
18 the City?
19 A. No.
20 Q. So no one ever told you that?
21 A. No, I don't recall ever hearing that.
22 Q. Okay. Would that have been significant to you if you
23 heard that?

Designation:

100: 1 A. Yeah. Here again, it depends upon what point in time,
2 if we were already bound by the definitive term sheet
3 and then -- or the agreement, I believe the
4 forbearance agreement has an obligation we cooperate
5 with Swap counterparties, so it wouldn't have mat --
6 no, it would not have mattered at that time, so it
7 depends on when that would have occurred.

Designation:

100:15 Q. Isn't it true that the City's decision to enter into
16 the forbearance agreement was made by you, in your
17 role as emergency manager?
18 A. Yes, after consultation with my -- with my employees,
19 staff and consultants, yes.

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

20 Q. And when did you make that decision?
21 A. To enter into the actual agreement?
22 Q. Yes.
23 A. The day I signed it.
24 Q. July 15th, 2013?
25 A. I believe so, yes.

Designation:

102: 7 Q. Any legal memoranda from Jones Day that you considered
8 in making this decision?
9 A. Yes, probably.
10 Q. Okay. Written legal memoranda that you reviewed?
11 A. Yeah, including e-mails. Yeah.
12 Q. Now, did you take time to familiarize -- to
13 familiarize yourself with any of the legal documents
14 relating to the COPs Swap structure in connection with
15 your decision to execute the forbearance agreement?
16 A. I relied -- I may have seen them, but I relied upon
17 consultation with my counsel and investment bankers.
18 Q. The documents I'm referring to are -- can we agree
19 they're relatively complicated legal documents?
20 A. Yeah, I'd say they're not simple documents. It's not
21 a -- you know, an auto purchase contract, yeah.
22 Q. Right. So can I fairly characterize that -- that you
23 may have looked at the documents, but you didn't
24 attempt to master -- master them in terms of their
25 legal ins and outs?
103: 1 A. Yeah. That's a --

Designation:

103: 3 A. That's a fair characterization. As I said, I'm trying
4 to stay away from acting as an attorney in this job.

Designation:

103: 8 Q. So you relied on your advisors to explain to you how
9 the COP Swap agreements worked?
10 A. Yes.
11 Q. And you also relied on them to explain to you how the
12 COP Swap agreements worked in conjunction with the
13 forbearance agreement that you were about to execute?

Designation:

103:15 A. Yes.

Designation:

103:17 Q. So what is the relationship between the forbearance
18 agreement and the COPs Swap structure?
19 A. Well, my understanding is that the forbearance
20 agreement is related to the Swaps structure, but that
21 the COPs structure is unrelated.

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

- 22 Q. Okay. So the forbearance agreement is part of the
23 same subject matter as the collateral agreement and
24 the Swaps agreement, but not the COPs part of the
25 structure?
- 104: 1 A. That's my understanding.
2 Q. Okay. In your legal career, have you come across the
3 concept of the idea that two different contracts can
4 be part of one integrated transaction?
5 A. Sure. Yes.
6 Q. You're familiar with that as an idea?
7 A. Oh, yeah, sure.
8 Q. Okay. What do you understand that to mean?

Designation:

- 104:10 A. There are a number of ways that two different
11 documents were -- may refer to the other, as simple as
12 attachments, exhibits, the master -- the master
13 service agreement on a loan, for instance. There are
14 a number of ways that one document can relate to
15 another as explicitly expressed and intended.

Designation:

- 104:23 Q. You understand the idea that two different contracts
24 can form part of one larger agreement?
25 A. Oh, sure. Yeah.
- 105: 1 Q. Is the forbearance agreement part of an integrated
2 transaction with the amended Swap agreements?

Designation:

- 105: 5 A. Yeah, I'm going to stay away from characterizing it as
6 an integrated transaction. That may have legal
7 consequence. I know they are related.

Designation:

- 106:23 Q. So I guess are you saying that you can't reveal
24 attorney-client communications or are you saying that
25 you just don't know the answer to this particular
107: 1 legal question?
2 A. I'm saying I can't reveal attorney-client
3 communications, and based upon the characterization, I
4 have formed no independent decision outside of
5 discussions with my attorney as to whether or not
6 they're integrated.

Designation:

- 107:24 Q. Isn't it -- I'd like to shift and ask you a question
25 about the service agreements between the City and the
108: 1 service corporations.
2 A. Okay.
3 Q. Isn't it true that the City is in default of its
4 obligations under the service agreements because it

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

- 5 missed the --
- 6 A. June 14th payment?
- 7 Q. That's right.
- 8 A. We're in default.
- 9 Q. Okay. And isn't it also true that the City is not
- 10 proposing to cure those defaults in connection with
- 11 the assumption of the forbearance agreement?
- 12 A. I believe that's true.
- 13 Q. And you would agree that the City is not going to
- 14 provide assurances that it will perform with the
- 15 service agreements in the future, correct, as part of
- 16 the assumption motion?
- 17 A. I'm going to be careful here because we're -- we're
- 18 trying to have discussions about what we're going to
- 19 do with regard to the proposal, so I don't want to say
- 20 now something that may or may not occur in the future,
- 21 but there is no present intent -- in response to your
- 22 question, no present intent to do that.
- 23 Q. You certainly haven't represented that you will as
- 24 part of the assumption motion?
- 25 A. Yes.
- 109: 1 Q. We talked about this earlier. I don't want to reask
- 2 the question, but I want to tie it up in connection
- 3 with the assumption motion, which is, there are also
- 4 events of default existing under the Swaps.
- 5 A. Yes.
- 6 Q. Those are the cause of all the problems, right?
- 7 A. Yes.
- 8 Q. The City is not proposing to cure those defaults in
- 9 connection with the assumption agreement, correct?
- 10 A. I'm going to be careful with the characterization of a
- 11 cure because, as you know, and -- I have formed no
- 12 independent decision as to whether or not that
- 13 nomenclature's true. What I will say is that pursuant
- 14 to the forbearance agreement we are attempting to
- 15 resolve any and all defaults that may have occurred
- 16 under the collateral agreement.
- 17 Q. Under -- and I was asking about the Swaps.
- 18 A. And the Swaps.
- 19 Q. And the Swaps.
- 20 So the forbearance agreement is an effort
- 21 to resolve any defaults that exist under the
- 22 collateral agreement and amended Swaps?
- 23 A. Yes.
- 24 Q. Okay. And in your view it does that?
- 25 A. Yes.
- 110: 1 Q. Okay.
- 2 A. Yes.
- 3 Q. So I'll say it this way. In your assumption motion,
- 4 isn't it true the City doesn't promise to cure any
- 5 defaults under the collateral agreement or the Swap
- 6 agreement; isn't it that correct?
- 7 A. Here again, and I'm not trying to be evasive. I
- 8 just -- you know, there are concepts of cure in the
- 9 bankruptcy code, for instance, with regard to the
- 10 assumptions of contracts so on and so forth, and I

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

11 want to make sure that I don't testify as to a legal
12 conclusion. So what I will say is we are trying -- by
13 the assumption agreement and forbearance agreement, we
14 are trying to resolve all defaults under those
15 documents, both the collateral agreement and the
16 Swaps.
17 Q. Okay. And how does it achieve that resolution?
18 A. Well, the documents speaks for itself, but generally
19 speaking, it imposes obligations upon us to perform a
20 certain ways within certain time frames with regard to
21 the potential termination payment. It therefore gives
22 us a discount for that payment. It releases the
23 casino revenue and imposes obligations, and this is my
24 language, upon the Swap counterparties not to trap
25 that revenue upon performance of certain obligations,
111: 1 in addition, obligates those parties to release liens
2 and potential claims as a result of the transaction.

Designation:

114:21 Q. So let me go back. I guess my question is, like, do
22 you have a view on whether that big time cash trapping
23 is supposed to happen automatically under the
24 collateral agreement?
25 A. My understanding is that it does not happen
115: 1 automatically.
2 Q. Okay. And is that based on conversations you've had
3 with counsel?
4 A. Yes.
5 Q. And if I ask you for the pros and cons of that
6 argument as to who's likely to win and how the City
7 came to its view, you would refuse to answer those
8 questions on the basis of the attorney-client
9 privilege, correct?
10 A. Yes, sir.

Designation:

116: 4 Q. The discount that you obtained through the
5 negotiations that Mr. Buckfire led --
6 A. Right.
7 Q. -- is a discount to the so-called early termination of
8 the Swap.
9 A. Yes.
10 Q. Correct?
11 A. Yes.
12 Q. So if you just read the Swap agreement, it would -- it
13 implies a termination value, correct?

Designation:

116:17 Q. It implies an early termination value?
19 A. We'll use a nomenclature. It implies a value for
20 termination fee that I understand represents the loss
21 expectation of the counterparties.

Designation:

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

116:23 Q. That's exactly right.
24 And the discount you negotiated in the
25 forbearance agreement is a discount to that amount in
117: 1 the Swap?

Designation:

117: 4 A. It is a discount to that, yes. It is a discount to
5 that expected amount.

Designation:

117: 7 Q. Yeah. It is a discount to what would otherwise be
8 owing under the Swap in the absence of the forbearance
9 agreement if the Swap counterparties designated an
10 early termination.
11 A. I believe that's correct.

Designation:

117:14 Q. Okay. Now, you know that there's a different concept
15 which is an optional early termination under the Swap,
16 correct?
17 A. Um-hm.

Designation:

118: 2 Q. Under the Swap --
3 A. Right.
4 Q. -- there is a different type of termination that's
5 called an optional early termination. Are you aware
6 of that?
7 A. I am aware of that.
8 Q. Okay. That's one where the insured -- the Swap
9 counterparties contend that they can terminate the
10 Swap and walk away with no payment.
11 A. Any understanding I would have about what the Swap
12 counterparties can do would be based upon
13 consultations with counsel, but suffice it to say I
14 have heard of that concept.
15 Q. Okay. So if I ask you about the pros and cons of that
16 argument and who would likely to win, you would assert
17 the attorney-client privilege; is that correct?
18 MR. SHUMAKER: We would.
19 A. Yes.

Designation:

118:21 Q. Okay. But I do want to say that you understand that
22 the Swap counterparties are substantially in the money
23 under prevailing interest rates, correct?
24 A. There is a lot of money that the City's going to owe,
25 yes.

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

Designation:

119: 9 Q. Yeah. So what I mean is if the Swap was terminated
10 today --
11 A. Right.
12 Q. -- it's the service corporations that would owe money
13 to the Swap counterparties, not the Swap
14 counterparties that would owe money to the service
15 corporations.

Designation:

119:19 A. Yeah.

Designation:

119:21 Q. That's what I mean by in the money.
22 A. Yeah, I -- I think that's true.
23 Q. Okay. I mean that's -- I'm not trying to be flip, but
24 that is the reason that you negotiated the discount?
25 A. That's the mechanism, yes. Yeah.
120: 1 Q. Okay. I want to make an obvious point, which is the
2 Swap counterparties have never come to the City and
3 said hey, we're going to exercise that optional early
4 termination rights that has us walking away and being
5 paid nothing, correct?

Designation:

120: 8 A. To the best of my knowledge, I've never heard that.

Designation:

120:13 Q. Let me -- if you had heard them threaten that, it
14 would have made Mr. Buckfire's negotiation a lot
15 easier.
16 A. I think it would have made the entire situation a lot
17 easier, but I've never heard that.
18 Q. They've never offered to walk away without any
19 payment.
20 A. I've never heard them offer to walk away without a
21 payment.
22 Q. Okay. Too bad.
23 A. I'm more than willing to accept that offer.
24 Q. I was going to say we're all open, right?
25 A. Right.
121: 1 Q. I want to go back to the forbearance agreement. We
2 were talking about the things that it does in terms of
3 providing access to casino revenues, allowing for an
4 unwind of the Swap. These were my descriptions of
5 it --
6 A. Right.
7 Q. -- candidly, from your motion --
8 A. Right.
9 Q. -- but we were talking generally about these things.
10 The valuable consideration that the City gets under

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

- 11 the forbearance agreement are all things that it can
12 exercise without any consent from any other party,
13 correct?
- 17 A. That's my understanding of the way it works, yeah.
- 19 Q. Do you agree that the effect of the forbearance
20 agreement, if the option is exercised, is to modify
21 the amount of the termination payment owed under the
22 Swaps down to whatever percentage is applicable as of
23 that date?
- 122: 2 A. If you're talking about the forbearance agreement and
3 the formula that's involved for the percentage change
4 depending upon -- as linked to time, as well as the
5 requirement that we get approval of the agreement at a
6 certain time period, yes, that's true.
- 8 Q. Okay. I mean the effect of the forbearance agreement
9 is that instead of owing what the City would owe under
10 the Swap, which is the hundred percent of the
11 termination value, it now owes -- only owes the
12 discounted amount?
- 13 A. Yes.
- 14 Q. So the effect is that it modifies that provision in
15 the Swap in a way that's favorable for the City?
- 17 A. That's a fair characterization.
- 20 Q. Now, the forbearance agreement, another part of it,
21 that it allows the City to direct the Swap
22 counterparties to terminate the Swap, correct?
- 123: 4 A. Yeah, the --
- 8 A. Yeah, the mechanism is such that it's not our
9 termination, that it's the parties -- it's the
10 counterparties' termination.
- 12 Q. That's right. It's their termination right, but the
13 City gets to direct them to exercise it.
- 14 A. Correct.
- 15 Q. Okay. Is that a right that the City currently
16 possesses under any of the other agreements to the
17 best of your knowledge?
- 18 A. To the best of my knowledge, no.
- 19 Q. That's a right it obtained as a result of the
20 forbearance agreement, correct?
- 21 A. Correct.
- 22 Q. And the City's able to exercise that right to direct
23 the actions of the Swap counterparties without the
24 consent of any third party, correct?
- 25 A. To the best of my knowledge, that's true.

Designation:

- 125:14 Q. Okay. So -- but you -- you can't give me your
15 understanding of how Syncora's alleged rights under
16 the contract administration agreement interact with
17 the City's alleged rights under the forbearance
18 agreement.
- 19 A. I can't do that without implicating conversations I've
20 had with my counsel.
- 21 Q. And just for the record, you won't?
- 22 A. And I won't.

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

23 Q. That's right.
24 A. And I won't, yes.

Designation:

126:18 Q. I want to go back to the subject of cash trapping
19 really quick because we had just moments ago talked
20 about whether it worked automatically --
21 A. Right.
22 Q. -- or whether it worked upon notice.
23 A. Right.
24 Q. But prior to the forbearance agreement, it was your
25 view that the Swap counterparties had the right to
127: 1 direct U.S. Bank to trap the casino revenues; isn't
2 that correct?
3 A. I think if there were events of default, and here they
4 are, yes.
5 Q. Yeah. That was a driver of the negotiation --
6 A. Yes.
7 Q. -- correct?
8 A. Certainly is, yes.
9 Q. And your understanding is that as part of the
10 forbearance agreement during the -- during the --
11 during the forbearance period, the Swap counterparties
12 have temporarily relinquished that right to direct
13 cash trapping so long as the optional termination
14 period is pending.
15 A. Yes, they are forbearing from exercising their right.
16 Q. Okay. Now, you understand that cash passes through
17 the general receipts subaccount on a monthly basis.
18 We talked about that earlier.
19 A. Right.
20 Q. It's trapped until a certain point and then the City
21 makes the holdback account, and when they get --
22 become equal, there's a discharge of payment to the
23 City from the general receipts subaccount, and then
24 for the remainder of the month, the City gets access
25 to the casino revenues, correct?
128: 1 A. Yes. My understanding is about \$500,000 a day are
2 paid into those accounts and the mechanism is very
3 similar to what you said --
4 Q. Okay.
5 A. -- how it operates.
6 Q. Can we agree that the way the forbearance agreement
7 works is that certainly between July 17th and now and
8 from now to whenever the forbearance, the option is
9 either exercised or expires, there's going to be cash
10 that passes through this account, already passed
11 through the account, that goes to the City?
12 A. Yes. There should be.
13 Q. If the option expires without the City's exercise of
14 the option, isn't it true that under the forbearance
15 agreement, the City has no obligation to put that cash
16 back into the -- into the general receipts subaccount?
19 A. I --
21 Q. Just asking for your understanding of how the

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

22 agreement works.
23 A. Sure. And my understanding of how the agreement
24 works, without having it in front of me and consulting
25 counsel, is the parties revert back to the status quo
129: 1 ante as where they were, and I do not recall that
2 there's an obligation for remittor (sic) --
3 Q. Yeah.
4 A. -- of monies that were paid during the forbearance
5 period.
6 Q. And the agreement does speak for itself. I'm just
7 asking for your understanding of the agreement.
8 A. That's my understanding.
9 Q. I have read the agreement, and my reading of
10 Section 1.2(c) of the agreement is that when the
11 option expires without being exercised, that it's just
12 as you said, everyone is restored to the status quo
13 ante, but the City doesn't have to put the money it
14 received back in the -- in the interim back into the
15 account.
16 A. Right, which is status quo because we would have
17 received that money in any event.
18 Q. Okay. But what I just said is also your
19 understanding?
20 A. Yes.

Designation:

130: 8 Q. Let me hand you this forbearance agreement.
9 A. Okay.
10 Q. I've marked it as Orr Exhibit 2.
11 A. Okay.
12 MARKED FOR IDENTIFICATION:
13 DEPOSITION EXHIBIT 2
14 10:48 a.m.
15 A. Okay.
16 BY MR. HACKNEY:
17 Q. Do you have it in front of you?
18 A. Yes.
19 Q. And is that, to the best of your knowledge, a true and
20 accurate copy of the forbearance agreement?
21 A. Yes, it appears to be.
22 Q. Now, if you look at the -- on page 2 of the second
23 full recital?
24 A. Uh-hm.
25 Q. You'll see that it says, "Whereas, pursuant to the
131: 1 terms of each Swap agreement, it is the view of the
2 Swap counterparties that one or more events of default
3 and/or additional termination events has occurred,
4 with the service corporations" -- "with the service
5 corporation as the defaulting party or sole affected
6 party, and therefore each of SBS and UBS has the right
7 to designate an early termination date for the related
8 Swap agreements."
9 Do you see that?
10 A. Yes, I do.
11 Q. I have a long set of questions here that I would like

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

- 12 to collapse if I could, which is, this just says it's
13 the view of the Swap counterparties. The fact of the
14 matter is it's also the City's view that there are
15 termination events and events of default existing
16 under the Swap.
- 17 A. Yes, I think that's fair.
- 18 Q. And that as a result of those termination and events
19 of default in the absence of this agreement, the Swap
20 counterparties would have the right to designate an
21 early termination date.
- 22 A. Yes.
- 23 Q. If I asked you to catalog all of the termination
24 events and events of default under the Swap, would you
25 be able to do that?
- 132: 1 A. No, I wouldn't, not without a consulting client and a
2 long compendium of events that occurred before I was
3 appointed.
- 4 Q. You do know some of them offhand.
- 5 A. Sure, like the consent agreement, the declaration of
6 financial emergency, the appointment of the financial
7 advisory board, the failure to make some of the --
8 there are a bunch of them, but I couldn't catalog them
9 all.
- 10 Q. Yeah. Your appointment?
- 11 A. My appointment. I'm an event of default.
- 12 Q. You are -- you are an embodiment of default.
- 13 A. I'm an embodiment of default.
- 14 Q. So at some point we will have to cure you.
- 15 A. You will have to talk to my wife about that.
- 16 Q. Okay. The -- okay. So that is helpful. I was going
17 to go through some of these things, but it doesn't
18 sound like there's an actual dispute between the City
19 and the Swap counterparties on this point, correct?
- 20 A. No.

Designation:

- 134: 4 Q. Is it fair to say that if I ask you to describe to me
5 what potential events of default or termination events
6 where the Swap counterparties were the sole affected
7 party or the defaulting party --
- 8 A. Right.
- 9 Q. -- you would decline to answer those questions on the
10 basis of the attorney-client privilege?
- 11 MR. SHUMAKER: To the extent they would
12 reveal those communications, of course.
- 13 MR. HACKNEY: Well, I mean --
- 14 A. Yes, I would.
- 15 BY MR. HACKNEY:
- 16 Q. Okay. Even if I ask you about your understanding of
17 the position, your position is that you don't have one
18 independent of your legal advisors.
- 19 A. I -- on this question, I don't have one independent of
20 my legal advisors.
- 21 Q. So I can't ask you what your understanding is --
- 22 A. Right.
- 23 Q. -- because it will necessarily reveal the legal advice

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

- 24 you got.
- 25 A. I'm trying to see if there's a way I can answer your
135: 1 question without implicating discussions. No. It
2 might -- it might implicate some discussions I had
3 with counsel.
- 4 Q. Okay. Mr. Orr, is the forbearance agreement a
5 settlement?
- 8 A. Let me say this. I'm aware that the motion pending in
9 front of the Court is both for -- we call in
10 bankruptcy, what I used to call in bankruptcy, both an
11 assumption of an agreement and a ^ 9019 settlement.
- 13 Q. So it's been held out by the City as a settlement,
14 correct?
- 15 A. Yeah. I think there's a debate as to whether or not
16 you need to seek settlement approval in a Chapter 9
17 case, but we are.
- 18 Q. Okay. Does the forbearance agreement settle any
19 claims on a final basis?
- 20 A. I think it does.
- 21 Q. Isn't it true, though, that if the City doesn't
22 exercise the option, everyone goes back to the status
23 quo ante?
- 24 A. Yes. That's the contingency, yes.
- 25 Q. Okay. So if that were to happen, everyone's claims
136: 1 would still be in play.
- 2 A. I'm going to be careful with the word claims, but
3 everyone would revert back to the status quo ante.
- 4 Q. Okay. So whatever claims they had at the status quo
5 ante they'd have again?
- 6 A. Yeah, whatever claims -- technically, whatever claims,
7 colloquially, whatever they had would, revert back to
8 the status quo ante.
- 9 Q. Can we agree that in that eventuality no claims of any
10 of the parties of the forbearance agreement would have
11 been finally resolved by the forbearance agreement?
- 12 A. To the best of my knowledge, yes.
- 13 Q. Now, put aside the threat of declaring an early
14 termination under the Swap --
- 15 A. Right.
- 16 Q. -- which we've discussed extensively today as a right
17 the Swap counterparties have under the Swap --
- 18 A. Okay.
- 19 Q. -- put that aside. Have you evaluated, separate and
20 apart from that, whether there are other tort or
21 contract claims that the Swap counterparties may have
22 against the City?
- 23 A. I think there were discussions, but, here again, those
24 would be wrapped up in attorney-client communications.
- 25 Q. So if I asked you to reveal the assessment of whether
137: 1 there were other claims that the Swap counterparties
2 have against the City, you would decline to answer
3 those questions on the grounds of attorney-client
4 privilege?
- 5 A. I think I would have to. I do recall discussions, but
6 I think I'd have to decline on the basis of
7 attorney-client privilege.

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

- 8 Q. Have the Swap counterparties threatened to bring any
9 claims against the City?
10 A. Well, here again, being careful with the word claims,
11 you mean unrelated to the defaults such as tort
12 claims?
13 Q. I guess I would say the Swap agreement is one you
14 understand that's between the Swap counterparties and
15 the service corporations.
16 A. Right.
17 Q. Okay. So I'm trying to put that in a box for now.
18 A. Right.
19 Q. And we've talked about that extensively.
20 A. Right.
21 Q. So other than any claims they may have against the
22 service corporations --
23 A. Right.
24 Q. -- that could absolutely have implications for the
25 City, but other than that, have the Swap
138: 1 counterparties threatened to bring any other claims
2 directly against the City?
3 A. None that I'm aware of.
4 Q. I may have asked you this earlier, but I just -- I
5 want to make sure that I didn't miss it and so if it's
6 asked and answered I apologize, but did the City
7 evaluate whether it is in breach of the collateral
8 agreement?
9 A. Did we evaluate it?
10 Q. Yeah.
11 A. Yes, I and my consultants evaluated it.
12 Q. Is this one where if I asked you the results of those
13 evaluations you'd decline to answer?
14 A. Yes.

Designation:

- 138:20 Q. Now, have the service corporations threatened to bring
21 any claims against the City?
22 A. None that I'm aware of.
23 Q. And have you undertaken an assessment of the
24 likelihood of the service corporations to the extent
25 they were to assert claims against the City?
139: 1 A. No. I don't recall doing that.
2 Q. So you haven't assessed that?
3 A. Not me independently, no.
4 Q. Okay. And it's not something you took into account as
5 part of this agreement?
6 A. No. We -- there was a discussion about the interest
7 of all the parties. I, independently, did not
8 handicap whether the service corporations might bring
9 a claim against the City. I think there were
10 discussions about it. Many of those discussions would
11 have been caught up in the general discussions that I
12 was having with counsel and my other advisors.
13 Q. And you wouldn't be able to discuss them?
14 A. No.
15 Q. But the service corporations' claims against the City,
16 those are not resolved by the forbearance agreement,

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

17 correct?
18 A. If they have any. I don't think they are.
19 Q. Let me cut to it. Is it fair to say you haven't given
20 this any real consideration?
21 A. Yeah. We -- it is fair to say that it was -- there
22 was no real deep consideration of it. We did consider
23 it.
24 Q. Now, as the City evaluated whether it has claims
25 against the Swap counterparties --
140: 1 A. Um-hm.
2 Q. -- okay?
3 A. Um-hm.
4 Q. And if I ask you to tell me what claims you have, will
5 you tell me them or will you assert the privilege?
6 MR. SHUMAKER: I would instruct the witness
7 that may implicate attorney-client communications.
8 A. I would have no independent knowledge of what claims
9 may have other than discussions I've had with counsel
10 so I wouldn't answer.
11 BY MR. HACKNEY:
12 Q. Okay. If I ask you what's the likelihood that you'll
13 win on the claims?
14 A. Same answer.
15 Q. You would follow the advice --
16 A. Yeah.
17 Q. -- and assert the privilege?
18 A. Yeah.

Designation:

140:24 Q. Well, let me ask you -- let me ask you just a -- sort
25 of this is your understanding of the forbearance
141: 1 agreement.
2 A. Right.
3 Q. What claims are you asking the Court to approve the
4 settlement of?
5 A. In claims that might be had by the parties vis-à-vis
6 each other.
7 Q. So any and all claims that they have under the Swaps
8 or the collateral agreement or the service contracts
9 or any other contracts --
10 A. Yes.
11 Q. -- those claims are being resolved by the forbearance
12 agreement?
13 A. To the best of my knowledge, that is true.
14 Q. Okay. And the result of the forbearance agreement is
15 that the City will be able to perform under the
16 forbearance agreement without being subject to any
17 liability to any third party?
18 A. That is my understanding.
19 Q. And so will the Swap counterparties, correct?
20 A. That is my understanding.
21 Q. It will give you what I'll call a clean closing?
22 A. As I said earlier this week, it will bring us to
23 closure and certainty, yes. Earlier today.
24 Q. That is also one of the values of this agreement to

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

25 both and you the Swap counterparties, you the City?
142: 1 A. Right.
2 Q. Which is that it absolves you for any liability in
3 connection with the relevant agreements?
6 Q. As a result of performance under the forbearance
7 agreement, correct?
10 A. My understanding is that it provides us with closure
11 and finality regarding any claims and relationships
12 that the parties have.
14 Q. Okay. And there's no trailing liability?
15 A. That is correct.
16 Q. And just for the record, if I asked to you assess the
17 likelihood of success of all of the different claims
18 that are being resolved by the forbearance agreement,
19 you would assert the attorney-client privilege and
20 refuse to answer?
21 A. That is correct. I have made no independent
22 assessment outside of any conversation I would have
23 had with counsel and my advisors.

Designation:

144:10 Q. But I guess I'm saying are you seriously unaware as to
11 whether there's a release in the forbearance
12 agreement?
13 A. Seriously or not, I think the forbearance agreement
14 resolved all claims between the parties. Sitting here
15 today without examining it, I'm not aware as to
16 whether or not it specifically has a release.
17 Q. Okay. So the -- whether it's in the forbearance
18 agreement or in the effect of its approval, it
19 operates as a release for everyone involved?
20 A. Yeah. The reality is -- when you asked me the
21 question before as to whether or not it has a release,
22 the reality is that to the extent you asked -- I
23 believe in the motion you asked for assumptions and
24 9019 settlement that the order might well contain a
25 release so -- I wasn't trying to be truculent with
145: 1 you. I'm just saying that, yes, the effect of the
2 approval of the agreement should have that impact.
3 Q. I'm not going to try to go claim by claim because your
4 understanding is it releases all claims of the Swap
5 counterparties, the service corporations, and the City
6 against one another?
7 A. Yes.
8 Q. Now, the Swap insurers, as part of the forbearance
9 agreement, they get a release of their insurance
10 obligations under the Swap in the event the City
11 directs an optional termination, correct?
12 A. Yes, I believe that's true.
13 Q. And this was one of the things that the City has
14 touted, which is to say, hey, Swap insurers, pipe down
15 this is good for you, right?

Designation:

145:17 A. Yeah, without characterizing, you know, the colloquial

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

18 characterization, yes, we think that's a benefit.

Designation:

145:20 Q. That's a concept that you've argued in your papers --
21 A. Yes.
22 Q. -- as to why the Swap insurers should be happy?
23 A. Yes.
24 Q. Now, do you understand you -- you have argued that
25 this is a benefit to the Swap insurers under the
146: 1 forbearance agreement, correct?
2 A. Yes, I believe so.

Designation:

146:24 Q. Okay. As a layperson person, do you have a view one
25 way as to whether Syncora is a third party beneficiary
147: 1 under the agreement?
2 A. As a layperson, I really haven't examined it.
3 Q. So don't know one way or the other?
4 A. Don't know one way or the other.
5 Q. Do you have a view as to whether Syncora or FGIC, for
6 that matter, can sue to enforce the agreement?
7 A. I don't have one way or the other.
8 Q. They may have, they may not have?
9 A. Yeah. I'd probably weigh on the side of they don't,
10 but I -- I don't have a view one way or the other.
11 Q. And have you considered the possibility that if they
12 don't have the right to sue to enforce the agreement,
13 that they also would not have the right to sue to
14 enforce the release that's in the agreement?

Designation:

147:16 A. They might or they might --

Designation:

147:19 A. They might or they might not.

Designation:

148: 8 Q. And so if the insurer can't enforce the agreement to
9 take advantage of the release, that's the insurer's
10 problem, correct?
11 A. Well, without characterizing whether or not it's their
12 problem or so, my fiduciary duty runs to the City in
13 its interest; it does not necessarily run to Syncora.
14 Q. Yeah. Can we agree that you certainly didn't
15 negotiate into the agreement any specific provision
16 granting the insurers the right to sue to enforce that
17 provision?
18 A. I made no instruction to my team to negotiate such a
19 provision.

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

Designation:

151: 6 Q. If I ask you about the specifics of the conversations
7 you had about whether the automatic stay applied and
8 the likelihood that it would or wouldn't, you'll
9 decline to answer those questions on the basis of the
10 attorney-client privilege, correct?
11 A. Yes, again, today I would have to do that.

Designation:

153:14 Q. Your counsel rendered advice to you about the
15 likelihood, the pros and cons of the arguments, and
16 you're not at liberty to provide that advice to us
17 because it would invade the attorney-client privilege?
18 A. Yes, I believe that's correct.

Designation:

154:18 Q. If the automatic stay applied, it might get access to
19 the casino revenue during the whole bankruptcy,
20 correct?
21 A. It might.
22 Q. Yeah. We're talking about different things that you
23 consider as you're analyzing your options, right?
24 A. Yeah, correct.
25 Q. And this is -- this is a potentially important one
155: 1 because you might be able to get longer access to cash
2 from the automatic stay than you were getting from the
3 forbearance agreement, correct?
4 A. Here again, that's a contingent it might, but that has
5 to be drawn up also in discussion of potential risk
6 that Safe Harbor provision would allow the
7 counterparties to exercise their rights and therefore
8 obviate any benefits the City could receive from the
9 automatic stay.

Designation:

155:12 Q. So just to be clear, if I ask you about the specific
13 ins and outs of all those potential arguments,
14 likelihoods of success and so forth, you will not
15 answer those questions on the basis of the
16 attorney-client privilege, correct?
17 A. That is correct.
18 Q. Oh, I know. The City recently argued in court against
19 yours truly that the automatic stay bars the cash
20 trapping provisions of the collateral agreement. Are
21 you aware of that?
22 A. I believe I am, yes.

Designation:

156: 3 Q. Did the Swap counterparties give their consent to the
4 City to make those arguments in court?
5 A. I don't know.

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

6 Q. And -- so you don't know whether they did or they
7 didn't?
8 A. That is correct.
9 Q. You understand that as originally designed the Swaps
10 were designed to hedge against interest rate risk on
11 the floating COPs?

Designation:

156:15 A. That is my understanding.

Designation:

156:17 Q. And I can unpack it if you want. I know we get into
18 the --
19 A. That's my understanding.
20 Q. Yeah, okay. Let's just do basics of interest rate
21 risk, which is if the interest rates go above the
22 hedge rate, then now the Swap counterparties have to
23 pay the difference to the service corporations so that
24 they can pay the difference to the floating rate COPs,
25 correct?

Designation:

157: 2 A. That is my understanding.

Designation:

157: 4 Q. That's how the hedge works.
5 Now, interest rates do not favor the City
6 in the Swaps -- we asked that earlier.
7 A. Right.

Designation:

157: 9 But more basics of interest rate hedging,
10 so as the interest rates go up and start to approach
11 the hedge, the amount the City owes under the Swap via
12 service corporations goes down?
13 A. That -- that is my understanding.
14 Q. And as it crosses over the hedge line, the service
15 corporation could actually be in the money?

Designation:

157:17 A. Yeah, here again, we had the discussion about in the
18 money or not, but to the extent your point is saying
19 that they would benefit more from the hedge than the
20 counterparties would, that is my understanding.

Designation:

157:22 Q. When the interest rates get above the hedge line?
23 A. (Nods head).

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

Designation:

- 158: 5 Q. When you entered into the forbearance agreement on
6 July 15th --
7 A. Right.
8 Q. -- what steps did you take prior to that time to
9 evaluate future interest rate moves?
10 A. Any discussions in those -- that regard would have
11 been with our investment bankers and generally with
12 our attorneys. What I'm trying to think of is were
13 there any discussions that I had with Miller Buckfire
14 which would not have been confidential in that regard.
15 I don't think that there were. What I can say is that
16 we evaluated the potentiality of the -- of the
17 interest rate fluctuation as indexed to LIBOR going up
18 or down, but I think most of those, if not all of
19 them, were in communications with one or more of my
20 attorneys.
21 Q. And when you say we evaluated the interest rate
22 fluctuations, that would have been tasked to Miller
23 Buckfire to do?
24 A. Yes, Miller Buckfire in conjunction with folks from
25 Jones Day. Yeah, sure.
- 159: 1 Q. Okay. No disrespect to the fine lawyers at Jones Day.
2 I don't know if I can calculate future interest rates
3 as a lawyer.
4 It was in Miller Buckfire's province to do
5 it. They may have done it in conjunction with Jones
6 Day?
7 A. Yes, yes.
8 Q. Okay. And any review of forward curves or different
9 interest rate implications currently existing in the
10 market would have been done by Miller Buckfire?
11 A. Yes.
12 Q. And your recollection is that it was done and it was
13 something that you considered as part of the decision
14 entering into this agreement?
15 A. I believe so.
16 Q. You're aware, for example, that the Federal Reserve
17 has indicated intent to scale back its monthly bond
18 purchases?
19 A. I heard that.
20 Q. And --
21 A. Quantitative reasoning --
22 Q. Yeah.
23 A. Yeah.
24 Q. And you're aware that many people believe that that
25 may lead interest rates to rise; isn't that right?
- 160: 1 A. Yes.
2 Q. Okay. Did you analyze the likelihood that the
3 interest rates would rise or was that also tasked to
4 Miller Buckfire?
5 A. I didn't do it independently. That would have been
6 tasked to Miller Buckfire.
7 Q. And if I asked what that analysis showed, I would have
8 to ask Mr. Buckfire that?

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

9 A. Yes, you would.
10 Q. Okay.
11 A. Yes, you would.
12 Q. Let me ask you about -- in the motion to assume the
13 forbearance agreement, the City states that it has
14 examined whether there are viable actions to challenge
15 the Swap contracts. Do you recall that?
16 A. Yes.
17 Q. Under what theory could the City challenge the
18 validity of the Swap contracts?
19 A. Any theories that we discussed -- I'll give you two
20 answers. One, many of the theories, my understanding
21 is and somebody -- I haven't read all of the
22 objections, but I've read some of them. Some of the
23 objections in this case have discussed some of those
24 theories.
25 Two, any theories which we would have
161: 1 examined, either independently or in the context of
2 reviewing and handicapping the probability of success
3 of some of the objections, would have been done with
4 counsel.
5 Q. And so you'll refuse to describe both the theories and
6 their likelihood of success because it would invade
7 the attorney-client privilege; is that correct?
8 A. Yes. Unfortunately, yes.
9 Q. If I asked you what likelihood of success the City
10 attributes to an action seeking to declare the Swaps
11 invalid, you'll decline to answer that on the
12 attorney-client privilege?
13 A. Yes.

Designation:

161:22 Q. In your proposal for creditors on June 14, 2013, you
23 said that the City has identified certain issues
24 related to the validity and/or enforceability of the
25 COPs --
162: 1 A. Yes.
2 Q. -- that may warrant further investigation.
3 A. Yes.
4 Q. Do you remember that?
5 A. Yes.
6 Q. I'm saving us from having to go through that --
7 A. Yeah, yeah. No. I remember.
8 Q. What issues has the City identified?
9 MR. SHUMAKER: Again, I'm going to caution
10 the witness --
11 A. Yeah.
12 MR. SHUMAKER: -- if this is going to
13 reveal attorney-client communications to not answer.
14 Subject to that, you can answer.
15 A. Here again, there would be no issues that -- and I
16 hate to keep saying this. There'd be no issues that I
17 independently would have identified because I'm trying
18 very hard not to act as a lawyer. I would have only
19 identified those issues and had discussions of them in

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

- 20 consultations with my attorneys. So whether there are
21 issues such as void ab initio, fraud, any of the other
22 issues that typically go to contracts, I would only
23 have had those discussions with counsel, so
24 consequently I can't speak to this.
- 25 BY MR. HACKNEY:
- 163: 1 Q. Okay. And you'll assert the attorney-client privilege
2 as a protection against describing the invalidity of
3 the COPs analysis?
4 A. Yes, because I did no independent analysis.
5 Q. Has the City completed its investigation into this
6 issue?
7 A. No. The City's investigation into a number of things
8 are ongoing.
9 Q. Okay. And this is one of them?
10 A. This is one of them, yeah.
11 Q. Okay. So the City hasn't reached a conclusion on this
12 subject because it hasn't concluded its investigation
13 into the subject, correct?
14 A. It -- I think that's fair, yes.
15 Q. And has the City considered whether the service
16 agreements between the service corporations and the
17 City are lawful?
18 A. I don't recall if we looked into that.
19 Q. So that's one that you --
20 A. I just don't recall if that was one.
21 Q. You may have investigated, you may have not?
22 A. Correct. I don't recall that one.
23 Q. If you have investigated, do you know if the
24 investigation has concluded or do you not know?
25 A. No. If we had investigated or are investigating it,
164: 1 my understanding it would not have been concluded.
2 Q. Okay. So much like with the COPs, generally the
3 validity of the service contracts with the City is a
4 subject of ongoing investigation that has not yet
5 concluded.
6 A. It may be the subject of ongoing investigation which
7 has not yet concluded.
8 Q. Okay. If I asked you how either of those two
9 investigations, the one into the COPs validity or the
10 one into the service contracts validity, impacted your
11 decision to enter into the forbearance agreement, you
12 will decline to answer because it would tend to reveal
13 attorney-client communications?
14 A. For all the reasons we discussed today, the -- yes, I
15 would have to.
16 Q. Mr. Orr, let me ask you about under section 803 of the
17 service contracts --
18 A. Yeah.
19 Q. -- I'm going to save us both from having to go through
20 them --
21 A. Yeah.
22 Q. -- so I'll represent to you what it relates to and see
23 if you've heard of it.
24 A. Okay.
25 Q. Okay?

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

165: 1 Under section 803 of the service contracts
2 payments by the City to the service corporations are
3 classified according to a waterfall.
4 A. Um-hm.
5 Q. Have you heard of this waterfall?
6 A. Yes.
7 Q. Okay. Did you evaluate whether there were any claims
8 that any parties to the structure might have against
9 one another if the forbearance agreement leads to the
10 payment of monies outside of the waterfall?
11 A. I assume you're alluding to prioritization or
12 subordination in claims along those regards, and the
13 answer: I think there probably was, but, here again,
14 I would -- I did not do it independently. It would
15 have been done by my counsel.
16 Q. Okay. So you can't tell me the fruits of the analysis
17 or the City's position on the likelihood of success on
18 the issue because it's protected by the
19 attorney-client --
20 A. That is --
21 Q. -- privilege?
22 A. -- correct.
23 Q. If I ask you how it impacted your decision to enter
24 into the forbearance agreement, you'd also not be able
25 to answer that on the basis of the attorney-client
166: 1 privilege?
2 A. That is correct. In addition, that's part of the
3 deliberative process.
4 Q. Have you analyzed whether or not COP holders might
5 have claims against the Swap counterparties if the
6 City exercises the optional termination right?
7 A. There -- have we analyzed it? The answer is yes, I
8 believe so.
9 Q. Okay. What's the result of that analysis?
10 A. Here again, any discussion would have been caught up
11 in discussions I would have had with my counsel in
12 that regard, so I decline to answer the question.

Designation:

166:22 Q. We've just been talking now about the COPs. We've
23 talked about the Swaps a lot. I'm going to for a
24 moment reference the 2006 COPs Swap transaction
25 documents.

167: 1 A. Okay.
2 Q. Do you know generally what I mean when I say that?
3 A. Yes. The original documents by which the City
4 borrowed money, 1.4 billion, for the unfunded
5 actuarial liability --

Designation:

167: 7 A. For the unfunded actuarial liability involve -- the
8 organic documents.

Designation:

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

- 167:10 Q. That is exactly correct. And, to name a few, there
11 are the service contracts, the contract administration
12 agreement, the trust agreement, and the master and --
13 and amended Swap agreements, correct?
14 A. Yes.
15 Q. You've heard of all of those?
16 A. Yes.
17 Q. And there are multiple versions of them?
18 A. There are multiple versions of them.
19 Q. For example, there are two service contracts --
20 That's right.
21 Q. -- because there are two service corporations.
22 A. That's right.
23 Q. Now, your understanding is that some of these
24 documents were amended in 2009 in connection with the
25 addition of the collateral agreement to the package,
168: 1 correct?
2 A. Yes. I'm going to take your meaning -- the amendment
3 to mean that's the -- yes, the net effect of what
4 happened in 2009.
5 Q. Okay. Did you know, for example, that the service
6 contracts were also literally amended --
7 A. Yes.
8 Q. -- as part of that?
9 A. Yes. We're talking generally about all the documents
10 without specifically going into each one.
11 Q. Although I did -- I did in that last one.
12 A. Yeah, you did, and so I'm following your lead on what
13 we're talking about.
14 Q. Okay.
15 A. Okay.
16 Q. The Swaps were also themselves amended in addition to
17 the collateral agreement being created?
18 A. I believe so.

Designation:

- 169: 2 Q. I believe the City ordinance describes this as all one
3 transaction.
4 A. Right.
5 Q. Do you have a basis to dispute it?

Designation:

- 169: 8 A. Yeah.

Designation:

- 169:10 A. Yeah, I have no basis to dispute it. Yeah.

Designation:

- 169:17 Q. You took a look at them. You know that they all refer
18 to one other and relate to one another.

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

Designation:

169:22 A. Yeah, if -- without drawing any legal meaning to the
23 concept that they all refer to one another, I believe
24 that they do.

Designation:

170: 1 Q. Now, the forbearance agreement that you just signed on
2 July 15th, that also references the 2006 transaction
3 documents, correct?
4 A. I believe so.
5 Q. Okay. In fact, doesn't it borrow certain terms from
6 some of those documents?
7 A. Without -- yeah, without reviewing the 2005 and 2006
8 documents or spending time here today reading through
9 this agreement, I believe that's accurate.

Designation:

170:15 Q. The -- do you know that one of the things that the
16 City agreed to do under the forbearance agreement is
17 that during the optional termination period --
18 A. Right.
19 Q. -- the City won't try to seek to invalidate any of the
20 2006 transaction documents?
21 A. I believe that's true.
22 Q. Okay. That's one piece that's big enough that you're
23 familiar with?
24 A. Yeah, I believe that's true.
25 Q. So is it fair to say that the 2006 transaction
171: 1 documents, the collateral agreement from 2009, and the
2 forbearance agreement are all documents that relate to
3 the same subject matter?
4 A. Without drawing a legal conclusion, I believe in a
5 broad sense it's fair to say that they relate to the
6 same subject matter, meaning the Swaps.
7 Q. Does the forbearance agreement amend any of the
8 provisions in the 2006 COPs or Swap transaction
9 documents?

Designation:

171:12 A. Yeah. I want to be very careful here. In addition to
13 the document speaks for itself, I don't want to draw a
14 relationship between the COPs document, which is
15 separate, to the Swaps document.
16 When I said they relate broadly to the
17 subject, to the extent COPs were money borrowed to try
18 to fund a pension obligation, and the Swaps were in
19 place as a hedge against the interest rate
20 fluctuations in those documents, and the collateral
21 agreement 2009 was a document that was meant to
22 address defaults that had occurred in relation to the
23 Swaps document, and this document was meant to address

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

24 the Swaps, they relate to that same subject area, but
25 I don't want to have my testimony suggest that there's
172: 1 a legal relationship between the COPs and the Swaps
2 document as relates to this agreement, forbearance and
3 optional termination agreement.

Designation:

172: 5 Q. So as you sit here today, is your answer that you
6 don't know if the forbearance agreement amends any of
7 the 2006 COPs Swap transaction documents? It may, it
8 may not, you don't know?
9 A. That is -- that is correct. I'm not going to draw a
10 legal conclusion.

Designation:

173: 8 Q. Okay. Is it your understanding that the 2006 COPs
9 Swap transaction documents retain their vitality as
10 legal agreements to the -- of the parties thereto?
11 A. It's my understanding that they have whatever vitality
12 they have according to their terms.
13 Q. Okay. So all the rights that all the parties to the
14 COPs Swap transaction documents had before the
15 forbearance agreement, they still have today?
16 A. No. Here again, you're -- I just want to be careful.
17 It seems that you're trying to conflate COPs with
18 Swaps, and I want to be careful.
19 Q. Well, I want to say all of them, but if you say no,
20 it's different on these, some rights have changed, but
21 on these everyone's rights are preserved, that's okay.
22 A. Yeah, I want to be careful as far as saying what their
23 rights are because I do believe those are legal
24 questions, and in fact some of them are being
25 litigated in the various piece of litigation that are
174: 1 going on.
2 Q. Hence this deposition?
3 A. Hence this deposition. So I want to be very careful
4 that I not give any testimony that would implicate a
5 legal conclusion with regard to those documents.
6 Q. And I'm not asking for a legal conclusion. I'm just
7 asking for your understanding as the signatory --
8 A. Right.
9 Q. -- as to whether the COPs Swap transaction documents,
10 whether all the parties preserved their rights under
11 those documents, notwithstanding the forbearance
12 agreement, or whether the forbearance agreement
13 changes the parties' rights under those documents.
14 A. And that's why I'm being careful because my
15 understanding of the forbearance agreement is that it
16 imposed upon the City, service corporations and the
17 counterparties certain obligations to forebear. I'm
18 not going to draw a legal conclusion as to whether or
19 not that amended any rights or changed any rights
20 under the original documents.
21 Q. It may have, it may not have?

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

- 22 A. It may. It may have not. I'll leave that to the
23 attorneys.
- 24 Q. It may constitute a waiver, it may not constitute a
25 waiver, you'll leave that to the attorneys?
- 175: 1 A. I'll leave that to the attorneys.
2 Q. At the time that you entered into the forbearance
3 agreement, were you aware that the Swap insurers had
4 the right to consent to waivers, modifications or
5 amendments of the Swap agreement and the collateral
6 agreement?
- 8 A. I was aware that some of the Swap insurers had
9 asserted they had those rights. I had drawn no
10 independent legal conclusion as to whether or not they
11 did.
- 13 Q. Okay. So you didn't know whether they were right or
14 they were wrong --
- 15 A. Correct.
- 16 Q. -- at the time you executed the agreement?
- 17 A. I had had discussions with my attorneys about whether
18 they were right or they were wrong, but I had no
19 independent conclusions.
- 20 Q. And you won't disclose the subject of your counsel's
21 communications?
- 22 A. I cannot disclose that subject because that's an
23 attorney-client communication.
- 24 Q. Did you evaluate when you entered into the forbearance
25 agreement, whether the act of entering into it would
176: 1 multiply the amount of litigation that the City might
2 face?
- 3 A. I think it's fair to say that we considered whether it
4 might. Any time you're in a transaction I think you
5 consider whether it might suborn litigation, yes.
- 6 Q. And what were your conclusions on this subject?
- 7 A. Here again, any conclusions we would have had would
8 have been in this whole air of discussions with my
9 counsel. What I can say, without saying what my
10 conclusions specifically were of the probability that
11 it might create additional litigation, is I thought
12 that overall it was in the best interest of the City
13 to enter into agreement.
- 14 Q. But you won't disclose to me your communications with
15 your counsel about whether this might multiply the
16 amount of litigation?
- 17 A. That is correct. Multiply, increase, whatever.
- 18 Q. And have you -- did you evaluate whether performing
19 under the forbearance agreement, performing -- and by
20 that I mean exercising the option.
- 21 A. Right.
- 22 Q. Whether -- let me say it again.
23 Have you evaluated whether exercising the
24 option under the forbearance agreement might subject
25 the City to additional liability?
- 177: 1 A. Here again, all of these issues regarding potential of
2 contingent claims, additional litigation, the
3 advisability of entering into the agreement,
4 considering that we were in litigation, and as I said

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

5 before there may have been litigation threats made
6 additionally, were taken into consideration in
7 consultation with my counsel.
8 Q. But you can't disclose those communications?
9 A. They are attorney-client communications.

Designation:

178: 5 Q. Let me hand you what I've marked as Orr Exhibit 4.

Designation:

178:10 Q. Do you have Orr Exhibit 4 in front of you, sir?
11 A. Yes, I do.
12 Q. So, Mr. Orr, I'll represent to you that this is the
13 proposed order that your counsel submitted along with
14 the motion.

Designation:

178:17 Q. Do you understand that?
18 A. Yes. Yes, I do.

Designation:

179:20 Do you understand the Swap counterparties
21 and the City and the service corporations -- there's a
22 provision in the forbearance agreement that talks
23 about the fact that you need to get an order
24 entered --
25 A. Sixty days.
180: 1 Q. -- that's mutually agreeable.
2 A. Yes.
3 Q. And that was the 60-day time period.
4 A. Yes.
5 Q. And we can find the specific provision, but --
6 A. Yes.
7 Q. -- you know what I'm talking about.
8 A. Yes, I do.
9 Q. Okay. So the form of the order is important.
10 A. Um-hm.
11 Q. Is that a yes?
12 A. Yes.
13 Q. And it's important because if the order changes
14 materially, it might arguably give the Swap
15 counterparties the right to declare an end to the
16 termination period.

Designation:

180:19 A. Here again, without making a legal assessment, I
20 understand your meaning that we -- we have an
21 obligation in the City to make sure the order is in a
22 form that is mutually agreeable to the parties.

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

Designation:

180:24 Q. And this is it, right?
25 A. That is the proposed order.
181: 1 Q. And this one, you know, is mutually agreeable to the
2 parties.
3 A. I believe that it is, yes.
4 Q. I mean, you may not have negotiated it --
5 A. Correct.
6 Q. -- personally, but it's your expectation that people
7 acting on your behalf then went to make sure that the
8 proposed order was mutually agreeable to the Swap
9 counterparties?
10 A. That is correct.

Designation:

182:19 Q. Okay. But if the Court enters an order that is not
20 mutually agreeable to the City and the Swap
21 counterparties, that could give the Swap
22 counterparties the right to terminate the optional
23 forbearance period?

Designation:

183: 1 A. Yes. Here again, it's speculative, in my -- but I
2 don't anticipate that experience. In my experience
3 most judges are -- my experience is that many judges
4 are very careful not to undermine the underlying
5 agreement by the order that's entered.

Designation:

183: 7 Q. So we can agree, though, that this order is an
8 important part of the forbearance agreement, correct?
9 A. Yes. I think the order is relevant to the forbearance
10 agreement.
13 Q. And it's important to it?
15 A. I think it's a -- yes.

Designation:

184:11 Q. Do you know who -- do you know whether anyone
12 approached the service corporations to get their views
13 on the order?
14 A. I do not.
15 Q. You certainly didn't?
16 A. No.

Designation:

187:24 Q. Let me ask you about some of them then. Look on the
25 page 3 at E which is entitled Consent to Use of Casino
188: 1 Revenues.
2 A. Um-hm. Um-hm.
3 Q. And it contains a finding that says, "Pursuant to
4 section 1.2 of the forbearance agreement, UBS AG and

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

5 MLCS consent to the City's use of the casino revenue
6 as set forth in the forbearance agreement."
7 Do you see that?
8 A. Yes, I do.
9 Q. And then it says, "The consent of the UBS AG and MLCS
10 will allow the City immediate access to its casino
11 revenue as set forth in forbearance agreement and no
12 other or further consents are required."
13 Do you see that?
14 A. Yes, I do.
15 Q. Okay. Is this an important part of the proposed
16 order?

Designation:

188:18 A. Well, first, the document speaks for itself. Two --

Designation:

188:20 Q. It doesn't speak for itself in terms of whether it's
21 important.
22 A. Well, let me respond. Two, to the extent this is an
23 order into a motion, it -- as we had discussed earlier
24 today, it's important that we have unfettered access
25 to the casino revenue; and, three, I do think this is
189: 1 a central aspect of the forbearance agreement.

Designation:

189:12 Q. Take a look at paragraph G, arms' length agreement.
13 The forbearance agreement was negotiated at arms'
14 length and in good faith by all parties, and it goes
15 on to say, "UBS AG and MLCS are not insiders of the
16 City as that term is defined in bankruptcy code
17 section 10131?
18 A. Um-hm.
19 Q. And this is the important part I want to you focus on,
20 "The parties entry into and performance under the
21 forbearance agreement does not violate any law,
22 including the bankruptcy code, and does not give rise
23 to any claim or remedy against the parties thereto
24 except as may be expressly set forth in this order or
25 in such agreement."
190: 1 Do you see that?
2 A. Yes.
3 Q. Do you remember earlier we talked about whether if the
4 City performed under the forbearance agreement it
5 would be able to do so without the fear of liability
6 to other parties?
7 A. Yes.
8 Q. And your understanding was it could do so, correct?
9 A. Yes.
10 Q. And that so could the Swap counterparties, correct?
11 A. Yes.
12 Q. And isn't this provision one part of the basis for
13 your -- for that view?
14 A. Well, you know, as I said, this provision draws a

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

- 15 legal conclusion and I have not independently or as an
16 attorney done an analysis of what this provision will
17 provide, but that's my understanding, yes.
- 18 Q. Are you just reading this provision for the first
19 time?
- 20 A. No. I think I -- as I said, I think I saw the order
21 attached to the motion. I just didn't recall it
22 immediately or as terms by itself. I was more
23 familiar with the motion because I read that in
24 conjunction with my affidavit that was attached to the
25 motion, but I think that's the effect of what this
191: 1 provision does.
- 2 Q. Is this an important part of the order --
5 Q. -- from the City's perspective?
7 A. Yes, without giving rise to the nomenclature
8 important. As I said before, it's important that we
9 have certainty and -- regarding the use of the casino
10 revenue, and this term certainly looks like it would
11 provide that.
- 13 Q. Okay. And not only does it provide you the certainty
14 about the casino revenue, it provides you with the
15 certainty that you will not be -- the City will not be
16 subject to any liability as a result of performing
17 under the forbearance agreement, correct?
- 18 A. Yes, I believe so.
- 19 Q. And it does the same thing for the Swap
20 counterparties, correct?
- 21 A. Yes, I believe so.
- 22 Q. Take a look at paragraph 4 on the bottom of page 4.
23 A. Um-hm.
- 24 Q. It says, "The forbearance agreement is approved in its
25 entirety. The City is authorized to perform its
192: 1 obligations that arise from the forbearance agreement
2 pursuant to Bankruptcy Rule 9019, and any actions
3 taken heretofore in furtherance of these obligations
4 are hereby ratified."
5 Do you see that?
- 6 A. Yes, I do.
- 7 Q. You understand that to be a provision by which the
8 Court provides a judicial authorization to the City
9 and the Swap counterparties to perform under the
10 forbearance agreement, correct?
- 15 A. My understanding --
17 A. My understanding is that is the practical effect of
18 this provision.
- 20 Q. Okay. Is this an important part of this order?
21 MR. SHUMAKER: Objection to form.
- 22 A. I think approval of the forbearance agreement is an
23 important part of this order, yes.
- 25 Q. But also the judicial authorization to perform.
- 193: 1 A. Yes, I believe so.
2 Q. Let me -- let me cut through some of these provisions,
3 which is, what the parties really want the Court to do
4 here, both the City and Swap counterparties, is to
5 tell them you are allowed to perform this forbearance
6 agreement without fear of reprisal from any third

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

7 party, correct?
10 A. Yeah, and I also think it calls for a legal
11 conclusion, but let me see if I can answer the
12 question. The motion sets forth what I believe are
13 the conditions necessary for approval of the
14 forbearance agreement. This order seeks to approve
15 that motion, so to the extent it does that, yes, I
16 believe it authorizes the parties to perform and gives
17 them the authority to go forward to a motion according
18 to its terms which incorporates by definition the
19 forbearance agreement, so yeah.
21 Q. And they can do so without fear of liability to third
22 parties.
23 A. You know, that -- that impacts upon -- I believe that
24 may impact upon the question is not atypical in some
25 orders as far as -- as we discussed earlier today,
194: 1 releases, third party liability, exculpation, those
2 are legal conclusions. My understanding is that the
3 way the order is -- is worded that, yes, it allows the
4 parties to go forward.
5 COURT REPORTER: To --
6 THE WITNESS: To go forward.
7 MR. HACKNEY: Without liability to third
8 parties.
9 BY MR. HACKNEY:
10 Q. I think we're going over ground we've gone over
11 before.
12 A. Yeah. I believe that's the intent of the order, yes.
13 Q. Okay. So one of the benefits of the order to the City
14 and the Swap counterparties is that to the extent
15 there are third party claims -- and I know you're not
16 conceding that there are any --
17 A. Right.
18 Q. -- it clears them away.
19 A. I believe that's accurate, which is one of the -- yes.
20 I believe that's accurate.

Designation:

197:13 Q. The -- I want to talk about the source of proceeds for
14 any potential termination payment down the road. This
15 is a subject I discussed with Mr. Buckfire yesterday.
16 A. Um-hm.

Designation:

198:15 Q. And I'm going to give you some notional amounts that
16 are based on comments your counsel has made in court,
17 just to try and get general agreement.
18 A. Sure.

Designation:

198:19 Q. But it's very possible that the amount of the
20 termination payment could be between 180 and 220
21 million dollars?

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

Designation:

198:23 A. I think that's fair. We certainly hope it's on the
24 lower end or lower of that scale, but that depends
25 what the rates are at any given day.

Designation:

199: 2 Q. Okay. Now, let's link up the potential sizeable
3 termination payment that the City may have to marshal
4 if it wants to exercise the option with the City's
5 current financial capabilities.
6 A. Yes.
7 Q. Okay. Isn't it true that the City does not currently
8 have enough cash on hand to be able to fund a
9 termination payment that was in the range of 200
10 million dollars?
11 A. That is true.

Designation:

199:15 Q. Do you know how much cash the City has today?
16 A. On any given day, we fluctuate approximately in the
17 neighborhood of I want to say 30 to 40 million
18 dollars. Right now that number may be a little bit
19 higher because we just went through one of our tax
20 collection periods in August.

Designation:

200: 3 Q. Do you still project that you're going to run out of
4 cash by the end of the year?
5 A. If we don't have this agreement, there's a very real
6 chance, yes, in a steady state, we will run out of
7 cash.
8 Q. And by -- what do you mean by a steady state?
9 A. If we don't do anything such as secure this casino
10 revenue, if we don't go to the capital markets and
11 borrow additional funds, which appears unlikely which
12 the City has done every other year since 2008 to make
13 up the difference, yes, the projections show that by
14 December of this year, we will run out of cash.
15 Q. Are those the pre-bankruptcy projections?
16 A. Yes. I believe so.
17 Q. Those are the projections that we'll get into in a
18 moment that -- but that assumes that the City's paying
19 its legacy expenditures on a current basis, right?
20 A. Yes. As we have -- as we have represented, we intend
21 to continue doing that throughout the year.

Designation:

201: 8 Q. So let's go back to sourcing this termination payment.
9 A. Yes.
10 Q. It was my understanding of his testimony that

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

11 Mr. Buckfire who, by the way, is the individual tasked
12 with obtaining the City's post petition financing,
13 correct?
14 A. Yes.
15 Q. And is presumably the individual that's most
16 knowledgeable about that effort?
17 A. Yes.
18 Q. It was -- I'll represent to you that his testimony was
19 that the proceeds for the optional termination payment
20 would likely come from the post -- the proceeds of the
21 post petition financing?
22 A. Yes.

Designation:

201:25 Q. Is that also your understanding?
202: 1 A. Yes.

Designation:

203:10 Q. So I do want to talk about -- this is important.
11 Okay. This is -- isn't it true that one aspect of the
12 DIP -- I'm not going to get into the others -- is that
13 the casino revenues will be pledged or anticipated to
14 be pledged as collateral for the post petition
15 financing?
16 A. Let me say this. That is certainly under
17 consideration.
18 Q. Okay. Now, isn't it also true, though, that the
19 casino revenues have not currently been freed up on a
20 permanent basis because the City has not currently
21 exercised the option, correct?
22 A. The certainty that we hope to get out of the
23 forbearance agreement has not been approved yet,
24 correct.
25 Q. Well, even if it is approved by the Court, you still
204: 1 won't have exercised the option.
2 A. That is true with regard to the optional termination
3 payment.

Designation:

204: 6 Q. And you need to exercise the option to terminate the
7 hedge, right?
8 A. Yes.

Designation:

204:17 Q. You think it's a fair characterization that you need
18 to get the hedge terminated to get the collateral
19 agreement terminated?
20 A. Yes.
21 Q. And the good part for the City, if those things
22 happen, is that now you have unchanneled access to the
23 casino revenues going into the future?
24 A. Yes, as we've said today, that certainty is one of the
25 motivations to enter into the agreement.

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

- 205: 1 Q. But do you also understand that you can't currently
2 pledge the casino revenues to a post petition lender
3 in a -- prior to having exercised the option under the
4 forbearance agreement?
5 A. Well, let's be careful without drawing legal
6 conclusions. You can always enter into agreements
7 that have contingencies attached to them and the
8 parties will wait for those contingencies to occur.
9 That certainly has happened with a number of different
10 negotiations, not just in this case, but happens all
11 the time.
12 Q. That's fair that you absolutely -- you make a pledge
13 that's contingent on something else. But isn't it
14 true that, as a general matter, post petition lenders
15 typically like to make sure that they have clean
16 collateral before they make a loan that's secured by
17 that collateral?

Designation:

- 205:20 A. I think that's generally a fair characterization;
21 however, there have been cases that I've been involved
22 with outside of this one where post petition lenders
23 have been willing to make pledges or commitments
24 subject to certain contingencies.

Designation:

- 206: 1 Q. Isn't it your expectation today, though -- is it -- is
2 it your expectation today that any post petition
3 lender will want clear -- a clear lien on the casino
4 revenues before it's willing to lend? Is that your
5 current expectation?
6 A. Well, my current expectation is it might well want
7 clear lien before it's willing to fund. I would think
8 in many of the bankruptcy cases that I've been
9 involved in, post petition lenders, for instance, are
10 willing to make commitments subject to the Court
11 approving their super priority liens, and then once
12 that approval is granted, they fund the loan, so
13 that's fairly common.
14 Q. I'm going to confirm for the record that conversations
15 with the State of Michigan about providing DIP
16 financing or with the federal government about
17 providing DIP financing are still questions that you
18 will refuse to answer on the grounds of commercial
19 sensitivity?

Designation:

- 206:24 Q. Are they commercially sensitive?
25 A. They are commercially sensitive, but I don't want to
207: 1 mislead you. It is my assumption that, while they're
2 commercially sensitive, that's not going to be
3 forthcoming.
4 Q. Oh, really?

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

- 5 A. Yes.
- 6 Q. So just to tie it up, you tried to get a -- whether
7 it's credit enhancement or liquidity from the State
8 and the Feds, and your expectation is that you won't
9 be able to?
- 10 A. My understanding at the State level is that there's
11 certain prohibitions of the State law on the ability
12 of the State to lend to the City, and at the Federal
13 level my understanding is that it's not going to be
14 forthcoming, direct aid.
- 15 Q. Interesting. And what about credit enhancement by the
16 State?
- 17 A. Here again, it's highly commercially insensitive --
18 sensitive. I don't want to say anything that
19 forecloses it, but we -- let me answer it this way.
20 We are operating on the assumption that that will not
21 come -- be forthcoming.
- 22 Q. The casino revenues are about 170 million dollars a
23 year; isn't that correct?
- 24 A. Yeah, 170, 180 somewhere in there.
- 25 Q. Yeah. In fact, that -- it's interesting because the
208: 1 DIP proceeds you're seeking are up to 350; is that
2 correct?
- 3 A. Here again, those are commercially sensitive, but I
4 think that's fair. Yes, I think that's fair.
- 5 Q. Okay. And that's the equivalent of two years' worth
6 of casino revenues, correct?
- 7 A. Yes.

Designation:

- 209: 5 Q. The fact of the matter is the DIP process is just
6 getting off the ground, correct?
- 7 A. I think that's fair to say.
- 8 Q. I think it's literally in the last couple days, right?
- 9 A. I think that's fair.
- 10 Q. So you don't know as you sit here today, and you
11 probably wouldn't tell me if you did --
- 12 A. Right.
- 13 Q. -- what the current appetite of the lenders is for
14 uncertainty around the casino revenues, correct?
- 15 A. That -- that I think is part of the process. Yeah.
- 16 Q. Now, have you attempted to borrow money -- has the
17 City attempted to borrow money and secure those
18 borrowings with a lien on something other than the
19 casino revenues?
- 20 A. No.
- 21 Q. Is the -- is the City considering pledging art as
22 collateral?

Designation:

- 211: 2 MR. SHUMAKER: I'm going to say that's --
3 we're drawing a line. We're getting into specifics,
4 and I'm going to instruct him not to answer.
- 5 MR. HACKNEY: I -- okay. That's just all I
6 need to know for the record.

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

Designation:

211:11 Q. The City does have other revenue streams; isn't that
12 correct?
13 A. Yes.
14 Q. In fact, on an annual basis, the City's revenues are
15 in the neighborhood of a billion to a billion 1,
16 correct?
17 A. Yes, I think that's fair.
18 Q. And on an annual basis, the casino revenues are in the
19 range of 170 to 180 million?
20 A. Yes.
21 Q. Roughly a little less than 20 percent of the City's
22 annual revenues.
23 A. 17 and a half, 18 percent.

Designation:

211:25 So have you engaged the possibility of
212: 1 pledging other revenue streams as security for the
2 DIP?
3 A. This is a commercially sensitive area. In addition,
4 there are potentially legal issues that must be
5 resolved. Suffice it to say we have examined a number
6 of different possibilities, looking at what options we
7 might have given the City's various ordinary revenue
8 streams.
9 Q. And are there other revenue streams that could be
10 pledged? I'm not going to ask you whether you are
11 going to pledge them, whether you will, whether you
12 plan to, but are there other revenue streams that
13 could be pledged?
14 A. There might be. There might be, but there's -- here
15 again, there's certain legal issues regarding any
16 revenue streams that have to be resolved.

Designation:

212:20 Q. So just in terms of level setting --
21 A. Right.
22 Q. -- the casino revenues are approximately 15 million a
23 month.
24 A. Yes, I think that's fair.
25 Q. Net of the Swap payment which is still made on a
213: 1 monthly basis under the forbearance agreement --
2 A. Yes.
3 Q. -- you net about 11 million?
4 A. I think that's correct.
5 Q. Okay. Your claim is that these revenues are necessary
6 to the operation of the City. I think we discussed
7 that earlier.
8 A. Yes.
9 Q. And in fact it's your expectation that you will use
10 these revenues to fund the reinvestment program that
11 you have planned with respect to the 1.25 billion

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

- 12 dollars of reinvestment in the City over the next ten
13 years?
- 14 A. Yes, that's correct. An average of 125 million a year
15 which a big component of it is this revenue.
- 16 Q. Okay. So fair statement, you're going to take the
17 casino revenues and you're going to plow them into the
18 City, correct?
- 19 A. More -- I mean, money goes into a bathtub, but yes.
20 The casino -- we don't have the casino revenue. We
21 have no other source to make reinvestment in the City.
- 22 Q. And that's what you want to do?
- 23 A. Yes.
- 24 Q. And so as a creditor, I'm going to make the obvious
25 point that you don't plan to take the casino revenues
214: 1 and give them to the unsecured creditors, correct?
2 A. I think that's generally a fair characterization.
3 Q. So isn't it fair that other than perhaps certainly
4 benefitting the people of Detroit if you reinvested in
5 the City, the creditors themselves will not see their
6 recoveries enhanced by the fact that the City has
7 gained access to these casino revenues, correct?
- 10 A. Yeah, I'm going to be careful here because one of the
11 things we've offered in our proposal, June 14th
12 proposal, is a 2 billion dollar note that has some
13 capacity to fluctuate. Generally speaking, your
14 statement is true, but there's another concept that
15 without this reinvestment there's a very real chance
16 that the City will have no chance to stabilize and
17 grow and the creditors will see no opportunity for any
18 benefit because the City would have an inability of --
19 continue to decline, quality of life will continue to
20 decline, revenue from other streams will continue to
21 decline, and the City's ability to satisfy its
22 obligations to the creditors will continue to decline.
- 23 Q. Now, I understand that distinction, and we're talking
24 now about the proposal you've made to creditors that
25 you would give all of the unsecureds --
- 215: 1 A. Yes.
2 Q. -- effectively a pot of 2 billion dollars of bonds.
3 A. Correct.
4 Q. And I want to distinguish between two concepts and
5 make sure that we're on the same page because I think
6 that we are.
7 A. Right.
8 Q. The first point is that you do agree that you're not
9 going to take the casino revenues and put it on top of
10 the 2 billion pot to make a larger recovery for
11 creditors.
12 A. Yes, that's fair.
13 Q. But you are saying that there could be some value to
14 the creditors of a revitalized Detroit because that
15 Detroit will be more able to perform under the
16 2 billion dollars in bonds that you're going to give
17 them as part of your proposal?
18 A. That's correct.
19 Q. Okay. Did I summarize accurately the distinction you

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

20 were trying to draw there?
21 A. Yes. Yes. There's a broader concept about the need
22 to revitalize the City and grow beyond just the
23 interest of the creditors. It's also for the citizens
24 and residents and future of the City.
25 Q. Oh, absolutely. I understand that.
216: 1 A. But, yes, that's generally -- no direct benefit from
2 the casino revenue.

Designation:

216:15 Q. I understand that as a general concept, but I meant
16 have you undertaken actually any actual analysis of
17 the potential Delta 2 creditor recovery?
18 A. Oh, from the 120 -- from the casino revenue?
19 Q. Right.
20 A. Yes, I believe we have.
21 Q. And what does it show?
22 A. Here again, that's -- it's sensitive and, in addition,
23 I believe those discussions were caught up in
24 discussions I had with counsel, so I'm going to have
25 to decline.
217: 1 Q. Those are privileged communications?
2 A. I believe so.
3 Q. So the analysis of how my client Syncora, as an
4 unsecured creditor, would do if the assumption motion
5 is denied versus how it will do if its granted, that's
6 something that you cannot speak to?
7 A. Right, because it goes into the analysis, as we said
8 earlier today, what would happen if it were denied,
9 what the options would be to the City, what litigation
10 risk would happen, what would be caught up in the
11 existing litigation, all those issues.
12 Q. Let me hand you Orr Exhibit Number 3.

Designation:

218:24 Q. Now, you prepared this proposal for creditors that
25 I've marked as Orr Exhibit 3 in anticipation of your
219: 1 June 14, 2013 meeting with creditors, correct?
2 A. Yes, I and my team put this together.

Designation:

221: 2 Q. So let me draw your attention, if I could, to page 38
3 of this report.
4 A. Yes.
5 Q. Now, this is -- this is titled A Look At the Future in
6 the Absence of Restructuring Initiatives. Do you see
7 that?
8 A. Yes.
9 Q. Okay. So what this table is doing is it's saying here
10 is where the City of Detroit is headed without any
11 increases in expenditures necessary to restore City
12 services to adequate levels; without additional
13 investments by the City and services assets or
14 infrastructure; and, last, without any changes to

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

- 15 legacy liabilities, correct?
- 16 A. Yes, that's correct.
- 17 Q. Now, we're going to talk about each of these three
- 18 things in a moment, but the fact of the matter is each
- 19 of those three things have changed during the
- 20 bankruptcy process in terms of what legacy liabilities
- 21 are getting paid or what reinvestments are being made,
- 22 correct?
- 23 A. To some degree they have and to some degree they
- 24 haven't. We are still in a steady state with, for
- 25 instance, salary, overtime, fringe, health benefits,
- 222: 1 operating expenses, with regard to secure debt
- 2 service, pension contributions which remain
- 3 underfunded, health benefits are still in a steady
- 4 state. We are hopefully in a steady state on a
- 5 revenue side as well.
- 6 Q. I was just making --
- 7 A. But, yes.
- 8 Q. I was making a simpler point, which is, for example --
- 9 we'll go into this, but like you're not paying the
- 10 service payments related to the COPs during the
- 11 bankruptcy?
- 12 A. I believe that's correct.
- 13 Q. Okay. And I think you're deferring pension
- 14 contributions.
- 15 A. A portion of the pension contributions. For instance,
- 16 this year I think we had an obligation of
- 17 approximately 131 million dollars. I think we paid 31
- 18 million of it.
- 19 Q. Okay. So a portion.
- 20 A. But that is the steady state. The City regularly
- 21 defers pension contributions.
- 22 Q. True, true. We'll get into this in a moment here,
- 23 but --
- 24 A. Right.
- 25 Q. -- now, the fiscal year of the City runs from June 30
- 223: 1 to June 30, right?
- 2 A. Yeah, July 1 to June 30.
- 3 Q. Right. Yeah. Okay.
- 4 And the years that are listed here, it's
- 5 your understanding these are the fiscal years,
- 6 correct?
- 7 A. 2008 to 2012 are fiscal year actuals. 2013 were
- 8 preliminary forecasts, at this time forward.
- 9 Q. That's right. This was back in June, so you had a
- 10 little -- there was a stub period on June 2013?
- 11 A. Yes.
- 12 Q. When I talked to Mr. Buckfire yesterday, he indicated
- 13 that it was his understanding that these years are
- 14 July 1, 2013 through June 30, 2014 --
- 15 A. That's correct.
- 16 Q. -- 2014 here?
- 17 A. That is correct.
- 18 Q. Now, the forecast that the City indicates when it
- 19 comes to total revenues for the fiscal year that we're
- 20 currently in is about 1,082,800,000 in total revenue,

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

- 21 correct?
- 22 A. That is correct. That's down about 30-some-odd
23 million dollars from the prior year.
- 24 Q. Right. And if you look at the operating expenditures,
25 that shows that you anticipate 685.7 million in
224: 1 operating expenditures during that -- this fiscal year
2 that we're currently in, correct?
- 3 A. That is correct.
- 4 Q. Now, if you just viewed these things in isolation, you
5 are representing here a net operating surplus of just
6 under \$400,000,000, correct?
- 7 A. That's roughly, correct, yes.
- 8 Q. Now, the -- and the operating expenditures are the
9 amount of money that you forecast needing to operate
10 the City as you found it with its current level of
11 services when you were appointed, correct?
- 12 A. That is correct.
- 13 Q. Okay. So that's the point of the caveat at the top,
14 which is you have the aim of improving services in the
15 City, but when you compiled this expenditures
16 analysis, this was based on here is how we currently
17 do things in the City of Detroit, providing the level
18 of services we currently provide, and here is how much
19 it costs?
- 20 A. That is correct.
- 21 Q. Now, isn't it true that -- we've talked about the fact
22 that while the casino revenues fluctuate between 170
23 and 180 million, even if you took them out of this
24 forecast, you would still have a net operating surplus
25 of \$227,000,000, correct?
- 225: 1 A. Well --
- 2 Q. Put aside --
- 3 A. Yeah, put aside --
- 4 Q. I understand.
- 5 A. -- debt service and pension contributions, healthcare,
6 but just looking at operating expenses, that would be
7 correct.
- 8 Q. And -- that's right. I'm emphatically doing that.
9 I'm referring to --
- 10 A. Right.
- 11 Q. -- this line. Okay?
- 12 A. Right.
- 16 A. It's in bold. It's the 1, 2, 3, 4th line down.
- 18 Q. And, I mean, can we agree it wasn't an accident that
19 whoever compiled this broke the legacy expenditures
20 down below the operating expenditures, correct?
- 21 A. Yes. I'm sure that was intentional.
- 22 Q. Right. And that's because, for example, while
23 payments to the COPs are likely very important to the
24 COP holders --
- 25 A. Right.
- 226: 1 Q. -- they're not something that you actually use to run
2 the City.
- 3 A. Well, yes, it's not an operating expense.
- 4 Q. Right.
- 5 A. It's a debt service.

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

- 6 Q. Right.
7 A payment to a police officer for their
8 time or for their benefits, that is an operating
9 expense?
10 A. Absolutely.
11 Q. And that's all covered in the operating expenditures.
12 A. Yeah. Salary over time and fringe benefits, yes.
13 Q. Okay. So if you follow along in my hypothetical and
14 we took out what we'll call a hundred -- we'll split
15 the difference. We'll say it's 175,000,000.
16 A. Sure.
17 Q. I'll tell you in here it's projected to be 170 -- why
18 don't we use the number here. If we took the 170 out,
19 you'll still have 227.2 million dollars to work with
20 from the standpoint of a net operating surplus,
21 correct?
22 A. Yes, roughly \$230,000,000.

Designation:

- 236: 7 Q. I've asked you earlier about selling the art and I
8 asked you about it as considering it as a potential
9 backup plan to the negotiations with the Swap
10 counterparties.
11 A. Right.
12 Q. Do you remember that testimony?
13 A. Yes, I do.
14 Q. We went back and forth.
15 A. Yes.
16 Q. I'd like to bring it forward to the future, to the
17 present.
18 A. Yes.
19 Q. Which is, are you under active consideration now of
20 using the art to alleviate the liquidity crisis and to
21 do all of the things that you say you want to do in
22 this proposal?
23 A. No. There are no plans to use the art or any other
24 asset in particular to liquidate it to
25 relieve liquidity issues in the City. What I have
237: 1 said when I first took this job, and continue to say,
2 all options are on the table. We are currently
3 beginning the process of appraising approximately
4 3,500 pieces of art in the City of the 66,000 that are
5 there at the DIA, and once we go through that process,
6 we will have to decide what, if anything, we need to
7 do, but I have no plans to use art to relieve the
8 liquidity crisis that the City is in now.
9 Q. So let me offer an observation for you to react to,
10 which is, earlier on when I was asking you questions,
11 you were telling me about the terrible things
12 happening in the City, people dying, being shot, the
13 seriousness of the problems with which you're
14 grappling.
15 A. Yes.
16 Q. You've also identified the assumption motion as
17 something that needs to be moved along quickly because

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

18 of its importance to the issues that we discussed,
19 right?
20 A. Right.
21 Q. Why isn't the art equally important to allowing you to
22 fix Detroit?
23 A. I haven't said that it's not important. What I've
24 said is there are no plans to liquidate it to address
25 those concerns. I think it is fair to say that there
238: 1 has been much debate as to the value of art versus
2 alleviating a number of other concerns, and I've heard
3 that debate and I've listened to it, but our first
4 order of business is to assess what we're talking
5 about and then we'll decide what, if anything, we need
6 to do.
7 Q. Isn't it fair to say that you certainly haven't put
8 the art time line, in terms of your decision-making
9 process, you haven't given it the same sort of speed
10 you've given to the forbearance agreement time line?

Designation:

238:12 A. Yeah. I think it's fair to say that in our proposal I
13 think we included roughly 15 buckets of assets, and
14 none of them have been given the same priority that we
15 deem the forbearance agreement principally because
16 we're not in default with regard to art. We're in
17 default with regard to the Swap agreement.
18 Q. Well, that was actually going to be my point, which
19 is, you own the art.
20 A. Yes.
21 Q. So you don't have to negotiate with anybody in order
22 to sell it, right?
23 A. No, but a prudent thing to do, and we've said this
24 before, is to find out what we're talking about first,
25 and that's why we're going through an appraisal
239: 1 process.
2 Q. Just a few more questions and I'll pass the baton.
3 A. Sure.
4 Q. I take it that when you were appointed as emergency
5 fin -- emergency manager, you familiarized yourself
6 with some of the prior negotiations that had gone on
7 around efforts to resolve the Swap that I believe were
8 referenced in the 2012 CAFR of the City of Detroit.
9 A. Consolidated report, yes.
10 Q. You at least made inquiry as to what happened last
11 year when you tried to work this out.
12 A. Yes.
13 Q. And it's also your understanding that the potential
14 right of the Swap counterparties to terminate the Swap
15 and demand a large termination payment goes back all
16 the way to March of 2012; isn't that correct?
17 A. At least, yes.
18 Q. Thinking that's consistent with your report here --
19 A. Yes.
20 Q. -- you say that.
21 A. Yes.

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

- 22 Q. So isn't it true that from March 2012 all the way to
23 June 4, when Mr. Buckfire went into the negotiating
24 room for the first time with the Swap counterparties,
25 during that entire time, the Swap counterparties had
240: 1 never trapped cash?
2 A. To the best of my knowledge, that's true.
3 Q. And they had never declared a termination event?
4 A. To the best of my knowledge -- to the best of my
5 knowledge, that's true.

Designation:

- 248:12 Q. Let's turn now, Mr. Orr, to the topic of the consent
13 rights or -- of FGIC and Syncora topic that you were
14 discussing with Mr. Hackney earlier.
15 A. Yes.
16 Q. And actually, let's focus specifically on the
17 negotiations that the City engaged in with the Swap
18 counterparties leading up to the execution of the
19 forbearance agreement.
20 A. Okay.
21 Q. And when you were speaking with Mr. Hackney, you
22 testified that you yourself did not invite either FGIC
23 or Syncora to those negotiations, correct?
24 A. Yes. To the best of my knowledge, that's true.
25 Q. And I believe you said you also didn't suggest to
249: 1 anyone else that they should invite FGIC or Syncora to
2 those negotiations, correct?
3 A. Yes. I believe I testified I did not instruct anybody
4 to invite them.
5 Q. To your knowledge, did anyone else suggest inviting
6 either FGIC or Syncora to the negotiations?
7 A. As I testified earlier today, there were a series of
8 letters that were exchanged, and at some point there
9 was some discussion about Syncora submitting a
10 proposal. That discussion was wrapped up into whether
11 or not it would sign a reciprocal nondisclosure
12 agreement. To the best of my knowledge, that never
13 happened.
14 Q. But I think we established that the letter exchanged
15 with Syncora occurred at some point after June 11th,
16 when there had been an agreement in principle on the
17 economic terms of the forbearance agreement; is that
18 correct?
19 A. Yes. I believe we -- we testified that June 11th we
20 reached agreement and principally documented,
21 June 14th we had the presentation for creditors, and
22 the letter I saw earlier today I think was dated
23 June 17th.
24 Q. That's right. So prior to June 11th, did anyone else
25 to your knowledge suggest inviting either FGIC or
250: 1 Syncora to the negotiations?
2 A. Not to my knowledge, no.
3 Q. And you mentioned just a minute ago that there had
4 been some discussion with Syncora or representatives
5 of Syncora about an alternative proposal to the

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

6 forbearance agreement, and I think you said to
7 Mr. Hackney that there had been no negotiations with
8 FGIC about an alternative proposal; is that correct?
9 MR. SHUMAKER: Objection to form.
10 A. Yeah, it's a compound question, but I think the way I
11 would answer it, yes, we would talk about whether or
12 not someone had been invited. And I think what I said
13 is to the best of my knowledge I did not invite FGIC
14 and I did not know if anybody else did.

Designation:

253:21 Q. One of the things you -- one of the things Mr. Hackney
22 asked you about was if in the course of the
23 negotiation of the forbearance agreement, you had what
24 he referred to as a plan B. Do --
25 A. Right.
254: 1 Q. -- you recall him asking that question?
2 A. Yes, I recall that discussion. Yes.
3 Q. And you responded by saying, without specifically
4 having a plan B, you had considered alternative to the
5 forbearance agreement structure, correct?
6 A. Correct.

Designation:

255: 9 Q. Did you consider capital market alternatives to the
10 forbearance agreement?
11 A. We did, but to be perfectly honest with you, the City
12 had borrowed so much money from the capital markets
13 without the probability of being able to pay it back
14 on any reasonable or rational time frame that that
15 wasn't a serious consideration was taking on more
16 debt.
17 Q. Okay. So you didn't really believe that had you a
18 what we -- what I just described as a capital market
19 alternative to the forbearance agreement?
20 A. The City has no -- what I've said at the June 10th --
21 public meeting on June 14th we were addicted to debt
22 and we had no ability to take on additional debt.

Designation:

264: 7 Q. Mr. Hackney also asked you some questions about the
8 service corporations and about whether there were any
9 negotiations on behalf of the City with the service.
10 Corporations?
11 A. Yes.
12 Q. Okay. I believe you answered that negotiating with
13 service corporations would not have been your job. It
14 would have been Ken Buckfire's or someone else's job
15 to do that.
16 A. Yes. I believe that's right.
17 Q. Okay. If it wasn't Ken Buckfire's job, who else's job
18 would it have been?
19 A. It might have been someone else on his team or at
20 Miller Buckfire or someone else on behalf of the other

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

- 21 counsel for the emergency manager or the City.
22 Q. Someone else in your office you mean?
23 A. No. No. Other consultants and attorneys on behalf of
24 the City.
25 Q. Okay. But am I correct that no one has reported to
265: 1 you that they had negotiations with the service
2 corporations; is that correct?
3 A. Yeah, reported. I'm going to be careful. My
4 understanding was we had an agreement, I signed it,
5 and it was sent to the service corporations. I
6 personally had no negotiations with them, but my
7 understanding, based upon the fact it was executed,
8 that whoever needed to procure and secure those
9 signatures did so.
10 Q. You don't know who got those signatures from the
11 service corporations?
12 A. No. Sitting here today I do not.

Designation:

- 265:15 Do you -- are you assuming then that there
16 were some negotiations between the City and the
17 service corporations?
18 A. Yeah. Here again, I'm going to say whenever you -- as
19 I said to Mr. Hackney, whenever you talk about
20 negotiations, you know, so we don't get bogged down in
21 nomenclature, I'm assuming that something happened
22 that had the service corporations aware of the
23 agreement, that they agreed to and they signed off on
24 it. So if those constitute negotiations, that's what
25 I'm assuming, but I'm saying to you that I had no
266: 1 independent negotiations and I don't know who did
2 that.
3 Q. And you don't have any idea sitting here today about
4 what those negotiations would have involved, how they
5 happened, when they happened, how long they took,
6 anything like that; is that right?
7 A. That's right.

Designation:

- 271:15 Q. And how much do you estimate that more federal
16 assistance to be?
17 A. I have no idea. Whatever -- whatever we can get. If
18 it's several millions more, if it's several hundreds
19 millions more, we're going to apply for it.
20 Q. Do you think it's a possibility it could be hundreds
21 of millions more?
22 A. Possibility it could be.

Designation:

- 271:23 Q. Earlier in your testimony you were asked a lot of
24 questions about legal analyses or legal claims that
25 might have been made, and on those questions you
272: 1 claimed attorney-client privilege --
2 A. Yes.

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

3 Q. -- and said that you didn't have an independent view
4 that didn't come from attorney-client communications.
5 A. Yes.

Designation:

278:23 Q. Did you make an independent assessment apart from
24 advice of counsel as to the strengths -- strengths or
25 weaknesses of the City's claims against the Swap
279: 1 counterparties?
2 A. Not without the advice of counsel, no.

Designation:

284: 3 Q. Did you have any analysis done as to the cost of a
4 litigation with the Swap counterparties?
5 A. No. I don't recall if any of the documents included
6 costs. We -- there were discussions about the
7 potential costs and the timing, but I don't recall if
8 any of the documents did.
9 Q. Okay. What was your best estimate as to how much a
10 litigation with Swap counterparties would cost the
11 City?
12 A. I don't -- I don't remember what the best estimates
13 were. They -- they ranged from --
14 MR. SHUMAKER: Object. I just want to make
15 sure you're not going to be revealing any
16 attorney-client communications with your answer.
17 THE WITNESS: Okay.
18 MR. SHUMAKER: I'll interject that. I'll
19 let you answer the question as to whether that was
20 addressed. I don't want you to go --
21 THE WITNESS: Okay.
22 MR. SHUMAKER: -- into anything --
23 THE WITNESS: Okay.
24 MR. SHUMAKER: -- beyond that.
25 A. It was addressed, and suffice it to say I think it's
285: 1 fair to assume that in litigation in the nature you're
2 discussing that it could go into millions of dollars.

Designation:

285: 4 Q. How about the time it would take to litigate the Swap
5 counterparties? Did you estimate how long it would
6 take?

Designation:

285: 8 A. Let's -- let's do it this way. I think it's fair to
9 say that there were discussions regarding the time for
10 litigation and/or appeals and the costs that were
11 involved if that tack was taken.

Designation:

285:13 Q. How long did you estimate it would take to litigate

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

14 with Swap counterparties?

15 A. I'm not sure the predicate is there that I estimated
16 the length of time.

17 Q. Okay. If you didn't estimate the length of time,
18 that's an okay answer to give.

19 A. Yeah. I'm trying to be as clear as I can for you and
20 say that there were discussions, but there's nothing
21 as specific as the lodestar method of analysis which
22 you understand is time times hours billed, so on and
23 so forth. There were discussions and there were
24 analyses about what it could be.

25 Q. Now, I have to unpack that a little bit because you
286: 1 mentioned the lodestar analysis, one of my favorite
2 friends. Did you have a lodestar analysis done for
3 litigation with the Swap counterparties?

4 MR. SHUMAKER: Objection, this is getting
5 into the -- the specific communications between
6 Mr. Orr and his counsel when you start to go through
7 what -- what are the particulars of the advice that
8 was being given. I allowed you to go forward with
9 whether he considered the length of litigation in his
10 answer, but I don't want him to go into the specifics
11 of any sort of analysis that was done by counsel.

12 With that admonition, you can answer.

13 A. Again, without going to the specifics of discussion
14 I've had with counsel, there were discussions about
15 potential length of litigation and appeals and the
16 potential cost. Those discussions included time that
17 may have impaired my ability to complete my obligation
18 within the time frame provided by Public Act 436, as
19 well as significant costs, litigation cost being
20 incurred by the City.

Designation:

286:22 Q. Okay. Here is my question again, because in your
23 answer you mentioned lodestar analysis, so I'm just
24 asking -- it's a yes or no question.

25 A. Um-hm.

287: 1 Q. Did you have a lodestar analysis performed with
2 respect to alitigation with the Swap counterparties?

3 MR. SHUMAKER: Again, I'm going to object.
4 I believe that that question asks the -- asks Mr. Orr
5 to reveal privileged attorney-client communications
6 when you get into specific lodestar analysis.

Designation:

289:11 Q. Do you recall whether you ever discussed with any of
12 the Swap counterparties the City's potential legal
13 arguments as against the Swap counterparties?

14 A. Did I?

15 Q. Yeah.

Designation:

Objectors' Designations From August 30, 2013 Deposition of Kevyn Orr

289:18 A. No, I don't think I had though those discussions. No.
20 Q. Did you ever debate the validity of the Swap
21 counterparties secured position with anyone from the
22 Swap counterparties?
23 A. Did I personally?
24 Q. Yes.
25 A. No.

Designation:

296: 6 Q. Well, let me ask you this. Has -- based on this
7 document, the City's plan is to allocate a 2 billion
8 dollar note to the unsecureds, and this plan is -- it
9 has a line item for continuing to pay the Swaps?
10 A. Yes.
11 Q. Does the 2 billion dollar number change if the Swap
12 payments change?
13 A. To the best of my knowledge, no. I don't assume that.

Exhibit 6B

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

Designation:

9: 2 Q. Mr. Buckfire, would you please state your name and
3 business address for the record?
4 A. Kenneth Buckfire. 601 Lexington Avenue, New York, New
5 York.

Designation:

11:14 Q. Mr. Buckfire, what is your position with Miller
15 Buckfire?
16 A. Co-founder and co-president of Miller
17 Buckfire & Company.
18 Q. Miller Buckfire currently is employed as the financial
19 advisor to the City of Detroit, correct?
20 A. As the investment banker to the City, that's correct.

Designation:

19:22 Q. Now, is it fair to say that you have principal
23 responsibility for the engagement of the City and the
24 work that's being performed by the members of your
25 team?
20: 1 A. Yes.
2 Q. And so all the individuals we just discussed report
3 directly to you, is that correct?
4 A. Yes.

Designation:

21:11 MR. SUMMERS: If we could mark this as
12 Deposition Exhibit 2, please.

Designation:

21:17 Q. Mr. Buckfire, do you recognize this document?
18 A. I do.
19 Q. And it is the forbearance and optional termination
20 agreement that was executed by Mr. Orr among others on
21 or about July 15th, 2013, is that correct?
22 A. Yes.
23 Q. And this is the agreement that's the subject of the
24 pending motion in the bankruptcy court which brings us
25 here today, correct?
22: 1 A. Yes.
2 Q. Okay. And was the City's decision to enter into the
3 forbearance agreement made by Mr. Orr?
4 A. Yes, it was.

Designation:

22:13 Q. What role did you have in the negotiation of the
14 forbearance agreement?
15 A. On behalf of the City of Detroit I had responsibility
16 for negotiating the business terms of this agreement.

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

Designation:

- 34: 8 Q. Is it fair -- let's draw down in detail a little bit
9 on the June 8th meeting. Who was -- what individuals
10 were present at the June 8th meeting?
11 A. It was the same attendees as at the June 4th meeting
12 except that Mr. Saxton and Mr. Martin did not attend.
13 Q. Were the service corporations present at the June 8th
14 meeting?
15 A. Not to my recollection.
16 Q. Were the service corporations present at the June 4th
17 meeting?
18 A. No.
19 Q. What point was information about the proposed
20 forbearance agreement communicated to the service
21 corporations?
22 A. I don't know.
23 Q. Do you know who was communicating with the service
24 corporations?
25 A. No.
35: 1 Q. Was anybody communicating with the service
2 corporations?
3 A. I don't know.
4 Q. Did Mr. Orr know?

Designation:

- 35: 6 A. I don't know.

Designation:

- 35: 8 Q. But you never spoke with a representative of a service
9 corporation about the forbearance agreement?

Designation:

- 35:11 A. I already testified to that.

Designation:

- 35:25 Q. Did the Swap counterparties ever say to the City that
36: 1 if a resolution is not reached by a certain date, they
2 will terminate?
3 A. Not to my knowledge.
4 Q. And you said that the first defaults occurred in your
5 view in March 2012, is that correct?
6 A. There was a credit rating downgrade which triggered
7 termination event under the collateral agreement which
8 had not been cured, and then after that the City
9 emergency manager was appointed, that in itself was an
10 event of default under the agreement. So, we had
11 several defaults.

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

Designation:

40: 2 Q. Mr. Buckfire, the forbearance agreement in the City's
3 view allows the City to direct the termination of the
4 Swap agreements, is that correct?
8 A. Well, we negotiated for the right to do so if we can
9 deliver the Swap termination payment.
10 Q. Is that a right that the City currently possesses
11 under any other agreement?
12 A. This is the only agreement of which I'm aware.
13 Q. And it is the City's view that under the forbearance
14 agreement the City is able to direct the termination
15 of the Swap agreements without the consent of any
16 other party, is that correct?
21 A. Can you repeat your question?
22 Q. Sure. Under the forbearance agreement the City is
23 able to direct the termination of the Swap agreements
24 without the consent of any other party, is that
25 correct?

Designation:

41: 3 A. I don't know what I'm supposed to answer to. It's our
4 view that this is an agreement the City can perform it
5 has rights under.

Designation:

44: 6 Q. This document has been marked as Exhibit Number 3 is
7 the proposal to creditors, executive summary of the
8 proposal to creditors that was made on June 14th,
9 2013, is that correct?
10 A. Yes.
11 Q. And this was prepared in connection with a meeting
12 with creditors that was held at the Detroit Airport
13 Westin on June 14th, 2013, is that correct?
14 A. That's correct.
15 Q. And did you participate in creating this executive
16 summary?
17 A. I did.
18 Q. And you participated in the information that is --
19 gathering the information that is disclosed in this
20 executive summary, is that right?
21 A. Well, I reviewed drafts of it to make sure that it
22 made sense, that it was consistent, that it was
23 accurate, but I did not prepare the information
24 myself.
25 Q. You prepared -- leave it there. You're familiar with
45: 1 the contents of this document, correct?
2 A. Yes.
3 Q. If you turn to Page 35. And Page 35 contains a
4 summary of the current financial status of the City as
5 of June 14th, 2013, is that correct?
6 A. No, actually this is just one way of looking at it.
7 Page 8 and 9 are actually more relevant for the
8 discussion we've been having today.
9 Q. If you stay with -- what then do you think is

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

- 10 contained on Page 35?
- 11 A. This is a review of the City's reported historical
12 financials.
- 13 Q. If you look at the column at the very far right side
14 of the page it says prelim 2013. Do you know what
15 that column contains?
- 16 A. It contains a preliminary estimate of revenues,
17 operating expenses and legacy expenses for 2013.
- 18 Q. And if you look down here line labeled total revenues
19 which indicates 1.121.9 billion dollars, is that
20 correct?
- 21 A. Yes.
- 22 Q. And that is the total revenue that was projected as of
23 the date this executive summary was prepared for 2013?
- 24 A. Yes.
- 25 Q. Now, if you go down the next subsection of Page 35 is
46: 1 labeled operating expenditures, correct?
- 2 A. Yes.
- 3 Q. And operating expenditures preliminary 2013 column
4 indicates 692 million dollars, correct?
- 5 A. Yes.
- 6 Q. Now -- and the operating expenditures include --
7 included in this section include the essential
8 services that the City has to provide, is that
9 correct?
- 10 A. Yes.
- 11 Q. And then when you get to the legacy expenditures, is
12 it correct that the City is not currently making debt
13 payment, debt service payments to general obligation
14 bonds, is that correct?
- 15 A. Yes.
- 16 Q. And the City is not -- is currently deferring payments
17 for retiree health benefits, isn't that correct?
- 18 A. Yes.
- 19 Q. So, without making service or making payments on the
20 legacy expenditures for 2013, is it correct to say
21 that the City would have operated at a surplus for
22 fiscal year 2013?
- 23 A. Well, clearly if we're not making our fixed
24 obligations, we'd have more cash than if we did.
- 25 Q. And are you currently making payments on any of the
47: 1 items that are categorized under the legacy
2 expenditures part of Page 35?
- 3 A. Yes.
- 4 Q. What portions are you making?
- 5 A. Well, we're making payments on the POC Swaps because
6 they are a secured obligation. I'm not sure looking
7 at this whether the 141 million of debt service for
8 LTGO and UTGO incorporates payments made on the
9 secured state revenue share bonds which we have three
10 series. I have to go back and check, but clearly the
11 City is paying its obligations on secured, that is,
12 revenue protected debt and not paying on unsecured
13 debt.
- 14 Q. And the City is not at this point making its pension
15 contributions, correct?

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

- 16 A. Correct.
- 17 Q. The City at this point is not paying the health
18 benefits for retirees, correct?
- 19 A. Yes, that's correct.
- 20 Q. And the City is not making principal interest payments
21 to the service corporations, correct?
- 22 A. That's correct.
- 23 Q. Then turn to Page 38 of the executive summary. In
24 this document among other things or this page among
25 other things contains a preliminary forecast for
48: 1 fiscal -- for the City for fiscal year 2014, is that
2 correct?
- 3 A. Yes.
- 4 Q. And you see the column that's labeled 2014?
- 5 A. I do.
- 6 Q. The column labeled for 2014 indicates the total
7 revenues for the City for 2014 are projected to be 1
8 billion 108 -- so, it's 1 billion 82 million point 8,
9 is that correct?
- 10 A. Yes, a decline from 2013.
- 11 Q. And expenditures, the expenditures column indicates
12 that expenditures that the City will incur for
13 essential services will total 397.2 million dollars
14 for 2014, is that correct?
- 15 A. That's the projected net operating surplus, correct.
- 16 Q. Yeah, I'm sorry, it's 685.7 million in expenditures
17 for fiscal year 2014, correct?
- 18 A. Yes.
- 19 Q. And that results in a surplus of 397.2 million
20 dollars, correct?
- 21 A. Before debt service.
- 22 Q. Before debt service. But you're not making -- the
23 City is not making a significant portion of the debt
24 service, correct, in 2014?
- 25 A. That's correct.
- 49: 1 Q. So, for example, the City does not actually project
2 paying pension -- making pension contributions for
3 fiscal year 2014, isn't that true?
- 7 A. That's correct.
- 8 Q. And the City does not currently plan to pay the health
9 benefits for retirees in fiscal year 2014, correct?
- 13 A. Can you repeat the question, please?
- 14 Q. The City does not currently intend to pay the line
15 item for health benefits for retirees in fiscal year
16 2014?
- 17 A. That's correct.

Designation:

- 53:15 Q. So, do you believe that the City would be out of cash
16 without access to the casino revenues?
- 19 Q. As of December 2013?
- 20 A. If nothing else was done, yes.

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

Designation:

- 54: 5 Q. Now, you've previously discussed the Swap
6 counterparties entered the negotiations with the view
7 that events of default had occurred under the Swap
8 contracts, correct?
9 A. It was a fact.
10 Q. And so the City had the same view that there were
11 events of default that had occurred under the Swap
12 contracts prior to the bankruptcy?
13 A. It wasn't a view, it was a fact. We had at least two
14 defaults.
15 Q. And can you tell us what the two defaults were?
16 A. The ratings downgrade default which had occurred in
17 2012 and the appointment of the emergency manager in I
18 believe it was March of 2013.
19 Q. And were there any other defaults other than those two
20 in the City's view?
22 A. There may well have been but those are the two that I
23 recollect.

Designation:

- 55:15 Q. To your knowledge had the Swap counterparties ever
16 threatened to bring litigation claims against the
17 City?
18 A. No.
19 Q. Has the City considered whether the Swap
20 counterparties have claims against the City other than
21 those arising out of the defaults under the Swap
22 agreements?
24 A. I don't know.
56: 1 Q. Has the City evaluated whether it is in breach of the
2 collateral agreement?
10 Q. In your view have you engaged in any analysis of
11 whether the City has breached the collateral
12 agreement?
13 A. No.
14 Q. To your knowledge has anyone else associated with the
15 City analyzed whether the City is in breach of the
16 collateral agreement?
17 A. I don't know.
22 Q. Have the service corporations ever threatened to your
23 knowledge claims against the City?
57: 1 A. I don't know.
3 Q. Have you ever analyzed whether these service
4 corporations may have claims against the City?
5 A. No.
6 Q. Have you analyzed whether or evaluated -- strike that.
7 Let me start again.
8 Have you evaluated whether the City has
9 claims against the Swap counterparties?
12 Q. Has Miller Buckfire evaluated whether the City has
13 claims against the Swap counterparties?
14 A. No.
15 Q. Has anyone else working for the City analyzed whether
16 the City has claims against the Swap counterparties?

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

18 A. No.
20 Q. No, you don't know --
21 A. I don't know.
22 Q. So, Miller Buckfire performed no investigation into
23 whether the City has claims against the Swap
24 counterparties in connection with this forbearance
25 agreement, correct?
58: 2 A. No.

Designation:

58:10 Q. Do you have a view as to what claims the forbearance
11 agreement releases?
12 A. No. The answer was no at end of the table. I'll
13 speak up. I apologize.
14 Q. Does the forbearance agreement operate to release any
15 claims that might be held against the City?
17 A. I don't know.

Designation:

58:19 Q. Do you have an understanding of how interest rate
20 movements may affect the termination payment that
21 would become due under the Swap agreements?
22 A. Yes.

Designation:

58:25 Q. And what is that understanding?
59: 1 A. Well, as interest rates come down, the Swap
2 termination liability goes up.
3 Q. And if interest rates go up, what happens to the Swap
4 termination liability?
5 A. Comes down.
6 Q. And there would come a point if interest rates
7 increased enough where the City could actually become
8 in the money on the Swaps, is that correct?
9 A. It would except that the Swap counterparties in 2009
10 negotiated for the right to terminate the Swaps so
11 they would never actually be in a net liability
12 position against the City if that were to occur.
13 Q. What is your basis for stating that the Swap
14 counterparties negotiated the right to terminate the
15 Swaps in 2009?
16 A. Well, I've already testified that I reviewed the
17 collateral amendment entered into in 2009 and
18 discussed it with counsel to the City. In their
19 review of the contract, and I can't remember exactly
20 the provision now but that was their interpretation of
21 the contract right.
22 Q. Have you reviewed any of the other 2009 documents
23 related to the Swaps?
24 A. No.
25 Q. Has the City undertaken any analysis to evaluate
60: 1 future interest rate moves?
2 A. We have reviewed the forward LIBOR curve.

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

- 3 Q. And who performed that review?
- 4 A. That review was performed by Mr. Sanjay Marken, one of
5 our associates. M A R K E N, first name S A N J A Y.
- 6 Q. And when did he perform that review?
- 7 A. The most recent one was performed a few days ago.
- 8 Q. What did that review show?
- 9 A. It showed that the current forward LIBOR curve does
10 not show that the interest rate that's relevant to
11 this Swap would ever rise above six-and-three-quarters
12 percent which is the fixed rate on the Swap, and,
13 therefore, the market is telling us that the
14 probability of the Swap ever going in the money for
15 the benefit of the City is very low.
- 16 Q. Does the analysis address whether interest rates are
17 generally rising or decreasing?
- 18 A. The LIBOR curve is an observable market fact. I'm not
19 going to speculate on when rates are going up or down.
20 They will fluctuate.
- 21 Q. Have interest rates increased since the forbearance
22 agreement was executed?
- 23 A. Yes.
- 24 Q. And what effect has that increase on -- in interest
25 rates had on the estimated termination payment under
61: 1 the forbearance agreement?
- 3 A. Well, the assumption in June of this year when we
4 began to negotiate with the Swap counterparties was
5 the termination payment was around four hundred
6 million dollars. The rise in rates since that time
7 and it's now almost August probably has reduced that
8 termination payment to around three hundred million
9 dollars or even lower.
- 10 So, yes, the rise in rates has resulted in
11 a reduction of the termination payment.
- 12 Q. And is that analysis of the reduction to the
13 termination payment something that Miller Buckfire has
14 prepared?
- 16 A. Well, there is a procedure embodied in the collateral
17 agreement that lets you determine the termination
18 payment if one is to occur. We've simply analyzed the
19 net value of the assumed LIBOR payments and Swap
20 payments and come up with our own estimate.
- 22 Q. And that analysis was performed by Mr. Marken?
- 23 A. That's right.

Designation:

- 63: 3 Q. Mr. Buckfire, did Mr. Marken perform any analysis
4 related to the interest rates' effect on the Swaps
5 prior to the analysis he performed a few days ago?
- 6 A. No.

Designation:

- 63:19 Q. Did you describe what claims you would litigate
20 aggressively to the Swap counterparties?
- 21 A. No.

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

- 22 Q. Did you make any assertions to the Swap counterparties
23 concerning the validity of their liens at the June 4th
24 meeting?
25 A. No.
- 64: 1 Q. Was the potential of the City challenging the liens
2 held by the Swap counterparties ever a matter
3 discussed during the negotiation of the forbearance
4 agreement?

Designation:

- 64: 7 Q. Discussed with the Swap counterparties.
8 A. Yes.
9 Q. When was that discussed?
10 A. It was a very hectic period. I did really almost
11 nothing between June 4th and the 11th but try to
12 negotiate this deal. I know at several points in my
13 conversations with the business people I let them know
14 that if there were issues with the collateral, we
15 would raise them if necessary to protect the City.
16 Q. Did you articulate what those issues might be?
17 A. No.

Designation:

- 65: 8 Q. So, you never performed an analysis of the merits of
9 those claims?
10 A. No.

Designation:

- 65:19 Q. Did you assert any arguments or potential litigation
20 claims other than the issues surrounding the granting
21 of the liens in your negotiations with the Swap
22 counterparties?
23 A. No.
24 Q. Did you articulate to the Swap counterparties why in
25 the City's view the liens may or may not be valid?
66: 1 A. Not directly, no.

Designation:

- 69: 7 Q. You testified that as of the last analysis your
8 understanding is the estimated amount of the
9 termination payment that would be due is roughly three
10 hundred million dollars, is that correct?
11 A. Well, it clearly moves around as the interest rate
12 curve moves around. I think the most recent number is
13 somewhere reaching 275 and 300 million dollars.
14 That's before the application of the applicable
15 discount that we had provided for in the termination
16 agreement.
17 Q. And that last analysis, when was that performed?
18 A. A few days ago.

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

Designation:

69:23 Q. Does the City have a plan at this point for how it
24 will obtain the cash necessary to pay the termination
25 payment?

Designation:

70: 3 A. Yes, the City has a plan.

Designation:

70: 5 Q. And what is that plan?
6 A. The City intends to secure a debtor in possession
7 financing of sufficient proceeds to fund the
8 termination payment as well as provide sufficient cash
9 for the City to execute on its reinvestment program
10 during the bankruptcy.

Designation:

70:18 Q. And is Miller Buckfire leading the effort to obtain
19 debtor in possession financing?
20 A. Yes.

Designation:

71:16 Q. And do you know who those ten entities are that have
17 said they are not interested?
18 A. I do, yes.
19 Q. And who are they?
20 A. I'm not going to tell you that.
21 Q. On what basis?
22 A. It's commercially sensitive information.

Designation:

73:24 Q. What covenants, if any, are included in the RFP as
25 being acceptable or not acceptable?
74: 1 A. I'm not going to discuss that. It's commercially
2 sensitive.

Designation:

74: 6 Q. And is the City offering a lien on casino revenues in
7 connection with the DIP financing?
8 A. In part.

Designation:

74:12 Q. No doubt. What other collateral is the City offering
13 to secure the DIP financing loan?
14 A. I'm not going to answer that question.

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

Designation:

75: 2 Q. Is the City offering art work as collateral?
3 A. I'm not going to discuss the terms of the term sheet,
4 sorry.

Designation:

76:15 Q. Has the City had discussions with the State of
16 Michigan about providing financing?
17 A. I'm not going to discuss that.

Designation:

76:21 Are there certain events that the City
22 believes has to happen in the case for it to be able
23 to realistically obtain debtor-in-possession
24 financing?
25 A. Yes, there are events in the case.
77: 1 Q. And what is that deal?

Designation:

77: 4 A. Well, we have to find a willing lender, that's number
5 one. Number two, we have to have a court order
6 approving the form of the DIP financing, and, number
7 three, we believe we need to have approval of the
8 forbearance and termination agreements we get the
9 benefit of the elimination of the collateral pledge
10 and the benefit of the discount.

Designation:

77:12 Q. Do you need a determination on eligibility as well?
13 A. Probably as a condition to closing but not as a
14 condition to getting a loan commitment.

Designation:

79:10 Q. And if the City obtains a debtor-in-possession
11 financing, what's the intended use of the financing?

Designation:

79:14 A. I've already answered it.

Designation:

79:16 Q. Why don't you go ahead, say it again.
17 A. We'll use proceeds to terminate the Swaps at the
18 discount provided for in the forbearance agreement and
19 the balance of the DIP loan will be retained by the
20 City as working capital and to support its
21 reinvestment program.
22 Q. Are there any other intended uses to the DIP financing
23 other than the two you just said?

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

24 A. Not that I'm aware of.

Designation:

85: 6 Q. Go back to the negotiations that occurred in 2013.
7 Did you invite Syncora to participate in those
8 negotiations?
9 A. No.
10 Q. Why not?
11 A. They weren't a party to the collateral agreement.
12 Q. Did you consult with Mr. Orr as to whether Syncora
13 should be invited to the negotiations?
14 A. No.
15 Q. Did you invite Financial Guaranty Insurance Company to
16 participate in the negotiations concerning the
17 forbearance agreement?
18 A. No.
19 Q. Did you consult with Mr. Orr with respect to the
20 decision whether Financial Guaranty Insurance Company
21 should be invited to those negotiations?
22 A. No.
23 Q. So, you made that decision -- how did you come to the
24 decision not to invite -- we'll call it FGIC?
25 A. It never came up. They weren't a party to the
86: 1 agreement.
2 Q. Did you invite US Bank to participate in the
3 negotiations concerning the forbearance agreement?
4 A. No.
5 Q. Why not?
6 A. Not a party to the agreement.
7 Q. To the collateral agreement?
8 A. Correct.
9 Q. And to your knowledge no one else invited Syncora,
10 FGIC or US Bank to participate in the negotiations on
11 the forbearance agreement?
12 A. Correct.

Designation:

87:11 Q. Did you ever advise Mr. Orr that you thought Syncora
12 should be a party to the negotiations?
13 A. No.

Designation:

88:11 Q. At any time during the negotiations in 2013 did the
12 Swap counterparties send a notice of an event of
13 default?
14 A. I don't recall if we ever received an official notice
15 but we certainly were aware of the fact they could
16 send one at any time.
17 Q. And at any time during the negotiations in 2013 did
18 the Swap counterparties formally designate an early
19 termination date?
20 A. No.

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

Designation:

89: 3 Q. Now, you've indicated there was I guess an agreement
4 -- is it fair to say there was an agreement at least
5 in principle on the terms of the forbearance agreement
6 on or before June 11th, is that correct?
8 A. There was an economic understanding, yes.

Designation:

89:10 Q. What happened after June 11th with respect to the
11 negotiations?
12 A. Well, the attorneys for the City and for the Swap
13 counterparties began to negotiate the forbearance
14 agreement. I was not directly involved in that
15 because it was primarily in fact solely with respect
16 to the nonfinancial terms of it.
17 That took several weeks of very intensive
18 work amongst the lawyers for all the parties to arrive
19 at an agreement that could be executed which it turned
20 out not before July 15th.
21 So, it took about a month to complete the
22 negotiations for the agreement, so --
23 Q. Other than attorneys working to document I guess the
24 legal terms -- well, document the whole thing, was
25 there anything else that caused a month, approximately
90: 1 a month to elapse between agreement on the financial
2 terms and execution of the forbearance agreement?
3 A. No, it was a very, very active negotiation amongst the
4 parties to the arrive at the final document.

Designation:

93: 8 Q. To your knowledge at no point in 2012 did the Swap
9 counterparties send a notice of an event of default to
10 the City?
13 A. Not to my knowledge.

Designation:

94:17 Q. You're familiar with the Detroit General Retirement
18 System Service Corporation and the Detroit Police and
19 Fire Retirement System Service Corporation?
20 A. I know they exist.
21 Q. Do you have an understanding -- just for the record
22 I'll refer to them as the service corporations, do you
23 have an understanding what the service corporations
24 are?
25 A. Yes.
95: 1 Q. And what is that understanding?
2 A. They were created for the purpose of the City
3 borrowing 1.4 billion dollars in 2005 and 2006 and
4 making a contributions of the like amount to the
5 pension funds.
6 Q. Do you understand the service corporations to be

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

- 7 controlled by the City?
- 8 A. Yes.
- 9 Q. And do you understand the service corporations to be
10 controlled by the emergency manager?
- 11 A. I assume that's the case but I don't know for a fact.
- 12 Q. And the service corporations are in fact parties to
13 the forbearance agreement, correct?
- 14 A. Yes, they are.
- 15 Q. Who acted on behalf of the service corporations in
16 connection with the forbearance agreement?
- 17 A. The City did.
- 18 Q. And by the City can you identify the individuals that
19 you are referring to when you say the City?
- 20 A. Mr. Orr.
- 21 Q. To your knowledge did any members of the Board of
22 Directors of the service corporations consult with
23 Mr. Orr about the forbearance agreement?
- 24 A. I don't know.
- 25 Q. Did Mr. Orr -- let's ask it the other way. Did
96: 1 Mr. Orr consult with any members of the Board of
2 Directors of the service corporations in connection
3 with the forbearance agreement?
- 4 A. I don't know.
- 5 Q. Did anyone at Miller Buckfire have any contact with
6 anyone, any -- any member of the Board of Directors of
7 the service corporations in connection with the
8 negotiations?
- 9 A. I don't think so.
- 10 Q. And do you know who presented the forbearance
11 agreement to the service corporations for execution?
- 12 A. No.
- 13 Q. Would Mr. Orr know that?
- 14 A. I don't know.
- 15 Q. Do you know who would know that?
- 16 A. I don't know.
- 17 Q. The person who signed the forbearance agreement on
18 behalf of the service corporations, a woman named
19 Cheryl Johnson, is that correct?
- 20 A. Yes.
- 21 Q. Do you know Miss Johnson?
- 22 A. No.
- 23 Q. Do you know what position Miss Johnson holds, if any,
24 on the service corporations?
- 25 A. Well, the signature page indicates that she's the
97: 1 president.
- 2 Q. You've never spoken to Miss Johnson about the
3 forbearance agreement?
- 4 A. No.
- 5 Q. Have you ever spoken with Portia Roberson about the
6 forbearance agreement?
- 7 A. No.
- 8 Q. Do you know Miss Roberson?
- 9 A. No.
- 10 Q. Has anyone from Miller Buckfire ever spoken with
11 Miss Roberson?
- 12 A. I don't know.

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

- 13 Q. Are you aware that the insurers contend that the Swap
14 agreements cannot be terminated without their consent?
15 A. Yes.
16 Q. And when did you first become aware of that
17 contention?
18 A. Well, last week in court I heard Mr. Hackney describe
19 those arguments to the judge.
20 Q. Have you taken any steps to evaluate whether the City
21 agrees with the insurer's construction of the
22 operative documents on this point?
23 A. No.

Designation:

- 98:25 Q. Are you aware that the insurers contend they have the
99: 1 right to control essentially all actions to be taken
2 by the Swap counterparties in connection with the Swap
3 agreements?

Designation:

- 99: 5 A. Yes, I am.

Designation:

- 99: 7 Q. And when did you develop that awareness?
8 A. When I was in court last week listening to
9 Mr. Hackney's description of those issues to the
10 judge.
11 Q. And have you taken any steps to evaluate whether the
12 City concurs with the insurer's construction of the
13 documents on this point?
14 A. No.

Designation:

- 101: 8 Q. In determining whether to enter into the settlement
9 agreement, did the City consider whether the casino
10 revenues constituted special revenues under the
11 bankruptcy code?
16 A. No.
18 Q. So, you didn't consider it or you don't know?
19 A. I said we didn't consider it.

Designation:

- 107:10 Q. Has the City considered selling or leasing Belle Isle?
11 A. Not to my knowledge.

Designation:

- 107:12 Q. Has the City looked into possible sources of funding
13 from the State of Michigan?
14 A. I'm not going to discuss that.
15 Q. Has the City looked into possible sources of funding

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

16 from the federal government?
17 A. I'm not going to discuss that either.
18 Q. On what basis?
19 A. Commercially sensitive information.

Designation:

108: 6 Q. Mr. Buckfire, good afternoon. My name is Steve
7 Hackney. I'm an attorney at Kirkland & Ellis, and I
8 represent Syncora Capital Assurance and Syncora
9 Guaranty. Nice to meet you.
10 A. Likewise.

Designation:

109: 4 So, as I understood your testimony, you
5 were the lead negotiator for the City when it came to
6 negotiating the business deal, is that correct?
7 A. Yes.
8 Q. Other people were going to paper the business deal in
9 terms of the legal terms that would embody it,
10 correct?
11 A. Yes.
12 Q. Let me ask you a question. The kickoff of the
13 negotiations that led to the forbearance agreement I
14 understood you to say began on June 4th, correct?
15 A. Yes.
16 Q. Who called that meeting?
17 A. Counsel to Jones Day called counsel for BAML and
18 invited them to the meeting.
19 Q. Fair to say that the meeting was held at the behest of
20 the City of Detroit?
21 A. Yes.
22 Q. Did you take legal advice, you personally as the lead
23 negotiator for the City, did you take legal advice
24 from Jones Day in advance of the June 4 meeting?
25 A. Yes.
110: 1 Q. Would you disclose to me the legal advice you obtained
2 from them?
3 MR. CULLEN: I'll instruct him not to
4 answer.
5 MR. HACKNEY: So, if I ask questions about
6 the legal advice you had been given about the COPs
7 Swap structure or various parties' rights thereunder,
8 you would instruct the witness not to answer those
9 questions?
10 MR. CULLEN: Right.
11 MR. HACKNEY: And I take it, Mr. Cullen,
12 that instruction would remain true both from -- at any
13 time?
14 MR. CULLEN: Right.
15 MR. HACKNEY: Not just with respect to the
16 June 4 meeting?
17 MR. CULLEN: Precisely.
18 BY MR. HACKNEY:
19 Q. Okay. Let me ask you, Mr. Buckfire, I'm going to

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

- 20 speculate, perhaps not wildly, that you've negotiated
21 a few deals in your lifetime.
- 22 A. Yes.
- 23 Q. Isn't it fair to say as a negotiator, you have to have
24 an understanding of the financial needs and desires of
25 your client as well as the counterparty with whom you
111: 1 are negotiating?
- 2 A. Yes.
- 3 Q. You also have to have at least some understanding of
4 the legal framework in order to negotiate effectively,
5 correct?
- 6 A. Yes.
- 7 Q. You don't have to go to law school, right, but you do
8 have to understand some of the ins and outs of the
9 various legal documents that you're negotiating over,
10 correct?
- 11 A. As well as any layman can be expected to do so.
- 12 Q. Now, I'd like to get a level set as to where you were
13 on June 4th, 2013 as you're going into this meeting
14 with BAML.
- 15 A. And UBS.
- 16 Q. And UBS. So, they were there too?
- 17 A. Yes.
- 18 Q. Okay. I want to make sure I have a level set under
19 the operating assumptions that you had in your mind as
20 you were going into the meeting to negotiate with the
21 Swap counterparties, okay?
- 22 One of your operating assumptions was that
23 there were termination events existing under the
24 Swaps, correct?
- 25 A. There were events of default existing under the Swaps,
112: 1 the collateral agreement.
- 2 Q. Okay. So, let's take a step back and let me be more
3 precise.
- 4 A. Okay.
- 5 Q. So, there is a Swap agreement that the Swap
6 counterparties are parties to with the service
7 corporations?
- 8 A. Correct.
- 9 Q. You are aware of that?
- 10 A. I am.
- 11 Q. You are also aware that there is a collateral
12 agreement that is between among other parties the
13 City, the service corporations and the Swap
14 counterparties, correct?
- 15 A. Yes.
- 16 Q. Now, at the time you're going into the June 4 meeting,
17 one of your operating assumptions was that there were
18 termination events under the Swap that would give the
19 Swap counterparties the right to terminate?
- 25 A. No, I was focused on the cash issue that would be at
113: 1 risk under the collateral agreement.
- 3 Q. And let me tie it up a little bit to see if this jogs
4 your memory. The collateral agreement certainly
5 relates to the Swaps that was entered into in 2009,
6 correct?

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

- 7 A. Correct.
- 8 Q. The collateral agreement cash trap arguably slams shut
9 upon the occurrence of termination events or events of
10 default under the Swap, is that your understanding?
- 15 Q. Okay.
- 16 A. Want to try again.
- 17 Q. Did you understand that the collateral agreement and
18 the cash trapping were securitizing the City's
19 obligations to the service corporations and the
20 service corporations' obligations to the Swap
21 counterparties under the Swap?
- 22 A. No.
- 23 Q. Did you understand that the collateral agreement what
24 it was ultimately securing was the termination payment
25 that might be made under the Swaps?
- 114: 2 A. No.
- 4 Q. Did you believe that the collateral agreement had
5 created like a new obligation by the City to pay the
6 Swap counterparties?
- 7 A. It created a collateralized obligation to pay the Swap
8 counterparties.
- 9 Q. Okay. So, going back to the June 4 meeting, let me
10 put it in vernacular that I hope is more correct about
11 what you were assuming. Okay?
- 12 You were assuming that there had been
13 events of default under the collateral agreement that
14 would allow the Swap counterparties to trap cash,
15 correct?
- 16 A. I wasn't assuming anything. I knew there were two
17 events of default.
- 18 Q. Let me --
- 19 A. But they had not been asserted by the Swap
20 counterparties but they existed.
- 21 Q. Let me restate it. As of June 4 you knew that there
22 were events of default under the collateral agreement
23 that would allow the Swap counterparties to trap cash,
24 fair statement?
- 25 A. If they chose to do so, yes.
- 115: 1 Q. If they chose to do so.
- 2 A. Correct.
- 3 Q. And you also -- let me make sure I get this right.
4 You also believed that they would be able to declare
5 termination event and potentially be paid four hundred
6 million dollars, correct?
- 7 A. Yes.
- 8 Q. And that was also one of your operating assumptions as
9 you're going into the negotiation, correct?
- 10 A. Yes.
- 11 Q. And your understanding that they could do so was that
12 they could do so unilaterally, correct?
- 13 A. Correct.
- 14 Q. And your understanding with both with respect to
15 declaring termination of the Swaps and getting a
16 termination payment and trapping cash was that there
17 was no other party that could direct their actions,
18 correct?

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

- 19 A. That's correct.
- 20 Q. And your understanding of these operating assumptions
21 remain consistent between June 4 and June 11 when you
22 struck the agreement in principle, correct?
- 23 A. Correct.
- 24 Q. And in fact it remained consistent for you all the way
25 through the execution on July 15th of the forbearance
116: 1 agreement, correct?
- 2 A. Correct.
- 3 Q. And the forbearance agreement itself did not
4 materially change the business terms of the deal that
5 you had struck on June 11th, correct?
- 6 A. No, except for the small negotiation we had around the
7 date of the first option. It was the only material
8 business term that changed.
- 9 Q. Okay. So, there was some changes of timing in terms
10 of when the percentages stepped up?
- 11 A. Yes, because the agreement took a long time to
12 negotiate. We had originally assumed we would
13 complete a forbearance in June. It took until July so
14 we asked for and were granted an additional month on
15 the first option payment.
- 16 Q. Fair point. Thank you for that correction. Other
17 than that change to what I'll describe as the business
18 terms that you negotiated on June 11th, there were no
19 other material changes to the deal that you struck,
20 correct?
- 21 A. No.
- 22 Q. It was just legal beagles doing what they do, correct?
- 23 A. I would never call them legal beagles, but yes, the
24 lawyers were doing what they were supposed to do.
- 25 Q. Okay. All right. Now, I want to clarify at the June
117: 1 4 meeting other than saying that the City would
2 vigorously litigate attempts to trap cash, you did not
3 express the City's views on the merits of that
4 litigation, correct?
- 5 A. Correct.
- 6 Q. You just said we're going to fight like hell to stop
7 you from trapping cash or words to that effect?
- 8 A. That's correct.
- 9 Q. And you didn't say by the way here's why we are going
10 to win because we have this great argument and you're
11 going to lose, right?
- 12 A. I never said that.
- 13 Q. Never said words to that effect, correct?
- 14 A. No.
- 15 Q. Never attempted to argue the merits of why the Swap
16 counterparties wouldn't be able to trap cash, fair
17 statement?
- 18 A. Correct.
- 19 Q. And no one else on the City side did either, correct?
- 21 A. Not to my recollection.
- 23 Q. And you never attempted to argue the merits of the
24 City's case to the Swap counterparties at any time
25 between June 4 and June 11 when you reached the
118: 1 agreement in principle, correct?

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

- 2 A. Correct.
3 Q. And you never witnessed anyone else do so on behalf of
4 the City either, correct?
5 A. Not that I recall.

Designation:

- 120:13 Q. Now, at the time of the June 4 meeting you were aware
14 that a bankruptcy filing for the City of Detroit was
15 at least a possibility, correct?
16 A. Yes.
17 Q. Had you reached the view at that time that it was a
18 likelihood?
19 A. It was a possibility.

Designation:

- 121: 4 Q. And if I ask you at the time -- well, let me ask a
5 general question. I'm not asking you to disclose the
6 subject of communication -- the communications
7 themselves, but I want to ask whether you had taken
8 legal advice on the subject of the automatic stay.
9 Don't tell me what the legal advice was.
10 Had you taken legal advice on the subject
11 of the automatic stay at any time between June 4 and
12 June 11?
14 A. Yes, I did.
16 Q. So, you had taken legal advice from Jones Day, is that
17 correct?
18 A. Correct.
19 Q. But if I ask you what the advice was, you'll follow
20 your counsel's instruction and not answer, correct?
21 A. Correct.

Designation:

- 122: 4 Q. I have a broader question which is at any time prior
5 to June 11th did you or anyone else at Miller Buckfire
6 to your knowledge perform an analysis of what interest
7 rates were likely to do in the future?
8 A. No.
9 Q. Did anyone study any LIBOR curves prior to June 11?
10 A. I don't recall.
11 Q. You certainly didn't?
12 A. I did not.
13 Q. Okay. When you testified about Mr. Marken, you
14 testified about something I think he had done a couple
15 days ago and we're in August. So, I'm going to ask
16 the same question now about July 15th which is the
17 execution date.
18 As of the execution date of the forbearance
19 agreement, had you or anyone else at Miller Buckfire
20 undertaken an assessment of what interest rates were

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

21 likely to do?
22 A. No.

Designation:

123: 6 Q. You were asked a lot of questions about the service
7 corporations. I think we established that you don't
8 know their directors and haven't met them, but I want
9 to make a point clear about the negotiations which is
10 you never engaged in arm's length negotiations with
11 the service corporations, correct?
12 A. Correct.
13 Q. And you never witnessed anyone else do so either,
14 correct?
15 A. Correct.
16 Q. And it's your understanding that Mr. Orr directed the
17 service corporations to execute the agreement and they
18 did, correct?
19 A. Correct.
20 Q. Now, you referenced a standstill agreement that was
21 something that had been proposed by the Swap
22 counterparties prior to June 4, 2013.
23 Do you recall that testimony?
24 A. I do.
25 Q. Your understanding of the standstill agreement, I
124: 1 understand we are going to get it but we don't have it
2 today so I have to tell you what I understand from
3 your testimony.
4 Your understanding of it was that it
5 allowed the cash to flow out of the -- it allowed the
6 casino revenues to flow in exchange for the City
7 agreeing to waive arguments about the invalidity of
8 the Swaps but was terminable at any time?
9 A. By the Swap counterparties.
10 Q. By the Swap counterparties, correct?
11 A. Correct.
12 Q. And that was unacceptable because that meant at any
13 time they could change their mind and trap the cash,
14 correct?
15 A. By those terms, yes.
16 Q. Now, under the forbearance agreement I understand that
17 you're not an attorney but you are a sophisticated
18 businessman who deals with legal documents on a
19 regular basis, true statement?
20 A. Regrettably.
21 Q. More than he wants to? But under the forbearance
22 agreement isn't it true that your understanding is
23 that the City has agreed during the forbearance period
24 that it won't seek to declare the Swaps invalid,
25 correct?
125: 1 A. Correct.
2 Q. And during the forbearance period the Swap
3 counterparties are allowing the cash to flow through
4 the collateral account, right?
5 A. Yes.
6 Q. So, they waive their argument to trap the cash in

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

7 exchange for other things that they got, correct?
8 A. Correct.

Designation:

126:15 Q. You never proposed what I'll call a smaller deal that
16 would have attempted to maintain the status quo for
17 some period of time without trying to achieve a
18 potential termination of a Swap at a discount so on
19 and so forth, true statement?
20 A. True.

Designation:

127: 6 Q. Isn't it true that between March 12th of -- between
7 March of 2012 and June 4th, 2013, the Swap
8 counterparties had never terminated the Swaps,
9 correct?
10 A. That's true.
11 Q. Despite the fact that in your view they had the right
12 to do so, right?
13 A. That's correct.
14 Q. And during that entire time period which is 14 months
15 they had never demanded that cash be trapped, correct?
16 A. No, they hadn't.

Designation:

129:13 Q. Understood. That's very helpful. So, let me try and
14 summarize it which is when you re-engaged in January
15 of 2013, you were made aware of a -- of the general
16 desire of the Swap counterparties to for lack of a
17 better term figure out what the City and the Swap
18 counterparties were going to do about the Swap,
19 correct?
20 A. Yes.
21 Q. And you then held them off between that time and June
22 4 as you tried to buy time for Ernst & Young to get
23 its arms around the financial position of the City,
24 correct?
25 A. Yes, and our other advisors.
130: 1 Q. And your other advisors, absolutely. And it was only
2 after you had gotten that analysis done that you felt
3 you were now ready to initiate a meeting with the Swap
4 counterparties to speak meaningfully about what should
5 be done with the Swap?
6 A. In the context of an overall recommendation to Mr. Orr
7 about how to protect the City and its liquidity.
8 Q. And so during that time period which was from January
9 of 2013 to June of 2013, despite these growing signs
10 of impatience by the Swap counterparties, they still
11 didn't trap cash, did they?
12 A. They were being paid in the ordinary course. There
13 was no economic consequence that they had to worry
14 about. They didn't know the financial condition of
15 the City. There was no economic reason for them to do

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

- 16 anything, but clearly as the condition of the City
17 became more desperate and everyone became more aware
18 of it, the risk they would do something became
19 greater.
- 20 Q. I see. So, it was the disclosure of information by
21 Mr. Orr on June 14th, was that a factor that drove you
22 to negotiate in advance of that?
- 23 A. No. Recall that his earlier disclosure was I believe
24 in April.
- 25 Q. Oh, that's right.
- 131: 1 A. And that was the first time that the public and the
2 capital markets really became aware of the true
3 financial condition of Detroit.
- 4 Q. So, in April Mr. Orr made a disclosure that basically
5 said if I could summarize that things are not well in
6 Detroit, correct?
- 7 A. That's accurate.
- 8 Q. But despite that disclosure and subsequent to the
9 report in April and May, Swap counterparties didn't
10 demand cash be trapped, correct?
- 11 A. Correct.
- 12 Q. They didn't terminate the Swap, correct?
- 13 A. Correct.
- 14 Q. After June 11, after you've cut the business deal and
15 here come the lawyers to write it down, fair to say
16 that you're on the sidelines now as the lawyers work
17 out the legal language, but you're still monitoring
18 the course of the legal negotiations given the
19 importance of what's at stake?
- 22 A. I was generally aware of what was going on.
- 24 Q. I'm trying to get on the idea that you're not on the
25 phone with all these lawyers like directly
132: 1 participating and listening to the negotiations of the
2 forbearance agreement itself but you're keeping tabs
3 on how it's progressing and when it's hoped to be
4 executed, correct?
- 5 A. Correct.
- 6 Q. Put another way, you are aware of the legal
7 negotiation process as it goes along even though
8 you're not personally involved in it, correct?
- 9 A. Correct.
- 10 Q. And that's because this was such an important
11 agreement that you as an important advisor to the City
12 needed to be up to speed on what was going on with the
13 forbearance agreement?
- 14 A. Correct, but recall that on June 11th the Swap
15 counterparties did issue a letter to US Bank
16 authorizing them to release the tranche of cash due to
17 us on June 15th and therefore we knew we had until
18 July 15th to get to the next tranche.
- 19 So, from a financial perspective I was
20 comfortable with where we were with the Swap
21 counterparties.
- 22 Q. Because after that discharge of cash, then it goes
23 back to just slowly building up, you get it for the
24 rest of the month and then it slowly builds up in the

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

- 25 first part of July?
- 133: 1 A. Correct.
- 2 Q. So, you felt like we had some time to negotiate?
- 3 A. That's correct.
- 4 Q. Yeah. Your understanding is that the legal
- 5 negotiations of the forbearance agreement were
- 6 complicated but that they proceeded uninterrupted from
- 7 June 11th to July 15th, correct?
- 8 A. Correct.
- 9 Q. And if there had been a serious interruption in these
- 10 negotiations, you would have likely known about this
- 11 as an important advisor to the City, correct?
- 12 A. Yes.
- 13 Q. And you are aware of no serious interruption, correct?
- 14 A. No.
- 15 Q. That's not correct?
- 16 A. I'm not aware of any serious interruptions.
- 17 Q. In late June of 2013 you learned that Syncora wanted
- 18 to make a proposal to the City, isn't that correct?
- 19 A. Yes.
- 20 Q. And you had a conversation with Todd Snyder on the
- 21 subject of Syncora's potential proposal on Saturday,
- 22 June 29th, isn't that correct?
- 23 A. That's correct.
- 24 Q. Mr. Snyder you understood is a banker at Rothschild's,
- 25 correct?
- 134: 1 A. Correct.
- 2 Q. And you also understood that he was representing
- 3 Syncora, correct?
- 4 A. Yes.
- 5 Q. And you also understood that at the time that he was
- 6 calling you, that there had been previous
- 7 communications between counsel to Syncora and counsel
- 8 to the City, correct?
- 9 A. I had heard about it but I wasn't aware of the
- 10 specifics.
- 11 Q. Okay. So, you knew Jones Day and Kirkland and maybe
- 12 others had met and talked about something but you
- 13 didn't know what it was?
- 14 A. I knew they were talking about the issues raised by
- 15 Syncora.
- 16 Q. Okay. Now, tell me -- so, in terms of Syncora's
- 17 potential proposal, your first percipient knowledge of
- 18 it as a witness happens on that Saturday when you have
- 19 your conversation with Mr. Snyder, is that a fair
- 20 statement?
- 21 A. Correct.
- 22 Q. Tell me everything you can recall about that
- 23 conversation.
- 24 A. It was quite brief. Todd told me he had been retained
- 25 by Syncora and that they wanted to propose something
- 135: 1 that would be of benefit to the City in resolving the
- 2 Swap matter. I told him that we were always willing
- 3 to listen to anything anyone had to say and I asked
- 4 him to tell me what he had in mind. He never did.
- 5 Q. Have you told me everything you can recall about that

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

- 6 conversation?
- 7 A. Yes.
- 8 Q. During that conversation didn't Mr. Snyder describe
9 the general structure of a proposal Syncora wanted to
10 make?
- 11 A. No.
- 12 Q. So, if Mr. Snyder says he did, he's lying or mistaken?
- 13 A. He never made a specific proposal to me.
- 14 Q. I'm not saying a specific proposal, I'm saying a
15 general structure of a proposal, that's what he
16 testified to in his affidavit.
- 17 Did he provide to you the general structure
18 of a proposal that Syncora wanted to make?
- 19 A. Not that I recall.
- 20 Q. Possible he did, possible he didn't, you just can't
21 remember?
- 22 A. I can't remember.
- 23 Q. Did he tell you that we'd be able to put specifics
24 into the general structure of the proposal if we could
25 execute an NDA that would allow us to learn about the
136: 1 negotiations with the Swap counterparties?
- 2 A. Yes, he did.
- 3 Q. What did you tell him in response to that?
- 4 A. I said he should send us an NDA and we'll take a look
5 at it.
- 6 Q. And you understood that at least as he expressed to
7 you that he wanted an NDA as a precursor in order to
8 make a specific proposal, correct?
- 9 A. Correct.
- 10 Q. Isn't it true that after that time you understood that
11 an NDA was proposed to the City, correct?
- 12 A. Yes.
- 13 Q. And the City refused to execute that NDA, isn't that
14 correct?
- 15 A. That's correct.

Designation:

- 137:15 Q. And that's because -- but you do remember him telling
16 you the specifics would come after we sign an NDA?
- 17 A. I do.
- 18 Q. Yeah. And then your understanding is that there was a
19 problem with the NDA that you couldn't discuss the
20 proposal with the EFM?
- 21 A. That's correct.
- 22 Q. And that was something that the parties couldn't get
23 over?
- 24 A. I asked Jones Day to go back to Kirkland Ellis and try
25 to fix the problems we had in the NDA and then I moved
138: 1 on to other issues.
- 2 Q. And your understanding was that to the extent those
3 problems didn't get fixed it was because Kirkland
4 Ellis was being obstinate with respect to the terms of
5 NDA?
- 6 A. I don't know why we never resolved it.
- 7 Q. So, to this day you don't know whether or not an NDA

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

- 8 could have been struck that would have allowed Syncora
9 to make a rival proposal, correct?
- 10 A. All I can tell you is that no NDA was entered into
11 because the terms were unacceptable.
- 12 Q. And you don't know why one wasn't entered into
13 ultimately after that?
- 14 A. I don't think we could ever resolve the issues.
- 15 Q. And this was in advance of your having executed the
16 forbearance agreement, correct?
- 17 A. Yes.
- 18 Q. As a negotiator, don't you agree that it's nice
19 whenever you can play two parties off against each
20 other?
- 21 A. I didn't have two parties, I had one party. I had the
22 Swap counterparties.
- 23 Q. And I'm not asking about in this case, I'm asking
24 about as a general principle, isn't it nice when you
25 can play two parties off against each other?
- 139: 1 A. Sometimes.
- 2 Q. Isn't that something that you'll do in the DIP
3 financing which is you'll get all these offers in and
4 then you'll make these guys compete with each other in
5 order to drive best possible deal for the City,
6 correct?
- 7 A. Only if you assume a level playing field which this
8 negotiation was not.
- 9 Q. I'm just asking generally about the idea of trying to
10 drive the best deal possible through competition
11 amongst different negotiating parties. Can be
12 valuable, right?
- 13 A. Can be under the right circumstances. This was not
14 one of them.
- 15 Q. And what was wrong about the circumstances?
- 16 A. Because we had only two parties to the table, the Swap
17 counterparties who had signed the collateral
18 agreement. There was nobody else to negotiate with.
- 19 Q. That's right, that's right, because your understanding
20 was that Syncora had no rights whatsoever under the
21 collateral agreement, correct?
- 22 A. Correct.
- 23 Q. And your understanding was they had no ability to
24 direct the actions of the Swap counterparties,
25 correct?
- 140: 1 A. I testified earlier that my understanding, I was
2 advised, the only parties of interest here are the
3 Swap counterparties.
- 4 Q. And it was also your understanding that Syncora didn't
5 have any rights under the Swaps that would be
6 terminated, correct?
- 7 A. Only talking about the collateral agreement.
- 8 Q. We talked about the fact that there might be a
9 termination event for four hundred million dollars.
10 That's not under the collateral agreement, right?
- 11 A. True.
- 12 Q. So, we are talking about the Swaps, right?
- 13 A. Yes.

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

- 14 Q. Now, let's put aside what you've been told about who
15 the relevant parties were. You did know that Syncora
16 was a Swap insurer, right?
- 17 A. Yes.
- 18 Q. And you understood as a layperson but a sophisticated
19 one that if an insurer makes a payment to the insured
20 it becomes subrogated to the rights of the insured
21 with respect to that payment, correct?
- 22 A. Yes.
- 23 Q. And isn't it true that if the Swap counterparties had
24 terminated, they wouldn't have waited around for two
25 years to collect the casino revenues, right, they
141: 1 would have demanded Syncora made good on its Swap
2 insurance and let Syncora try and stick around and
3 collect the casino revenues, correct?
- 6 A. It wasn't an issue for the City.
- 8 Q. I'm asking whether you thought that was a possibility
9 back at the time you were negotiating the forbearance
10 agreement?
- 11 A. It wasn't an issue for the City. Had no impact on the
12 City's access to cash.
- 13 Q. But if Syncora was a party that might come in in lieu
14 of the Swap counterparties, didn't you want to find
15 out whether you might be able to cut a better deal
16 with Syncora?
- 19 A. I can't speculate to that.
- 21 Q. All you can say is that you never did, correct?
- 22 A. Correct.
- 23 Q. And in fact between June 29th when you spoke to
24 Mr. Snyder and today, there have never been
25 substantive negotiations between the City and Syncora
142: 1 to your knowledge, isn't that correct?
- 2 A. Not on this, no.

Designation:

- 142:19 As the banker who is leading the DIP,
20 what's your understanding of the role the casino
21 revenues will play in the collateral package offered
22 in connection with the DIP?
- 23 A. They will be part of the collateral package.
- 24 Q. So, they will be part, and when you say they, do you
25 mean a specific period of time of the casino revenues
143: 1 or do you mean casino revenues projecting into the
2 future?
- 3 A. It's commercially sensitive so I'm going to decline to
4 answer it.

Designation:

- 143:12 Q. You agree that the goal of the forbearance agreement
13 is to get the collateral agreement to terminate so
14 that the City can get access to the casino revenues,
15 correct?
- 17 A. That is one of the goals.
- 19 Q. That is one of the goals. And isn't it true that your

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

- 20 current expectation is that you need the postpetition
21 financing, the DIP loan to close in order to be able
22 to exercise the option under the forbearance
23 agreement, correct?
- 24 A. Correct.
- 25 Q. And there was testimony on that today because you
144: 1 don't have the money otherwise, right, Mr. Buckfire?
2 A. That is part of the collateral package, yes.
3 Q. I'm talking about the use of proceeds of the DIP just
4 so we're clear. Part of the use of proceeds of the
5 DIP will be to exercise the option under the
6 forbearance agreement, correct?
- 7 A. Correct.
- 8 Q. You understand that you won't have unfettered access
9 to the casino revenues until you exercise the option
10 that leads to the termination of a Swap in the
11 collateral agreement, correct?
- 12 A. Yes.
- 13 Q. Isn't this a bit circular?
- 14 A. Regrettably.
- 15 Q. How did you factor that consideration into the
16 determination as to whether to engage in the
17 forbearance agreement?
- 18 A. Well, this is why the Swap collateral agreement is
19 such a problem for the City. Unless we can eliminate
20 the collateral and regain control over gaming revenues
21 without risk of loss because of defaults that would
22 trap it, we need to rationalize and clean this up in
23 order to put the City on a sound financial basis.
- 24 Q. So, there are two parts -- there are -- there may be
25 many parts but two of the important parts of the
145: 1 forbearance agreement are getting the Swap
2 counterparties to waive their right to trap cash and
3 then taking out the Swap at a discounted value,
4 correct?
- 5 A. Well, if we take out the Swap at a discounted value
6 and we pay off the Swap, then there is no need for the
7 collateral agreement.
- 8 Q. That's true but that may be something that happens
9 down the road. So, in the interim between then it's
10 the waiver of the cash trapping rights and the
11 discounted potential value of the termination,
12 correct?
- 13 A. Which is a short-term agreement. It only goes to next
14 June. There are termination events along the way and
15 in any case as I am aware as a sophisticated layman,
16 there is risk under the bankruptcy code that the Swap
17 counterparties could avail themselves of relief under
18 the provisions for Swaps and irrespective of the
19 automatic state, still take the money.
- 20 Q. Okay. But they've waived those rights under the
21 forbearance agreement?
- 22 A. So long as the forbearance agreement exists.
- 23 Q. And they waive their rights under the collateral
24 agreement to trap crash, correct?
- 25 A. For now.

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

Designation:

147:12 Q. So, I'd like to ask you about the concept of what I
13 call a clean closing, okay, and a clean closing is one
14 where you engage in a transaction with someone and
15 both parties walk away from the transaction with an
16 expectation that neither of them will have liability
17 arising from the closing. That's what I mean when I
18 say a clean closing.
19 Isn't it true that it's your understanding
20 that it is important to the Swap counterparties that
21 they get a clean closing with the City if the City
22 exercises its option?
23 A. Yes.

Designation:

149:16 Q. All right. Do you remember we talked about -- do you
17 remember that you talked about the concept that the
18 Swap counterparties could walk away from the Swaps if
19 interest rates ever look like they were going into
20 territory that was positive for the service
21 corporations?
22 A. Yes.
23 Q. And that was a right that you understood they had
24 received as part of the 2009 restructuring that led to
25 the collateral agreement, correct?
150: 1 A. Yes.
2 Q. Do you understand that that's called an optional early
3 termination?
4 A. Yes.
5 Q. And you understand that under -- when they exercise an
6 optional early termination, the Swap counterparties
7 take nothing from the service corporations, correct?
8 A. That's correct.
9 Q. That's the point of the walkaway which is they get to
10 walk away but they don't get paid anything?
11 A. That's because the Swaps not in the money anymore.
12 Q. Well, even if it is or is it isn't, right?
13 A. Right.
14 Q. In fact today the Swaps are very much in the money,
15 correct?
16 A. Correct.
17 Q. And obviously the Swap counterparties have never
18 threatened to exercise an optional early termination,
19 correct?
23 Q. To you?
24 A. No.
25 Q. That wouldn't make sense, would it?
151: 1 A. Not as long as you're being paid on time.
2 Q. And also why would you terminate a Swap on an optional
3 early basis and be paid nothing when it is worth by
4 your testimony approximately three hundred million
5 dollars, correct?
7 A. It wouldn't be economically rational.

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

- 9 Q. That would not be economically rational. And your
10 understanding under the forbearance agreement is
11 what's happening is that in exchange for all the
12 consideration, the Swap counterparties' termination
13 rights are being discounted to somewhere between 75
14 and 82 percent, correct?
- 15 A. Correct.
- 16 Q. We talked a lot about cash flow forecasts earlier.
17 The cash flow forecasts that are contained in the
18 proposal that you discussed with Mr. Summers, do you
19 remember those?
- 20 A. Yes, uh-huh.
- 21 Q. E & Y prepared those, correct?
- 22 A. Yes.
- 23 Q. And you have certainly reviewed them and familiarized
24 yourself with them, correct?
- 25 A. Yes.
- 152: 1 Q. But you are not someone who can answer specific
2 questions about how they were created, correct?
- 3 A. No, that's correct.
- 4 Q. If I wanted to ask about any particular line item how
5 did they get this number, the person to ask that would
6 be Ernst & Young?
- 7 A. Correct.
- 8 Q. I'd like to go back and talk briefly about the art and
9 I don't want to talk about the art as part of the DIP
10 or anything like that or what you're going to do with
11 it.
- 12 I want to go back to June 4 and ask as of
13 June 4, had you made an assessment of the value of the
14 City's art collection?
- 15 A. No.
- 16 Q. Have you made even a rough approximation of its worth?
- 17 A. No.
- 18 Q. And why hadn't you done that?
- 19 A. We're not qualified to do so.
- 20 Q. Why hadn't you retained someone, gosh, back in
21 January, February that was qualified to do so to come
22 in and see whether these assets were valuable?
- 23 A. We identified early on as an issue. We got to it as
24 we could, but it was not a significant crisis for the
25 City because we were focused on cash and preserving
153: 1 cash.
- 2 Q. Well, sometimes art can be turned into cash I think,
3 isn't that right?
- 4 A. Some people would think so.
- 5 Q. In fact there are art sales of significant amount
6 every year in this country, isn't that right?
- 7 A. So I'm told.
- 8 Q. And you've read about them in the paper from time to
9 time when you read the Wall Street Journal, correct?
- 10 A. Yes.
- 11 Q. And this is art that the City owns, right?
- 14 Q. Correct?
- 15 A. That's correct.
- 16 Q. But you understood took no effort to see whether the

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

- 17 City could obtain cash out of assets that were hanging
18 in the Detroit Art Institute as a substitute for going
19 in and engaging in this negotiation with the Swap
20 counterparties, correct?
- 21 A. Correct.
- 22 Q. We talked earlier about creditor recoveries and I want
23 to make sure that I understood your testimony on that
24 point.
- 25 You understand that Mr. Orr made a proposal
154: 1 to creditors that's called proposal for creditors back
2 in June of 2013, correct?
- 3 A. Correct.
- 4 Q. You helped him formulate that proposal, isn't that
5 right?
- 6 A. Yes.
- 7 Q. The proposal -- I'm going to summarize it but you
8 should feel free to correct me as somebody who knows
9 it better and can say it better than I, but basically
10 put the proposal suggests that unsecured creditors
11 will share in two billion dollars of bonds that are
12 issued by the City upon emergence, correct?
- 13 A. Correct.
- 14 Q. And the proposal assumes that the City will have
15 unfettered access to casino revenues because that's
16 what its projections show, correct?
- 17 A. Yes.
- 18 Q. So, even if the City has unfettered access to the
19 casino revenues, its current proposal is still that
20 the unsecured creditors will just share in this two
21 billion dollar pot, correct?
- 22 A. That's correct.
- 23 Q. So, is it fair to say that getting access to this
24 money will not by itself increase creditor recoveries?
- 25 A. No, it's part of the base case plan that we presented
155: 1 which is the base case recovery we presented on June
2 14th.
- 3 Q. Right. So, if the court grants the motion and you get
4 access to it, that will be consistent with the base
5 case which is consistent with the two billion dollar
6 offer, right?
- 7 A. Correct.
- 8 Q. So, it won't go up if the court grants you the access
9 that you're assuming you'll get?
- 10 A. But it will go down if the court does not.
- 11 Q. That's a different question. I'll get to that in a
12 moment.
- 13 It won't go up if the court grants the
14 motion, correct?
- 15 A. Correct.
- 16 Q. Your argument if I understood it was that the
17 casino revenues will be used to invest in the City,
18 correct?
- 19 A. Revenues of the City are fungible. All I'm saying if
20 you don't have access to those revenues, then you
21 don't have the billion dollar plus of revenues that
22 you thought you had which is supporting not only

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

- 23 current operations but the reinvestment plan.
- 24 Q. And I will say that I had understood you earlier to
25 say if you didn't have access to casino revenues, that
156: 1 City services would suffer?
- 2 A. In the short-term, yes.
- 3 Q. Yeah. But it's fair to say that you're not proposing
4 to obtain the casino revenues, access to them and
5 throw them on to the pot of the two billion dollars
6 that's already being proposed to unsecured creditors,
7 correct?
- 11 A. I've already testified that the access to gaming
12 revenues is part of the plan which supports the two
13 billion dollar anticipated issuance of notes.
- 15 Q. And you mean that from a feasibility standpoint,
16 right?
- 17 A. Yes.
- 18 Q. You mean it will strengthen the City and that will
19 make the City more able to perform under the notes and
20 that will make the notes more valuable to the
21 creditors, right?
- 22 A. That would be one result.
- 23 Q. Let me ask you by how much will creditor recoveries go
24 down if the court declines to approve the forbearance
25 agreement?
- 157: 1 A. We haven't calculated that plan yet. It would
2 certainly be a significant reduction and it would be
3 borne primarily by the unsecured creditors as a
4 group.
- 5 Q. Prior to July 15th you had not attempted a detailed
6 calculation to understand the impact to unsecured
7 creditor recoveries if the casino revenues were not
8 unfreed, correct?
- 9 A. That's correct.
- 10 Q. So, you don't know whether it's pennies on the dollar
11 or dimes on the dollar, correct?
- 12 A. We are already at dimes on the dollar in this --
- 13 Q. There's only pennies left.
- 14 A. We hope there's pennies left.
- 15 Q. There was some -- there was a lot of questioning
16 about the financial forecasts, and I'm not going to
17 try and reinvent the wheel, but I would ask you to go
18 back to that Page 35 that you were discussing
19 earlier.
- 20 Do you remember, Mr. Buckfire, being asked
21 questions about this page?
- 22 A. I do.
- 23 Q. And I guess I want to be clear that -- I know we're
24 coming to the end of 2013, so, we'll move to this
25 other page in a second, but at least with respect to
158: 1 2013 if you put legacy expenditures aside,
2 Ernst & Young forecast is of a substantial net
3 operating surplus in excess of four hundred million
4 dollars, correct?
- 5 A. But how can you put legacy expenditures aside in 2013
6 because we were doing all this through the end of
7 June.

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

- 8 Q. Fair enough.
- 9 A. So, these are the numbers.
- 10 Q. Well, these are -- 2013 includes probably a full year
- 11 projection, so --
- 12 A. Fiscal year ends June 30th.
- 13 Q. Oh, so, fiscal year 2013 ends on June?
- 14 A. That's correct.
- 15 Q. Let's go to 38 then.
- 16 A. Okay.
- 17 Q. Good correction there. We'll see if it's a big
- 18 difference in 2014. So, this is the next fiscal year,
- 19 right?
- 20 A. Correct.
- 21 Q. And this is again a financial forecast prepared by
- 22 Ernst & Young, correct?
- 23 A. Yes.
- 24 Q. Now, I understand your point about the fact that this
- 25 doesn't reflect the different initiatives that Mr. Orr
- 159: 1 wants to implement, okay, so let me bracket that, I
- 2 heard you say that earlier, but if you hold those to
- 3 one side and if you also hold legacy expenditures to
- 4 one side, what the City's numbers reveals is that it
- 5 has a nearly four hundred million dollar net operating
- 6 surplus, correct?
- 7 A. One could look at it that way.
- 8 Q. And all of the cops and the fire department and the
- 9 ambulance drivers, their payroll, that's all included
- 10 in these numbers, correct?
- 12 A. Yes.
- 14 Q. And so are their health benefits, correct?
- 15 A. Yes.
- 16 Q. Okay. So, if I understood it correctly, Mr. Orr wants
- 17 to do a billion and a quarter of reinvestment in the
- 18 City over the next ten years, correct?
- 19 A. That's right.
- 20 Q. And that's about 125 million a year, correct?
- 21 A. That's correct.
- 22 Q. And, so, even if we took the 397 down by his
- 23 initiatives by 125 million, you'd still have
- 24 approximately 272 million dollars left, correct, in
- 25 net operating surplus?
- 160: 1 A. Yes.
- 2 Q. And that's even with him being able to do all the
- 3 wonderful things that he wants to do for the City,
- 4 right?
- 5 A. That's correct.
- 6 Q. So, we're now going to go to the area where I begin to
- 7 do complex math which means adding things twice in a
- 8 row where I often fall down. But I said it was about
- 9 272 and the casino revenues are only about 170 in this
- 10 forecast, right?
- 11 A. That's correct.
- 12 Q. So, even if you didn't have those and even if Mr. Orr
- 13 did all his improvements, you'd still have a hundred
- 14 million dollar net operating surplus, correct?
- 15 A. No, that's actually not the case, and this is not

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

- 16 meant to be the City's plan, it's not the City's plan.
17 If you are proposing a different plan where the City
18 plans to liquidates itself, then yes, I guess you
19 could look at it this way.
- 20 Q. I'm just referring to the preliminary forecast that
21 you all put together in this proposal and gave to us.
- 22 A. This is not the City's plan and it's not the City's
23 forecast. This is an illustration of what happens if
24 you don't do anything.
- 25 Q. And the key differences between this and what the
161: 1 City's plan is are the investments that Mr. Orr wants
2 to make, right?
- 3 A. Right.
- 4 Q. And the cost reductions he wants to make, right?
- 5 A. And the increase in staffing levels across services to
6 provide higher level services to the City.
- 7 Q. But that's in the reinvestment, right?
- 8 A. No, it's actually hard to break out that way because a
9 lot of it is actually in the salaries line and the HR
10 lines.
- 11 So, you have to go back to the numbers and
12 ask me a lot of those questions.
- 13 Q. The proposed investments that he wants to make, that
14 he proposes to make that I'm so ruthlessly omitting,
15 they are in this document, right?
- 16 A. Not in this projection.
- 17 Q. They're not in this projection, but they are in this
18 proposal?
- 19 A. That's right.
- 20 Q. He laid them all out in gory detail?
- 21 A. Yes, he did.
- 22 Q. He also lays out a number of cost cutting initiatives,
23 isn't that correct?
- 24 A. Yes, he does.
- 25 Q. And one of his goals is also to make the City more
162: 1 efficient, correct?
- 2 A. Yes.
- 3 Q. At the same time he also wants to make it operate
4 better, correct?
- 5 A. Correct.
- 6 Q. Those two things from a net operating standpoint work
7 in tension with one another, right?
- 8 A. They do over time, but you have to consider the
9 timetable and when these things are done.
- 10 Q. I want to ask you a question about state and federal
11 aid but I don't want to mix it up into the DIP which I
12 understand -- which I took to mean earlier was one of
13 the sensitivities there. I want to go back to June 4,
14 2011.
- 15 Prior to June 4, 2011 had you undertaken
16 any effort to evaluate whether there was either state
17 aid or federal aid that you could use in lieu of
18 having to negotiate this deal with the Swap
19 counterparties?
- 20 A. We are assuming there is no aid available to the City.
- 21 Q. You were assuming that there was none, but had you

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

22 undertaken an effort to determine whether there could
23 be some?
24 A. I've already testified that I'm not going to discuss
25 that.
163: 1 Q. And why aren't you going to tell me about that?
 2 A. It's commercially sensitive information.
 3 Q. Why?
 4 A. That's my answer.

Designation:

163:25 Q. And let me first ask you, Mr. Buckfire, had your firm,
164: 1 you or your firm undertaken any analysis of this
 2 question? You don't have to tell me what it was.
 3 Let's go in stages.
 4 Had you analyzed the problem?
 5 A. Yes, we did.
 6 Q. You had analyzed the problem. And is it your
 7 testimony that divulging the results of that analysis
 8 would be commercially sensitive?
 9 A. Yes.
 10 Q. Is part of the reason for that because of the way any
 11 potential aid from the City or from the state or the
 12 feds might interplay with the DIP process, is it the
 13 way they knit up, is that the problem?
 14 A. Yes.

Designation:

165:18 Q. Is it your understanding that the Series 2006-B COPs
 19 were issued with a floating interest rate?
 20 A. Yes.
 21 Q. And is it your understanding that the Swap contracts
 22 were entered into to hedge against the interest rate
 23 risk associated with the Series 2006-B COPs?
 24 A. Yes.
 25 Q. And the Swap contracts accomplish this hedge by
166: 1 effectively limiting the City's payment obligations
 2 under the service contracts with respect to the Series
 3 2006-B COPs to the fixed rate that's set forth in the
 4 Swap contracts, is that correct?
 5 A. Correct, which was amended in 2009.
 6 Q. What was amended?
 7 A. The original fixed rate was lower in 2006 and it was
 8 increased slightly in 2009 as part of the amendment.
 9 Q. The Swap contracts were amended in 2009 --
 10 A. The rate, the rate was.
 11 Q. The rate on the Series 2006-B --
 12 A. That's my understanding.
 13 Q. Okay. And with the amendment in 2009 the Swap
 14 contracts still remained in place, correct?
 15 A. That's my understanding.
 16 Q. And those Swap contracts are still in place today and,
 17 therefore, still hedging the interest rate risk today?
 18 A. Except as modified by the 2009 amendment.
 19 Q. So, do you agree that from the perspective of the City

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

22 with the Swap contracts in place it's as if the
23 Series 2006-B COPs have a fixed interest rate?
24 A. Yes.
25 Q. Have you heard of structures like this being referred
167: 1 to as a synthetic fixed rate of interest?
2 A. Yes.

Designation:

167:22 Q. Is there any benefit to the City from having this
23 structure with the 2006-B COPs having a floating rate
24 hedged by the Swap contracts as opposed to merely
25 issuing those COPs with a traditional fixed rate?
168: 2 A. All their debt is now fixed. I mean they are not
3 taking any interest rate risk as a result of the Swap
4 that was put on top of the floating rate COPs. That
5 is the benefit to the City.
7 Q. The benefit to the City from the structure is that
8 it's a comparable interest rate risk exposure for the
9 City?
10 A. They have eliminated the floating rate exposure and
11 now they have a fixed rate on this debt similar to the
12 rate exposure they have on the 2005 COPs which are
13 fixed rate. So, it's all fixed now.

Designation:

172:17 Q. Did you discuss any legal arguments that the City
18 might have had against the Swap counterparties with
19 Mr. Orr?
20 A. No.

Designation:

174:24 Q. You want to give a minute here for your counsel maybe
25 to object, maybe not, what legal arguments did you
175: 1 discuss that the City might be able to raise against
2 the Swap counterparties?
3 MR. CULLEN: I'm going to object and direct
4 him not to answer.
5 A. I wouldn't have answered anyway, but thank you.

Designation:

175:17 Q. All right. May I assume that any questions I ask you
18 about what legal arguments or issues you might have
19 discussed that the City would have had to assert
20 against the Swap counterparties, conversations you
21 would have had with Jones Day people your counsel is
22 going to object and instruct you not to answer?
23 MR. CULLEN: You can assume that.

Designation:

175:25 Q. Slightly different question. Did you have any

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

176: 1 discussions with Mr. Orr regarding the probability of
2 success on legal arguments the City could raise
3 against the Swap counterparties?
4 A. Yes.
5 Q. When did those discussions take place?
6 A. During May.
7 Q. Can you tell me about those discussions with Mr. Orr?
8 MR. CULLEN: Direct him not to answer.

Designation:

177: 5 MS. ENGLISH: And if I ask him to tell me
6 about those conversations, will you direct him not to
7 answer?
8 MR. CULLEN: I will indeed.

Designation:

177:10 Q. Did you discuss with anyone else the probability of
11 success that the City might have had on legal
12 arguments against the Swap counterparties?
13 A. No.
14 Q. Were there any written documents or memos that
15 evaluated the City's legal arguments against the Swap
16 counterparties?
20 A. No.
21 Q. Are you aware of any written analyses that were done
22 about the legal arguments the City might assert?
23 A. No.

Designation:

178: 6 Q. Going into the start of the negotiations with the Swap
7 counterparties on June 4th, did you assume that the
8 Swap counterparties' liens were valid?
9 A. I did.

Designation:

179:12 Q. Can you tell me what the other alternatives were that
13 you considered?
14 A. Well, we considered finding another lender to fund the
15 termination of the Swaps. This is back in May when we
16 knew the financial condition of the City was dire. We
17 did not think we could attract a lender to come in to
18 take out the Swap termination payment at a hundred
19 cents or even at a discount under the tight time frame
20 that we had to work with nor did we think we could do
21 that at a rate of interest that could ever be
22 acceptable to the City.
23 Q. Let me stop you right there and ask did you try?
24 A. No.

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

Designation:

- 180:13 Q. Prior to June 4th, did you submit a request to the
14 state for aid on behalf of the City?
15 A. I'm not going to answer that question.
16 Q. You will not answer even whether the City made a
17 request for state aid prior to June 4th?
18 A. It's commercially sensitive information. I
19 respectfully cannot answer that question.
20 Q. Was there a request for state aid that was rejected
21 prior to June 4th?
22 A. I'm not going to answer that question.
23 Q. On what basis won't you answer whether there was one
24 that was rejected?
25 A. Commercially sensitive information.
181: 1 Q. How is it commercially sensitive? If there was a
2 state aid request that was rejected, how is that
3 sensitive now?
4 A. You're asking me to speculate.
5 Q. I'm asking you why you're not answering.
6 A. It's commercially sensitive information.
7 Q. Tell me why it's commercially sensitive in your view.
8 A. It would have an impact on our ability to prosecute a
9 successful DIP financing process for the City at this
10 point.
11 Q. It would jeopardize your DIP financing if the public
12 knew that a state aid request had been rejected prior
13 to June 4th?
14 A. You're saying that. I didn't say that.
15 Q. I'm trying to understand why you won't give us the
16 information.
17 A. It's commercially sensitive.
18 Q. How is it commercially sensitive?

Designation:

- 181:20 A. I'm not going to answer it.

Designation:

- 181:22 Q. Just for kicks let's do the same line of questioning
23 for federal aid, okay? Was there a request made by
24 the City for federal aid prior to June 4th?
25 A. I decline to answer that question.
182: 1 Q. On what grounds do you decline to answer?
2 A. It's commercially sensitive information.
3 Q. And why do you feel it's commercially sensitive?
4 A. Because it would have an impact on our DIP financing
5 process.
6 Q. Was there a request for federal aid that was rejected
7 prior to June 4th?
8 A. I decline to answer that question.
9 Q. And do you decline on the exact same grounds you've
10 just given me?
11 A. Yes.

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

Designation:

183:25 Q. Did you have any substantive conversations with the
184: 1 Swap counterparties about whether or not their liens
2 were valid other than, you know, we threaten to
3 litigate, we threaten to defend, did you actually get
4 into a discussion about the validity of their liens
5 with them?
6 A. No, I had no other cards to play so I just kept
7 reminding them we would be aggressive.

Designation:

184:12 Q. What other unencumbered revenue streams or assets does
13 the City have?
14 A. Well, we have income tax revenues, we have property
15 tax revenues. I'm speaking now in the Chapter 9
16 context. The state revenues are pledged to three
17 series of bonds that were issued historically by the
18 City. So, there really is no other source of revenue
19 that's available to the City that could be pledged or
20 used aside from these.
21 There are, of course, a list of noncore
22 assets we identified on June 14th that we are
23 evaluating for potential value but we have reached no
24 conclusion yet as to how much is available there.
25 Q. I just want to make sure. You were talking about
185: 1 state shared revenues are pledged, right, did I get
2 that correct?
3 A. They are securing three different series of bonds that
4 have a pledge of those revenues and that's already
5 been used.
6 Q. So, the remaining unencumbered City assets or revenues
7 are the noncore assets that were listed?
8 A. Right.
9 Q. Income tax and property tax?
10 A. Correct.
11 Q. Is that all?
12 A. Well, the gaming revenues if we can eliminate the
13 collateral agreement.
14 Q. Is there any reason that the noncore assets, income
15 tax or property tax could not be pledged as collateral
16 to secure DIP financing?
17 A. They could be.

Designation:

185:18 Q. You testified earlier that if the forbearance
19 agreement was not approved, it would have dire
20 consequences for the City, is that correct?
21 A. Yes.
22 Q. Does the City have a backup plan if the forbearance
23 agreement is not approved?
24 A. Well, we're developing one now. We are proceeding on
25 the assumption the court will grant relief on this
186: 1 transaction and let us proceed with it and if they
2 tell us they won't, we'll have a backup plan.

Objectors' Designations From August 29, 2013 Deposition of Kenneth Buckfire

3 Q. What is the backup plan you're currently considering?
4 A. It's being developed right now. It would be not the
5 plan currently proposed.

Designation:

190:17 Q. Okay. Do you understand that under certain
18 circumstances the agreement prohibits the City from
19 taking action that's inconsistent with the position of
20 the counterparties in litigation, for instance?
21 A. That's my understanding.

Designation:

201:18 Q. Is it your understanding that after March 1st the City
19 has another opportunity to challenge anything related
20 to this agreement?
21 A. It's not my understanding.
22 Q. Okay.
23 A. I don't know.
24 Q. Okay. Do you recognize there's a possibility then
25 that the City could be stuck with paying a very large
202: 1 figure after the Chapter 9 plan and have no ability to
2 challenge it if -- at some certain stage regardless of
3 the validity of those liens?
4 A. That's a possibility.
5 Q. Okay.

In Re:

City OF DETROIT, MICHIGAN

Chapter 9

Case No.13-53846

Debtor.

Hon. Steven Rhodes

/

The Videotaped Deposition of KEVYN ORR,
Taken at 1114 Washington Boulevard,
Detroit, Michigan,
Commencing at 8:32 a.m.,
Friday, August 30, 2013,
Before Cindy Mendenhall, RPR, CSR-5220.

1 BY MR. HACKNEY:

2 Q. Okay. That's correct?

3 A. Yes. That is correct.

4 Q. So if I ask you what your view is on the likelihood
5 that the City's Swap and validity arguments will
6 prevail, you will assert the attorney-client
7 privilege; is that correct?

8 A. Yes, more than likely.

9 Q. If I ask you your view on the likelihood that the
10 pledge of the gaming revenues under the Michigan
11 Gaming Act is an invalid pledge, you'll assert the
12 attorney-client privilege, correct?

13 A. Yes, more than likely.

14 Q. If I ask you questions regarding the likelihood that
15 the City would prevail on a claim or defense against
16 the Swap counterparties, you'll assert the
17 attorney-client privilege, correct?

18 A. Yes, more than likely.

19 Q. And I guess I gotta clarify. When you say more than
20 likely, I mean are you asserting the privilege with
21 respect to those types of questions? I'm trying to
22 save having to --

23 A. Sure.

24 MR. SHUMAKER: Let me state for the record
25 you can ask questions as to whether those -- those

1 factors were considered by Mr. Orr, but obviously if
2 you're going to ask what he was -- what he was advised
3 by counsel, then I'm going to instruct him not to
4 answer.

5 A. When I say more than likely, that's -- that's exactly
6 the distinction that I'm trying to make. Did I have
7 discussions with my counsel? Yes. Did those
8 discussions take into consideration some of those
9 factors? Yes. Am I going to tell you what those
10 discussions were and what, if any, conclusions were
11 made? No.

12 BY MR. HACKNEY:

13 Q. Okay. Fair enough.

14 On July 15, 2013, the City entered into
15 what we're going to call the forbearance agreement
16 with the Swap counterparties and the service
17 corporations; is that correct?

18 A. Yes.

19 Q. When did negotiations around that agreement with the
20 Swap counterparties begin after your appointment?

21 A. I think there were discussions about negotiations
22 almost immediately after my appointment. My specific
23 knowledge -- when you say negotiations, what do you
24 mean?

25 Q. Well, let me -- let me ask it a different way, which

1 is isn't it true that Mr. Buckfire was the lead
2 negotiator for the City on the business terms of what
3 became the forbearance agreement?

4 A. Yes.

5 Q. And Mr. Buckfire has testified that the negotiations
6 in earnest regarding what became the forbearance
7 agreement were conducted between June 4th and
8 June 11th of 2013?

9 A. I don't recall those specific dates, but I think
10 that's the right time frame. Let me -- let me try to
11 be as clear as I can so we can move on. We began
12 talking, discussing ways with my advisors, without
13 discussing what we discussed, to provide the City with
14 liquidity almost immediately upon my appointment. The
15 negotiations that you're referring to I believe did
16 occur within that time frame.

17 Q. Okay. So you don't have a basis as you sit here today
18 to contradict Mr. Buckfire's recollection of when the
19 key negotiations over the business terms of the
20 forbearance agreement were conducted?

21 A. No. It might be earlier, but that's the approximate
22 time frame.

23 Q. And as he was the lead negotiator, he's probably the
24 guy who would know, right?

25 A. Sure, absolutely.

1 point during the first week, but they -- they resumed.
2 My interpretation was that they broke down, and then
3 they recommenced a second week.

4 Q. Okay. So on -- if there -- to the extent
5 Mr. Buckfire's right that there was an in-person
6 June 8th meeting --

7 A. Yeah.

8 Q. -- do you remember what his -- what your marching
9 orders to him were as he went into that meeting?

10 A. Here again, the concept of marching orders, we were
11 trying to get to an agreement generally, and I believe
12 the instructions were to continue to move towards that
13 process, whatever that was. And so the specific
14 bid/ask that were going on throughout that time, I
15 don't -- I don't recall, but the general concept was
16 to continue to try to move to a point to get to a
17 discount number or a discount process.

18 Q. Is it fair to say that if I ask you for the specific
19 ebb and flow of the negotiations between the Swap
20 counterparties in terms of the precise business
21 deal --

22 A. Right.

23 Q. -- you would have to defer to Mr. Buckfire's
24 recollection because he was more intimately involved?

25 A. That's fair. Because Ken was -- Ken would have the

1 direct meetings and then call me back. We'd go back
2 and forth, and I didn't keep notes and I didn't keep a
3 calendar, so --

4 Q. I asked you about nondisclosure agreements, but did
5 the City execute any other agreements of any kind with
6 the Swap counterparties during this period that you
7 were negotiating the forbearance agreement?

8 A. No, not that I know of.

9 (Discussion off the record at 8:59 a.m.)

10 (Back on the record at 8:59 a.m.)

11 MR. HACKNEY: No. Problem. Let's go off
12 the record.

13 VIDEO TECHNICIAN: The time is 8:59 a.m.

14 We are off the record.

15 (Recess taken at 8:59 a.m.)

16 (Back on the record at 9:08 a.m.)

17 VIDEO TECHNICIAN: We are back on the
18 record at 9:08 a.m.

19 BY MR. HACKNEY:

20 Q. Mr. Orr, I want to clear something up. Maybe I've
21 been saying it the wrong way. I've been using the
22 term "marching orders" with the respect to the way
23 that you and Mr. Buckfire operated.

24 A. Right.

25 Q. **And is a better way to say it that you authorized**

1 Mr. Buckfire to negotiate the best possible deal he
2 could with the Swap counterparties and that's what he
3 did?

4 A. That's a fair characterization, sure.

5 Q. And at some point did he come out of a meeting and
6 say, Mr. Orr, this is the best deal that I'm able to
7 get out of these Swap counterparties and it's my
8 advice that we take it?

9 A. Yes.

10 Q. And was that on or about June 11th, 2013, which is the
11 date he recalls the agreement in principle being
12 reached?

13 A. Yes.

14 MR. SHUMAKER: Objection to form.

15 BY MR. HACKNEY:

16 Q. And what was the agreement in principle that was
17 reached as you understood it?

18 A. The agreement was essentially that in exchange for a
19 reduced optional termination payment -- we'll just
20 call it the payment under the forbearance agreement --
21 the Swap counterparties would agree not to trap the
22 cash, they would agree to release their liens, and
23 also release their claims, I believe, against your
24 client, Syncora, and we would have access to that cash
25 going forward provided we made the discounted payment

1 entities that have long names that I'll only say to
2 you if you want -- really want me to.

3 A. We'll stipulate I know what you mean by the service
4 corporations.

5 Q. And there are two of them?

6 A. There are two.

7 Q. Okay.

8 A. Police and Fire General Services.

9 Q. There you go. So you already know them and you said
10 the names. So the two service corporations are
11 parties to the forbearance agreement, correct?

12 A. Yes.

13 Q. And Mr. Buckfire testified yesterday, I'll represent
14 to you, that his understanding is that you directed
15 the service corporations to execute the forbearance
16 agreement and they did so; is that correct?

17 A. No.

18 Q. Okay. Were there arms' length negotiations with the
19 service corporations?

20 A. To the best of my knowledge, there was.

21 Q. And who led those?

22 A. I'm not quite sure. I know that -- in response to
23 your question, I did not direct a service corporation.
24 They were organized by the City. And they are managed
25 by City employees, but I had no direct -- I gave no

1 direct instruction to either of the service
2 corporations.

3 Q. Okay. So my question was about negotiations with the
4 service corporations.

5 A. Right.

6 Q. Who conducted the arms' length negotiations with the
7 service corporations on behalf of the City?

8 A. I'm not sure.

9 Q. Well, you know it wasn't you?

10 A. Yes, it wasn't me.

11 Q. And did you ever direct Mr. Buckfire to engage in
12 direct negotiations with the service corporations?

13 A. No. I directed Mr. Buckfire to do whatever needed to
14 get done to get the agreement in principle resolved
15 and signed. That's what I did, but I did -- said
16 nothing specific. Just to be responsive to your
17 question, said oh, go talk to the service
18 corporations, there was nothing that specific.

19 Q. So to the extent there was a negotiation that needed
20 to be had, it was his job to go have it?

21 A. It was his or someone else on my -- on my
22 reorganization team's job, yeah, sure.

23 Q. Well, did you direct anyone else on your team to go
24 negotiate with the service corporations?

25 A. No. Once we reached an agreement in principle, I

1 directed my team to more or less go forth and get it
2 documented and get it done.

3 Q. And the service corporations are legally separate from
4 the City, correct?

5 A. Yes, they are.

6 Q. Your powers as emergency financial manager do not
7 extend to the service corporations, correct?

8 A. I haven't examined that question, so I can't answer
9 you yes or no.

10 Q. Can you direct their actions under PA 436?

11 A. I'm not sure.

12 Q. Do you have any firsthand knowledge that the service
13 corporations engaged in arms' length negotiations with
14 the Swap counterparties?

15 A. **No.**

16 Q. If they had, do you think that's something you would
17 have likely heard about?

18 MR. SHUMAKER: Objection, calls for
19 speculation.

20 A. I may have. As emergency manager, there are a number
21 of things that occur, as you might imagine, on a daily
22 basis that I may or may not hear of. I might have.

23 BY MR. HACKNEY:

24 Q. As you sit here today, though, can you recall hearing
25 that there were ongoing negotiations between the

1 A. Yes.

2 Q. Okay. Portia Roberson --

3 A. Um-hm.

4 Q. -- is the City's corporation counsel, right?

5 A. Yes.

6 Q. And she's also on the board of both service
7 corporations, correct?

8 A. To the best of my knowledge, that's true.

9 Q. Do you know who made the decision at the service
10 corporations to enter into the forbearance agreement?

11 A. I do not.

12 Q. Did you have any conversations with either Ms. Johnson
13 or Ms. Roberson about the service corporations
14 entering into the forbearance agreement?

15 A. No.

16 Q. Isn't it true that the policy of the City is to
17 indemnify the service corporation directors for
18 actions they take in their capacity as City employees?

19 A. I don't know that.

20 Q. You don't know if that's the policy of the City?

21 A. I do not. I know the City has an indemnification
22 policy. I don't know if it applies to the service
23 corporations.

24 Q. Okay, but does it apply to the City employees?

25 A. It applies to City employees acting within their

1 course and scope of their employment as employees of
2 the City.

3 Q. Okay. So as you sit here today, you can't say that
4 that indemnification policy would extend to City
5 employee actions taken in their capacity as service
6 corporations --

7 A. Correct.

8 MR. SHUMAKER: Objection, calls for a legal
9 conclusion.

10 BY MR. HACKNEY:

11 Q. I will -- I'm sorry.

12 A. Okay.

13 Q. As emergency financial manager, you control the salary
14 of all City employees; isn't that correct?

15 A. As emergency manager.

16 Q. As emergency manager, right.

17 A. Right.

18 Q. Sorry. Is that the proper --

19 A. It changed with Public Act 436. Public Act 72 was EFM
20 and now I'm an EM.

21 Q. Okay. Got to get my lingo.

22 A. Yeah.

23 Q. And you do, as emergency manager, control the salary
24 of all City employees, correct?

25 A. I have the authority to control the salary of all City

1 employees. I have not exercised that authority for
2 all City employees.

3 Q. Okay. And you have the power to reduce those City
4 employee salaries to zero if you choose, correct?

5 A. I think I do, yes.

6 Q. And you have done that on at least one prior occasion,
7 I believe, correct?

8 A. Yes, I did do that.

9 Q. Okay. Now, are you aware that the insurers, the Swap
10 insurers, like Syncora and FGIC, contend that the
11 hedges cannot be terminated without their consent
12 where there are termination events or events of
13 default?

14 A. I have heard that. I m -- I have no independent
15 awareness of that.

16 Q. So when did you first hear that?

17 A. I think it was all caught up in this time frame of
18 the -- of the discussion after the agreement in
19 principle, before the forbearance agreement was
20 reached.

21 Q. Your best recollection is that you heard that prior to
22 the execution of the forbearance agreement?

23 A. I believe it may have been prior to execution.

24 Q. But you have taken -- you have taken no steps to
25 evaluate whether the City concurs with the insurers'

1 sometimes you will anticipate probably where I'm going
2 with the question or think that you anticipate, I
3 would ask that you to make the transcript clearer, I
4 will ask that you wait until I complete the question
5 before you begin your answer.

6 A. Thank you.

7 Q. Before you is what's been premarked as Deposition
8 Exhibit 1, and I assume you have seen this document
9 before, is that correct?

10 A. No.

11 Q. No. Okay. And it is the notice of deposition that
12 was issued that we are proceeding under today. I'd
13 like to discuss initially with you the topics about
14 which you plan to testify at the hearing on the motion
15 to assume the forbearance and optional termination
16 agreement and prove the settlement therein.

17 Do you have in mind the topics that you
18 intend to testify at the hearing?

19 A. Yes.

20 Q. And can you provide those to me?

21 A. The reason and purpose of the negotiation with the
22 Swap counterparties and the results thereof as
23 determined in the forbearance agreement itself, the
24 financial condition of the City that led us to believe
25 that this agreement was necessary to rehabilitate the

1 City. Prepared to testify to the general condition of
2 the City's financials leading up to the execution of
3 the forbearance agreement.

4 Q. Are there any other topics that you intend to testify
5 at the hearing concerning the forbearance agreement?

6 A. I'll testify at that point to the status of the DIP
7 form process that will provide the financing to
8 execute the City's option under the forbearance
9 agreement to retire the Swaps.

10 Q. Are there any other topics that you have not mentioned
11 in your answers that you intend to testify about?

12 A. I'm sure there will be other things but I can't recall
13 at this time what they might be.

14 Q. Mr. Buckfire, what is your position with Miller
15 Buckfire?

16 A. Co-founder and co-president of Miller
17 Buckfire & Company.

18 Q. Miller Buckfire currently is employed as the financial
19 advisor to the City of Detroit, correct?

20 A. As the investment banker to the City, that's correct.

21 Q. And when was Miller Buckfire first engaged by the City
22 as investment banker?

23 A. We were first engaged in July of 2012 for a 60-day
24 review of the City's financial condition. We were
25 re-engaged on January 8th of this year to continue to

1 advise the City on its financial condition and
2 financial alternatives. Both were -- were hired
3 pursuant to an RFP process to which we submitted a
4 proposal.

5 Q. When you were hired in July 2012, can you describe the
6 scope of services that Miller Buckfire was engaged to
7 provide?

8 A. As I mentioned earlier, we were engaged to do a
9 general financial review of the City's financial
10 condition particularly with respect to its ability to
11 service its debt obligations.

12 Q. Were there specific tasks that you were asked to
13 perform in connection with doing a general financial
14 review of the debt obligations?

15 A. No, we were engaged to do a general financial review
16 and advise the mayor and the chief financial officer
17 as to what those financial conditions implied for the
18 City's ability to operate in the ordinary course.

19 Q. That engagement began in July 2012 is what you
20 testified to, is that correct?

21 A. Correct, and ended on August 31st.

22 Q. Very good. I would point out that I would ask you to
23 wait until I ask the question, though.

24 Miller Buckfire was then re-engaged on
25 January 8th of 2013, is that correct?
