OPINION and ORDER

This litigation is now before the court on the recommendation of the United States Magistrate Judge entered on April 19, 2010, (Doc. No. 17), that this case be dismissed without prejudice for the plaintiff's failure to comply with the orders of this court and his failure to properly prosecute this cause of action. After a review of the recommendation, to which no timely objections have been filed, and after an independent review of the entire record, the court believes that the recommendation should be adopted. Accordingly, it is

ORDERED and ADJUDGED that the Recommendation of the Magistrate Judge be and is hereby ADOPTED and that this case be and is hereby DISMISSED without prejudice.

An appropriate judgment will be entered.

Done this the 11th day of May 2010.
