OPINION AND ORDER

Plaintiff filed this declaratory-judgment action seeking a determination of its rights and responsibilities under a written policy of insurance. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that defendant Amber Camile Nevels's motion to dismiss be denied and the case be referred back to the magistrate judge. There are no objections to the recommendation. After an independent and de novo review of the record, the court concludes that the

magistrate judge's recommendation should be adopted.
