OPINION

This long-standing litigation is now before the court on the special master's recommendation that the defendants' motion for summary judgment on claimant Gary Smith's individual-contempt claims be granted. There are no objections to the recommendation. After an independent and de novo review of the record, the court concludes that the recommendation should be adopted. Summary judgment will be granted on Smith's claims.

An appropriate judgment will be entered.

DONE, this the 3rd day of April, 2012.
