OPINION

Pursuant to 42 U.S.C. § 1983, plaintiff, a state inmate, filed this lawsuit claiming due-process, equal-protection, double-jeopardy, and excessive-punishment violations. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that defendant's motions for summary judgment should be granted. Also before the court are plaintiff's objections to the recommendation. After an independent and de novo review of the record, the court concludes that plaintiff's objections should be overruled and the magistrate judge's recommendation adopted.

An appropriate judgment will be entered.

DONE, this the 26th day of June, 2009.

UNITED STATES DISTRICT JUDGE
