OPINION

Pursuant to 42 U.S.C. § 1983, plaintiff, a former state inmate, filed this lawsuit challenging actions taken against a prison medical unit. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that defendants' motions for summary judgment should be granted. There are no objections to the recommendation. After an independent and de novo review of the record, the court concludes that the magistrate judge's recommendation should be adopted.

An appropriate judgment will be entered.

DONE, this the 20th day of June, 2011.

UNITED STATES DISTRICT JUDGE
