RECOMMENDATION OF THE MAGISTRATE JUDGE

This matter is pending before the court on a 28 U.S.C. § 2254 petition for habeas corpus filed by Petitioner on October 30, 2009.¹ In this petition, Petitioner challenges his convictions for first degree sexual abuse and first degree sodomy entered against him by the Circuit Court for Cherokee County, Alabama, in 2007.

DISCUSSION

This court, “in the exercise of its discretion and in furtherance of justice,” may transfer Petitioner's application for writ of habeas corpus to “the district court for the district within which the State court was held which convicted” Petitioner. 28 U.S.C. § 2241(d). Petitioner

Although the Clerk of this court stamped the present petition “filed” on November 2, 2009, Petitioner certified the petition for mailing on October 30, 2009. The law is well settled that a *pro se* inmate’s petition is deemed filed the date it is delivered to prison officials for mailing. *Houston v. Lack*, 487 U.S. 266, 271-272 (1988); *Adams v. United States*, 173 F.3d 1339, 1340-41 (11th Cir. 1999); *Garvey v. Vaughn*, 993 F.2d 776, 780 (11th Cir. 1993). In light of the foregoing and for purposes of this Recommendation, the court considers October 30, 2009 as the date of filing.

seeks to challenge convictions entered against him by the Circuit Court for Cherokee County, Alabama. Cherokee County is located within the jurisdiction of the United States District Court for the Northern District of Alabama. In light of the foregoing, the court concludes that the transfer of this case to such other court for review and disposition is appropriate.²

CONCLUSION

Accordingly, it is the RECOMMENDATION of the Magistrate Judge that this case be TRANSFERRED to the United States District Court for the Northern District of Alabama pursuant to the provisions of 28 U.S.C. § 2241(d).

It is further

ORDERED that the parties are DIRECTED to file any objections to the said Recommendation on or before **November 23, 2009**. Any objections filed must specifically identify the findings in the Magistrate Judge's Recommendation to which a party objects. Frivolous, conclusive or general objections will not be considered by the District Court. The parties are advised that this Recommendation is not a final order of the court and, therefore, it is not appealable.

Failure to file written objections to the proposed findings and recommendations in the Magistrate Judge's report shall bar the party from a *de novo* determination by the District Court of issues covered in the report and shall bar the party from attacking on appeal factual findings in the report accepted or adopted by the District Court except upon grounds of plain
