OPINION

Pursuant to 28 U.S.C. § 2255, petitioner files this habeas-corpus case. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that the habeas-corpus request be denied as time-barred. Petitioner has filed objections to the recommendation. After an independent and de novo review of the record, the court concludes that petitioner's objections should be overruled and the recommendation adopted.

An appropriate judgment will be entered.

DONE, this the 27th day of December, 2011.
