OPINION

Plaintiff Wildfire Group LLC filed this lawsuit seeking a declaratory judgment and asserting a variety of state-law claims against defendant Prime Insurance Company stemming from a dispute about funds Wildfire paid into a trust jointly established by the parties. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that Wildfire's motion for partial summary judgment should be granted in part, in that the court should enter a declaration of the parties' rights and duties under the trust agreement for the purpose of determining whether Prime is required to authorize

Wildfire's request for distribution of trust assets;
that Wildfire's motion for partial summary judgment
should be denied in all other respects; and that
Prime's motion for summary judgment should be granted
on all remaining claims. There are no objections to
the recommendation. After an independent and de novo
review of the record, the court concludes that the
magistrate judge's recommendation should be adopted.

An appropriate judgment will be entered.

DONE, this the 9th day of February, 2016.
