(WO)

ORDER

It is ORDERED that the plaintiffs' motion for leave to file supplemental evidence (Doc. 3389) is denied to the extent that the plaintiffs seek to have the evidence admitted as part of the evidentiary record for the recently concluded omnibus remedial proceedings. While this evidence may be relevant for another purpose, and the plaintiffs may refile it for that purpose, the court

will not consider it when resolving the issues presented during the omnibus remedial hearings.

DONE, this the 9th day of August, 2021.
