OPINION

Plaintiff filed this Title VII lawsuit asserting that his former employer terminated him because plaintiff does not believe in god. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that defendants' motion to dismiss be granted in part and denied in part. There are no objections to the recommendation. After an independent and de novo review of the record, the court concludes that the magistrate judge's recommendation should be adopted.

An appropriate judgment will be entered.

DONE, this the 23rd day of September, 2015.
