OPINION

Plaintiff filed this lawsuit asserting discrimination, negligence, and other claims related to her housing. This lawsuit is now before the court on recommendation of the United States Magistrate the Judge that defendants' motion to dismiss plaintiff's complaint be granted in part and denied in part. Also before the court are plaintiff's objections to the independent and de recommendation. After an novo review of the record, the court concludes that plaintiff's objections should be overruled and the magistrate judge's recommendation adopted.

An appropriate judgment will be entered.
