OPINION

Plaintiff filed this lawsuit asserting that the defendant, a former federal judge, violated his rights in dismissing a prior lawsuit. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that plaintiff's case be dismissed. There are no objections to the recommendation. After an independent and de novo review of the record, the court concludes that the magistrate judge's recommendation should be adopted.

An appropriate judgment will be entered.

DONE, this the 5th day of January, 2016.
