OPINION

Pursuant to 42 U.S.C. § 1983, plaintiff, a state prisoner, filed this lawsuit claiming that the defendant correctional officers failed to protect him from assault by another prisoner, placed him in a restricted-privileges dorm without due process, and denied him the opportunity to exercise while in that dorm. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that defendants' motion for summary judgment be granted. There are no objections to the recommendation. After an independent and de novo

review of the record, the court concludes that the magistrate judge's recommendation should be adopted.

An appropriate judgment will be entered.

DONE, this the 19th day of December, 2017.

UNITED STATES DISTRICT JUDGE
