CASE NO. 2:15-CV-484-WKW  
[WO]

**ORDER**

On January 4, 2016, the Magistrate Judge filed a Recommendation and set a January 19, 2016 deadline for objections. (Doc. # 6.) On January 14, 2016, Plaintiff filed a document that she titled an Appeal. (Doc. # 7.) The court construed the appeal as containing a request for an extension of time to object and granted Plaintiff until February 22, 2016, to object to the Recommendation. (Doc. # 8.) On February 24, 2016, Plaintiff filed a Motion for Extension of Time. (Doc. # 9.) The court granted the motion and extended Plaintiff’s time to object to April 25, 2016. Plaintiff has not filed an objection to the Recommendation. Because Plaintiff’s Appeal contains additional information regarding her claims of discrimination, the court construes the Appeal as also containing an objection to the Recommendation. It has conducted an independent and *de novo* review of

those portions of the Recommendation to which objections are made, *see* 28 U.S.C. § 636(b)(1).

The Magistrate Judge recommended that Plaintiff's complaint be dismissed prior to service of process pursuant to 28 U.S.C. § 1915 for failure to state a claim. The additional documents submitted by Plaintiff do not cure the defects in her complaint, and, therefore, the objection is without merit.

Accordingly, it is ORDERED that:

- (1) The objection (Doc. # 7) is OVERRULED;
- (2) The Recommendation (Doc. # 6) is ADOPTED; and
- (3) The complaint is DISMISSED without prejudice prior to service of process, pursuant to 28 U.S.C. § 1915(e)(2)(B)(ii).

A separate final judgment will be entered.

DONE this 2nd day of May, 2016.

/s/ W. Keith Watkins  
CHIEF UNITED STATES DISTRICT JUDGE
