OPINION

Pursuant to 42 U.S.C. § 1983, plaintiff, a state prisoner, filed this lawsuit complaining that his custody level was raised as a result of a disciplinary incident in which he was found not guilty. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that plaintiff's case be dismissed with prejudice. There are no objections to the recommendation. After an independent and de novo review of the record, the court concludes that the magistrate judge's recommendation should be

adopted, except that the dismissal will be without prejudice.

An appropriate judgment will be entered.

DONE, this the 2nd day of February, 2016.

UNITED STATES DISTRICT JUDGE
