OPINION

Pursuant to 42 U.S.C. § 1983, plaintiff, a state prisoner, filed this excessive force lawsuit complaining that he was maced, slammed on the ground, stomped and kicked by a correctional officer and that the warden of the prison was deliberately indifferent to the assault. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that plaintiff's case be dismissed. There are no objections to the recommendation. After an independent and de novo review of the record, the court concludes

that the magistrate judge's recommendation should be adopted.

An appropriate judgment will be entered.

DONE, this the 9th day of December, 2016.
