OPINION

Pursuant to 42 U.S.C. § 1983, plaintiff filed this lawsuit complaining of violations of her son's constitutional rights in connection with his state-court conviction. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that plaintiff's claims be dismissed. There are no objections to the recommendation. After an independent and de novo review of the record, the court concludes that the magistrate judge's recommendation should be adopted.

An appropriate judgment will be entered.

DONE, this the 9th day of December, 2016.
