OPINION

Plaintiff filed this lawsuit seeking relief from a student-loan debt that she contends she did not knowingly take on. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that plaintiff's case be dismissed for failure to prosecute and abide by the orders of the court. Plaintiff has filed objections to the recommendation. After an independent and de novo review of the record, the court concludes that the objections should be overruled and

the magistrate judge's recommendation adopted.

An appropriate judgment will be entered.

DONE, this the 29th day of June, 2017.
