CIVIL ACTION NO.

(WO)

OPINION

Pursuant to 42 U.S.C. § 1983, plaintiff, a state prisoner, filed this lawsuit complaining of dangerous living conditions in the prison system during the COVID-19 pandemic and of the promotion of violence by correctional officers. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that plaintiff's case be dismissed without prejudice for failure to prosecute. There are no objections to the recommendation. After an independent and de novo review of the record, the court

concludes that the magistrate judge's recommendation should be adopted.

An appropriate judgment will be entered.

DONE, this the 29th day of November, 2021.

UNITED STATES DISTRICT JUDGE
