OPINION

Pursuant to 42 U.S.C. § 1983, plaintiff, a state prisoner, filed this lawsuit complaining of dangerous conditions at Ventress Correctional Facility, the failure of defendants to protect him from repeated assaults, and the ongoing extortion of his family by prisoners. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that plaintiff's case be dismissed without prejudice due to plaintiff's failure to comply with a court order to file the documentation necessary for the court to rule on his motion to proceed without prepayment of

fees. There are no objections to the recommendation. After an independent and de novo review of the record, the court concludes that the magistrate judge's recommendation should be adopted.

An appropriate judgment will be entered.

DONE, this the 29th day of February, 2024.
